THE SCOTTS COMPANY
14111 Scottslawn Road
Marysville, Ohio 43041

March 16, 1995

Dear Fellow Shareholders:

The Annual Meeting of the Shareholders (the "Annual Meeting") of The Scotts Company, an Ohio corporation (the "Company"), will be held at 10:00 a.m., local time, on Thursday, April 6, 1995, at the Stouffer Dublin Hotel, 600 Metro Place North, Dublin, Ohio 43017. In light of the proposed transactions described below, this is a momentous Annual Meeting for the Company, and we therefore strongly encourage you to exercise your right to vote.

As you may know, the Company has entered into an Agreement and Plan of Merger (the "Agreement") with Stern's Miracle-Gro Products, Inc., Stern's Nurseries, Inc., Miracle-Gro Lawn Products Inc. and Miracle-Gro Products Limited, related corporations which market and distribute the country's leading brand of water-soluble plant food for the consumer market (the "Miracle-Gro Companies"), and with the shareholders of the Miracle-Gro Companies (the "Miracle-Gro Shareholders"). Under the Agreement, the Miracle-Gro Companies will become wholly-owned by the Company (the "Merger Transactions"), and the Miracle-Gro Shareholders will receive 195,000 shares of newly created Class A Convertible Preferred Stock of the Company, which will enable them to exercise, as a group, approximately 35% of the voting power of the Company, and warrants to purchase an additional 3,000,000 Common Shares of the Company, which, if exercised, would enable them to exercise, together with the Class A Convertible Preferred Stock, approximately 42% of the total voting power of the Company.

The Company's management and its Board of Directors believe that the Merger Transactions will benefit our shareholders and strengthen the Company. There are five principal benefits that the Company's management and the Board believe the Company will derive from the Merger Transactions. These are described in the Proxy Statement/Prospectus (see "THE MERGER TRANSACTIONS - Reasons for the Merger Transactions"). Briefly, we believe the Merger Transactions should:

- - BRING TOGETHER TWO OF THE STRONGEST BRANDS -- SCOTTS(R) AND MIRACLE-GRO(R) -- IN THE LAWN AND GARDEN INDUSTRY.
- - CREATE A MORE PROFITABLE, FASTER GROWING COMPANY.
- - OPEN NEW INTERNATIONAL MARKET OPPORTUNITIES.
- - SUBSTANTIALLY INCREASE FREE CASH FLOW.
- - ENHANCE THE COMPANY'S BALANCE SHEET AND ITS CREDIT-WORTHINESS.

Of course, as in any business transaction, there can be no assurance that these expectations will be fulfilled.

Smith Barney Inc., the Company's financial advisor, has rendered an opinion to the Board of Directors to the effect that, as of the date of its opinion, the consideration to be paid by the Company with respect to the Merger Transactions is fair, from a financial point of view, to the Company.

The consummation of the Merger Transactions is conditioned on, among other things, the approval of certain matters to be considered at the Annual Meeting. First, the acquisition by the Miracle-Gro Shareholders, as a group, of one-third or more but less than a majority of the voting power of the Company (Proposal No. 1) must be approved in accordance with the provisions of Section 1701.831 of the Ohio General Corporation Law. Second, the proposal to amend Article FOURTH of the Amended Articles of Incorporation to, among other things, authorize the Class A Convertible Preferred Stock (Proposal No. 2) must be approved by the holders of two-thirds of the outstanding Common Shares. Finally, the proposals to amend Section 2.02 of the Code of Regulations to create a classified Board (Proposal No. 4) and to limit the authority of the directors to increase the number of directors (Proposal No. 5) must be approved by the holders of a majority of the outstanding Common Shares.

Your Board of Directors believes that the Merger Transactions are in the best interests of the Company and its shareholders and that they will further the Company's long-term objective of maximizing shareholder value. The Board has unanimously approved the Merger Transactions and recommends that you vote FOR Proposal Nos. 1, 2, 4 and 5 in order that the Merger Transactions may be consummated.

In addition to approving Proposal Nos. 1, 2, 4 and 5, which are conditions precedent to the Merger Transactions, you will be asked to consider and vote upon an amendment to the Company's Amended Articles of Incorporation which would modify the procedure for adopting future amendments to the Amended Articles of Incorporation (Proposal No. 3); an amendment to Section 6.01 of the Code of Regulations to increase to two-thirds the vote required to amend Sections 1.02, 2.02 and 6.01 of the Code of Regulations (Proposal No. 6); and the election of nine directors (Proposal No. 7). Your Board of Directors recommends that you vote FOR each of these proposals.

The enclosed Notice of Annual Meeting and Proxy Statement/Prospectus contains detailed information about the Merger Transactions and the matters to be voted upon at the Annual Meeting. Please give this material your careful attention.

On behalf of the Board of Directors and management, we cordially invite you to attend the Annual Meeting. Whether or not you plan to attend the Annual Meeting, the prompt return of your proxy in the enclosed return envelope will save the Company additional expenses of solicitation and will help ensure that as many shares as possible are represented.

Sincerely,

Tadd C. Seitz
Chairman and Chief Executive Officer

SUMMARY

The following summary is not intended to be complete and is qualified in its entirety by reference to more detailed information contained elsewhere in this Proxy Statement/Prospectus and the Appendices. Shareholders are urged to read this Proxy Statement/Prospectus and the Appendices hereto in their entirety.

DATE, TIME AND PLACE OF ANNUAL MEETING OF SHAREHOLDERS OF THE COMPANY

The Annual Meeting of Shareholders of the Company will be held on Thursday, April 6, 1995, at 10:00 a.m., local time, at the Stouffer Dublin Hotel, 600 Metro Place North, Dublin, Ohio 43017.

RECORD DATE; SHAREHOLDERS ENTITLED TO VOTE

Only holders of record of Common Shares of the Company at the close of business on the Record Date, February 17, 1995, will be entitled to notice of and to vote at the Annual Meeting. On the Record Date, there were [18,677,064] Common Shares outstanding, each of which will be entitled to one vote on each matter properly submitted for vote to the Company's shareholders at the Annual Meeting. See "THE ANNUAL MEETING - Voting at the Meeting; Record Date."

PURPOSE OF ANNUAL MEETING OF SHAREHOLDERS OF THE COMPANY

The purpose of the Annual Meeting will be to consider and vote on proposals to: (1) approve the acquisition of one-third or more but less than a majority of the voting power of the Company by the Miracle-Gro Shareholders, as a group, (2) amend Article FOURTH of the Amended Articles of Incorporation, (3) adopt Article NINTH of the Amended Articles of Incorporation, (4) amend Sections 2.02 and 6.01 of the Code of Regulations, (5) elect directors and (6) transact such other business as may properly come before the Annual Meeting.

PARTIES TO THE MERGER TRANSACTIONS

The Company is the country's leading producer and marketer of consumer do-it-yourself lawn care and professional golf course turf care products. The principal executive offices of the Company are located at 14111 Scottslawn Road, Marysville, Ohio 43041, telephone (513) 644-0011.

Miracle-Gro markets and distributes the country's leading brand of water-soluble plant food for the consumer market. The principal executive offices of Miracle-Gro are located at 800 Port Washington Boulevard, Port Washington, New York 11050, telephone (516) 883-6550.

TERMS OF THE PROPOSED MERGER TRANSACTIONS

Pursuant to the terms of the Agreement, (1) Merger Subsidiary will be merged with and into Miracle-Gro, whereupon Miracle-Gro will be the surviving corporation and a wholly-owned subsidiary of the Company (the "Merger"); (2) immediately thereafter, (x) Nurseries will transfer all of its assets, including but not limited to all of its intellectual property rights, but none of its liabilities, to Miracle-Gro (the "Asset Transfer") and (y) Miracle-Gro Delaware and Miracle-Gro UK will each merge with and into Miracle-Gro (the "Subsequent Mergers" and, together with the Merger and the Asset Transfer, the "Merger Transactions"); and (3) immediately thereafter, Miracle-Gro will be merged with and into another wholly-owned Ohio subsidiary of Miracle-Gro ("New Miracle-Gro"), which will be the ultimate surviving corporation under the name "Scotts' Miracle-Gro Products, Inc." (the "Reincorporation"). The Agreement provides that, prior to the consummation of the Merger Transactions, the Miracle-Gro Companies shall distribute \$22 million to the Miracle-Gro Shareholders, which amount represents the estimated earnings of the Miracle-Gro Companies from October 1, 1994 through the expected closing date of the Merger Transactions although there can be no assurance as to the amount of actual earnings. Such distribution is consistent with historical distribution practices of the Miracle-Gro Companies. If the actual earnings of the Miracle-Gro Companies from October 1, 1994 through the date of the Merger Transactions exceeds \$22 million, the combined equity of the Miracle-Gro Companies will increase. Conversely, if the actual earnings of the Miracle-Gro Companies during this period is less than \$22 million, the combined equity of the Miracle-Gro Companies will decrease.

A copy of the Agreement is attached hereto as Appendix I and is incorporated herein by reference. See "THE AGREEMENT - Terms of the Agreement."

The consummation of the Merger Transactions is conditioned on, among other things, the approval by the Company's shareholders at the Annual Meeting of (i) the acquisition by the Miracle-Gro Shareholders of one-third or more but less than a majority of the voting power of the Company (the "Acquisition") in accordance with Section 1701.831 of the Ohio General Corporation Law (the "GCL"); (ii) the proposal to amend Article FOURTH to create the Class A Convertible Preferred Stock; and (iii) the amendment of Section 2.02 of the Code of Regulations as described herein.

EFFECT OF THE PROPOSED MERGER TRANSACTIONS

In connection with the Merger Transactions, the Miracle-Gro Shareholders, as a group, will receive 195,000 shares of Class A Convertible Preferred Stock of the Company, having approximately 35% of the voting power of the Company, and Warrants to purchase an additional 3,000,000 Common Shares of the Company, which, if exercised, would enable them to exercise, together with the Class A Convertible Preferred Stock, approximately 42% of the voting power of the Company. As a result, the Miracle-Gro Shareholders, voting together, would be able to block any matter requiring the affirmative vote of two-thirds of the voting power of the Company. A two-thirds vote is required to effect a merger or consolidation, combination or majority share acquisition, sale or other disposition of all or substantially all of the assets or dissolution of the Company, and may be required to amend the Articles of Incorporation of the Company. See "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION." If Proposal No. 6 is adopted, a two-thirds vote would also be required to amend certain provisions of the Company's Code of Regulations. See "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS."

The Agreement provides that, the Miracle-Gro Shareholders shall be entitled to designate three directors (one in each of the newly created classes) to sit on the newly expanded twelve person Board of Directors. In addition, the Agreement provides for certain voting rights of and certain voting restrictions on the Miracle-Gro Shareholders and limits the ability of the Miracle-Gro Shareholders to acquire additional Voting Stock of the Company or to transfer the Class A Convertible Preferred Stock, the Warrants or the underlying Common Shares. These provisions may have a significant effect on the management and day-to-day operations of the Company and are more fully described herein under "THE AGREEMENT - Standstill Provisions."

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors of the Company has unanimously approved the Merger Transactions, the Reincorporation and the Acquisition pursuant to the terms of the Agreement, believes that the Merger Transactions, the Reincorporation and the Acquisition are in the best interests of the Company and its shareholders and recommends that the shareholders vote FOR the approval of the Acquisition. See "THE MERGER TRANSACTIONS - Background of the Merger Transactions" and "- Reasons for the Merger Transactions." Prior to making this recommendation, the Board of Directors carefully analyzed, with the assistance of its financial advisor, the value of Miracle-Gro's business and the consideration proposed to be paid by the Company. The Board recognized that Miracle-Gro has few tangible assets but significant intangible assets in the form of trademarks and tradenames. The Board concluded that Miracle-Gro's business performance, prospects and widespread brand recognition among consumers justify the consideration proposed to be paid. See "THE MERGER TRANSACTIONS - Reasons for the Merger Transactions" and "- Opinion of Financial Advisor."

The last sale price of the Company's Common Shares on January 25, 1995, the day before the Board approved the Merger Transactions, as reported on NASDAQ, was \$16.25.

The Board of Directors of the Company also has unanimously approved each of the other matters described in this Proxy Statement/Prospectus and recommends that the shareholders vote FOR (i) the amendment to Article FOURTH of the Amended Articles of Incorporation, (ii) the adoption of Article NINTH of the Amended Articles of Incorporation and (iii) the amendments to Sections 2.02 and 6.01 of the Code of Regulations. See "PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION," "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION," "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS" and "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS."

REASONS FOR THE MERGER TRANSACTIONS

The Company's management and the Board of Directors believe that the Merger Transactions will benefit the Company's shareholders and strengthen the Company. There are five principal benefits that the Company's management and the Board expect the Company to derive from the Merger Transactions:

First, the Merger Transactions WILL BRING TOGETHER TWO OF THE STRONGEST BRANDS -- SCOTTS(R) AND MIRACLE-GRO(R) -- IN THE LAWN AND GARDEN INDUSTRY and

should establish the Company as a strong branded packaged-goods marketer.

Second, the combination SHOULD CREATE A MORE PROFITABLE, FASTER GROWING COMPANY. Sales of the Miracle-Gro Companies have, over the last five years, grown at greater than a 13% annual rate and net income has increased at more than a 16% annual rate - both higher than the Company's annual growth rates for the comparable period. Therefore, assuming that Miracle-Gro's growth rates can be sustained, the combination of the companies should accelerate the growth of the Company's sales and profits. While the Company's management, after reviewing the plans of the Miracle-Gro Companies and discussing them with their management, believes these rates of growth to be sustainable, there can be no assurance that these expectations will be realized.

Third, the combination of these companies SHOULD OPEN NEW INTERNATIONAL MARKET OPPORTUNITIES. Since its introduction in the United Kingdom five years ago, Miracle-Gro(R) has become the leading brand of garden plant food in that market. Miracle-Gro UK, which will become part of New Miracle-Gro in the Merger Transactions, owns a 32.5% equity interest in Miracle Holdings Limited ("Miracle Holdings"), a newly-created entity which sells Miracle-Gro(R) products in the United Kingdom, as well as a number of other leading brands of garden care products formerly manufactured by ICI Zeneca. See "INFORMATION ABOUT THE MIRACLE-GRO COMPANIES - Business of the Miracle-Gro Companies." Miracle Holdings is a holding company which holds Miracle Garden Care, Ltd., the successor to the businesses of two companies which had 1994 sales aggregating over \$50 million. In addition, Miracle-Gro UK has the option to increase its percentage ownership from 32.5% to approximately 98% of the equity of Miracle Holdings, initially for (pound)35 million. Whether or not that option is exercised, the Company's management believes that the combination of Miracle-Gro's proven consumer acceptance in the United Kingdom, and the acceptance of the

Company's products, including Osmocote(R), in the commercial market in Europe should give the combined companies the financial and management resources to accelerate their growth outside of North America.

Fourth, the Miracle-Gro Companies' profitability, and the fact that they require very little capital (other than seasonal borrowings), should result in SUBSTANTIALLY INCREASED FREE CASH FLOW for the Company. While the Company has not yet decided what uses it will make of any such cash, the Company plans to consider some or all of the following: investment in the business, including research and development, capital expenditures, paying down debt, a Common Share buyback and a Common Share dividend.

Finally, the combination of the Company and the Miracle-Gro Companies should result in the ENHANCEMENT OF THE COMPANY'S BALANCE SHEET. Since the Miracle-Gro Companies have relatively little debt, key financial ratios -- and therefore the Company's credit-worthiness -- will be improved on a pro forma basis as a result of the Merger Transactions. The Company's banks have indicated that, in view of the pro forma improvements in cash flow, they will reduce the Company's marginal interest rate and enter into an amended and restated credit agreement with terms more favorable to the Company upon the consummation of the Merger Transactions. See "RECENT DEVELOPMENTS - New Credit Facility."

Of course, as in any business transaction, there can be no assurance that the Company's expectations will be realized.

OPINION OF FINANCIAL ADVISOR

On January 23, 1995, Smith Barney Inc. ("Smith Barney"), the Company's financial advisor, delivered its oral opinion (which was subsequently confirmed in writing as of January 26, 1995) to the effect that the consideration proposed to be paid in the Merger Transactions by the Company is fair, from a financial point of view, to the Company. The full text of the written opinion, which sets forth the assumptions made, procedures followed, matters considered and scope of the review by Smith Barney in rendering its opinion, is attached hereto as Appendix II and should be read in its entirety. See "THE MERGER TRANSACTIONS - Opinion of Financial Advisor" for information regarding, among other things, the selection of Smith Barney and its compensation in connection with the Merger Transactions.

VOTE REQUIRED

The consummation of the Merger Transactions is conditioned on, among other things, the approval of certain matters to be considered at the Annual Meeting. The shareholders of the Company must approve the Acquisition because, immediately thereafter, the Miracle-Gro Shareholders will exercise in excess of one-third of the voting power of the Company. The GCL provides that any "control share acquisition" of a public company must be submitted to the company's shareholders. The GCL defines a control share acquisition to include an acquisition of the Company's shares which would give the acquiring person voting power falling within one of the following three categories: (a) one-fifth or more but less than one-third of the voting power, (b) one-third or more but less than a majority of the voting power, and (c) a majority or more of the voting power. For the Acquisition to be approved, the affirmative vote of the holders of a majority of the voting power of the Company represented at a meeting at which a quorum is present and the affirmative vote of the holders of a majority of the portion of such voting power excluding "Interested Shares" is required. "Interested Shares" are defined by the GCL to include shares held by the Acquiring Person (i.e., the Miracle-Gro Shareholders), shares held by an officer of the Company elected or appointed by the Board of Directors, shares held by employees of the Company who are also directors and certain shares purchased after a control share acquisition is announced. As indicated elsewhere in this Proxy Statement/Prospectus, officers and directors as a group own approximately 9% of the Company's outstanding Common Shares. The Miracle-Gro Shareholders do not currently own any Common Shares of the Company. See "PROPOSAL TO APPROVE ACQUISITION OF ONE-THIRD OR MORE BUT LESS THAN A MAJORITY OF THE VOTING POWER OF THE COMPANY - Recommendation and Vote."

In addition, the proposed amendment to the Amended Articles of Incorporation to authorize the Class A Convertible Preferred Stock must be approved by the holders of two-thirds of the outstanding Common Shares. See "PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION -

Recommendation and Vote." The proposed amendments to Section 2.02 of the Code of Regulations must be adopted by the affirmative vote of the holders of a majority of the voting power of the Company. See "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS - Recommendation and Vote."

REGULATORY MATTERS

The Merger Transactions are subject to the applicable provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations thereunder (the "HSR Act").

The Company and the Miracle-Gro Companies filed the information and material required under the HSR Act with the Antitrust Division of the Department of Justice (the "Antitrust Division") and the Federal Trade Commission (the "FTC") on January 31, 1995. A request for further information and documentary material was received from the FTC on March 2, 1995. The respective waiting periods under the HSR Act will expire twenty days after substantial compliance by the Company and the Miracle-Gro Companies with the request unless such waiting periods are earlier terminated by the FTC or unless the parties agree to extend such waiting periods. The Company and the Miracle-Gro Companies expect to file their respective information as promptly as practicable. The Merger Transactions cannot be consummated until the expiration or termination of the HSR Act waiting periods. See "THE MERGER TRANSACTIONS -- Antitrust Considerations."

DISSENTERS' RIGHTS

Shareholders of the Company have no dissenters' rights with respect to the Merger Transactions, the Reincorporation, the Acquisition or any other matter to be considered at the Annual Meeting.

The Miracle-Gro Shareholders have unanimously approved the Merger Transactions. Therefore, none of the Miracle-Gro Shareholders has any dissenters' rights with respect to the Merger Transactions.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

No gain or loss will be recognized by the Company or the Company's shareholders for federal income tax purposes as a result of the Merger Transactions. With respect to the Miracle-Gro Shareholders, the consummation of the Merger Transactions is conditioned, among other things, upon the receipt of an opinion of Skadden, Arps, Slate, Meagher & Flom, special counsel to the Miracle-Gro Companies, to the effect that each of the Merger and the Subsequent Mergers should constitute a tax-free reorganization pursuant to Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"). See "THE MERGER TRANSACTIONS - Federal Income Tax Consequences."

THE ANNUAL MEETING

GENERAL

This Proxy Statement/Prospectus is furnished to the Company's shareholders in connection with the solicitation on behalf of the Board of Directors of the Company of proxies for use at the Annual Meeting to be held at the Stouffer Dublin Hotel, 600 Metro Place North, Dublin, Ohio 43017, on Thursday, April 6, 1995, at 10:00 a.m., local time, and at any adjournment or adjournments thereof. This Proxy Statement/Prospectus and the accompanying form of proxy were first mailed to shareholders on or about March 16, 1995.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

At the Annual Meeting, shareholders will be asked (i) to consider and vote upon the acquisition of one-third or more but less than a majority of the voting power of the Company by the Miracle-Gro Shareholders; (ii) to consider and act upon a proposal to amend Article FOURTH of the Amended Articles of Incorporation of the Company to increase the authorized number of Common Shares to 50,000,000 and to authorize a class of 195,000 voting preferred shares designated Class A Convertible Preferred Stock; (iii) to consider and act upon a proposal to amend the Amended Articles of Incorporation by adding new Article NINTH; (iv) to consider and act upon proposals to amend Sections 2.02 and 6.01 of the Code of Regulations; (v) to elect directors and (vi) to transact such other business as may properly come before the Annual Meeting.

The Board of Directors has unanimously approved the Merger Transactions, the Reincorporation, the Acquisition and each of the other matters to be voted upon at the Annual Meeting. The Board recommends a vote FOR the Acquisition and each of the other matters described herein and FOR the election of the directors named herein.

VOTING AT THE MEETING; RECORD DATE

Only holders of record of the Company's Common Shares at the close of business on the Record Date will be entitled to vote at the Annual Meeting. As of the Record Date, there were [18,667,064] Common Shares outstanding. Each Common Share entitles the holder to one vote. A quorum for the Annual Meeting is a majority of the Common Shares outstanding. In addition, a quorum for purposes of Proposal No. 1 only also includes a majority of the portion of the voting power excluding "Interested Shares." See "PROPOSAL TO APPROVE ACQUISITION OF ONE-THIRD OR MORE BUT LESS THAN A MAJORITY OF THE VOTING POWER OF THE COMPANY -- Recommendation and Vote." There is no cumulative voting. There are no other voting securities of the Company outstanding.

Common Shares represented by signed proxies that are returned to the Company will be counted toward the quorum in all matters even though they are "marked as "Abstain," "Against" or "Withhold Authority" on one or more or all matters or they are not marked at all. Broker/dealers, who hold their customers' shares in street name, may, under the applicable rules of the exchange and other self-regulatory organizations of which the broker/dealers are members, sign and submit proxies for such shares and may vote such shares on routine matters, which, under such rules, typically include the election of directors, but broker/dealers may not vote such shares on other matters, which typically include amendments to the articles of incorporation of the Company and the approval of stock compensation plans, without specific instructions from the customer who owns such shares. Proxies signed and submitted by broker/dealers which have not been voted on certain matters as described in the previous sentence are referred to as broker non-votes. Such proxies count toward the establishment of a quorum. THE EFFECT OF AN ABSTENTION OR BROKER NON-VOTE ON EACH OF THE MATTERS TO BE VOTED UPON AT THE MEETING IS THE SAME AS A "NO" VOTE.

If the accompanying proxy card is properly signed and returned to the Company prior to the Annual Meeting and not revoked, it will be voted in accordance with the instructions contained therein. If no instructions are given, the persons designated as proxies in the accompanying proxy card will vote FOR the election as directors of those persons named below and FOR all other proposals set forth herein.

The Board of Directors is not currently aware of any matters other than those referred to herein which will come before the Annual Meeting. If any other matter should be presented at the Annual Meeting for action, the persons named in the accompanying proxy card will vote the proxy in their own discretion.

You may revoke your proxy at any time before it is actually voted at the Annual Meeting by delivering written notice of revocation to the Secretary of the Company, by submitting a subsequently dated proxy, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, in itself, constitute revocation of the proxy.

The expense of preparing, printing and mailing proxy materials to the Company's shareholders will be borne by the Company. The Company has engaged Georgeson & Company to assist in the solicitation of proxies from stockholders at a fee of approximately \$10,000 plus reimbursement of reasonable out-of-pocket expenses. In addition, proxies may be solicited personally or by telephone, mail or telegraph. Officers or employees of the Company may assist with personal or telephone solicitation and will receive no additional compensation therefor. The Company will also reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners of the Common Shares.

If a shareholder is a participant in The Scotts Company Profit Sharing and Savings Plan (the "PSP") and Common Shares have been allocated to such person's account in the PSP, the trustee will vote the allocated Common Shares.

THE MERGER TRANSACTIONS

BACKGROUND OF THE MERGER TRANSACTIONS

Representatives of the Company have inquired of Miracle-Gro's management periodically whether they would consider a business combination. In the fall of 1994, the principals of Miracle-Gro and members of the Company's senior management began meeting to determine whether there was a basis for agreement. In September, the Miracle-Gro Companies retained CS First Boston to provide advice with respect to the possible business combination, while, in October, the Company determined to pursue this opportunity and retained Smith Barney to assist in the negotiations. On October 3, 1994, the Company and Miracle-Gro executed a confidentiality agreement. Thereafter, the parties periodically discussed the terms of a possible business combination. Such discussions culminated in the execution of the Agreement on January 26, 1995.

The consideration to be paid by the Company in the Merger Transactions was determined by arms-length negotiation among the Miracle-Gro Companies, the Miracle-Gro Shareholders and the Company, after consultation by the Company with Smith Barney and consultation by the Miracle-Gro Shareholders with CS First Boston.

EFFECT OF THE PROPOSED MERGER TRANSACTIONS

In connection with the Merger Transactions, the Miracle-Gro Shareholders, as a group, will receive 195,000 shares of Class A Convertible Preferred Stock of the Company, having approximately 35% of the voting power of the Company, and Warrants to purchase an additional 3,000,000 Common Shares of the Company, which, if exercised, would enable them to exercise, together with the Class A Convertible Preferred Stock, approximately 42% of the voting power of the Company. As a result, the Miracle-Gro Shareholders, voting together, would be able to block any matter requiring the affirmative vote of two-thirds of the voting power of the Company. A two-thirds vote is required to effect a merger or consolidation, combination or majority share acquisition, sale or other disposition of all or substantially all of the assets or dissolution of the Company, and may be required to amend the Articles of Incorporation of the Company. See "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION." If Proposal No. 6 is adopted, a two-thirds vote would also be required to amend certain provisions of the Company's Code of Regulations. See "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS."

The Agreement provides that, the Miracle-Gro Shareholders shall be entitled to designate three directors (one in each of the newly created classes) to sit on the newly expanded twelve person Board of Directors. In addition, the Agreement provides for certain voting rights of and certain voting restrictions on the Miracle-Gro Shareholders and limits the ability of the Miracle-Gro Shareholders to acquire additional Voting Stock of the Company or to transfer the Class A Convertible Preferred Stock, the Warrants or the underlying Common Shares. These provisions may have a significant effect on the management and day-to-day operations of the Company and are more fully described herein under "THE AGREEMENT - Standstill Provisions."

REASONS FOR THE MERGER TRANSACTIONS

The Board of Directors believes that the terms of the Merger Transactions are fair to, and in the best interests of, the Company and its shareholders. Accordingly, the Board of Directors has unanimously approved the Agreement and the transactions contemplated thereby.

The Board of Directors believes that the Merger Transactions offer the Company several unique and significant business opportunities that are consistent with the Company's principal long-term growth strategies to enhance the Company's position as the leading provider of brand name products for the consumer lawn and garden and professional turf care markets in the United States, while substantially expanding the Company's presence and growth potential in markets overseas. Specifically, the Company's management and the Board of Directors expect the Company to derive from the Merger Transactions the following principal benefits:

First, the Merger Transactions WILL BRING TOGETHER TWO OF THE STRONGEST BRANDS -- SCOTTS(R) AND MIRACLE-GRO(R) -- IN THE LAWN AND GARDEN INDUSTRY and should establish the Company as a strong branded packaged-goods marketer.

Second, the combination SHOULD CREATE A MORE PROFITABLE, FASTER GROWING COMPANY. Sales of the Miracle-Gro Companies have, over the last five years, grown at greater than a 13% rate, while net income has increased at more than a 16% rate. After consulting with the Miracle-Gro Companies' management, the Company's management believes that Miracle-Gro's growth is sustainable and that based on the foregoing the combination of the companies should accelerate the Company's profit growth.

Third, the combination of these companies SHOULD OPEN NEW INTERNATIONAL MARKET OPPORTUNITIES. Since its introduction in the United Kingdom five years ago, Miracle-Gro(R) has become the leading brand of garden plant food in that market. Miracle-Gro UK, which will become part of New Miracle-Gro in the Merger Transactions, owns a 32.5% equity interest in Miracle Holdings, a newly-created entity which sells Miracle-Gro(R) products in the United Kingdom, as well as a number of other leading brands of garden care products formerly manufactured by ICI Zeneca. See "INFORMATION ABOUT THE MIRACLE-GRO COMPANIES - Business of the Miracle-Gro Companies." In 1994, Miracle Holdings had sales of over \$50 million on a pro forma basis. In addition, Miracle-Gro UK, and upon consummation of the Merger Transactions New Miracle-Gro, has the option to increase its percentage ownership from 32.5% to approximately 98% of the equity of Miracle Holding, initially for (pound)35 million. Whether or not that option is exercised, the Company's management believes that the combination of Miracle-Gro's proven consumer acceptance in the United Kingdom, and the acceptance of the Company's products, including Osmocote(R), in the commercial market in Europe should give the combined companies the financial and management resources to accelerate their growth outside of North America.

Fourth, the Miracle-Gro Companies' profitability, and the fact that they requires very little capital (other than seasonal borrowings), should result in SUBSTANTIALLY INCREASED FREE CASH FLOW for the Company. While the Company has not yet decided what uses it will make of this cash, the Company plans to consider some or all of the following: investment in the business, including research and development, capital expenditures, paying down debt, a Common Share buyback and a Common Share dividend.

Finally, the combination of the Company and the Miracle-Gro Companies should result in the ENHANCEMENT OF THE COMPANY'S BALANCE SHEET. Since the Miracle-Gro Companies have relatively little debt, key financial ratios -- and therefore the Company's credit-worthiness -- will be improved on a pro forma basis as a result of the Merger Transactions. The Company's banks have indicated that in view of the pro forma improvements in cash flow, they will reduce the Company's marginal interest rate and enter into an amended and restated credit agreement with terms more favorable to the Company upon the consummation of the Merger Transactions. See "RECENT DEVELOPMENTS - New Credit Facility."

Of course, as in any business transaction, there can be no assurance that the Company's expectations will be realized.

In reaching its decision to approve the Agreement and the transactions contemplated thereby, the material factors considered by the Board of Directors were: (i) information concerning the financial performance, condition, business operations and prospects of each of the Company and the Miracle-Gro Companies; (ii) historical market prices and trading information with respect to the Company's Common Shares; (iii) the expected effect of the Merger Transactions on the Company's earnings per share based on historical audited financial statements of the

Company and the Miracle-Gro Companies, financial forecasts prepared by their respective managements and upon the amount and terms of the Class A Convertible Preferred Stock and the Warrants to be issued in connection with the Merger Transactions; (iv) the expected enhancement of the Company's capitalization and cash flows as a result of the addition of Miracle-Gro's operating cash flows; (v) the potential efficiencies and economies of scale resulting from the combination to be effected by the Merger Transactions; (vi) the proposed terms and structure of the Merger Transactions; (vii) the terms of the Agreement and (viii) the opinion of Smith Barney referred to below (see "THE MERGER TRANSACTIONS - Opinion of Financial Advisor").

OPINION OF FINANCIAL ADVISOR

The Board of Directors of the Company retained Smith Barney as exclusive financial advisor to the Company to render certain financial advisory services to the Company in connection with the Merger Transactions. In connection with such engagement, the Company requested that Smith Barney evaluate the fairness to the Company, from a financial point of view, of the consideration to be paid by the Company in the Merger Transactions. On January 23, 1995, in connection with the evaluation of the proposed Agreement by the Board of Directors of the Company, Smith Barney delivered its oral opinion (which was subsequently confirmed in writing by a letter dated January 26, 1995) to the Board of Directors of the Company to the effect that, as of such date and based upon and subject to certain matters stated in such opinion, the value of the consideration to be paid in the Merger Transactions was fair, from a financial point of view, to the Company.

In arriving at the opinion set forth in its January 26, 1995 letter, Smith Barney reviewed a copy of the Agreement entered into by the parties thereto on January 26, 1995. In delivering its oral opinion on January 23, 1995, Smith Barney reviewed a current draft of the Agreement (draft of January 21, 1995), the terms of which did not vary materially from the definitive Agreement. Smith Barney held discussions with certain senior officers, directors and other representatives and advisors of the Company and certain senior officers and other representatives and advisors of the Miracle-Gro Companies concerning the businesses, operations and prospects of the Company and the Miracle-Gro Companies. Smith Barney examined certain publicly available business and financial information relating to the Company and certain business and financial information relating to the Miracle-Gro Companies as well as certain financial forecasts and other data for the Company and the Miracle-Gro Companies which were provided to Smith Barney by the respective managements of the Company and the Miracle-Gro Companies. Smith Barney reviewed the financial terms of the Company as set forth in the Agreement in relation to, among other things: current and historical market prices and trading volumes of the Company's Common Shares; the historical and projected earnings of the Company and the Miracle-Gro Companies; and the capitalization and financial condition of the Company and the Miracle-Gro Companies. Smith Barney considered, to the extent publicly available, the financial terms of certain other similar transactions recently effected which Smith Barney considered comparable to the Merger Transactions and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose businesses Smith Barney considered comparable to those of the Company and the Miracle-Gro Companies. Smith Barney also evaluated the potential pro forma financial impact of the Merger Transactions on the Company. In addition to the foregoing, Smith Barney conducted such other analyses and examinations and considered such other financial, economic and market criteria as Smith Barney deemed necessary to arrive at its opinion. Smith Barney noted that its opinion was necessarily based upon information available, and financial, stock market and other conditions and circumstances existing and disclosed, to Smith Barney as of the date of its opinion.

In rendering its opinion, Smith Barney assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information publicly available or furnished to or otherwise reviewed by or discussed with Smith Barney. With respect to financial forecasts and other information provided to or otherwise discussed with Smith Barney, Smith Barney has been advised by the respective managements of the Company and the Miracle-Gro Companies that such forecasts and other information were reasonably prepared on bases reflecting their best currently available estimates and judgments as to the expected future financial performance of the Company and the Miracle-Gro Companies. Smith Barney assumed that the Merger Transactions will be treated as tax-free reorganizations for federal income tax purposes. Smith Barney's opinion relates to the relative values of the Company and the Miracle-Gro Companies. Smith Barney did not express any

opinion as to what the value of the consideration to be paid with respect to the Merger Transactions actually will be when issued pursuant to the Merger Transactions or the price at which the Company's Common Shares will trade subsequent to the Merger Transactions. In addition, Smith Barney did not make or obtain an independent evaluation or appraisal for the assets or liabilities (contingent or otherwise) of the Company or the Miracle-Gro Companies nor did Smith Barney make any physical inspection of the properties or assets of the Company or the Miracle-Gro Companies. Smith Barney was not asked to consider, and its opinion does not address, the relative merits of the Merger Transactions as compared to any alternative business strategies that might exist for the Company or the effect of any other transaction in which the Company might engage. In addition, although Smith Barney evaluated the consideration to be paid in the Merger Transactions from a financial point of view, Smith Barney was not asked to and did not recommend the specific amount of consideration payable in the Merger Transactions. No other limitations were imposed by the Company on Smith Barney with respect to the investigations made or procedures followed by Smith Barney in rendering its opinion.

THE FULL TEXT OF THE WRITTEN OPINION OF SMITH BARNEY DATED JANUARY 26, 1995, WHICH SETS FORTH THE ASSUMPTIONS MADE, MATTERS CONSIDERED AND LIMITATIONS ON THE REVIEW UNDERTAKEN, IS ATTACHED HERETO AS APPENDIX II AND IS INCORPORATED HEREIN BY REFERENCE. THE COMPANY'S SHAREHOLDERS ARE URGED TO READ THIS OPINION CAREFULLY IN ITS ENTIRETY. SMITH BARNEY'S OPINION IS DIRECTED ONLY TO THE FAIRNESS OF THE VALUE OF THE CONSIDERATION TO BE PAID IN THE MERGER TRANSACTIONS FROM A FINANCIAL POINT OF VIEW AND HAS BEEN PROVIDED FOR THE USE OF THE BOARD OF DIRECTORS OF THE COMPANY IN ITS EVALUATION OF THE MERGER TRANSACTIONS, DOES NOT ADDRESS ANY OTHER ASPECT OF THE MERGER TRANSACTIONS OR RELATED TRANSACTIONS AND DOES NOT CONSTITUTE A RECOMMENDATION TO ANY COMPANY SHAREHOLDER AS TO HOW SUCH SHAREHOLDER SHOULD VOTE AT THE ANNUAL MEETING. THE SUMMARY OF THE OPINION OF SMITH BARNEY SET FORTH IN THIS PROXY STATEMENT/PROSPECTUS IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE FULL TEXT OF SUCH OPINION.

In preparing its opinion to the Board of Directors of the Company, Smith Barney performed a variety of financial and comparative analyses, of which the material ones are described below. These analyses are necessarily based on certain assumptions and on the information provided to Smith Barney and the scope of Smith Barney's engagement, all of which are described and summarized in the full text of the written opinion of Smith Barney attached hereto as Appendix II. The summary of such analyses does not purport to be a complete description of the analyses underlying Smith Barney's opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances and, therefore, such an opinion is not readily susceptible to summary description. In arriving at its opinion, Smith Barney did not attribute any particular weight to any analysis or factor considered by it, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, Smith Barney believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors, without considering all analyses and factors, could create a misleading or incomplete view of the processes underlying such analyses and its opinion. In its analyses, Smith Barney made numerous assumptions with respect to the Company, the Miracle-Gro Companies, industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of the Company and the Miracle-Gro Companies. The estimates contained in such analyses are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold. Accordingly, such analyses and estimates are inherently subject to substantial uncertainty.

Comparable Company Analysis

Using publicly available information, Smith Barney analyzed a number of factors, of which the material factors were the market values and trading multiples of selected consumer products companies with a single product brand name, including WD 40 Co., Armor All, and Eskimo Pie Co., and certain fertilizer and lawn care products companies, including IMC Global Inc., LESCO Inc., Terra Industries and Vigoro Corp. (the "Comparable Companies"). Smith Barney compared market values as multiples of historical and projected net income and adjusted market values (equity market value, plus total debt and preferred stock, less cash and cash equivalents) as multiples of, among other things, latest 12 months net revenue and earnings before interest, taxes, depreciation and amortization ("EBITDA"). Smith Barney also compared the debt to capitalization ratios, profits, profit margins, historical

revenue growth and projected calendar earnings per share ("EPS") growth of the Comparable Companies with those of the Miracle-Gro Companies. EPS projections for the Comparable Companies were analyzed based on the consensus estimates of selected investment banking firms, and earnings projections for the Miracle-Gro Companies were analyzed based on internal estimates of the management of the Miracle-Gro Companies as adjusted by the Company's management. An analysis of multiples of projected calendar 1995 net income yielded a range of 9.1x to 16.1x with a mean of 12.9x, as compared to approximately 9.7x for the Miracle-Gro Companies. An analysis of multiples of latest 12 months EBITDA yielded a range of 5.3x to 12.7x with a mean of 8.9x, as compared to approximately 6.6x for the Miracle-Gro Companies. An analysis of five-year historical annual sales growth resulted in a range of (2.6%) to 11.8% with a mean of 4.7%, as compared to approximately 13.7% for the Miracle-Gro Companies. An analysis of projected earnings growth yielded a range of 7.2% to 22.5% with a mean of 12.6%, as compared to approximately 18.8% for the Miracle-Gro Companies. All multiples were based on closing stock prices as of January 19, 1995.

Selected Merger and Acquisition Transactions Analysis

Using publicly available information, Smith Barney analyzed the purchase prices and implied transaction multiples in 16 selected mergers and acquisition transactions announced between 1990 and 1995, including Snapple Beverage Corp./Quaker Oats Co. and Neutrogena Corp./Johnson & Johnson in the single-product brand name consumer products industry and Grace-Sierra Horticultural Products Co./The Scotts Co. and Chevron Chemical Company-Ortho/Monsanto Co. in the fertilizer and lawn and garden care products industry (the "Selected Acquisitions"). Smith Barney compared transaction values as multiples of latest 12 month revenue and EBITDA. An analysis of multiples of latest 12 month revenue for the Selected Acquisitions yielded a range of 1.0x to 3.3x, with a mean of 2.1x, as compared to approximately 2.0x for the Miracle-Gro Companies (for fiscal 1994). An analysis of the multiples to EBITDA for the Selected Acquisitions yielded a range of 7.7x to 19.4x, with a mean of 9.0x, as compared to approximately 6.6x for the Miracle-Gro Companies (for fiscal 1994), which supports the opinion of Smith Barney attached hereto as Appendix II.

No company, transaction or business used in the comparable company and selected merger and acquisitions transactions analyses as a comparison is identical to the Company, the Miracle-Gro Companies or the Merger Transactions. Accordingly, an analysis of the results of the foregoing is not entirely mathematical; rather, it involves complex considerations and judgments in order to identify the Comparable Companies and Selected Acquisitions. Factors specifically considered are differences in financial and operating characteristics and other factors that could affect the acquisition or public trading value of the comparable companies or the business segment or company to which they are being compared.

Discounted Cash Flow Analysis

Smith Barney performed discounted cash flow analyses of the projected Miracle-Gro Companies' cash flows for the fiscal years ended September 30, 1995 through 1999, assuming, among other things, discount rates of 10% to 14% (intended to reflect the Company's weighted average cost of capital) and terminal multiples (i.e., the multiples used to estimate the valuation of the Company at the end of the period) of 5x to 7x of EBITDA. Utilizing these assumptions, Smith Barney arrived at an equity valuation reference range for the Miracle-Gro Companies of approximately \$266 million to \$403 million, which supports the opinion of Smith Barney attached hereto as Appendix II.

Pro Forma Merger Analysis

Smith Barney analyzed certain pro forma effects resulting from the Merger Transactions assuming a March 31, 1995 closing, the material effects of which were the enhanced credit statistics of the Company discussed below under "Other Facts and Comparative Analyses" and the impact of the Merger Transactions on the projected EPS of the Company for the fiscal years ended 1995 through 1999. The results of the pro forma merger analysis suggest that the Merger Transactions would be break-even with respect to EPS for fiscal 1994, break-even with respect to consensus EPS estimates of selected investment banking firms for fiscal 1995 and accretive for 1996 through 1999. The actual results achieved by the combined company may vary from projected results, and the variations may be material.

In rendering its opinion, Smith Barney considered certain other factors and conducted certain other comparative analyses, of which the material ones are, a review of (i) the historical and projected financial results of the Company and the Miracle-Gro Companies, (ii) the history of trading prices for the Company's Common Shares and (iii) the expected effect of the Merger Transactions on selected credit statistics of the Company.

Pursuant to the terms of Smith Barney's engagement, the Company has agreed to pay Smith Barney \$450,000 upon delivery of its fairness opinion and a transaction fee of \$1.8 million (reduced by the amount paid in respect of the delivery of the fairness opinion) upon consummation of the transaction. In the event the transactions contemplated by the Agreement are not consummated and the Company receives compensation in respect thereof, Smith Barney is entitled to receive a termination fee equal to 10% of such compensation (reduced by the amount paid in respect of the delivery of the fairness opinion). The Company also has agreed to reimburse Smith Barney for travel and other out-of-pocket expenses incurred by Smith Barney in performing its services, including the fees and expenses of its legal counsel, and has agreed to indemnify Smith Barney and related persons against certain liabilities, including liabilities under the federal securities laws, arising out of Smith Barney's engagement.

Smith Barney has advised the Company that, in the ordinary course of business, it may actively trade the equity and debt securities of the Company for its own account or for the account of its customers and, accordingly, may at any time hold a long or short position in such securities.

Smith Barney is a nationally recognized investment banking firm and was selected by the Company based on Smith Barney's experience and expertise. Smith Barney regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, negotiated underwritings, competitive bids, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes.

FEDERAL INCOME TAX CONSEQUENCES

The following is a general summary of certain material federal income tax consequences of the Merger Transactions. The discussion is based on the Code, judicial decisions and administrative regulations, rulings and practices, all of which are subject to change. The following does not address any state, local or foreign income and other tax consequences of the Merger Transactions.

Neither the Company nor the holders of the Company's Common Shares will recognize any gain or loss for federal income tax purposes as a result of the Merger Transactions.

With respect to the Miracle-Gro Shareholders, the consummation of the Merger Transactions is conditioned, among other things, upon the receipt of an opinion of Skadden, Arps, Slate, Meagher & Flom, special counsel to the Miracle-Gro Companies, to the effect that each of the Merger and the Subsequent Mergers should constitute a tax-free reorganization pursuant to Section 368(a) of the Code. Such opinion will be conditioned and based on certain statements and representations which are expected to be made at the Effective Time by executives of the Miracle-Gro Companies and the Company, and is subject to the assumptions and limitations described therein. The opinion will not be binding on the Internal Revenue Service, nor will it preclude the Internal Revenue Service from taking a contrary position. Subject to these limitations, the following is a summary of the material federal income tax consequences of the Merger Transactions:

- (i) each of the Merger Transactions should constitute a reorganization within the meaning of Section 368(a) of the Code, and the Company, Merger Subsidiary and each Miracle-Gro Company should each be a party to the respective reorganizations of which they are a part within the meaning of Section 368(b) of the Code;

- (ii) no gain or loss should be recognized by the shareholders of a Miracle-Gro Company upon their receipt of shares of Class A Convertible Preferred Stock in a Merger Transaction in exchange for their shares of stock of the relevant Miracle-Gro Company;
- (iii) each shareholder of a Miracle-Gro Company should, with respect to each Merger Transaction, recognize taxable income equal to the lesser of (x) the fair market value of the Warrants received by such shareholder in exchange for such shareholder's shares of stock of the relevant Miracle-Gro Company and (y) the difference between the aggregate fair market value of the shares of Class A Convertible Preferred Stock and the Warrants received by such shareholder in such Merger Transaction and such shareholder's tax basis in the stock of the relevant Miracle-Gro Company exchanged therefor;
- (iv) the tax basis of a shareholder of a Miracle-Gro Company in the shares of Class A Convertible Preferred Stock received by such shareholder should be the same as such shareholder's tax basis in the stock of such Miracle-Gro Company exchanged therefor, decreased by the fair market value of the Warrants received and increased by any taxable income recognized by such shareholder in respect of such Merger Transactions;
- (v) the tax basis of a shareholder of a Miracle-Gro Company in the Warrants received by such shareholder will be equal to the fair market value of the Warrants received; and
- (vi) the holding period of the shares of Class A Convertible Preferred Stock in the hands of a shareholder of a Miracle-Gro Company should include the holding period of such shareholder's shares of stock of such Miracle-Gro Company exchanged therefor.

The foregoing summary of federal income tax consequences is included herein for general information only and does not address the federal income tax consequences to all categories of Miracle-Gro Shareholders. EACH MIRACLE-GRO SHAREHOLDER IS URGED TO CONSULT HIS OR HER OWN TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES TO HIM OR HER OF THE MERGER TRANSACTIONS, INCLUDING THE APPLICATION AND EFFECT OF STATE, LOCAL AND FOREIGN INCOME AND OTHER TAX LAWS.

ANTITRUST CONSIDERATIONS

Transactions such as the Merger Transactions are reviewed by the Antitrust Division or the FTC to determine whether they comply with applicable antitrust laws. Under the provisions of the HSR Act, the Merger Transactions cannot be consummated until such time as the requirements of the HSR Act have been satisfied. Certain information was filed with the Antitrust Division and the FTC under the HSR Act by the Company and the Miracle-Gro Companies on January 31, 1995. The Company and the Miracle-Gro Companies received a request for additional information and documentary material from the FTC on March 2, 1995. The respective waiting periods under the HSR Act will expire twenty days after substantial compliance by the Company and the Miracle-Gro Companies with the request unless such waiting periods are earlier terminated by the FTC or unless the parties agree to extend such waiting period. The Company and the Miracle-Gro Companies expect to file their respective information as promptly as practicable. The Merger Transactions cannot be consummated until the expiration or termination of the HSR Act waiting periods. Thereafter, the waiting period may be further extended only by court order.

At any time before or after the Effective Time of the Merger Transactions, the Department of Justice or the FTC or a private person or entity could seek under the antitrust laws to enjoin the Merger Transactions or to cause the Company to divest itself, in whole or in part, of the Miracle-Gro Companies or of other businesses conducted by the Company. There can be no assurance that a challenge to the Merger Transactions will not be made or that, if such a challenge is made, the Company and the Miracle-Gro Companies will prevail.

ACCOUNTING TREATMENT

The Merger Transactions will be accounted for by the Company under the "purchase" method of accounting in accordance with generally accepted accounting principles.

THE AGREEMENT

This section of the Proxy Statement/Prospectus describes the material terms of the Agreement. The following description, however, does not purport to be complete and is qualified in its entirety by reference to the Agreement itself which is attached hereto as Appendix I and is incorporated herein by reference. Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Agreement.

TERMS OF THE AGREEMENT

Pursuant to the Agreement, (1) Merger Subsidiary shall be merged with and into Miracle-Gro, whereupon Miracle-Gro will be the surviving corporation and a wholly-owned subsidiary of the Company; (2) immediately thereafter, (x) Nurseries will transfer all of its assets, including but not limited to all of

its intellectual property rights, but none of its liabilities, to Miracle-Gro and (y) Miracle-Gro Delaware and Miracle-Gro UK will each merge with and into Miracle-Gro; and (3) immediately thereafter, Miracle-Gro shall be merged with and into New Miracle-Gro, which shall be the ultimate surviving corporation under the name "Scotts' Miracle-Gro Products, Inc." In connection with the Merger Transactions, the Miracle-Gro Shareholders, as a group, will receive in the

aggregate 195,000 shares of Class A Convertible Preferred Stock and three separate series of warrants (collectively, the "Warrants"). See "DESCRIPTION OF THE CAPITAL STOCK OF THE COMPANY - Class A Convertible Preferred Stock" and "THE WARRANTS." As of the Effective Time of the Merger Transactions, the Class A Convertible Preferred Stock will be convertible into approximately 35% of the Company's Common Shares on a fully-diluted basis and the Warrants will be exercisable for an additional 3,000,000 of the Company's Common Shares, which, if exercised, would enable them to exercise, together with the Class A Convertible Preferred Stock, approximately 42% of the Total Voting Power.

As a result of the Merger Transactions and as provided by the GCL and other applicable law, all the property, rights, privileges, powers and franchises of the Miracle-Gro Companies will vest in New Miracle-Gro, as the ultimate surviving corporation, and all debts, liabilities and duties of Miracle-Gro, Miracle-Gro Delaware and Miracle-Gro UK will become the debts, liabilities and duties of New Miracle-Gro, as the ultimate surviving corporation.

REPRESENTATIONS AND WARRANTIES

The Agreement includes various customary representations and warranties of the parties for transactions of this type. Material representations and warranties by Miracle-Gro and the Miracle-Gro Shareholders cover (i) the Miracle-Gro Companies' organization and foreign qualification to do business; (ii) execution, delivery and performance by the Miracle-Gro Companies of the Agreement and its valid and binding nature; (iii) the unanimous approval of the Merger Transactions by all of the outstanding capital shares of the Miracle-Gro Companies; (iv) non-contravention of the organizational documents of the Miracle-Gro Companies, provisions of applicable law or agreements and required consents and approvals; (v) the capitalization of the Miracle-Gro Companies; (vi) the accuracy of the financial statements of the Miracle-Gro Companies and other information provided to the Company; (vii) the absence of certain changes and the conduct of the business of the Miracle-Gro Companies since September 30, 1994; (viii) the absence of undisclosed material liabilities; (ix) pending or threatened litigation; (x) proper payment of taxes and the status of the Miracle-Gro Companies as S corporations (other than Nurseries) within the meaning of Section 1361(a)(1) of the Code; (xi) ERISA plans and liability; (xii) trademarks, patents, copyrights and other intellectual property rights; (xiii) material contracts; (xiv) compliance with applicable law; (xv) finders' fees; and (xvi) environmental compliance.

With certain limited exceptions, the representations and warranties by the Company and Merger Subsidiary mirror the representations and warranties by Miracle-Gro and the Miracle-Gro Shareholders. In addition, the Company and Merger Subsidiary make representations and warranties as to (i) the Company's public financial statements and documents filed with the Commission and (ii) receipt of a fairness opinion from Smith Barney.

The representations and warranties of each of the parties contain, variously, customary carve-outs for materiality, knowledge and previously disclosed information.

COVENANTS

Pursuant to the Agreement, the Miracle-Gro Companies and the Miracle-Gro Shareholders, on the one hand, and the Company and Merger Subsidiary, on the other, have made various covenants customary for transactions of this type. Material covenants relate to (i) conduct of their respective businesses from the date of the Agreement through the Effective Time; (ii) access to information and confidentiality; (iii) solicitation or negotiation of competing offers; and (iv) notice of certain events. In addition, the parties have made certain joint covenants with respect to (a) using their best efforts to consummate the transactions contemplated by the Agreement; (b) cooperating in connection with the preparation of this Proxy Statement/Prospectus and obtaining all requisite consents, approvals or waivers; (c) public announcements; (d) further assurances; (e) responsibility for preparing and filing various pre- and post-Effective Time tax returns; and (f) the qualification of the Merger Transactions as tax-free reorganizations within the meaning of Section 368(a) of the Code. In addition, the parties have agreed that prior to the Effective Time the Miracle-Gro Companies shall distribute \$22 million to the Miracle-Gro

Shareholders, which amount represents the estimated earnings of the Miracle-Gro Companies from October 1, 1994 through the Effective Time, although there can be no assurance as to the amount of actual earnings. The Miracle-Gro Companies may borrow funds to finance the payment of such distribution, and such distribution shall be made whether or not the earnings actually equal or exceed \$22 million for such period. To the extent that such earnings exceed \$22 million, the Company shall indemnify, or gross-up, the Miracle-Gro Shareholders for taxes on up to \$1 million of excess earnings by the Miracle-Gro Companies from October 1, 1994 through the Effective Time.

The covenants of each of the parties contain, variously, customary carve-outs for materiality, knowledge and previously disclosed information.

STANDSTILL PROVISIONS

The Agreement provides for certain voting rights of and certain voting restrictions on the Miracle-Gro Shareholders. The Agreement also limits the ability of the Miracle-Gro Shareholders to acquire additional Voting Stock of the Company or to transfer the Class A Convertible Preferred Stock, the Warrants or the underlying Common Shares. These provisions will have a significant effect on the management and day-to-day operations of the Company. Investors in the Company, therefore, should consider carefully, in addition to the other information contained in this Proxy Statement/Prospectus, the following summary of the material provisions:

Board of Directors

The Agreement provides that, assuming that the shareholders of the Company approve Proposal Nos. 4 and 5 herein, the Miracle-Gro Shareholders, through the Shareholder Representative, shall be entitled to designate three directors (one in each of the newly created classes) (the "Miracle-Gro Directors") to sit on a newly expanded twelve person Board of Directors. Thereafter, until the earlier of the fifth anniversary of the Effective Time (the "Standstill Period") and such time as Miracle-Gro Shareholders no longer beneficially own at least 19% of the Voting Stock, the Shareholder Representative will continue to be entitled to designate three of twelve members of the Board of Directors. To the extent that the Company maintains an Executive Committee and/or a Nominating Committee, such committee(s) shall consist of four members, one of which shall be a Miracle-Gro Director. In addition, to the extent that any of the Miracle-Gro Directors is qualified, under the applicable requirements of the Code, the by-laws of the National Association of Securities Dealers, Inc. or otherwise, to sit on the Audit or Compensation Committees of the Board of Directors or any newly created committee, one of such Miracle-Gro Directors shall be entitled to sit on such committee(s) to the same extent, and on the same basis, as the other members of the Board of Directors. Following the Standstill Period or such time as the Miracle-Gro Shareholders cease to own at least 19% of the Voting Stock, the Miracle-Gro Shareholders will have no contractual right to, and the Company will not be able to restrict, the election of directors.

Voting Restrictions

Until the earlier of the end of the Standstill Period and such time as the Miracle-Gro Shareholders cease to own at least 19% of the Voting Stock, the Miracle-Gro Shareholders will be required to vote their shares of Class A Convertible Preferred Stock and Common Shares (i) for the Company's nominees to the Board of Directors, in accordance with the recommendation of the Board of Directors' Nominating Committee and (ii) on all matters to be voted on by holders of Voting Stock, in accordance with the recommendation of the Board of Directors, except with respect to a proposal as to which shareholder approval is required under the GCL relating to (a) the acquisition of Voting Stock of the Company, (b) a merger or consolidation, (c) a sale of all or substantially all of the assets of the Company, (d) a recapitalization of the Company or (e) an amendment to the Company's Amended Articles of Incorporation or Code of Regulations which would materially adversely affect the rights of the Miracle-Gro Shareholders. The Company has agreed that, without the prior consent of the Shareholder Representative, it shall not (x) issue Voting Stock (or Voting Stock equivalents) constituting in the aggregate more than 12.5% of Total Voting Power (other than pursuant to employee benefit plans in the ordinary course of business) or (y) in a single transaction or a series of related transactions, make any acquisition or disposition of assets which would require disclosure pursuant to Item 2 of Form 8-K under the Exchange Act; provided, however, that if five-sixths

of the Board of Directors determine that it is in the best interests of the Company to make an acquisition pursuant to clause (y), such acquisition may be made without the consent of the Shareholder Representative. In addition, during the Standstill Period, the Miracle-Gro Shareholders will be limited in their ability to enter into any voting trust agreement without the Company's consent or to solicit proxies or become a participant in any election contest (as such terms are used in Rule 14a-11 of Regulation 14A under the Exchange Act) relating to the election of directors of the Company. Following the Standstill Period or such time as the Miracle-Gro Shareholders cease to own at least 19% of the Voting Stock, the voting restrictions provided in the Agreement will expire. The Miracle-Gro Shareholders consist of: Horace Hagedorn who will receive 17,196 shares of the Company's Class A Convertible Preferred Stock and Warrants to purchase 2,933,358 Common Shares in connection with the Merger Transactions, James Hagedorn, Katherine Hagedorn Littlefield, Paul Hagedorn, Peter Hagedorn, Robert Hagedorn and Susan Hagedorn, each of whom will receive 28,912 shares of Class A Convertible Preferred Stock in connection with the Merger Transactions; and John Kenlon who will receive 4,332 shares of Class A Convertible Preferred Stock and Warrants to purchase 66,642 Common Shares in connection with the Merger Transactions. The Miracle-Gro Shareholders intend to vote their shares as a block and otherwise act in concert with respect to such shares. In furtherance thereof, the Miracle-Gro Shareholders (other than John Kenlon) may enter into a shareholders' agreement and may contribute their shares to a limited partnership, voting trust or other entity. John Kenlon has agreed to vote his shares as directed by the other Miracle-Gro Shareholders and to grant such Shareholders a right of first refusal on his shares.

Standstill Restrictions

The Agreement provides that during the Standstill Period, the Miracle-Gro Shareholders shall not acquire, directly or indirectly, beneficial ownership of Voting Stock representing more than 43% of Total Voting Power. For purposes of calculating beneficial ownership of Voting Stock against the Standstill Percentage, Common Shares underlying unexercised Warrants or any subsequently granted employee stock options will not be included. However, the terms of the Warrants provide (and the terms of any such employee stock options likely will provide) that, if exercised during the Standstill Period and to the extent that such exercise would increase the aggregate beneficial ownership of the Miracle-Gro Shareholders to more than 43% of Total Voting Power, such exercise may only be for cash and not for Common Shares. See "THE WARRANTS." To the extent that a recapitalization of the Company or a Common Share repurchase program by the Company increases the aggregate beneficial ownership of the Miracle-Gro Shareholders to an amount in excess of 44% of Total Voting Power, the Miracle-Gro Shareholders will be required to divest themselves of sufficient shares of Voting Stock to fall within the 44% of Total Voting Power limit. The Company has agreed that it will use reasonable efforts to ensure that employee stock options are funded with Common Shares repurchased in the open market rather than newly issued Common Shares.

The Miracle-Gro Shareholders have agreed that, after the Standstill Period, they will not acquire, directly or indirectly, beneficial ownership of Voting Stock representing more than 49% of Total Voting Power except pursuant to a tender offer for 100% of Total Voting Power, which tender offer is conditioned upon the receipt of at least a majority of the Voting Stock beneficially owned by shareholders of the Company other than the Miracle-Gro Shareholders and their Affiliates and Associates.

Restrictions on Transfers

During the Standstill Period, the Agreement provides that no Miracle-Gro Shareholder may transfer any Common Shares upon conversion of the Class A Convertible Preferred Stock or exercise of the Warrants, except (i) to the Company or any Person approved by the Company; (ii) to a Permitted Transferee who agrees in writing to abide by the provisions of the Agreement; (iii) pursuant to a merger or consolidation of the Company or a plan of liquidation which has been approved by the Company's Board of Directors; (iv) in a bona fide public offering registered under the Securities Act and designed to prevent any Person or group from acquiring beneficial ownership of 3% or more of Total Voting Power; (v) subject to the Company's right of first offer, pursuant to Rule 145 or Rule 144A under the Securities Act, provided that such sale would not knowingly result in any Person or group's acquiring beneficial ownership of 3% or more of Total Voting Power and all such sales by the Miracle-Gro Shareholders within the preceding three months would not exceed, in the aggregate, the greatest of the limits set forth in Rule 144(e)(1) under the Securities Act; (vi) in response to a tender offer made by or on behalf of the Company or with the approval of the Company's Board of Directors; or (vii) subject to the Company's right of first offer, in any other transfer which would not to the best knowledge of the transferring Miracle-Gro Shareholder result in any Person or group's acquiring beneficial ownership of 3% or more of Total Voting Power.

Neither the Class A Convertible Preferred Stock nor, during the Standstill Period, the Warrants may be transferred except (i) to the Company or any Person or group approved by the Company; (ii) to a Permitted Transferee who agrees in writing to abide by the provisions of the Agreement; (iii) pursuant to a merger or consolidation of the Company or a plan of liquidation; or (iv) with respect to Class A Convertible Preferred Stock representing no more than 15% of the Voting Stock on a fully diluted basis or any number of Warrants: (A) subject to the Company's right of first offer, pursuant to Rule 145 or Rule 144A under the Securities Act, provided that such sale would not knowingly result in any Person or group's acquiring beneficial ownership of 3% or more of Total Voting Power and all such sales by the Miracle-Gro Shareholders within the preceding three months would not exceed, in the aggregate, the greatest of the limits set forth in Rule 144(e)(1) under the Securities Act; or (B) subject to the Company's right of first offer, in any other transfer which would not to the best knowledge of the transferring Miracle-Gro Shareholder result in any Person or group's acquiring beneficial ownership of 3% or more of Total Voting Power. For purposes of clauses (A) and (B) only, the Company's right of first offer with respect to shares of Class A Convertible Preferred Stock would be at a price equal to (x) the aggregate Market Price of the Common Shares into which such shares of Class A Convertible Preferred Stock could be converted at the time of the applicable Transfer Notice multiplied by (y) 105%.

Following the Standstill Period, the Warrants and the Common Shares underlying the Warrants and the Class A Convertible Preferred Stock are freely transferable, subject to the requirements of the Securities Act and applicable law.

CONDITIONS

The respective obligations of the Company, Merger Subsidiary, Miracle-Gro and the Miracle-Gro Shareholders to consummate the Merger Transactions are conditioned upon, among other things, (i) the Company's receipt of a consent under the Third Amended and Restated Credit Agreement, dated as of April 7, 1992, as amended (the "Existing Credit Agreement"), among the Company, the Banks listed therein and Chemical Bank, as Agent, and the provisions therein relating to restricted payments, operating and financial condition ratios and events of default having been amended in contemplation of the transactions contemplated by the Agreement in a manner reasonably satisfactory to the Miracle-Gro Companies; (ii) the Company's receipt of a consent by certain holders of the Company's outstanding 9-7/8% Senior Subordinated Notes due August 1, 2004, pursuant to the terms of the Indenture dated as of June 1, 1994, as supplemented, between the Company and Chemical Bank, as trustee; (iii) the approval by the Company's shareholders of Proposal Nos. 1, 2, 4 and 5 as set forth in this Proxy Statement/Prospectus; (iv) expiration or termination of the applicable waiting period under the HSR Act; (v) the absence of any applicable law or regulation or judgment, injunction, order or decree which prohibits the consummation of the Merger Transactions; (vi) the receipt of all material required authorizations, consents, waivers, orders or approvals and the making of all material required filings, notices and declarations; and (vii) the registration statement on Form S-4 relating to the sale of the Class A Convertible Preferred Stock and the Warrants having been declared effective.

The obligations of the Company and Merger Subsidiary to consummate the Merger Transactions are further conditioned upon, among other things, (i) the material accuracy of the representations and warranties of the Miracle-Gro Companies and the Miracle-Gro Shareholders and the material performance by them of their respective agreements and covenants required by the Agreement, along with receipt by the Company of a certificate signed by the Chief Executive Officer and Chief Financial Officer of Miracle-Gro to such effect; (ii) the absence of any material adverse change in the business, results of operations or condition (financial or otherwise) of the Miracle-Gro Companies and a certificate of the Chief Executive Officer of Miracle-Gro to such effect; and (iii) the receipt by the Company of Employment Agreements executed by Horace Hagedorn, John Kenlon and James Hagedorn (see "ELECTION OF DIRECTORS - Executive Compensation - Miracle-Gro Employment Agreements").

The obligations of Miracle-Gro and the Miracle-Gro Shareholders to consummate the Merger Transactions are further conditioned upon, among other things, (i) the material accuracy of the representations and warranties of the Company and Merger Subsidiary and the material performance by them of their respective

agreements and covenants required by the Agreement, along with receipt by Miracle-Gro of a certificate signed by the Chief Executive Officer and Chief Financial Officer of the Company to such effect; (ii) the absence of any material adverse change in the business, results of operations or condition (financial or otherwise) of the Company and its subsidiaries, taken as a whole, and a certificate of the Chief Executive Officer of the Company to such effect; and (iii) the receipt of an opinion of Skadden, Arps, Slate, Meagher & Flom, substantially in the form attached to the Agreement, to the effect that each of the Merger and the Subsequent Mergers should constitute a tax-free reorganization under Section 368(a) of the Code.

WAIVERS AND AMENDMENTS

The conditions to consummation of the Merger Transactions may be waived at any time by the party or parties for whose benefit they were created. Except in certain limited circumstances, the Agreement may be amended at any time by written agreement of the parties.

TERMINATION

The Agreement may be terminated and the Merger Transactions may be abandoned at any time prior to the Effective Time (notwithstanding any approval of the Proposals contained in this Proxy Statement/Prospectus) (i) by mutual written consent of the parties; (ii) by any party if the Merger has not been consummated by September 30, 1995; (iii) by any party if, prior to the Effective Time, the Market Price of the Company's Common Shares shall be less than the Target Amount for ten consecutive trading days, the "Target Amount" being the lesser of \$12 per share and the amount determined by multiplying \$12 by a percentage equal to 100% minus the percentage decline, if any, in the Standard & Poors 500 Index from the date of the Agreement through the beginning of the ten consecutive trading day period; (iv) by any party in the event of any law or regulation prohibiting the Merger or of any final and unappealable judgment, injunction, order or decree enjoining the Company or any Miracle-Gro Company from consummating any of the Merger Transactions; and (v) by any party upon a breach of any representation, warranty, covenant or agreement on the part of the other party, or if any representation or warranty of the other party becomes untrue, in each case such that the conditions set forth above under "THE AGREEMENT - Conditions" would be incapable of being satisfied by September 30, 1995. In the event of termination, the Agreement shall become void except that certain provisions relating to confidentiality and expenses shall survive such termination.

INDEMNIFICATION

The Agreement provides that, subject to certain time limitations (in the case of the tax representations, until expiration of the applicable statutory period of limitations, and in the case of all other representations until the Effective Time), Miracle-Gro and each Miracle-Gro Shareholder, on the one hand, and the Company and Merger Subsidiary, on the other, have agreed to indemnify, defend and hold the other party harmless from any and all damage, loss, liability and expense (including, without limitation, reasonable expenses of investigation and reasonable attorneys' fees and expenses) incurred or suffered by such other party as a result of any misrepresentation or breach of warranty, covenant or agreement contained in the Agreement. There are no monetary limitations on such indemnification.

EXPENSES

Whether or not the Merger Transactions are consummated, all costs and expenses incurred in connection with the Agreement will be borne by the party incurring them. All applicable sales, use or transfer taxes, if any, and all capital gains or income taxes of the Miracle-Gro Shareholders or any Miracle-Gro Company that may be due and payable as a result of any of the Merger Transactions or the transactions contemplated by the Agreement, whether levied on the Company, Merger Subsidiary, any Miracle-Gro Company or any Miracle-Gro Shareholder, shall be borne by the Miracle-Gro Shareholders.

PROPOSAL NO. 1

PROPOSAL TO APPROVE ACQUISITION OF ONE-THIRD OR MORE BUT LESS THAN A MAJORITY OF THE VOTING POWER OF THE COMPANY

The Miracle-Gro Shareholders, according to the acquiring person statement provided by them to the Company pursuant to Section 1701.831 of the GCL, do not currently own any Common Shares of the Company. As described above (see "THE AGREEMENT"), at the Effective Time of the Merger Transactions they will receive 195,000 shares of Class A Convertible Preferred Stock of the Company. Each share of Class A Convertible Preferred Stock is entitled to that number of votes per share equal to the number of Common Shares into which such Class A Convertible Preferred Stock could be converted at the date of determination. As of the date hereof, each share of Class A Convertible Preferred Stock would be entitled to approximately 52.6 votes per share. See "DESCRIPTION OF THE CAPITAL STOCK OF THE COMPANY - Class A Convertible Preferred Stock." As a result, immediately following the Merger Transactions, the Miracle-Gro Shareholders, as a group, would be able to exercise approximately 35% of the voting power of the Company.

Section 1701.831 of the GCL defines a "control share acquisition" to include an acquisition of the Company's shares which would give the acquiring person voting power falling within one of the following three categories: (a) one-fifth or more but less than one-third of the voting power, (b) one-third or more but less than a majority of the voting power, and (c) a majority or more of the voting power. See "PROTECTION AGAINST NON-NEGOTIATED TAKEOVERS." The Acquisition constitutes such a "control share acquisition." Pursuant to the GCL, approval of any "control share acquisition" of a public company must be submitted to the company's shareholders. The Miracle-Gro Shareholders have delivered to the Company the acquiring person statement required by the GCL, a copy of which is attached hereto as Appendix III and made a part hereof. At the Annual Meeting, shareholders of the Company will be asked to consider a proposal to allow the Miracle-Gro Shareholders, as a group, to complete a "control share acquisition" with respect to the Company's shares.

EFFECT OF APPROVAL OF ACQUISITION

If the Acquisition is approved and the Merger Transactions are consummated, the Miracle-Gro Shareholders also will receive Warrants to purchase an additional 3,000,000 Common Shares of the Company. Approval of the Acquisition will enable the Miracle-Gro Shareholders to acquire additional voting securities of the Company, on exercise of the Warrants or otherwise, so long as they do not acquire securities evidencing more than a majority of the voting power of the Company. Until the fifth anniversary of the Effective Time of the Merger, however, the Miracle-Gro Shareholders have agreed that they will not acquire securities having more than 43% (or, in certain limited circumstances, 44%) of the voting power of the Company. See "THE AGREEMENT -

Standstill Provisions - Standstill Restrictions" for additional restrictions on the power of the Miracle-Gro Shareholders to acquire additional Common Shares of the Company.

RECOMMENDATION AND VOTE

For the Acquisition to be approved, the affirmative vote of the holders of a majority of the voting power of the Company represented at the Annual Meeting and the affirmative vote of the holders of a majority of the portion of such voting power excluding "Interested Shares" is required. At least a majority of the voting power of the Company, and a majority of the portion of such voting power excluding the voting power of "Interested Shares," must be represented at the Annual Meeting in person or by proxy. "Interested Shares" are defined by the GCL to include (i) shares held by the Acquiring Person (i.e., the Miracle-Gro Shareholders, as a group), (ii) shares held by an officer of the Company elected or appointed by the Board of Directors, (iii) shares held by employees of the Company who are also directors and (iv) shares purchased after a control share acquisition is announced if the aggregate consideration paid by the person acquiring such shares exceeds \$250,000 or the number of shares acquired exceeds one-half of one percent of the voting power of the Company. As indicated elsewhere in this Proxy Statement/Prospectus, officers and directors as a group own approximately 9% of the Company's outstanding Common Shares, and the Miracle-Gro Shareholders do not currently own any outstanding Common Shares. The officers and directors of the Company have indicated their intent to vote in favor of the Acquisition; however, substantially all of such shares will be excluded from the second vote as "Interested Shares."

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ADOPTION OF THE PROPOSED CONTROL SHARE ACQUISITION OF ONE-THIRD OR MORE BUT LESS THAN A MAJORITY OF THE VOTING POWER OF THE COMPANY.

PROPOSAL NO. 2

PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION

PROPOSED AMENDMENT

The Amended Articles of Incorporation of the Company currently authorize 35,000,000 shares, all of which are Common Shares, each without par value. Each Common Share entitles the holder thereof to one vote on each matter properly submitted to the shareholders for their vote.

The Board of Directors proposes that the shareholders adopt an amendment to the Amended Articles of Incorporation increasing the authorized number of Common Shares from 35,000,000 shares to 50,000,000 shares and authorizing 195,000 voting preferred shares designated Class A Convertible Preferred Stock. Proposed amended Article FOURTH is set forth in Appendix IV attached hereto and made a part hereof. The following summary of the proposed amendment is qualified in its entirety by reference to Appendix IV.

The terms of the Class A Convertible Preferred Stock were negotiated with the Miracle-Gro Shareholders and are part of the Agreement. Dividends will be payable on the Class A Convertible Preferred Stock at the rate of \$50.00 per share per year. Dividends will be cumulative and will be payable quarterly. In the event that the Company fails to pay all or any portion of the accrued but unpaid dividends for two consecutive quarters, the Miracle-Gro Shareholders shall be entitled to elect three additional directors on an expanded Board until such time as the accrued but unpaid dividends are paid to the holders of the Class A Convertible Stock, at which time such new directors shall be removed and the Board of Directors shall be reduced to the number in effect immediately prior to the increase. In the event of liquidation, dissolution or winding up of the Company, the holders of the Class A Convertible Preferred Stock will be entitled to receive \$1,000 per share, plus accumulated unpaid dividends, before any amount will be paid to the holders of the Common Shares. Each share of Class A Convertible Preferred Stock will be entitled to the number of votes equal to the number of Common Shares into which it is convertible and will vote together with the Common Shares as a single class. Each share of the Class A Convertible Preferred Stock will be convertible at any time into the number of Common Shares determined by

dividing \$1,000 by the Conversion Price, initially \$19 per Common Share subject to adjustment in the event of stock dividends, stock splits, share combinations, asset distributions, recapitalizations and similarly dilutive events. See "DESCRIPTION OF THE CAPITAL STOCK - Class A Convertible Preferred Stock." The Class A Convertible Preferred Stock will be subject to redemption at any time after five years from the date of issuance, for \$1,000 per share plus accrued, unpaid dividends.

EFFECT OF ADOPTION OF AMENDMENT

Pursuant to the Agreement, the 195,000 shares of Class A Convertible Preferred Stock are to be issued to the Miracle-Gro Shareholders. The current Amended Articles of Incorporation do not authorize a class of preferred shares. Therefore, the Merger Transactions cannot be consummated unless this amendment to the Amended Articles of Incorporation is adopted.

The existing shareholders will have no preemptive rights to acquire any of the shares to be issued in connection with the Merger Transactions.

If the proposed amendment is adopted, the additional Common Shares will be available, free from any preemptive rights, for issuance from time to time to such persons and for such considerations as the Board of Directors may determine, without necessarily requiring further action by the shareholders. The Common Shares may be used for various corporate purposes, including stock splits and dividends, acquisitions, public offerings and stock options and other employee benefit plans. Depending on the terms thereof, the issuance of the additional Common Shares and preferred shares may have a dilutive effect on the equity interest of the Company's then-existing shareholders. Except for the transactions described herein, there are no present plans to issue any of the additional Common Shares which will be authorized by the adoption of the amendment to Article FOURTH, nor are there any pending negotiations, discussions, agreements or understandings which would involve the issuance of any of such shares.

RECOMMENDATION AND VOTE

The affirmative vote of the holders of two-thirds of the outstanding Common Shares is required to approve the amendment.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT.

PROPOSAL NO. 3

PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH
OF THE AMENDED ARTICLES OF INCORPORATION

PROPOSED AMENDMENT

If adopted, Article NINTH would require the affirmative vote of at least two-thirds of the voting power of the Company to authorize any of the following transactions: (1) a further amendment to Article NINTH of the Amended Articles of Incorporation, (2) a merger or consolidation of the Company with another corporation and requiring shareholder approval, (3) a combination or majority share acquisition involving the issuance of shares of the Company and requiring shareholder approval, (4) a sale or other disposition of all or substantially all of the assets of the Company and (5) a dissolution of the Company. On all other matters, the affirmative vote of a majority of the voting power of the Company would be required. Proposed Article NINTH is set forth in Appendix V attached hereto and made a part hereof.

EFFECT OF ADOPTION OF AMENDMENT

Under Ohio law and the Amended Articles of Incorporation, each of the transactions listed above currently requires the affirmative vote of at least two-thirds of the voting power of the Company. The proposed amendment fixes this voting requirement in the Amended Articles of Incorporation so that it cannot be affected by changes in Ohio law. In addition, the proposed amendment will make the adoption of future amendments to the Amended Articles of Incorporation -- other than an amendment to change the vote required to authorize the listed transactions -- easier by reducing the vote required from two-thirds to a majority.

RECOMMENDATION AND VOTE

The affirmative vote of the holders of two-thirds of the outstanding Common Shares is required to approve the amendment.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT.

PROPOSAL NOS. 4 AND 5

PROPOSED AMENDMENTS TO SECTION 2.02
OF THE CODE OF REGULATIONS

PROPOSED AMENDMENTS TO SUBPARAGRAPHS (A) AND (B) (PROPOSAL NO. 4)

Ohio law permits the regulations of an Ohio corporation to provide for the classification of directors into separate classes of not fewer than three directors per class. The Board of Directors proposes to amend Subparagraphs (A) and (B) of Section 2.02 of the Code of Regulations by deleting them in their entirety and substituting therefor new Subparagraphs (A) and (B). The proposed amendments are set forth in Appendix VI attached hereto and made a part hereof. The following summary of the proposed amendments is qualified in its entirety by reference to Appendix VI.

Under existing Section 2.02(A) and (B) of the Company's Code of Regulations, the number of directors is nine; the number of directors can be changed by the affirmative vote of the holders of a majority of the voting shares of the Company; directors serve for terms of one year and each director is elected annually for a term of one year.

The proposed amendments to Section 2.02(A) and (B) provide that, until changed as provided in Section 2(C) of proposed Article FOURTH of the Amended Articles of Incorporation, by action of the directors or by amendment of the Code of Regulations, the number of directors shall be nine, divided into three uniform classes. If the amendment is adopted, three directors will be elected to serve initially for one year, three directors will be elected to serve initially for two years and three directors will be elected to serve for three years. The election of each class will be a separate election. At each annual meeting after the 1995 Annual Meeting, directors will be elected to serve for terms of three years so that the term of one class of directors shall expire in each year.

PROPOSED AMENDMENT TO SUBPARAGRAPH (C) (PROPOSAL NO. 5)

Existing Section 2.02(C) of the Code of Regulations gives the directors the power to change the number of directors and to fill any vacancy which is created by an increase in the number of directors; provided, however, that the number of directors may not be less than three. The proposed amendment to Section 2.02(C) eliminates the authority of the directors to increase the number of directors to more than twelve. The proposed amendment to Section 2.02(C) is set forth in Appendix VI attached hereto and made a part hereof.

EFFECT OF ADOPTION OF AMENDMENTS

Pursuant to the Agreement, the Company has agreed, at the Effective Time of the Merger Transactions, to take such action as may be necessary to increase the number of directors to twelve, divided into three classes of four directors each, and to fill the vacancy in each class with a director designated by the Miracle-Gro Shareholder Representative. See "THE AGREEMENT - Standstill Provisions - Board of Directors." It is currently anticipated that Horace Hagedorn, John Kenlon and James Hagedorn will be elected directors of the Company following the Merger Transactions. See "ELECTION OF DIRECTORS - Miracle-Gro Directors."

Approval of the proposed amendments to Subparagraphs (A), (B) and (C) of Section 2.02 is a condition precedent to the Merger Transactions. If either of the proposed amendments to Section 2.02 is not adopted, the Merger Transactions cannot be consummated unless the parties to the Agreement agree to waive the condition precedent.

Although there has been no significant problem of continuity in the past, the establishment of three- year terms provides for the greatest possible degree of continuity of director service, and may assist in attracting qualified candidates for election as directors.

A classified board may deter certain mergers, tender offers or other future takeover attempts which some or a majority of shareholders may deem to be in their best interests. In addition, a classified board would generally prevent shareholders who do not approve of the policies of the Board of Directors from replacing a majority of the Board for two years, unless, assuming adoption of Proposal No. 6, they can obtain the vote of the holders of two-thirds of the voting power to amend the Code of Regulations to eliminate the classified board. The amendments, if adopted, would be applicable to every election of directors, not just to elections occurring after a change in control of the Company. See "PROTECTION AGAINST NON-NEGOTIATED TAKEOVERS."

If the proposed amendment to Subparagraphs (A) and (B) of Section 2.02 is adopted, the shareholders could change the number of directors only by amending the Code of Regulations. See "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS."

RECOMMENDATION AND VOTE

The affirmative vote of the holders of a majority of the outstanding Common Shares is required to adopt the amendments.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF PROPOSAL NO. 4 AND PROPOSAL NO. 5.

PROPOSAL NO. 6

PROPOSED AMENDMENT TO SECTION 6.01
OF THE CODE OF REGULATIONS

PROPOSED AMENDMENT

Currently, Section 6.01 of the Code of Regulations provides that the Regulations can be amended, or new Regulations adopted, by the affirmative vote of the holders of a majority of the voting power of the Company. If the proposed amendment to Subparagraphs (A) and (B) of Section 2.02 of the Code of Regulations is adopted, it is proposed to amend Section 6.01 to increase the vote required to amend Sections 1.02 (Calling of Meetings), 2.02 (Number of Directors and Term of Office) and 6.01 (Amendments) to two-thirds of the voting power of the Company. If the proposed amendment to Subparagraphs (A) and (B) of Section 2.02 of the Code of Regulations is not adopted, it is proposed to amend Section 6.01 to increase the vote required to amend only Sections 1.02 and 6.01 to two-thirds. The proposed amendments to Section 6.01 of the Code of Regulations are set forth in Appendix VII attached hereto and made a part hereof.

EFFECT OF ADOPTION OF AMENDMENT

Section 1.02 of the Regulations provides that the holders of a majority of the voting power of the Company can call a meeting of shareholders. Under Ohio law, a lesser percentage of the voting power could call a shareholders' meeting if the Regulations so specified. The proposed amendment will make it more difficult to amend Section 1.02 to reduce the percentage of the voting power required to call a meeting.

The proposed amendment will also protect the classified board in new Section 2.02(A) and (B) if it is adopted. As noted above, the classified board may deter certain mergers, tender offers or other future takeover attempts which some or a majority of shareholders may deem to be in their best interests. In addition, a classified board would generally prevent shareholders who do not approve of the policies of the Board of Directors from replacing a majority of the Board for two years, unless, assuming adoption of this Proposal No. 6, they can obtain the vote of the holders of two-thirds of the voting power to amend the Code of Regulations to eliminate the classified board. See "PROTECTION AGAINST NON-NEGOTIATED TAKEOVERS." If Subparagraphs (A) and (B) of Section 2.02 are not amended to create a classified board, the proposed amendment to Section 6.01 will not include Section 2.02.

Finally, the proposed amendment will make it more difficult to amend the Code of Regulations in the future by increasing to two-thirds the vote required to adopt such amendments.

RECOMMENDATION AND VOTE

The affirmative vote of the holders of a majority of the outstanding Common Shares is required to adopt the amendment.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE AMENDMENT.

The proposal to amend the Code of Regulations to classify the Board of Directors, together with the proposed amendment to Section 6.01 of the Regulations to protect the classified board and the procedure for calling shareholder meetings, may have an anti-takeover impact and may make tender offers, proxy contests and certain mergers more difficult. See "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS" and "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS."

Except for the Acquisition, the Board of Directors is not aware of any efforts to obtain control of the Company or to effect substantial accumulations of the Common Shares.

The Amended Articles of Incorporation and Code of Regulations of the Company do not presently contain any provisions intended by the Company to have or, to the knowledge of the Board of Directors having, an anti-takeover effect. Ohio law, however, contains several provisions, applicable to the Company, which are designed to encourage potential acquirors to make financially attractive, non-coercive offers and to negotiate directly with the Board of Directors. The following paragraphs outline these Ohio statutory provisions and their effects.

Section 1701.831 of the GCL (the "Ohio Control Share Acquisition Statute") requires shareholder approval of any proposed "control share acquisition" of an Ohio corporation. A "control share acquisition" is the acquisition, directly or indirectly, by any person (including any individual, partnership, corporation, limited liability company, society, association or two or more persons who have a joint or common interest) of shares of a corporation that, when added to all other shares of the corporation that may be voted, directly or indirectly, by the acquiring person, would entitle such person to exercise or direct the exercise of 20% or more (but less than 33 1/3%) of the voting power of the corporation in the election of directors or 33 1/3% or more (but less than a majority) of such voting power or a majority or more of such voting power. Under the GCL, the control share acquisition must be approved in advance by the holders of a majority of the outstanding voting shares represented at a meeting at which a quorum is present and by the holders of a majority of the portion of the outstanding voting shares represented at such a meeting excluding the voting shares owned by the acquiring shareholder and certain "interested shares," including shares owned by officers elected or appointed by the directors of the corporation and by directors of the corporation who are also employees of the corporation.

The purpose of the Ohio Control Share Acquisition Statute is to give shareholders of Ohio corporations a reasonable opportunity to express their views on a proposed shift in control, thereby reducing the coercion inherent in an unfriendly takeover. The provisions of the Ohio Control Share Acquisition Statute grant to the shareholders of the Company the assurance that they will have adequate time to evaluate the proposal of the acquiring person, that they will be permitted to vote on the issue of authorizing the acquiring person's purchase program to go forward in the same manner and with the same proxy information that would be available to them if a proposed merger of the Company were before them and, most importantly, that the interests of all shareholders will be taken into account in connection with such vote and the probability will be increased that they will be treated equally regarding the price to be offered for their Common Shares if the implementation of the proposal is approved.

The Ohio Control Share Acquisition Statute applies not only to traditional tender offers but also to open market purchases, privately negotiated transactions and original issuances by an Ohio corporation, whether friendly or unfriendly. The procedural requirements of the Ohio Control Share Acquisition Statute could render approval of any control share acquisition difficult in that a majority of the voting power of the Company, excluding "interested shares," must be represented at the meeting and must be voted in favor of the acquisition. It is recognized that any corporate defense against persons seeking to acquire control may have the effect of discouraging or preventing offers which some shareholders might find financially attractive. On the other hand, the need on the part of the acquiring person to convince the shareholders of the Company of the value and validity of his offer may cause such offer to be more financially attractive in order to gain shareholder approval.

Chapter 1704 of the GCL (the "Merger Moratorium Statute") generally prohibits a wide range of business combinations and other transactions (including mergers, consolidations, asset sales, loans, disproportionate distributions of property and disproportionate issuances or transfers of shares or rights to acquire shares) between an Ohio corporation and a person that owns, alone or with other related parties, shares representing at least 10% of the voting power of the corporation (an "Interested Shareholder") for a period of three years after such person becomes an Interested Shareholder, unless, prior to the date that the Interested Shareholder became such, the directors approve either the transaction or the acquisition of the corporation's shares that resulted in the person becoming an Interested Shareholder. Following the three-year moratorium period, the corporation may engage in covered transactions with an Interested Shareholder only if, among other things, (i) the transaction receives the approval of the holders of 2/3 of all the voting shares and the approval of the holders of a majority of the voting shares held by persons other than an Interested Shareholder or (ii) the remaining shareholders receive an amount for their shares equal to the higher of the highest amount paid in the past by the Interested Shareholder for the corporation's shares or the amount that would be due the shareholders if the corporation were to dissolve. The Merger Moratorium Statute is designed to prevent many of the self-dealing activities that often accompany highly-leveraged acquisitions by prohibiting an Interested Shareholder from using the corporation or its assets or shares for his special benefit. The Merger Moratorium Statute will encourage potential tender offerors to negotiate with the Board of Directors of the Company to ensure that the shareholders of the Company receive fair and equitable consideration for their shares. However, the Merger Moratorium Statute presents potential pitfalls for unwary shareholders. Close attention to the impact of common corporate actions, such as the grant of employee stock options and loans to Interested Shareholders in the ordinary course of business, is necessary to determine whether such actions are encompassed by the Merger Moratorium Statute.

Because the Board of Directors has approved the Acquisition, the Merger Moratorium Statute will not be triggered by the Acquisition.

Section 1707.041 of the GCL provides in part that no offeror may make a control bid pursuant to a tender offer or a request or invitation for tenders unless, on the day the offeror commences a control bid, it files with the Ohio Division of Securities (the "Securities Division") and the target company certain information in respect of the offeror, his ownership of the company's shares and his plans for the company (including, among other things, plans to terminate employee benefit plans, close any plant or facility or reduce the work force). If the Securities Division determines that the offeror's disclosures are inadequate, it must act within three calendar days from the date of the offeror's filing to issue a suspension order. If a bid is suspended, a hearing must be held within ten calendar days from the date of the Securities Division's suspension order. The hearing procedure must be completed no later than sixteen calendar days after the date on which the suspension was imposed. A control bid is the purchase of or offer to purchase any equity security of an issuer with certain connections to Ohio from a resident of Ohio if (i) after the purchase of such security, the offeror would directly or indirectly be the beneficial owner of more than 10% of any class of the issued and outstanding equity securities of the issuer or (ii) the offeror is the issuer, there is a pending control bid by a person other than the issuer and the number of the issued and outstanding shares of the company would be reduced by more than 10%. Section 1707.041 does not apply when the offeror or the target company is a bank, a bank holding company or a savings and loan holding company and the control bid is subject to approval by the appropriate federal regulatory agency.

Section 1707.043 of the Ohio Revised Code (the "Profit Recovery Statute") permits an Ohio corporation to recover any profit realized from the disposition of equity securities of the corporation by a person or group who made a proposal to acquire control of the corporation within eighteen months before the disposition of the equity securities. Certain profits are not recoverable pursuant to the Profit Recovery Statute, including profits that do not exceed \$250,000 in the aggregate, profits with respect to securities that were acquired prior to April 11, 1990 or more than eighteen months prior to the date on which the acquisition proposal was made and profits realized by a person or group that establishes in court that its motives were not manipulative.

Neither Section 1707.041 nor Section 1707.043 is applicable to the Acquisition.

REPORT OF THE COMPENSATION COMMITTEE

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN THE COMPANY'S PREVIOUS FILINGS UNDER THE SECURITIES ACT OR THE EXCHANGE ACT THAT MIGHT INCORPORATE FUTURE FILINGS, INCLUDING THIS PROXY STATEMENT/PROSPECTUS, IN WHOLE OR IN PART, THIS REPORT AND THE GRAPH SET FORTH ABOVE UNDER "ELECTION OF DIRECTORS - PERFORMANCE GRAPH" SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS.

The Compensation Committee of the Board of Directors of the Company (the "Committee") is comprised of three outside directors, none of whom was formerly an officer of the Company. During the 1994 fiscal year, none of the Company's executive officers served on the board of any organization of which a Committee member was an executive officer or on the compensation committee of any organization of which any director of the Company was an executive officer. The Committee has retained outside legal counsel and compensation consultants.

Role of the Compensation Committee

The Committee has the oversight responsibility for the Company's executive compensation program. The Committee reviews the general compensation philosophy of the Company and, in consideration thereof, determines the forms and terms of compensation to be paid to executive officers of the Company. Prior to the beginning of each fiscal year, the Committee reviews the performance of the Chief Executive Officer and the Chief Operating Officer and determines the amount of salary adjustment, if any, each should receive. At the same time, the Committee establishes the goals to be met by the executive officers of the Company during the fiscal year and targets the levels at which bonuses will be paid under the Company's Executive Annual Incentive Plan (the "Bonus Plan"). At the end of each fiscal year, the Committee determines the extent to which goals have been met or exceeded by the executive officers of the Company and awards bonuses accordingly. In addition, the Committee is charged with administering the Company's 1992 Long Term Incentive Plan (the "1992 LTIP") and makes awards of stock options and performance shares pursuant thereto.

Compensation Philosophy

In designing the compensation program for the executive officers of the Company, the Committee follows the belief that the amounts of compensation received by the executive officers should reflect not only the value created for shareholders during the fiscal year but also the extent to which the Company's short-term and long-term strategic goals and objectives have been advanced. The compensation program has been designed to achieve the following objectives:

- - Compensation should be meaningfully related to the value created for shareholders. The Committee has linked executive performance to corporate performance by measuring the Company's year-to-year gains in net income, setting a target at the median net income gain of all S&P 500 companies. Executives are then rewarded with awards under the Bonus Plan based upon the Company's performance.
- - The various elements of the compensation program should support the short and long term strategic goals and objectives of the Company by rewarding the Company's executive officers based upon the achievement of these goals.
- - The various elements of the compensation program should enable the Company to recruit, maintain and motivate the executive talent required to meet the Company's strategic goals.
- - The various elements of the compensation program should reflect and promote the Company's values and reward individuals for outstanding contributions to the Company's success.

- - Performance should be a key determinant of pay.
- - Minimum stock ownership must be attained by all corporate officers and directors.

Committee Activity

During the 1994 fiscal year, the Committee determined that the Company would be better advised by a new compensation consulting firm. The Company identified and recommended a new consultant which the Committee approved. Thereafter, the Committee directed that management of the Company and the consultant review the existing executive compensation program and propose modifications prior to the beginning of the 1995 fiscal year. The consultant confirmed that for the 1995 fiscal year and beyond the existing compensation program should:

- - Target base salaries at the competitive 50th percentile of base salaries for executive officers in similar positions at corporations of similar sales volume and net income growth performance.
- - Target payoffs under the Bonus Plan at the competitive 50th percentile of short-term incentives for executive officers in similar positions in companies comparable to the Company.

The comparative group of companies used to calculate base salaries and bonuses consisted of approximately 425 companies in a proprietary data base maintained by the Company's compensation consultant. The Company is not privy to the identity of these companies but has been advised that they represent a broad cross section of general industry and they are comparable to the Company as to sales volumes and net income growth performance. The Company believes some but not all of the companies in the Peer Group are included in the comparative group used by the compensation consultant.

The consultant recommended and the Committee approved the following changes to the Company's executive compensation program:

- - Targets for awards under the Bonus Plan have been established to measure year-to-year gains in net income before accounting changes. The Committee recognizes that accounting changes often adversely affect the reporting of year-to-year changes in net income. The Committee therefore believes it is more fair and accurate to evaluate performance of the Company and its executives for bonus purposes prior to recognizing the impact of accounting changes. Targets have been set at the comparative performance levels of companies in the S&P 500, as previously discussed under "Compensation Philosophy" above.
- - Grants of stock options under the 1992 LTIP are to be set at the 75th percentile of stock option grants made to executive officers in similar positions in a group of comparative manufacturing and consumer products companies identified by the consultant with compensation data adjusted to reflect the Company's sales volume. The comparative companies are a part of the large proprietary data base which the consultant maintains. All such grants are to be in the form of non-qualified stock options with exercise prices equal to the closing "asked" price of the Company's Common Shares on the date of grant.
- - Beginning in fiscal 1995, discontinuation of the performance share component of the Company's 1992 LTIP to focus value creation on stock options and simplify long term incentives.

Salary Adjustments, Bonus Awards and Stock Grants During the 1994 Fiscal Year

SALARY ADJUSTMENTS. Continuing the Company's philosophy of strengthening the performance-related pay components, base salary merit increases for 1994 for executive officers as a group were an aggregate 3%. Based on the recommendation of the Company's compensation consultant and the continuing low rate of inflation, the Committee determined that a 3% merit increase target was sufficient to maintain competitive positioning of base salaries of the Company's executive officers at the 50th percentile of the comparative group of companies previously discussed.

During the 1994 fiscal year, the Committee increased the base salary component of the compensation of Mr. Seitz, Chairman and Chief Executive Officer of the Company, by 4%. At the December 1993 Compensation Committee Meeting, the Committee considered the attainment of 1993 fiscal year goals and the completion of the acquisition of the Republic Tool and Manufacturing Company when determining the performance of Mr. Seitz for

that period. The Committee also considered that Mr. Seitz's base salary was at the low end of the competitive range.

BONUS AWARDS. (a) **BONUSES GRANTED PURSUANT TO THE BONUS PLAN.** The payments made under the Bonus Plan were based on Earnings before Interest, Taxes and Amortization ("EBITA") (60%) and Average Working Capital plus Average Capital Expense ("AWC+ACE") (40%). EBITA was 92.2% of the target level, and AWC + ACE was 78.6% of target level, leading to a composite corporate performance for the purposes of the Bonus Plan of 86.7%. This measure was used in the calculation of executive bonuses, including the bonus paid to Mr. Seitz.

(b) **ADJUSTMENT BONUSES.** The Committee recognized the contribution of certain executive officers to the acquisition and successful, non-dilutive integration of the operations of Grace-Sierra Horticultural Products Company ("Grace-Sierra") into those of the Company and the impact of the discontinuance of the performance share component of the 1992 LTIP by making a one time, additional bonus (the "Adjustment Bonus") to those executives impacted by both. The Adjustment Bonus in total represented approximately 13% of aggregate salaries of the executive officers who received an Adjustment Bonus, and was allocated based on the loss of opportunity resulting from the termination of the performance share component of the 1992 LTIP and such executive officer's participation in the successful integration of Grace-Sierra. The amount of the adjustment bonus paid to Mr. Seitz was \$56,345.

STOCK OPTIONS AND PERFORMANCE SHARE AWARDS. Based on the recommendation of the Company's previous compensation consultant, the Committee determined the aggregate value of the awards to be made to each executive officer under the 1992 LTIP for the 1994 fiscal year. The value of such awards was then divided equally between options and performance shares, and was based upon the closing "asked" price of the Company's Common Shares on the date of grant. The number of options granted to each executive officer was then determined based upon the Black-Scholes valuation of the value of an option with a ten-year term. Stock option grants and performance share awards made to Mr. Seitz are reflected in the table on page 43 of this Proxy Statement/Prospectus.

As previously indicated, after the grant of performance share awards for fiscal 1994, the Committee determined to discontinue the performance share component of the 1992 LTIP. As a result of such discontinuance, the Committee approved the vesting of previous grants of performance shares at the initial grant level as they mature (i.e., without applying performance standards to the number of shares granted). Awards which matured at the end of the 1994 fiscal year were vested or paid to plan participants.

SUBMITTED BY THE COMPENSATION COMMITTEE OF THE COMPANY.

(1) Except as noted, these numbers represent options for Common Shares granted pursuant to the Company's 1992 Long Term Incentive Plan. See the table under "OPTION GRANTS IN LAST FISCAL YEAR" for more detailed information on such options.

(2) In accordance with the transition provisions of the revised rules governing the disclosure of executive compensation adopted by the Commission, amounts of "All Other Compensation" are excluded for the Company's 1992 fiscal year. Includes contributions to the PSP.

- (3) These options expire on January 8, 2002; provided, however, that if Mr. Host's active employment with the Company and its subsidiaries is terminated for cause, these options will be forfeited.

Grants of Options

The following table sets forth information concerning individual grants of options made during the 1994 Fiscal Year to each of the executive officers named in the Summary Compensation Table. The Company has never granted stock appreciation rights.

- (1) The amounts reflected in this table represent certain assumed rates of appreciation only. Actual realized values, if any, on option exercises will be dependent on the actual appreciation of the Common Shares of the Company over the term of the options. There can be no assurances that the Potential Realizable Values reflected in this table will be achieved.
- (2) These options were granted under the Company's 1992 Long Term Incentive Plan and become exercisable in three approximately equal installments on each of the first three anniversaries of the date of grant, subject to the right of the Compensation Committee of the Company's Board of Directors to accelerate the exercisability of such options in its discretion.
- (3) In the event of a "change in control" (as defined in the 1992 Long Term Incentive Plan), each option will be canceled in exchange for a payment in cash of an amount equal to the excess of the highest price paid (or offered) for Common Shares during the preceding 30 trading days over the exercise price for such option. Notwithstanding the foregoing, if the Compensation Committee determines that the holder of the option will receive a new award (or have his prior award honored) in a manner which preserves its value and eliminates the risk that the value of the award will be forfeited due to an involuntary termination, no settlement will occur as a result of a change in control. In the event of termination of employment by reason of retirement, long term disability or death, the options may thereafter be exercised in full for a period of 5 years, subject to the stated term of the options. The options are forfeited if the holder's employment is terminated for cause. In the event an option holder's employment is terminated for any reason other than retirement, long term disability, death or cause, any exercisable options held by him at the date of termination may be exercised for a period of 30 days.

- (4) These options (or a percent thereof) were originally to be earned under the 1992 Long Term Incentive Plan based upon the Company's performance during the 1994 Fiscal Year. However, on December 13, 1994, the Company's Board of Directors approved its Compensation Committee's recommendation to grant 100% of the Common Shares subject to these options as of September 30, 1994.

Option Exercises and Holdings

The following table sets forth information with respect to unexercised options held as of the end of the 1994 Fiscal Year by each of the executive officers named in the Summary Compensation Table. No options were exercised during the 1994 Fiscal Year.

Pension Plans

The Company maintains a tax-qualified non-contributory defined benefit pension plan (the "Pension Plan"). All employees of the Company and its subsidiaries (except for Hyponex Corporation, a wholly-owned subsidiary of the Company ("Hyponex"), and O. M. Scott & Sons, Ltd., a wholly owned subsidiary of the Company in the United Kingdom) are eligible to participate upon meeting certain age and service requirements. The following table shows the estimated annual benefits (assuming payment made in the form of a single life annuity) payable upon retirement at normal retirement age (65 years of age) to an employee in specified compensation and years of service classifications.

1,250,000	185,780	278,669	371,559	464,449	557,339

(1) The Code places certain limitations on the annual pension benefits which can be paid from the Pension Plan. Such limitations are not reflected in the table. This table reflects the total aggregate benefits payable annually upon retirement under both the Pension Plan and The Scotts Company Excess Benefit Plan (the "Excess Benefit Plan"), which is discussed below. The Pension Plan and the Excess Benefit Plan require an offset of 1.25% of the Social Security primary insurance amount ("PIA") for each year of service and such amount has been deducted from the figures in the table. The PIA used in developing the above figures is \$13,764. Thus, the offset is \$5,161 for a person with 30 years of service. The maximum possible offset is \$6,882 for a person with 40 years of service.

Monthly benefits under the Pension Plan upon normal retirement (age 65) are based upon an employee's average final pay and years of service, and are reduced by 1.25% of the employee's PIA times the number of years of such employee's service. Average final pay is the average of the 60 highest consecutive months' compensation during the 120 months prior to retirement. Pay includes all earnings and a portion of sales incentive payments, management incentive payments and executive incentive payments, but does not include earnings in connection with foreign service, the value of a company car, separation or other special allowances and commissions. Additional provisions for early retirement are included.

At September 30, 1994, the credited years of service (including certain prior service with ITT Corporation, from whom the Company was acquired in 1986) and the 1994 annual covered compensation for purposes of the Pension Plan and the Excess Benefit Plan of the five executive officers of the Company named in the Summary Compensation Table were as follows:

	YEARS OF SERVICE		COVERED COMPENSATION
Mr. Seitz.....	18 years	9 months	\$587,965
Mr. Host.....	2 years	10 months	\$501,650
Mr. Stahl.....	18 years	9 months	\$264,733
Mr. Yeager.....	25 years	1 month	\$324,000
Mr. McKinney.....	2 years	4 months	\$291,667

Effective October 1, 1993, the Company also established the Excess Benefit Plan which provides additional benefits to participants in the Pension Plan whose benefits are reduced by limitations imposed under Sections 415 and 401(a)(17) of the Code. Under the Excess Benefit Plan, executive officers and certain key employees will receive, at the same time and in the same form as benefits paid under the Pension Plan, additional monthly benefits in an amount which, when added to the benefits paid to the participant under the Pension Plan, will equal the benefit amount such participant would have earned but for the limitations imposed by the Code to the extent such limitations apply.

Company Employment Agreements

The Company entered into an Employment Agreement with Mr. Host effective October 1991 providing for his continued employment as President and Chief Operating Officer of the Company until December 1996 at an annual base salary of at least \$270,000 per year, plus incentive bonus under The Scotts Company Executive Incentive Plan. If Mr. Host's employment is terminated for specified reasons, the Employment Agreement provides that he will receive, subject to certain limitations, his full base salary which would have been paid until the first anniversary of his date of termination.

In connection with the entering into of his Employment Agreement, Mr. Host received a signing bonus of \$250,000, and in January 1992, pursuant to such Agreement, purchased 45,454 Common Shares at a purchase price of \$9.90 per share, and pursuant to a Stock Option Plan and Agreement dated as of January 9, 1992, was granted options, which vested one-third on the date of grant and one-third on each of the first and second anniversaries of his date of employment, to purchase 136,364 Common Shares at a purchase price of \$9.90 per share. These options expire on January 8, 2002; provided, however, that if Mr. Host's active employment with the Company and its subsidiaries is terminated for cause, these options will be forfeited.

Miracle-Gro Employment Agreements

In connection with and as a condition to the Merger Transactions, the Company or New Miracle-Gro intends to enter into employment agreements (the "Employment Agreements") with the following employees of Miracle-Gro: Horace Hagedorn, John Kenlon and James Hagedorn. Under such Employment Agreements, Horace Hagedorn will serve as Chief Executive Officer of New Miracle-Gro, John Kenlon will serve as President of New Miracle-Gro and James Hagedorn will serve as Senior Vice President of the Company.

Each of the Employment Agreements will have a term of at least three years, and is automatically renewed for an additional year each subsequent year unless either party notifies the other party of their desire not to renew. The Employment Agreements will provide for a minimum annual salary of \$200,000, \$195,000 and \$200,000 for Horace Hagedorn, John Kenlon and James Hagedorn, respectively. In addition, within five days after entering into the Employment Agreements the Company will be required to grant to each of Horace Hagedorn, John Kenlon and James Hagedorn options to acquire 24,000 Common Shares pursuant to the terms and conditions of the Company's 1992 Long Term Incentive Plan.

Upon certain types of termination of employment with the Company (e.g., a termination by the Company for any reason other than "cause" (as defined in the Employment Agreements) or a termination by the employee entering into such Employment Agreement (the "Employee") constituting "good reason" (as defined in the Employment Agreements)), the Employee will become entitled to receive certain severance benefits including a payment equal to three times the sum of such Employee's salary plus such Employee's highest annual bonus in any of the three preceding years.

The Employment Agreements contain confidentiality and noncompetition provisions which prevent the applicable Employee from disclosing confidential information about the Company and from competing with the Company during his employment therewith and for an additional three years thereafter.

CERTAIN MATTERS PERTAINING TO THE BOARD OF DIRECTORS

Committees and Meetings of the Board

The Company's Board of Directors held nine regularly scheduled or special meetings (including telephonic meetings) during the 1994 Fiscal Year. The Company's Board of Directors has four standing committees: an Executive Committee, an Audit Committee, a Nominating Committee and a Compensation Committee.

Each current member of the Board of Directors of the Company nominated for election attended at least 75% of the aggregate of the total number of meetings of the Board of Directors of the Company and the total number of meetings held by the committees of such Board on which he or she served during the period he or she served.

EXECUTIVE COMMITTEE. The Executive Committee has the authority, with certain exceptions, to take all actions that may be taken by its full Board of Directors. It may meet between regularly scheduled meetings to take such action as is necessary for the operation of the Company. The Executive Committee did not meet during the 1994 Fiscal Year.

AUDIT COMMITTEE. The Audit Committee reviews and approves the scope and results of any outside audit of the Company, and the fees therefor, and makes recommendations to the Board of Directors or management concerning auditing and accounting matters and the selection of outside auditors. The Audit Committee met three times during the 1994 Fiscal Year.

NOMINATING COMMITTEE. The Nominating Committee, which was established in December, 1994, recommends policies on the composition of the Board and nominees for membership on the Board. It did not meet during the 1994 Fiscal

COMPENSATION COMMITTEE. The Compensation Committee reviews, considers and acts upon matters of salary and other compensation and benefits of all officers and other employees of the Company and acts upon all matters concerning, and exercises such authority as is delegated to it under the provisions of, any benefit, retirement or pension plan. The Compensation Committee met five times during the 1994 Fiscal Year.

Compensation of Directors

Each director of the Company, other than any director employed by the Company, receives a \$25,000 annual retainer for Board and committee meetings plus all reasonable travel and other expenses of attending such meetings.

Directors, other than those employed by the Company (the "Nonemployee Directors"), receive an annual grant on the first business day following the date of each annual meeting of shareholders (commencing with the 1994 Annual Meeting) of options to purchase 4,000 Common Shares at an exercise price equal to the fair market value of the underlying Common Shares on the date of the grant. In addition, on November 11, 1992, each of the Nonemployee Directors of the Company on that date (Messrs. Beard, Chamberlin, Flannery and Sherman and Henry O. Timnick (who is no longer a director of the Company)) was granted options to purchase 4,000 Common Shares at an exercise price of \$16.25. Options granted to Nonemployee Directors become exercisable six months after the date of grant and remain exercisable until the earlier to occur of (i) the tenth anniversary of the date of grant or (ii) the first anniversary of the date the Nonemployee Director ceases to be a member of the Company's Board of Directors.

DESCRIPTION OF THE CAPITAL STOCK OF THE COMPANY

The authorized capital stock of the Company consists of 35,000,000 Common Shares, each without par value. At January 15, 1995, 1,364,589 Common Shares, were reserved for issuance upon the exercise of outstanding employee stock options. If the Merger Transactions are consummated, an additional 3,000,000 Common Shares will be reserved for issuance upon exercise of the Warrants and 10,263,158 Common Shares will be reserved for issuance upon conversion of the Class A Convertible Preferred Stock. See "THE AGREEMENT - Terms of the Merger Transactions."

If the proposed amendment to Article FOURTH of the Amended Articles is adopted, the authorized capital stock of the Company will consist of 50,000,000 Common Shares, each without par value, and 195,000 voting preferred shares designated Class A Convertible Preferred Stock. The following description of capital stock of the Company assumes this amendment is adopted. See "PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION."

Holders of Common Shares are entitled to one vote for each share held of record on each matter submitted to a vote of shareholders. Holders of Class A Preferred Stock are entitled to the number of votes equal to the number of Common Shares into which the Class A Preferred Stock is convertible (approximately 52.6 votes per share initially), as described below. The Common Shares and the Class A Convertible Preferred Stock will vote together as a single class. Shareholders have no cumulative voting rights, which means that the holders of shares entitled to exercise more than fifty percent of the voting power are able to elect all of the directors (or all of the directors in each class of directors if the proposed amendment to Subparagraphs (A) and (B) of Section 2.02 of the Code of Regulations is adopted). The Company has agreed that, until the fifth anniversary of the Effective Time of the Merger Transactions, it will take such action as may be required to cause three directors designated by the Miracle-Gro Shareholder Representative to be elected to the Board of Directors of the Company (one director to each class of directors if the proposed amendment to Subparagraphs (A) and (B) of Section 2.02 of the Code of Regulations is adopted). See "THE AGREEMENT - Standstill Provisions - Board of Directors" and "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS - Effect of Adoption of Amendments."

Under Ohio law and the Company's Amended Articles of Incorporation, the affirmative vote of the holders of shares entitled to exercise at least two-thirds of the voting power is necessary for certain corporate

actions, including merger or consolidation with another corporation, combination or majority share acquisition, sale or other disposition of all or substantially all of the Company's property and assets, voluntary dissolution of the Company or amendment of the Amended Articles of Incorporation. If the proposal to adopt new Article NINTH to the Amended Articles of Incorporation is adopted, the vote required to amend the Amended Articles of Incorporation -- other than amendments to change the vote required to authorize the listed transactions -- will be reduced to a majority. If the proposal to adopt new Article NINTH is not adopted, the affirmative vote of the holders of shares entitled to exercise at least two-thirds of the voting power will be necessary to adopt any amendment to the Amended Articles of Incorporation. See "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION."

See "PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION," "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS," "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS" and "PROTECTION AGAINST NON-NEGOTIATED TAKEOVERS" for a description of provisions in the Company's Amended Articles of Incorporation and Code of Regulations and in Ohio law which might have the effect of delaying or preventing a change of control of the Company.

COMMON SHARES

Holders of Common Shares are entitled to receive dividends when and if declared by the Board of Directors out of funds legally available therefor, subject to the rights of holders of the Class A Cumulative Preferred Stock, as described below, and to any contractual restrictions on the payment of dividends. Upon consummation of the Merger Transactions, in the event the Company receives additional free cash flow, as expected, the Company plans to consider some or all of the following: investment in the Company's business, including research and development, paying down debt, a Common Share buyback and a Common Share dividend.

Upon dissolution, liquidation or sale of all or substantially all the assets of the Company, after payment in full of all amounts required to be paid to creditors and to the holders of the Class A Convertible Preferred Stock, as described below, the holders of Common Shares will be entitled to receive pro rata the remaining assets of the Company available for distribution.

The holders of Common Shares do not have preemptive, subscription, redemption or conversion rights.

CLASS A CONVERTIBLE PREFERRED STOCK

The 195,000 shares of Class A Convertible Preferred Stock are to be issued to the Miracle-Gro Shareholders in connection with the Merger Transactions. See "THE AGREEMENT - Terms of the Agreement."

Dividends shall be payable on the Class A Convertible Preferred Stock at the rate of \$50.00 per share per year. Dividends shall be cumulative and shall be payable quarterly. No dividends or other distributions (other than stock dividends) and no redemption, repurchase or other acquisition for value (other than from employees pursuant to obligations existing, or upon foreclosure of loans existing, prior to the Effective Time) shall be made with respect to the Common Shares until cumulative dividends on the Class A Convertible Preferred Stock, and all amounts payable on redemption of the Class A Convertible Preferred Stock, have been paid in full or set apart for payment. In the event that the Company fails to pay all or any portion of the accrued but unpaid dividends for two consecutive quarters, Miracle-Gro Shareholders shall be entitled to elect three additional directors until such time as the accrued but unpaid dividends are paid to the holders of the Class A Convertible Preferred Stock, at which time such new directors shall be removed and the Board of Directors shall be reduced to the number in effect immediately prior to the increase.

In the event of liquidation, dissolution or winding up of the Company, the holders of the Class A Convertible Preferred Stock shall be entitled to receive \$1,000 per share, plus accumulated unpaid dividends, before any amount will be paid to the holders of the Common Shares.

Each share of the Class A Convertible Preferred Stock shall be convertible at any time into the number of Common Shares determined by dividing \$1,000 by the Conversion Price, initially \$19 per Common Share subject to adjustment in the event of stock dividends, stock splits, share combinations, asset distributions, recapitalizations and similarly dilutive events.

The Class A Convertible Preferred Stock will be subject to redemption at any time after five years from date of issuance for \$1,000 per share plus accrued unpaid dividends.

The holders of Class A Convertible Preferred Stock do not have preemptive or subscription rights, except as set forth in the Agreement. See "THE AGREEMENT - Standstill Provisions."

THE WARRANTS

In connection with the Merger Transactions, and pursuant to the Agreement, the Company will issue three separate series of Warrants, designated Series A, B and C, which will be indistinguishable from each other except with respect to the exercise price. Each series of Warrants will be exercisable for 1,000,000 Common Shares, which collectively represent approximately 8% of the Company's Common Shares on a fully diluted basis. The number of Common Shares for which the Warrants will be exercisable will be adjusted in the event of stock dividends, stock splits, share combinations, asset distributions, recapitalizations and similarly dilutive events.

Each Warrant will be exercisable for eight and one-half years from the Effective Time. Each Warrant will provide that to the extent that exercise of such Warrant would increase the Total Voting Power of the Miracle-Gro Shareholders to more than 43% during the Standstill Period (excluding the unexercised Warrants) or to more than 49% after the Standstill Period (including the unexercised Warrants), such Warrant will not be exercisable for Common Shares but rather will be exercisable only for the spread between the exercise price thereof and the fair market value of the Company's Common Shares at the time of exercise. The Warrants will provide that the exercise price thereof may be paid in Common Shares or by reducing the number of Common Shares for which such Warrants would otherwise be exercisable. The Miracle-Gro Shareholders may not exercise any voting rights with respect to the Common Shares underlying the Warrants until, and to the extent, they are exercised for Common Shares.

The exercise prices for the Series A, Series B and Series C Warrants are \$21 per Common Share, \$25 per Common Share and \$29 per Common Share, respectively.

DESCRIPTION OF CAPITAL STOCK OF THE MIRACLE-GRO COMPANIES

The authorized capital stock of Miracle-Gro consists of 20,000 shares of voting common stock, without par value, and 20,000 shares of non-voting common stock, without par value. As of the date hereof there are outstanding 13,405 shares of Miracle-Gro's voting common stock and 13,405.284 shares of Miracle-Gro's non-voting common stock. Such voting and non-voting stock is held by eight people.

The authorized capital stock of Miracle-Gro Delaware consists of 1,500 shares of voting common stock, without par value, and 1,500 shares of non-voting common stock, without par value. As of the date hereof there are outstanding 1,000 shares of Miracle-Gro Delaware's voting common stock and 999.8 shares of Miracle-Gro Delaware's non-voting common stock. Such voting and non-voting stock is held by eight people.

The authorized capital stock of Miracle-Gro UK consists of 20,000 shares of voting common stock, without par value, and 20,000 shares of non-voting common stock, without par value. As of the date hereof there are outstanding 4,997.274 shares of Miracle-Gro UK's voting common stock and 4,997.106 shares of Miracle-Gro UK's non-voting common stock. Such voting and non-voting stock is held by eight people.

The authorized capital stock of Nurseries consists of 500 shares, without par value. As of the date hereof there is outstanding one share of Nurseries stock held by one person.

For all of the Miracle-Gro Companies, each outstanding share of voting common stock entitles the holder to one vote on all matters submitted to a vote of shareholders. Holders of shares of common stock (whether voting or non-voting) of each of the Miracle-Gro Companies have equal dividend and liquidation rights, and no holder has any preemptive rights to subscribe for any securities of his or her respective company.

COMPARISON OF SHAREHOLDER RIGHTS

The Miracle-Gro Companies are closely held corporations, each with eight or fewer individual shareholders, all but one of whom are members of the Hagedorn family. Such persons' rights as shareholders have been governed primarily by discussions and agreements among these eight individuals. Following the Merger Transactions, the Miracle-Gro Shareholders will hold shares in the Company, an Ohio corporation which is a public company, and their rights will be governed by Ohio law and the Company's Amended Articles of Incorporation and Code of Regulations. Accordingly, the material difference between the present rights of Miracle-Gro Shareholders and their rights as holders of Scott's securities is that following the Merger Transactions they will be shareholders in a public company governed by Ohio law and the Company's Amended Articles of Incorporation and Code of Regulations rather than such discussions and agreements. Set forth below is a summary of the material provisions of Ohio law and the Amended Articles of Incorporation and Regulations of the Company which will govern their rights as shareholders after the Merger Transactions. The Company is proposing amendments to its Amended Articles of Incorporation and Code of Regulations. See "PROPOSED AMENDMENT TO ARTICLE FOURTH OF THE AMENDED ARTICLES OF INCORPORATION," "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION," "PROPOSED AMENDMENTS TO SECTION 2.02 OF THE CODE OF REGULATIONS," and "PROPOSED AMENDMENT TO SECTION 6.01 OF THE CODE OF REGULATIONS." The following discussion assumes these amendments are adopted.

MERGERS AND CONSOLIDATIONS

Under the GCL and the Company's Amended Articles of Incorporation, an agreement of merger or consolidation must be approved by the directors of each constituent corporation and adopted by shareholders of each constituent Ohio corporation (other than the surviving corporation in the case of a merger) holding at least two-thirds of the corporation's voting power. In the case of a merger, the agreement must also be adopted by the shareholders of the surviving corporation by similar vote, if one or more of the following conditions exist: (a) the articles or regulations of the surviving corporation then in effect require that the agreement be adopted by the shareholders or by the holders of a particular class of shares of that corporation; (b) the agreement conflicts with the articles or regulations of the surviving corporation then in effect, or changes the articles or regulations, or authorizes any action that, if it were being made or authorized apart from the merger, would otherwise require adoption by the shareholders or by the holders of a particular class of shares of that corporation; (c) the merger involves the issuance or transfer by the surviving corporation to the shareholders of the other constituent corporation or corporations of such number of shares of the surviving corporation as will entitle the holders of the shares immediately after the consummation of the merger to exercise one-fifth or more of the voting power of that corporation in the election of directors; or (d) the agreement of merger makes such change in the directors of the surviving corporation as would otherwise require action by the shareholders or by the holders of a particular class of shares of that corporation.

OTHER CORPORATE TRANSACTIONS

Subject to certain exceptions, under the GCL and the Company's Amended Articles of Incorporation, the approval of two-thirds of the voting power of the Company is required for (i) the consummation of combinations and majority share acquisitions involving the transfer or issuance of such number of shares as would entitle the holders thereof to exercise at least one-fifth of the voting power of such corporation in the election of directors immediately after the consummation of such transaction, (ii) the disposition of all or substantially all of the corporation's assets other than in the regular course of business and (iii) voluntary dissolutions.

See "PROTECTION AGAINST NON-NEGOTIATED TAKEOVERS."

SPECIAL MEETINGS

Under the GCL, persons who may call a special meeting of shareholders include the chairman of the board, the president, or, in case of the president's absence, death, or disability, the vice-president authorized to exercise the authority of the president in the absence of the latter; the directors by action at a meeting or a majority of the directors acting without a meeting; persons holding 25% or more of the voting power of all shares entitled to vote, unless the articles or regulations specify a smaller or larger portion, but not more than 50%; or such other officers or persons as the articles or regulations may authorize. The Regulations authorize the Chairman of the Board, the President (or, in the event of his absence, death or disability, the Vice President authorized to exercise the authority of the President in the absence of the latter), the Secretary or the Board of Directors to call a special meeting of shareholders. In addition, the Regulations authorize a special meeting of shareholders to be called by persons holding at least a majority of all shares outstanding and entitled to vote thereat.

CLASS VOTING

Under the GCL, holders of a particular class of shares are entitled to vote as a separate class if the rights of such class are affected by mergers, consolidations or amendments to the articles.

REMOVAL OF DIRECTORS AND FILLING OF VACANCIES

Under the Regulations, a director or directors may be removed from office, with or without cause, by the affirmative vote of the holders of at least a majority of the voting power of the Company which entitles them to elect directors in place of those to be removed. Vacancies in the Board of Directors of the Company and any newly-created directorships resulting from any increase in the number of the directors may be filled by the directors, acting by the vote of a majority of the directors then in office, even if less than a quorum. A director elected to the Board to fill a vacancy would hold office for the unexpired portion of the term of the director whose place has been filled. A director elected by the Board to fill a newly created directorship resulting from an increase in the number of directors would hold office until the next election of the class for which the director was elected.

AMENDMENT TO THE ARTICLES

Under the GCL, an amendment to the articles must be adopted by the affirmative vote of the holders of shares entitling them to exercise two-thirds of the voting power of the corporation on the proposal, or a different proportion but not less than a majority of the voting power, as provided in the articles. New Article NINTH of the Amended Articles of Incorporation reduces the vote required to amend any provision of the Amended Articles of Incorporation except Article NINTH to a majority. See "PROPOSED AMENDMENT TO ADOPT NEW ARTICLE NINTH OF THE AMENDED ARTICLES OF INCORPORATION."

APPRAISAL RIGHTS

Under the GCL, dissenting shareholders are entitled to appraisal rights in connection with the lease, sale, exchange, transfer or other disposition of all or substantially all of the assets of a corporation and in connection with amendments to its articles which change the rights of shareholders in a substantially prejudicial manner. In addition, shareholders of an Ohio corporation being merged into a new corporation are also entitled to appraisal rights. Shareholders of an acquiring corporation are entitled to appraisal rights in a merger, combination or majority share acquisition in which such shareholders are entitled to voting rights.

DIVIDENDS

An Ohio corporation may pay dividends out of surplus, however created, in cash, property or shares. An Ohio corporation must notify its shareholders if a dividend is paid out of capital surplus.

REPURCHASES

Under the GCL, a corporation may repurchase its own shares if authorized to do so by its articles or under certain other circumstances but may not do so if immediately thereafter its assets would be less than its liabilities plus its stated capital, if any, or if the corporation is insolvent or would be rendered insolvent by such a purchase or redemption. Article FIFTH of the Amended Articles of Incorporation permits the Company to repurchase shares to the extent permitted by law.

DIRECTOR AND OFFICER LIABILITY AND INDEMNIFICATION

Under Section 1701.13(E) of the Ohio Revised Code, directors, officers, employees and agents of Ohio corporations have an absolute right to indemnification for expenses (including attorneys' fees) actually and reasonably incurred by them to the extent they are successful in defense of any action, suit or proceeding, including derivative actions, brought against them, or in defense of any claim, issue or matter asserted in any such proceeding. A director or officer is entitled to such indemnification if his success is "on the merits or otherwise," thus mandating indemnification if the indemnitee is successful on the merits or if he is successful, for example, in asserting a procedural defense, such as a claim that the action is barred by the applicable statute of limitations or if he is released pursuant to a negotiated settlement without making payment or providing other consideration. Directors (but not officers, employees or agents) are entitled to mandatory payment of expenses by the corporation as they are incurred, in advance of the final disposition of the action, suit or proceeding, provided the director agrees to cooperate with the corporation concerning the matter and to repay the amount advanced if it is proved by clear and convincing evidence that his act or failure to act was done with deliberate intent to cause injury to the corporation or with reckless disregard for the corporation's best interests.

The GCL permits a corporation to indemnify directors, officers, employees or agents of the corporation in circumstances where indemnification is not mandated by the statute if certain statutory standards are satisfied. A corporation may grant indemnification in actions other than actions brought by, or derivatively in the right of, the corporation if the indemnitee has acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Such indemnification is permitted against expenses (including attorneys' fees) as well as judgments, fines and amounts paid in settlement actually and reasonably incurred by the indemnitee.

An Ohio corporation may also provide indemnification in actions brought by, or derivatively in the right of, the corporation for attorneys' fees and expenses actually and reasonably incurred in connection with the defense or settlement of an action if the officer, director, employee or agent acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation. Ohio law does not expressly authorize indemnification against judgments, fines and amounts paid in settlement in such actions. The corporation may not indemnify a director, officer, employee or agent in such actions for attorneys' fees and expenses if the director, officer, employee or agent is adjudged to be liable to the corporation for negligence or misconduct in the performance of his duties to the corporation, unless and only to the extent that a court determines that, despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity.

The GCL grants express power to an Ohio corporation to purchase and maintain insurance or furnish similar protection, including but not limited to trust funds, letters of credit and self-insurance, for director, officer, employee or agent liability. Such insurance may be purchased for, or other protection provided to, any director, officer, employee or agent, regardless of whether that individual is otherwise eligible for indemnification by the corporation.

The Regulations provide for indemnification consistent with Section 1701.13(E) of the Ohio Revised Code. The Regulations provide that the Company must indemnify officers and directors against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement incurred in connection with any pending, threatened or completed action (whether criminal, civil, administrative or investigative) by reason of the fact that such individual is or was a director, officer, employee or agent of the Company or is or was serving at the request of the Company as a director, trustee, officer, employee, member, manager or agent of another corporation or other entity so long as such individual acted in good faith and in a manner he reasonably believed was in, or not opposed to, the best interests of the Company and, with respect to any criminal matter, he had no reasonable cause to believe his conduct was unlawful. The Regulations forbid the Company from indemnifying an officer or director if such person is adjudged to be liable for acting with reckless disregard for the best interests of the Company or misconduct (other than negligence) in the performance of his duty to the Company unless and only to the extent a court, in view of all the circumstances, concludes that such person is fairly and reasonably entitled to such indemnity as the court deems proper. The Regulations create a presumption that a director or officer has acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Company, and with respect to any criminal matter to have had no reasonable cause to believe his conduct was unlawful. Because of this presumption, the Company believes that a director or officer will not have the initial burden of showing that he acted in good faith or in a manner he reasonably believed to be in, or not opposed to, the best interests of the Company. In addition, the Regulations require the Company to advance expenses on behalf of officers and directors if they agree in writing to repay such amounts if they are not successful in the litigation.

The Regulations state that the indemnification provided thereby is not exclusive of any other rights to which any person seeking indemnification may be entitled. Additionally, the Regulations provide that the Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company, or who is or was serving another entity at the request of the Company, against any liability asserted against him and incurred by him in such capacity, or arising out of his status as such, whether or not the Company would have the obligation or power to indemnify him under the Regulations. The Regulations also authorize the Company to purchase and maintain trust funds, letters of credit or self-insurance on behalf of any person who is or was a director, officer, employee or agent of the Company or who is serving or has served another entity at the request of the Company.

Ohio has codified the directors' common law duty of care and, in part, their common law duty of loyalty. Section 1701.59(B) of the Ohio Revised Code provides in pertinent part: "A director shall perform his duties as a director, including his duties as a member of any committee of the directors upon which he may serve, in good faith, in a manner he reasonably believes to be in or not opposed to the best interests of the corporation, and with the care that an ordinarily prudent person in a like position would use under similar circumstances."

Under Ohio law, a director is not liable for monetary damages unless it is proved by clear and convincing evidence that his action or failure to act was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation. This higher standard of proof must be met in any action brought against a director for breach of his duties, including any action involving or affecting (i) a change or potential change in control of the corporation, (ii) a termination or potential termination of a director's service to the corporation as a director or (iii) a director's service in any other position or relationship with the corporation. The higher standard of proof, however, does not affect the liability of directors for unlawful loans, dividends or distributions under Section 1701.95 of the Ohio Revised Code. There is no comparable provision limiting the liability of officers, employees or agents of Ohio corporations.

Ohio law provides specific statutory authority for directors, when determining what they reasonably believe to be in the best interests of the corporation, to consider, in addition to the interests of the corporation's shareholders, other factors such as the interests of the corporation's employees, suppliers, creditors and customers; the economy of the state and nation; community and societal considerations; the long-term and the short-term interests of the corporation and its shareholders; and the possibility that these interests may be best served by the continued independence of the corporation.

BUSINESS

The Company, through its wholly-owned subsidiaries, Hyponex Corporation ("Hyponex"), Sierra, Republic and their subsidiaries is one of the oldest and most widely recognized manufacturers of products used to grow and maintain landscapes: lawns, gardens and golf courses. In both the consumer and professional market segments, the Company's Scotts(R) and Turf Builder(R) (for consumer lawn care), ProTurf(R) (for professional turf care) and Osmocote(R) and Peters(R) (for commercial horticulture) brands command market-leading shares more than double those of the next ranked competitors. The Company's long history of technical innovation, its reputation for quality and service and its effective marketing tailored to the needs of do-it-yourselfers and professionals have enabled the Company to maintain leadership in its markets while delivering consistent growth in sales and operating income and stable operating margins. On September 20, 1994, The Scotts Company, a Delaware corporation ("Scotts Delaware") was merged with and into The Scotts Company, an Ohio corporation ("Scotts Ohio") (hereafter, the "Company Merger"). On September 30, 1994, Scotts Ohio's major operating subsidiary, The O. M. Scott & Sons Company, a Delaware Corporation ("O. M. Scott") was merged into Scotts Ohio (the "O. M. Scott Merger"). Management believes these mergers should decrease the Company's overall tax liability.

Do-it-yourselfers and professionals purchase through different distribution channels and have different information and product needs. Accordingly, the Company has two business groups, Consumer and Commercial (formerly known as Professional), to serve these domestic markets, as well as an International Group to serve its markets outside of North America.

CONSUMER BUSINESS GROUP

PRODUCTS

The Company's consumer products include lawn fertilizers, fertilizer/control combination products, potting soils and other organic products, grass seed, lawn spreaders, and indoor and outdoor plant care products.

Lawn Fertilizers and Combination Products. The Company's most important consumer products are lawn fertilizers, such as Turf Builder(R), and combination fertilizer/control products, such as Turf Builder Plus 2(R) and Turf Builder Plus Halts(R). Typically, these are patented, homogeneous, controlled-release products which provide complete controlled feeding for consumers' lawns for up to two months without the risk of damage to the lawn presented by less expensive non-controlled-release products. Many of the Company's products are specially formulated for geographical differences and some, such as Bonus(R) S (to control weeds in Southern grasses) are distributed to limited areas. Most of the Company's fertilizer and combination products are sold in dry, granular form, although the Company also sells a small amount of liquid lawn care products. With the acquisition of Sierra in December, 1993, the Company obtained new products and technologies. Consumer products that utilize Sierra's technology in this category include Once(R) controlled-release lawn fertilizer, which can provide up to three months of feeding from one application.

Management estimates that in fiscal 1994, the Company's share of the U.S. do-it-yourself consumer lawn chemicals products market was approximately 46%, more than double that of the second leading brand.

Organic Products. The Company sells a broad line of organic products under the Scotts(R), Hyponex(R), Peters(R) Professional(R) and other labels, including retail potting soils, topsoil, peat, manures and mulches. Management estimates that the Company's fiscal 1994 U.S. market share was approximately 50% in potting soils, and approximately 39% in other consumer organic products.

Grass Seed. High quality grass seed was the Company's first lawn product. Today, the Company sells numerous varieties and blends of grass seed, many of them proprietary, designed for different uses and

geographies. Management estimates that the Company's share of the U.S. consumer grass seed market was approximately 28% in fiscal 1994.

Lawn Spreaders. Because the Company's granular lawn care products perform best when applied evenly and accurately, the Company sells a line of spreaders specifically manufactured and developed for use with its products. This line includes the SpeedyGreen(R) and EasyGreen(R) rotary spreaders, the PrecisionGreen(R) and AccuGreen(R) drop spreaders, and the HandyGreen(R) hand-held rotary spreader.

Since the acquisition of Republic in November, 1992, the Company has continued to market both its line of Scotts spreaders and Republic's EZ line of spreaders and to integrate the manufacture of its spreaders through Republic. Management estimates that the Company's share of the U.S. market for lawn spreaders was approximately 42% in fiscal 1994.

Garden Products, Tools and Indoor Products. The Company produces and sells a line of boxed Scotts Plant Foods, garden and landscape fertilizers and indoor plant care products and Peters(R) Professional(R) water soluble fertilizers and Once(R) controlled-released garden fertilizers. In September 1994, the Company entered into a licensing agreement with American Lawn Mower Company ("American") under which American, in return for the payment of royalties, is granted the right to produce and market a line of push-type reel lawn mowers bearing the Scotts trademark. The Company also has a licensing agreement in place with Union Tools, Inc. ("Union") under which Union, in return for the payment of royalties, is granted the right to produce and market a line of garden tools bearing the Scotts trademark. In management's estimation, the Company did not have a material share of the markets for these products in fiscal 1994.

CONSUMER BUSINESS STRATEGY

The Company believes that it has achieved its leading position in the do-it-yourself lawn care market on the basis of its sophisticated technology, the superior quality and value of its products and the service it provides its customers. The Company plans to maintain and expand its market position by emphasizing these qualities and taking advantage of the Scotts name and reputation. Through its Hyponex label, the Company has also focused on increasing sales of its higher margin organic items such as potting soils. In 1994, the Company introduced a line of Scotts potting soils.

The acquisition of Sierra in 1993 provides the Company with numerous strategic opportunities. This includes the expansion of sales of water-soluble fertilizers manufactured by Sierra into the consumer market and the future introduction into the consumer market of certain bioinsecticides for which Sierra has licenses.

Drawing upon its strong research and development capabilities, the Company intends to continue to develop and introduce new and innovative lawn and garden products. The Company believes that its ability to introduce successful new consumer products has been a key element in Scotts' growth. New consumer products in recent years include PatchMaster(R) (1992), a unique lawn repair product containing seed, Scotts Starter(R) fertilizer and mulch; a Poly-S(R) lawn fertilizer line(1993), which utilizes Scotts proprietary controlled-release technology to provide a lower priced product offering versus the Premium Turf Builder(R) line; new AccuGreen(R) and Speedy Green(R) (1994) spreaders which are shipped and sold fully assembled; and Scotts Planting Soils (1994), a line of ready-to-use, value-added soils which help simplify the do-it-yourself gardener's task and deliver superior growing performance.

The Company also seeks to capitalize upon the competitive advantages stemming from its position as the leading nationwide supplier of a full line of consumer lawn and garden products. The Company believes that this gives it an advantage in selling to larger retailers, who value the efficiency of dealing with a limited number of suppliers.

The Company has developed a program to take advantage of Hyponex's composting expertise and the increasing concern about landfill capacity by entering into agreements with municipalities and waste haulers to

compost yard waste. A pilot program was started in 1991 on Company-owned land in Marysville when the Company entered into a five-year contract with Franklin County, Ohio, to compost a minimum of 50,000 tons of yard waste per year for a fee of \$20 per ton. The Company now has seventeen compost facilities. In addition to service fees, the Company substitutes the resulting compost for a portion of the raw materials in Hyponex and other Company products. Revenues in fiscal 1994 and 1993 from composting services were \$5.0 million and \$2.1 million, respectively.

MARKETING AND PROMOTION

The Company employs a 100 person direct sales force and numerous distributors for its consumer products to cover approximately 24,000 retail outlets and headquarters of national, regional and local chains. Most salespeople have college degrees and prior sales experience. In recent years, the percentage of sales to mass merchandisers and large buying groups has increased. The top ten accounts (which include three buying groups of independent retailers) represented 59% of the Consumer Business Group sales in fiscal 1993 and 66% in 1994.

At the same time, the Company continues to support its independent retailers. Most importantly, the Company developed a special line of products, marketed under the Lawn Pro(R) name, which are sold exclusively by independent retailers. These products include the 4-Step(TM) program, introduced in 1984, which encourages consumers to purchase four products at one time (fertilizer plus crabgrass preventer, fertilizer plus weed control, fertilizer plus insect control and a special fertilizer for Fall application). The Company promotes the 4-Step program as providing consumers with all their annual lawn care needs for less than half of what a lawn care service would cost. The Company believes that the Lawn Pro line has helped maintain the loyalty of the independent retailers in the face of increasing competition from mass merchandisers.

The Company supports its sales efforts with extensive advertising and promotional programs. Because of the importance of the Spring sales season in the marketing of consumer lawn and garden products, the Company focuses its promotional efforts on this period. Through advertising, consumer rebates, retailer allowances and other promotional efforts, the Company seeks to encourage customers to make the bulk of their lawn and garden purchases in the early Spring. The Company believes that its early season promotions substantially moderate the risk to its consumer sales posed by bad weekend weather.

An important part of the Company's sales effort is its national toll-free consumer hotline, on which its "lawn consultants" answer questions about the Company's products and give general lawn care advice to consumers. The Company's lawn consultants responded to over 372,000 telephone and written inquiries in fiscal 1994 and have handled over 2,500,000 calls since the inception of the consumer hotline in 1972.

Backing up the Company's marketing effort is its well-known "No Quibble" guarantee, instituted in 1958, which promises consumers a full refund if for any reason they are not satisfied with the results after using Scotts products. Refunds under this guarantee have consistently amounted to less than 0.3% of net sales on an annual basis.

COMPETITION

The consumer lawn and garden market is highly competitive. The most significant competitors for the consumer lawn care business are lawn care service companies. At least one of these, Tru Green Company, which also owns the ChemLawn(R) lawn care service business, operates nationally and is significantly larger than the Company. In the do-it-yourself segment, the Company's products compete primarily against regional products and private label products produced by various suppliers and sold by such companies as Kmart. These products compete across the entire range of the Company's product line. In addition, certain of the Company's products compete against branded fertilizers, pesticides and combination products marketed by such companies as Monsanto Company (Ortho(R) and Greensweep(R)), Lebanon Chemical Corp. (Greenview(R)) and Miracle-Gro.

Most competitors, with the exception of lawn care service companies, sell their products at prices lower than those of the Company. The Company competes primarily on the basis of its strong brand names, quality, value, service and technological innovation. The Company's competitive position is also supported by its national sales force, advertising campaigns and its unconditional guarantee. There can be no assurance, however, that additional competition from new or existing competitors will not erode the Company's share of the consumer market or its profit margins.

BACKLOG

The major portion of annual consumer product orders (other than organic products which are normally ordered in season on an "as needed" basis) are received from retailers during the months of October through January and are filled during the months of January through March. As of January 31, 1995, orders on hand for retail customers (including orders for Sierra products) totaled approximately \$85.7 million compared to approximately \$50.5 million on the same date in 1994 (excluding orders for Sierra products). All such orders are expected to be filled in fiscal 1995.

COMMERCIAL BUSINESS GROUP

THE MARKET

The Company sells its professional products to golf courses, commercial nurseries and greenhouses, schools and sportsfields, multi-family housing complexes, business and industrial sites, lawn and landscape services and specialty crop growers. In 1994, the Professional Business Group served over 12,000 North American customers, among them such high profile golf courses as Augusta National (Georgia), Cypress Point, Spyglass and Pebble Beach (California), Desert Mountain (Arizona), Muirfield (Ohio), The Country Club (Massachusetts), Colonial Country Club (Texas) and Butler National (Illinois). Sports complexes such as Fenway Park, Camden Yard, Wrigley Field, Yankee Stadium and the Rose Bowl are professional customers, as are major commercial nursery/greenhouse operations such as Monrovia, Hines and Imperial.

Golf courses accounted for approximately 43% of the Company's professional sales in fiscal 1994. During 1994, the Company sold products to approximately 55% of the over 14,500 golf courses in North America, including 78 of Golf Digest's top 100 U.S. courses. Management estimates, based on an independent bi-annual market survey and other information available to the Company, that the Company's leading share of the North American golf course turf maintenance segment will be approximately 20% in 1994.

According to the National Golf Foundation, approximately 200 new golf courses have been constructed annually for the last three years. Management believes that the increase in the number of courses, the concentration of the growth in the West/South with a longer growing/maintenance season, the increasing playing time requiring more course maintenance and the trend toward more highly maintained courses will contribute to an annual sales growth rate in the golf course segment of 9%.

Horticulture sales accounted for approximately 38% of the Company's professional sales in fiscal 1994. The Company sold products to thousands of nursery, greenhouse and specialty crop growers through a network of over 100 horticultural distributors. On a full year basis, the Company estimates that its leading share of the North American horticultural segment was approximately 35% in 1994.

Management believes the increasing acceptance of controlled-release fertilizers in horticultural/ agricultural applications due to performance advantages and groundwater leaching concerns will contribute to an increase in the annual sales growth rate in the horticulture segment.

In January 1994, a new business unit under the ProGrow(R) name was created to better serve the large, but highly fragmented, lawn/landscape service market, in addition to schools/sportsfields, multi-family housing complexes and business/industrial sites. Many small service operators prefer to purchase on an as-needed, "cash and carry" basis, so the Company is establishing a network of distributors to extend local availability of its

professional products. By the end of fiscal 1994, over 60 distributors had been added, with plans to add additional distributors in 1995 and beyond. Management believes changing demographic factors such as increasing time pressures, higher disposable income and an aging population will result in an expanding service segment.

PRODUCTS

The Company's professional products, marketed under such brand names as ProTurf(R), ProGrow(R), Osmocote(R), Peters(R), Metro-Mix(R) and Terra-Lite(R), include a broad line of sophisticated controlled-release fertilizers, water soluble fertilizers, control products (herbicides, insecticides, fungicides and growth regulators), wetting agents, organic products, grass seed and application devices. The fertilizer lines utilize a range of proprietary controlled-release fertilizer technologies, including Polyform(R), Triaform(R), Poly-S(R), Osmocote(R) and ScottKote(R), and proprietary water soluble fertilizer technologies, including Peters(R) and Peters Excel(R). The Company applies these technologies to meet a wide range of professional customer needs, ranging from quick release greenhouse fertilizers to controlled-release fairway/greens fertilizers to extended release nursery fertilizers that last up to a year or more.

The Company works very closely with basic pesticide manufacturers to secure exclusive positions on advanced control chemistry which can be formulated on granular carriers, including fertilizers or liquid application. In 1994, over 15 professional products featured exclusive control technologies, including such products as the TGR(R) growth regulator line, Turplex(R) bioinsecticide and DMC weed control. Liquid-applied fertilizers and control products numbered 37 in 1994. Application devices include both rotary and drop action spreaders. Over 20 proprietary grass seed varieties are part of the professional line. The Sierra acquisition added an established line of soilless mixes in which controlled and water soluble fertilizers, wetting agents and control products can be incorporated to customize potting media for nurseries and greenhouses.

During 1994, the Company introduced 24 new professional products, including Poly-S(R) and TGR(R) line extensions, a line of Peters(R) water-soluble fertilizers for golf course greens, an Osmocote controlled-release potassium product and Merit(R) insecticide.

BUSINESS STRATEGY

The Company's Commercial Business Group focuses its sales efforts on the middle and high end of the professional market and generally does not compete for sales of commodity products. Demand for the Company's professional products is primarily driven by product quality, performance and technical support. The Company seeks to meet these needs with a range of sophisticated, specialized products that are sold by a professional, agronomically-trained sales force.

A primary focus of the Commercial Business Group's strategy is to provide a continuing flow of innovative new products to its professional customers. Products introduced since 1989 accounted for over 60% of the Commercial Business Group's net sales in fiscal 1994.

The Company intends to use its strong position in the golf course segment to increase sales of Sierra(R) products to those users, and, conversely, to expand the distribution of Scott(R) nursery products in the commercial horticultural segment in which Sierra has a strong position.

The Commercial Business Group also is working to increase market coverage by focusing on various professional market niches. In 1965, the Company established its first specialized professional sales force, focusing on golf courses. Since 1985, it has established separate sales forces and/or sales managers for lawn and landscape services, sportsfields, golf course architects and construction companies, and international segments of the professional market. In 1992, the Company introduced a fairway application service for golf courses. This service has been expanded and is now available in eight markets, with six new markets planned for 1995. In 1994, the ProGrow(R) business was launched to better serve lawn/landscape services that purchase on an as-needed basis.

MARKETING AND PROMOTION

The Commercial Business Group's sales force consists of 125 territory managers who cover over 17,000 accounts. Many territory managers are experienced former golf course superintendents or nursery managers and most have degrees in agronomy, horticulture or similar disciplines. Territory managers work closely with golf course and sports field superintendents, turf and nursery managers, and other landscape professionals. In addition to marketing the Company's products, Scotts' territory managers provide consultation, testing services, and advice regarding maintenance practices, including individualized comprehensive programs incorporating various products for use at specified times throughout the year. The professional grower segment is served primarily through an extensive network of distributors, most with substantial experience in the horticulture market, with territory managers spending the majority of their time with growers.

To reach potential purchasers, the Company uses trade advertising and direct mail, publishes newsletters, and sponsors seminars throughout the country. In addition, the Company maintains a special toll-free hotline for its professional customers. The professional customer service department responded to over 40,000 telephone inquiries in fiscal 1994.

COMPETITION

In the professional turf and nursery market, the Company faces a broad range of competition from numerous companies ranging in size from multi-national chemical and fertilizer companies such as Monsanto and DowElanco Company, to smaller specialized companies such as Lesco, Inc. and Lebanon Chemical Corp., to local fertilizer manufacturers and blenders. Portions of this market, such as fairway and rough fertilizers for golf courses, are sometimes served by large agricultural fertilizer companies, while other segments, such as fertilizers and pest controls for golf course greens and high value nursery crops, are served by specialized, research-oriented companies. In certain areas of the country, particularly Florida, a number of companies have begun to offer turf care services, including product application, to golf courses. In addition, the higher margins available for sophisticated products to treat high value crops continue to attract large and small chemical producers and formulators, some of which have larger research departments and budgets than the Company. While the Company believes that its reputation, turf and ornamental market focus, expertise in product development and professional sales force will enable it to continue to maintain and build its share of the professional market, there can be no assurance that the Company's market share or margins will not be eroded in the future by new or existing competitors.

BACKLOG

The major portion of professional product orders are received during the months of August through November and are filled during the months of September through November. As of January 31, 1995, orders on hand from professional customers (including orders for Sierra products) totaled approximately \$13.1 million compared with \$4.9 million on the same date in 1994 (excluding orders for Sierra products). All such orders are expected to be filled in fiscal 1995.

INTERNATIONAL

THE MARKET

The Company produces and sells its products in over sixty-five countries to both consumer and professional markets. Growth potential exists in both markets, and the Company has positioned itself to grow through both direct sales and distributor arrangements.

Consumer lawn and garden products are sold under the Scotts label mainly in Canada, the Far East and Europe. The Company's United Kingdom subsidiary has continued to make inroads into the lawn and garden market in Great Britain. The Company's long-term relationship with Hyponex Japan Corporation, Ltd. has allowed it to maintain its presence in Japan's consumer market under its Hyponex(R) label. International sales of consumer products in fiscal 1994 totaled approximately \$7.3 million.

Professional markets include both the turf and horticulture industries. The Company currently distributes its professional products in Canada, Latin America, Europe and Asia Pacific. Turf products are mainly distributed under the Scotts name, while horticultural products are distributed primarily under the Sierra label. Professional horticultural products are also distributed under the Hyponex label in Japan. International sales of Scotts' professional products in fiscal 1994 totaled approximately \$10 million. International sales of Sierra professional products from December 17, 1993 through September 30, 1994 totaled approximately \$30.3 million.

BUSINESS STRATEGY

An increasing portion of the Company's sales is derived from customers in foreign countries, and, with the acquisition of Sierra, the Company has manufacturing and distribution operations in foreign countries. The Company's managers travel abroad regularly to visit its facilities, distributors and customers, and the Company's own employees manage its affairs in most of Europe, the United Kingdom, Australia, Hungary, Singapore and Malaysia. The Company plans to expand into new areas and market segments and to increase international awareness of the Scotts name and oval logo. By positioning the Scotts(R) name worldwide, the Company believes it can build awareness of its products' quality, reliability and value.

The Company intends to continue to market its products internationally through both direct sales and distributor arrangements. In fiscal 1994, the Company entered into various new distributor agreements. Sierra terminated several distributor arrangements with W.R. Grace, so that the Company could directly distribute those products. The Company also amicably terminated its European distributor agreement with Wolf-Gerate AG during fiscal 1994. At the time this agreement was signed, the Company had no European distribution capabilities and Wolf-Gerate served that purpose. With the 1993 acquisition of Sierra, the Company acquired a distribution network which eliminated the need for Wolf-Gerate's services. The Company believes its direct distribution of its products in Europe will represent a cost savings, as products will now be distributed at their full retail price, rather than sold at a discount to Wolf-Gerate for distribution, as required under the agreement.

Any significant changes in international economic conditions, expropriations, changes in taxation and regulation by United States and/or foreign governments could have a substantial effect upon the international business of the Company. Management believes, however, that these risks are not unreasonable in view of the opportunities for profit and growth available in foreign markets.

In addition, the Company's international earnings and cash flows are subject to variations in currency exchange rates, which derive from sales and purchases of the Company's products made in foreign currencies. In order to minimize the impact of adverse exchange rate movements, the Company has developed a program, approved by the Company's Board of Directors, to manage and mitigate this risk. The risk management program is designed to minimize impact on the cash value of the Company's foreign currency payables and receivables, as well as the impact on earnings. To implement the program, in January 1995 the Company entered into forward foreign exchange contracts and purchased currency options to lessen this risk.

COMPETITION

The Company's international consumer business faces strong competition in the garden center segment, particularly in Canada and the United Kingdom. Competitors in the United Kingdom include Fisons, ICI, PBI and various local companies. Competitors in Canada include Nu-Gro, So-Green and Vigoro. The Company intends to respond to this competition by increasing brand awareness and loyalty through increased marketing and improved customer service.

The international professional products market is very competitive particularly in the controlled-release fertilizer segment. Numerous United States and European companies are pursuing this segment internationally, including Pursell Industries, Lesco, Lebanon, Vigoro, Noram, BASF, Helena and Coron. The Company will respond to this competition by educating customers as to the quality and value of its products.

Management believes the Company is well-positioned to obtain an increased share of the international market. However, there can be no assurance that the Company's market share or margins will not be eroded by new or existing competitors.

MATTERS RELATING TO THE COMPANY GENERALLY

PATENTS, TRADEMARKS AND LICENSES

The "Scotts" and "Hyponex" brand names and logos, as well as a number of product trademarks, including "Turf Builder", "Lawn Pro", "ProTurf", "ProGrow", "Osmocote" and "Peters" are federally registered and are considered material to the Company's business. In 1989, the Company assigned all its rights to certain "Hyponex" trademarks in the Far East to a Japanese company.

As of September 30, 1994, the Company held over 100 patents on processes, compositions, grasses, and mechanical spreaders and has several additional patent applications pending. Over the past two years, the Company has been granted a number of patents covering key new process and product technologies. This new patent protection will extend well into the next decade. The Company also holds exclusive and nonexclusive patent licenses from certain chemical

suppliers permitting the use and sale of patented pesticides.

RESEARCH AND DEVELOPMENT

The Company has a long history of innovation, and its research and development successes can be measured in terms of sales of new products and by the Company's patents. Virtually all of the Company's fertilizer products, many of its grasses and many of its mechanical devices are covered by one or more of over 100 U.S. and foreign patents owned by the Company.

The Company's research and development department is headquartered in the Dwight G. Scott Research Center in Marysville, Ohio. The Company also operates three research field stations in Florida, Texas and Oregon. In addition, the Company funds research at universities across the United States and conducts cooperative projects with key professional customers. Research to develop new and improved application devices is conducted at Republic's manufacturing facility in Carlsbad, California. Investment in research is directed toward developing new technology and products to increase manufacturing efficiency, reduce product cost, improve performance, solve specific problems, improve packaging and simplify lawn, turf and horticultural plant care.

Since its introduction of the first home lawn fertilizer in 1928, the Company has used its research and development strengths to build the do-it-yourself market. Technology continues to be a Company hallmark. The Company's introduction of the TGR(R) line in 1987 to control poa annua on golf courses is an example. In 1992, the Company introduced Poly-S(R), a proprietary controlled-release fertilizer technology. In 1993, ScottKote(R), another controlled-release technology primarily for the nursery market, was introduced. In addition, the Company has modified its Marysville facility to utilize a new, patented production process which is expected to reduce costs and improve product quality, while increasing production capacity. (See "--Production Facilities.") Since the Hyponex acquisition in 1988, the Company's research and development department has worked to improve the quality and reduce the production cost of branded organic products, in particular potting soils. One of the results of this effort is the introduction, in 1994, of a line of value-added, premium quality potting soils and planting mixes under the Scotts brand.

Research has also been focused on durability, precision, and reduced production costs of the Republic-produced spreaders. Recently, Republic completely redesigned the major products within the Company's consumer spreader line so that they are now completely preassembled and are distributed and displayed using innovative packaging.

Sierra pioneered the use of controlled-release fertilizers for the horticultural markets with the introduction of "Osmocote" in the 1960's. This polymer-encapsulated technology has achieved a large share of the horticultural markets due to its ability to meet the strict performance requirements of professional growers. The Company's and Sierra's research and development efforts have been fully integrated and are focused on cost reduction and product/process innovation. A new, multi-coated controlled-release technology has been developed and a new production line is nearing completion at the Company's Charleston, South Carolina plant.

Research has resulted in improved Peters'(R) water-soluble fertilizers. Reformulated potting soils and planting mixes have been introduced into both the consumer and professional markets.

Combined Company and Sierra research and development expenses were approximately \$10.4 million (1.7% of net sales) for 1994, including environmental and regulatory expenses. This compares to \$6.2 million (1.5% of net sales) and \$7.7 million (1.7% of net sales) in fiscal 1992 and 1993, respectively.

PRODUCTION FACILITIES

The manufacturing plants for consumer and professional fertilizer-based products marketed under the Scotts label are located in Marysville, Ohio. The Company's Taylor Seed Packaging Plant is located on a separate site in Marysville. Hyponex(R) organic products are harvested and packaged in over 20 locations throughout the United States. The Company's lawn spreaders are produced at the Republic facility in Carlsbad, California. Some granular and mechanical products and all liquid products, constituting an aggregate of approximately 16% of the

Company's cost of sales in fiscal 1994, are produced for the Company by other manufacturers. Sierra has manufacturing sites in the United States and one located in The Netherlands. Sierra's controlled-release fertilizers are produced in Charleston, South Carolina, Milpitas, California, and at Heerlen, The Netherlands. Water-soluble fertilizers are produced in Allentown, Pennsylvania, and the potting soils are produced in Travelers Rest, South Carolina and in Hope, Arkansas. Resin used for producing Osmocote(R) controlled-release fertilizer is manufactured at Sierra Sunpol Resins, a joint venture company which is 97% owned by Scotts. The Company operates seventeen composting facilities where yard waste (grass clippings, leaves, and twigs) is converted to raw materials for the Company's organic products. Fourteen of the facilities are "stand-alone" facilities with the remainder being located at existing organics products bagging facilities. Recently opened facilities include Pittsburgh, Pennsylvania; Cincinnati, Ohio; and Riverside, California.

Management believes that each of its facilities is well-maintained and suitable for its purpose. Substantially all of the Company's owned properties are mortgaged to secure the Company's indebtedness under various bank agreements.

The Company's fertilizer processing and packaging facilities currently operate, on average, five days per week for three shifts. Because of the seasonal nature of the demand for the Company's products, certain of these facilities operate on a seven day basis or three out of four weekends during periods of peak demand. During 1994, initial steps were taken to integrate some product manufacturing between the Company and Sierra manufacturing locations.

The Company's Marysville facilities were substantially modified during fiscal 1992 and 1993. The Company replaced one of the existing fertilizer production lines with a line utilizing a new, patented process which it developed. In addition, the Company erected a new physical-blend facility and added equipment to apply polymer coating to fertilizer materials.

During 1994, approximately \$13 million was spent to erect a new Poly-S fertilizer plant, an investment made necessary by very strong forecasted demand. Additionally, approximately \$4.0 million was spent on Sierra business needs including \$1.5 million for construction of a new processing line at the Charleston, South Carolina facility to produce a technologically advanced controlled-release fertilizer.

CAPITAL EXPENDITURES

Capital expenditures totaled \$15.2 million and \$33.4 million for the fiscal years ended September 30, 1993 and 1994, respectively. The Company expects that capital expenditures during fiscal 1995 will total approximately \$23 million.

PURCHASING

The key ingredients in the Company's fertilizer and control products are various commodity and specialty chemicals including vermiculite, phosphates, urea, potash, herbicides, insecticides and fungicides. The Company obtains its raw materials from various sources, which the Company presently considers to be adequate. No one source is considered to be essential to either of the Company's Consumer or Professional Business Groups, or to its business as a whole. The Company has never experienced a significant interruption of supply.

Sierra purchases granular, homogeneous fertilizer substrates to be coated, and the resins for coating. These resins are primarily supplied domestically by Sierra SunPol Resins, a 97%-owned subsidiary of Sierra.

Sphagnum peat, peat humus, vermiculite manure and bark constitute Hyponex's most significant raw materials. At current production levels, the Company estimates Hyponex's peat reserves to be sufficient for its near-term needs in all locations except the Northeast. Regulatory activities by the Army Corps of Engineers have prevented production at one peat harvesting facility located in Lafayette, New Jersey. See "--Environmental and Regulatory Considerations." To meet the demand previously filled by this facility, the Company has been purchasing peat from other nearby producers. Bark products are obtained from sawmills and other wood residue

producers and manure is obtained from a variety of sources such as feed lots, race, tracks, and mushroom growers. The Company is currently substituting composted yard waste for some organic raw materials and is planning to expand this practice.

Raw materials for Republic include various engineered resins and metals, all of which are available from a variety of vendors. The Company considers its sources of supply for these materials to be adequate.

DISTRIBUTION

The primary distribution centers for the Company's products are located near the Company's headquarters in central Ohio. The Company's products are shipped by rail and truck. While the majority of truck shipments are made by contract carriers, a portion is made by the Company's own fleet of leased trucks. Inventories are also maintained in field warehouses located in major markets.

Most of Hyponex's organic products have low sales value per unit of weight, making freight costs significant to profitability. Therefore, Hyponex has located approximately twenty distribution locations near large metropolitan areas in order to minimize shipping costs. Hyponex uses its own fleet of approximately 70 trucks as well as contract haulers to transport its products from distribution points to retail customers.

Sierra's products are produced at three fertilizer and two organic manufacturing facilities located in the United States. The majority of shipments are via common carriers to nearby distributors' warehouses. A small private trucking fleet is maintained at the organic facilities for direct shipment of custom orders to customers. Inventories are also maintained in field warehouses.

Republic-produced, Scotts branded spreaders are shipped via common carrier to regional warehouses serving the Company's retail network. Republic's E-Z spreader line and its private label lines are sold free-on-board (FOB) Carlsbad with transportation arranged by the customer.

SIGNIFICANT CUSTOMERS

Kmart and Home Depot represented approximately 23.9% and 14.9%, respectively, of the Consumer business group's sales in fiscal 1994, which reflects their significant position in the retail lawn and garden market. The loss of either of these customers or a substantial decrease in the amount of their purchases could have a material adverse effect on the Company's business.

EMPLOYEES

The Company's corporate culture emphasizes employee participation in management, comprehensive employee benefits and programs and profit sharing plans. As of September 30, 1994, the Company employed approximately 2,300 full-time year-round workers including 130 located outside the United States. Full-time workers average approximately 10 years employment with the Company or its predecessors. During peak production periods, the Company engages as many as 750 temporary employees. The Company's employees are not unionized, with the exception of twenty-one of Sierra's employees at its Milpitas facility, who are represented by the International Chemical Workers Union.

ENVIRONMENTAL AND REGULATORY CONSIDERATIONS

Federal, state and local laws and regulations relating to environmental matters affect the Company in several ways. All products containing pesticides must be registered with the United States Environmental Protection Agency ("United States EPA") (and in many cases, similar state agencies) before they can be sold. The inability to obtain or the cancellation of any such registration could have an adverse effect on the Company's business. The severity of the effect would depend on which products were involved, whether another product could be substituted and whether the Company's competitors were similarly affected. The Company attempts to anticipate regulatory developments and maintain registrations of, and access to, substitute chemicals, but there can

be no assurance that it will continue to be able to avoid or minimize these risks. Fertilizer and organic products (including manures) are also subject to state labeling regulations.

In addition, the use of certain pesticide and fertilizer products is regulated by various local, state and federal environmental and public health agencies. These regulations may include requirements that only certified or professional users apply the product or that certain products be used only on certain types of locations (such as "not for use on sod farms or golf courses"), may require users to post notices on properties to which products have been or will be applied, may require notification of individuals in the vicinity that products will be applied in the future or may ban the use of certain ingredients. The Company has been successful in complying with these regulations.

Compliance with such regulations and the obtaining of registrations does not assure, however, that the Company's products will not cause injury to the environment or to people under all circumstances.

State and federal authorities generally require Hyponex to obtain permits (sometimes on an annual basis) in order to harvest peat and to discharge water run-off or water pumped from peat deposits. The state permits typically specify the condition in which the property will be left after the peat is fully harvested, with the residual use typically being natural wetland habitats combined with open water areas. Hyponex is generally required by these permits to limit its harvesting and to restore the property consistent with the intended residual use. In some locations, Hyponex has been required to create water retention ponds to control the sediment content of discharged water.

In July 1990, the Philadelphia district of the Army Corps of Engineers directed that peat harvesting operations be discontinued at Hyponex's Lafayette, New Jersey facility, and the Company complied. In May 1992, the Department of Justice filed suit seeking a permanent injunction against such harvesting at that facility and civil penalties. The Philadelphia District of the Corps has taken the position that peat harvesting activities there require a permit under Section 404 of the Clean Water Act. If the Corps' position is upheld, it is possible that further harvesting of peat from this facility would be prohibited. The Company is defending this suit and is asserting a right to recover its economic losses resulting from the government's actions. Management does not believe that the outcome of this case will have a material adverse effect on the Company's operations or its financial condition.

State, federal and local agencies regulate the disposal, handling and storage of waste and air and water discharges from Company facilities. During fiscal 1994, the Company had approximately \$100,000 in environmental capital expenditures and \$300,000 in other environmental expenses, compared with approximately \$180,000 in environmental capital expenditures and \$260,000 in other environmental expenses in fiscal 1993. The Company has budgeted \$485,000 in environmental capital expenditures and \$350,000 in other environmental expenses for fiscal 1995.

The Company has been identified by the Ohio Environmental Protection Agency (the "Ohio EPA") as a Potentially Responsible Party ("PRP") with respect to a site in Union County, Ohio (the "Hershberger site") that has allegedly been contaminated by hazardous substances whose transportation, treatment or disposal the Company allegedly arranged. Pursuant to a consent order with the Ohio EPA, the Company, together with four other PRP's identified to date, is investigating the extent of contamination in the Hershberger site and developing a remediation program. Phase I of the investigation has been completed and the Company is seeking resolution to this matter by being designated as a de minimis contributor with minimal financial liability.

Sierra is a PRP in connection with the Lorentz Barrel and Drum Superfund Site in California, as a result of its predecessor having shipped barrels to Lorentz for reconditioning or sale between 1967 and 1972. Many other companies are participating in the remediation of this site, and issues relating to the allocation of the costs have been resolved with the Company being identified as a de minimis contributor. The Company has agreed to settle this matter by means of a one-time total payment of \$1,000 to the United States EPA and the State of California. In addition, Sierra is a defendant in a private cost-recovery action relating to the Novak Sanitary Landfill, located near Allentown, Pennsylvania. By agreement with W. R. Grace-Conn., Sierra's liability is limited to a maximum

of \$200,000 with respect to this site. The Company's management does not believe that the outcome of these proceedings will in the aggregate have a material adverse effect on its financial condition or results of operations.

PROPERTIES

The Company has fee or leasehold interests in approximately sixty-seven facilities. All of the owned properties are mortgaged to secure the Company's indebtedness under the Existing Credit Agreement (see "INFORMATION ABOUT THE COMPANY - Management's Discussion and Analysis of Financial Condition and Results of Operations" and "RECENT DEVELOPMENTS - New Credit Facility").

The Company owns approximately 843 acres in two locations at its Marysville, Ohio headquarters. It owns three research facilities in Apopka, Florida, Cleveland, Texas and Gervais, Oregon. The Company leases four fertilizer warehouses in Illinois, California, Ohio and Pennsylvania. Republic leases its twenty acre spreader facility in Carlsbad, California.

The Company's twenty-four organics facilities are located nationwide in eighteen states. Twenty-two are owned, while two are leased. Facilities at most include production lines, warehouses and offices. Six sites also include composting facilities.

The Company has fourteen stand-alone composting facilities. Nine of these sites are leased and are located in Oregon, California, Florida, Indiana, Ohio, Pennsylvania and Illinois. Five sites are utilized through agreements with the municipalities of Greensboro, NC; Shreveport, LA; Spokane, WA; Independent Hill, VA and Balls Ford, VA.

The Company owns two Sierra manufacturing facilities in Fairfield, CA and Heerlen, The Netherlands. It leases three Sierra manufacturing facilities in Allentown, PA, Milpitas, CA and North Charleston, SC.

It is the opinion of the Company's management that its facilities are adequate to serve their intended purposes and that its property leasing arrangements are stable.

LEGAL PROCEEDINGS

As noted in the discussion under "--Environmental and Regulatory Considerations" above, the Company is defending a suit filed by the United States Department of Justice which seeks civil penalties and a permanent injunction against peat harvesting at Hyponex's Lafayette, New Jersey facility. The Company has asserted a right to recover its economic losses resulting from the government's actions. The Company also is involved in several other environmental matters, as set forth above in "Environmental and Regulatory Considerations". Management does not believe the outcome of these matters will have a material adverse effect on the Company's operations or its financial condition.

The Company is involved in other lawsuits and claims which arise in the normal course of its business. In the opinion of management, these claims individually and in the aggregate are not expected to result in an adverse effect on the Company's financial position or operations.

MARKET FOR THE COMPANY'S COMMON SHARES AND RELATED SHAREHOLDER MATTERS

Scotts Delaware made an initial public offering of its Class A Common Stock on January 31, 1992. As a result of the merger of Scotts Delaware into Scotts Ohio on September 20, 1994, each share of outstanding Class A Common Stock of Scotts Delaware was converted into one Common Share of Scotts Ohio (the Company). The shares of Class A Common Stock of Scotts Delaware were, and the Common Shares of the Company are traded on the NASDAQ Stock Market under the symbol "SCTT".

The Company has not paid dividends in the past and does not presently plan to pay dividends. It is presently anticipated that earnings will be retained and reinvested to support the growth of the Company's business. The payment of any future dividends will be determined by the Board of Directors of the Company in light of conditions then existing, including the Company's earnings, financial condition and capital requirements, restrictions in financing agreements, business conditions and other factors. Under a covenant in the Company's Existing Credit Agreement, the Company is restricted in its payment of cash dividends, to an amount not to exceed 33 1/3% of the consolidated net income of the Company and its consolidated subsidiaries during the immediately preceding fiscal year. See "RECENT DEVELOPMENTS -- New Credit Facility."

As of March 1, 1994, the Company estimates there were approximately 6,400 shareholders including holders of record and the Company's estimate of beneficial holders.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion of the consolidated results of operations, liquidity and capital resources of the Company for the three months ended December 31, 1994 and January 1, 1994, respectively, and the fiscal years ended September 30, 1994, 1993 and 1992 should be read in conjunction with the Company's Consolidated Financial Statements and Notes thereto appearing elsewhere in this Proxy Statement/Prospectus and the information under "INFORMATION ABOUT THE COMPANY -- Selected Financial Data."

Results of Operations

THREE MONTHS ENDED DECEMBER 31, 1994 COMPARED WITH THREE MONTHS ENDED JANUARY 1, 1994

Net sales of \$98.0 million increased by \$29.7 million or approximately 43.5%. Net sales included net sales for Sierra, which was acquired by the Company on December 16, 1993. On a pro forma basis, assuming the acquisition had taken place on October 1, 1992, net sales for the three months ended December 31, 1994 would have increased by \$8.9 million or approximately 9.9%. Consumer Business Group sales of \$55.7 million increased by approximately 26%. On a pro forma basis, Consumer Business Group sales were up approximately 19.5%, resulting primarily from increased sales volume. Commercial Business Group (previously referred to as the Professional Business Group) sales of \$27.9 million increased by 46.1% but decreased, on a pro forma basis, by approximately 10.2%. The Company's management believes that this decrease reflects a continuing trend by golf course customers to order products closer to Spring usage and, therefore, management believes that sales expectations for the Commercial Business Group will be met by the end of the fiscal year. International sales of \$14.4 million increased by approximately 189.4%. On a pro forma basis, International sales increased by approximately 25.7%. The increase primarily reflected increased sales volume, partly due to the introduction of Scotts(R) branded products into the Sierra distribution network.

Cost of sales for the three months ended December 31, 1994 represented 54.6% of net sales, nearly flat with cost of sales for 54.7% for the three months ended January 1, 1994.

Operating expenses of \$44.2 million increased by \$13.3 million or approximately 42.8%, which was proportional to the sales increase. On a pro forma basis, including Sierra operating expenses from October 1, 1992, operating expenses increased by approximately 8.4%, reflecting slightly higher marketing expense which increased by \$1.7 million and increased distribution expense of \$2.6 million related to higher sales.

Interest expense of \$5.7 million increased by \$3.1 million or approximately 115.7%. The increase was caused, in significant part, by increased borrowings for the Sierra acquisition, which were outstanding for the full three months ended December 31, 1994, and partly caused by higher interest rates for floating-rate bank debt this year and the higher rate payable with respect to the 9 7/8% Senior Subordinated Notes issued by the Company in July 1994 compared with the floating rate bank debt the notes replaced.

The net loss of \$3.1 million increased by \$1.6 million or approximately 101.5%, primarily due to increased interest expense which is discussed above.

FISCAL 1994 COMPARED WITH FISCAL 1993

Net sales of \$606.3 million increased by \$140.3 million or 30.1%, primarily due to increased sales volume, a portion of which relates to new pre-season promotion programs with major retailers. The increase included \$105.6 million of sales from Sierra, which was acquired by the Company on December 16, 1993.

Consumer Business Group sales of \$419.6 million increased by \$49.4 million or 13.3%. The growth was principally derived from increased sales volume to major retailers, with sales to the Company's top ten accounts up

16% over the prior year, and from sales of Sierra which accounted for \$21.3 million of the increase. Professional Business Group sales of \$181.7 million increased by \$88.0 million or 93.9%. The increase was principally due to sales of Sierra which accounted for \$84.3 million of the increase.

On a pro forma basis that includes Sierra sales on a historical basis assuming that the acquisition had occurred on October 1, 1992, sales increased by 7.1% for the 1994 year.

Cost of sales at 52.7% of net sales showed a slight increase from 52.4% of net sales last year. The increase reflected higher spreader sales, which increased by approximately \$8.0 million and which have lower margins.

Operating expenses of \$227.3 million increased by \$49.3 million or 27.7%. The increase was caused, in significant part, by the inclusion of Sierra operating expenses this year of approximately \$32.5 million. The increase was also caused, to a lesser degree, by distribution costs, which increased by approximately \$11.6 million due to higher sales volume, and by higher marketing costs, which increased by approximately \$8.1 million reflecting increased spending for national advertising and promotion programs. The increase was partly offset by reduced general and administrative expenses, which decreased by approximately \$3.2 million exclusive of Sierra expenses, for the year.

Interest expense of \$17.5 million increased by \$9.0 million principally due to an increase in borrowing levels resulting from the acquisition of Sierra in December, 1993. The increase was also caused, to a lesser degree, by the issuance of \$100 million of the Company's 9 7/8% Senior Subordinated Notes (see "Liquidity and Capital Resources" below) which bear a higher fixed interest rate than the term debt prepaid with their net proceeds.

Net income of \$22.9 million increased by \$15.0 million from \$7.9 million last year. The increase was primarily attributable to a non-recurring charge of \$13.2 million, net of tax, last year for the cumulative effect of accounting changes. The increase also reflected increased operating income this year which was partly offset by increased interest expense and also offset, in part, by a \$1.0 million non-recurring charge, net of tax, for financing costs related to the term debt prepaid this year with net proceeds from the Notes.

FISCAL 1993 COMPARED WITH FISCAL 1992

Net sales of \$466.0 million increased by \$52.5 million or 12.7%. The majority of the increase resulted from increased sales volume of consumer products. Consumer Business Group sales of \$370.2 million increased by \$47.6 million or 14.8%. The growth was principally derived from increased sales volume to major retailers and from sales for Republic, acquired in November 1992, which accounted for approximately 37.5% of the increase in Consumer Business Group sales. Professional Business Group sales of \$93.7 million increased by \$3.6 million or 4.0%. The majority of the latter increase was due to increased sales volume.

Cost of sales represented 52.4% of net sales compared with 51.5% in 1992. The increase was primarily caused by lower gross profit margins on Republic's products in the current year. Cost savings from the implementation of new controlled-release fertilizer technology, which exceeded start-up costs incurred early in the year, partly offset the increase.

Operating expenses of \$178.0 million increased by \$19.7 million or 12.5%. The increase was caused by increased investment in advertising and consumer rebates in 1993 of approximately \$8.1 million, higher distribution costs which increased by approximately \$5.5 million related to increased sales, and the inclusion of operating expenses for Republic which amounted to approximately \$3.0 million from November through the end of fiscal 1993.

Income from operations of \$43.8 million increased by \$1.7 million or 4.0%, which resulted from increased sales, partially offset by increased operating expenses. The increase was also offset, in part, by additional pretax charges of \$2.4 million, in 1993, resulting from the implementation of the Financial Accounting Standards Board ("Board") Statement of Accounting Standards No. 106, "Employers' Accounting for Postretirement Benefits Other Than Pensions" ("SFAS 106").

Interest expense of \$8.5 million decreased by \$7.5 million or 47.0%. The decrease resulted from reduced borrowings and lower interest rates including the effect of early redemption of subordinated notes and debentures. Reduced borrowings resulted from the application of the net proceeds of the Company's January 1992 initial public offering and cash flow from operations, partly offset by the use of capital resources for the Republic acquisition, the purchase of a block of the Company's Class A Common Stock and capital investment.

Income before extraordinary items and cumulative effect of accounting changes increased by approximately \$6.0 million or 39.6% primarily due to increased operating income and lower interest expense. The increase was partially offset by a \$1.4 million charge, net of tax, related to adoption of SFAS 106 in fiscal 1993.

Net income of \$7.9 million decreased by \$7.7 million or 49.4%. The decrease was attributable to expense from the implementation of SFAS 106 and a non-recurring charge for the cumulative effect of the change in accounting in the amount of \$14.9 million, net of tax. The decrease was partially offset by a non-recurring benefit of \$1.8 million, related to implementation of the Board's Statement of Accounting Standards No. 109, "Accounting for Income Taxes."

Liquidity and Capital Resources

Capital expenditures totaled approximately \$33.4 million and \$15.2 million for the fiscal years ended September 30, 1994 and 1993, respectively, and are expected to be approximately \$23 million in fiscal 1995. The key capital project in fiscal 1994 was an approximately \$13 million investment in a new production facility to increase capacity to meet demand for Scotts' Poly-S(R) controlled-release fertilizers. The production facility was completed as planned and is currently in operation. The Company's Existing Credit Agreement restricts the amount the Company may spend on future capital expenditures to \$35 million per year for fiscal 1995 and each year thereafter. It is anticipated that the New Credit Agreement (as defined below) will permit capital expenditures of up to \$50 million per year. See "RECENT DEVELOPMENTS - New Credit Facility." These expenditures will be financed with cash provided by operations and utilization of available credit facilities.

Current assets of \$298.7 million at December 31, 1994 increased by \$48.4 million compared with current assets at September 30, 1994 and by \$52.9 million compared with current assets at January 1, 1994. The increase compared with September 30, 1994 is primarily attributable to the seasonal nature of the Company's business, with inventory and accounts receivable levels generally being higher in December relative to September. The increase compared with January 1, 1994 was partly due to increased accounts receivable related to higher sales and also, in part, to higher inventory levels for Scotts(R) and Hyponex(R) products this year in anticipation of the upcoming peak selling season as well as higher inventories for golf course products which reflect lower than expected sales for the quarter ended December 31, 1994.

Current liabilities of \$163.3 million at December 31, 1994 increased by \$53.6 million compared with current liabilities at September 30, 1994 and by \$30.2 million compared with current liabilities at January 1, 1994. The increase compared with September 30, 1994 is primarily caused by the seasonality of the Company's business. The increase compared with January 1, 1994 is caused, in part, by increased short-term borrowings, higher trade payables and higher accrued liabilities this year reflecting somewhat higher working capital needs this year including higher accruals for interest and taxes.

Shareholders' equity of \$165.1 million at December 31, 1994 decreased by \$3.1 million compared with shareholders' equity at September 30, 1994 and increased by \$23.7 million compared with shareholders' equity at January 1, 1994. The decrease compared with September 30, 1994 reflects the net loss for the three months ended December 31, 1994. The increase compared with January 1, 1994 resulted primarily from net earnings for the twelve months ended December 31, 1994 which included a cumulative foreign currency adjustment related to translating the assets and liabilities of Sierra's foreign subsidiaries to U. S. dollars.

The primary sources of liquidity for the Company are funds generated by operations and borrowings under the Company's Existing Credit Agreement. As amended to date, the Existing Credit Agreement provides a

revolving credit commitment of \$150 million through March 31, 1996 and provided \$195 million of term debt with scheduled maturities extending through September 30, 2000 until the prepayment discussed below. As of February 3, 1994, the Existing Credit Agreement provided \$93.1 million of term debt. The Existing Credit Agreement contains financial covenants which, among other things, limit capital expenditures, require maintenance of Adjusted Operating Profit, Consolidated Net Worth and Interest Coverage (each as defined therein) and require the Company to reduce revolving credit borrowings to no more than \$30,000,000 for 30 consecutive days each year. See "RECENT DEVELOPMENTS - New Credit Facility" for the terms anticipated to be included in the New Credit Agreement.

On July 19, 1994, the Company issued \$100,000,000 of 9 7/8% Senior Subordinated Notes at 99.212% of face value. The net proceeds of the offering were \$96,354,000 after underwriting discount and expenses and this amount was used to prepay term debt outstanding under the Existing Credit Agreement. Scheduled term debt maturities were adjusted to reflect the prepayment in accordance with the terms of the Existing Credit Agreement. All of the Notes are subordinated to other outstanding debt, principally to banks. The Notes are subject to redemption, at the Company's option, in whole or in part, at any time after August 1, 1999 at redemption prices specified in the indenture governing such notes. In order to redeem the Notes, the Company must obtain approval of the banks party to the Existing Credit Agreement as specified therein. The Notes include a limited number of financial covenants which are generally less restrictive than the financial covenants contained in the Existing Credit Agreement and the financial covenants anticipated to be contained in the New Credit Agreement. See "RECENT DEVELOPMENTS - New Credit Facility."

Any additional working capital needs resulting from the Merger Transactions are expected to be financed through an increase in the amount of revolving credit available under the Company's Existing Credit Agreement and the New Credit Agreement. See "RECENT DEVELOPMENTS -- New Credit Facility."

The seasonal nature of the Company's business is reflected in working capital requirements. Working capital requirements are greatest from November through May, the peak production period, and are at their highest in March. Working capital needs are relatively low in the summer months.

In the opinion of the Company's management, cash flows from operations and capital resources will be sufficient to meet future debt service and working capital needs.

Inflation

The Company is subject to the effects of changing prices. The Company has, however, generally been able to pass along inflationary increases in its costs by increasing the prices of its products.

NEW CREDIT FACILITY

The Company has received a commitment from Chemical Bank, as agent, to arrange a syndicate to amend and restate the Existing Credit Agreement (as amended and restated, the "New Credit Agreement"). Under the New Credit Agreement, Chemical Bank and the other lenders will agree to provide, on an unsecured basis, up to \$375 million to the Company, comprised of an uncommitted commercial paper/competitive advance facility and a committed revolving credit facility. It is anticipated that the New Credit Agreement will be executed and initially funded prior to or simultaneously with the consummation of the Merger Transactions; however, such execution and funding are not conditioned on the consummation of the Merger Transactions. Upon the execution and funding of the New Credit Agreement, the total indebtedness outstanding under the Existing Credit Agreement will be replaced by the revolving credit facility of the New Credit Agreement.

The Company expects to have approximately \$130 million of additional financing available under the New Credit Agreement. While the Existing Credit Agreement is secured by substantially all of the assets of the Company, the New Credit Agreement will be unsecured. The New Credit Agreement will be guaranteed by each of the Company's domestic subsidiaries which currently guarantee the Existing Credit Agreement and, assuming consummation of the Merger Transactions, by New Miracle-Gro. The New Credit Agreement will terminate on March 31, 2000, and, because it does not contain a term loan facility, does not contain an amortization schedule. The New Credit Agreement will require a "clean down" of indebtedness for borrowed money for 30 consecutive days during each fiscal year to \$225 million (compared to \$30 million in the Existing Credit Agreement), and will be subject to optional and mandatory prepayment provisions substantially similar to those in the Existing Credit Agreement.

Interest pursuant to the commercial paper/competitive advance facility will be determined by auction. Interest pursuant to the revolving credit facility will be at a floating rate initially equal, at the Company's option, to the Alternate Base Rate (as defined in the Existing Credit Agreement) without additional margin or the LIBO Rate (as defined in the Existing Credit Agreement) plus a margin of .3125% per annum, which margin may be decreased to as little as .25% or increased to as much as .625% based on the higher of Standard & Poors and Moody's senior unsecured debt ratings of the Company. The Existing Credit Agreement provides for a margin of 1% with respect to LIBO Rate loans.

Upon the closing of the New Credit Agreement, the Company will be required to pay arrangement and other fees totalling approximately \$250,000 in addition to legal and accounting fees. In addition, the New Credit Agreement will provide for the payment of a facility fee on the entire \$375 million amount of the revolving credit facility of .1875% per annum initially, which fee may be reduced to as little as .15% or increased to as much as .375% based on the higher of Standard & Poors and Moody's senior unsecured debt ratings of the Company. The Existing Credit Agreement provides for a commitment fee of .375% on the unused portion of the \$150 million revolving credit facility. Both the New Credit Agreement and the Existing Credit Agreement provide as well for an administration fee.

The New Credit Agreement will include certain negative covenants, as does the Existing Credit Agreement. While such covenants under the New Credit Agreement will differ somewhat from those under the Existing Credit Agreement, the Company believes that the new covenants will provide it with additional financial and operating flexibility. Specifically, the New Credit Agreement, in contrast to the Existing Credit Agreement, is anticipated to permit \$50 million of capital expenditures per year (subject to limited carry-over) compared to \$35 million, will provide less restrictive liquidity tests and will lessen the restrictions on the Company's ability to pay dividends on its Common Shares, to repurchase its Common Shares and to make certain acquisitions.

Because the terms, conditions and covenants of the New Credit Agreement are subject to negotiation, execution and delivery of definitive documentation, certain of the actual terms, conditions and covenants may differ from those described above.

BUSINESS OF THE MIRACLE-GRO COMPANIES

Products

The Miracle-Gro Companies market and distribute throughout the United States and Canada the leading line of water-soluble plant foods. These products are designed to be dissolved in water, creating a dilute nutrient solution which is poured over plants and rapidly absorbed by their roots and leaves.

The Miracle-Gro(R) branded line of products was established in 1951 by nurseryman Otto Stern and advertising executive Horace Hagedorn through a combination of the production activities of Stern's Nurseries, Inc. with the marketing and sales activities of Hagedorn Sales Company, Inc. The products were initially marketed through mail order catalogues and later through retail outlets. In 1985 Mr. Hagedorn acquired Stern's Nurseries, Inc. from Mr. Stern and formed Stern's Miracle-Gro Products, Inc.

Stern's Miracle-Gro(R) All-Purpose Water-Soluble Plant Food is the Miracle-Gro Companies' leading product, accounting for approximately 60% of sales in their last fiscal year. Other water-soluble plant foods in the product line include Miracid(R) for acid loving plants, Miracle-Gro for Roses, Miracle-Gro for Tomatoes and Miracle-Gro Lawn Food. The Miracle-Gro Companies also sell a line of hose-end applicators for their water-soluble plant foods, the Miracle-Gro No-Clog(R) Garden and Lawn Feeder line, which allow consumers to apply water-soluble fertilizers to large areas quickly and easily with no mixing or measuring required. The Miracle-Gro Companies also market a line of products for houseplant use including Liquid Miracle-Gro, African Violet Food, Plant Food Spikes and Leaf Shine. In addition, in 1994, the Miracle-Gro Companies began a test market of a granular lawn product, and plan to expand the test market in 1995.

All of the products sold by the Miracle-Gro Companies (other than those produced by Miracle-Gro UK) are produced under contract by independent fertilizer blending and packaging companies.

International

Miracle-Gro UK was formed in 1990 as the marketing arm for expansion into the United Kingdom ("U.K."). The Company operated in a venture with the Garden and Professional Products Division of Imperial Chemical Industries, Plc., which subsequently spun-off that business, along with others, into a new company called Zeneca Garden Care ("Zeneca"). The venture agreement provided for Zeneca to contract the packaging and distribution of Miracle-Gro products in the U.K. in return for a share of the operating profits. On December 31, 1994, the Garden and Professional Products Division of Zeneca was sold to Miracle Garden Care, a wholly-owned subsidiary of Miracle Holdings Limited ("Miracle Holdings"). Miracle Holdings is a newly formed company established by Miracle-Gro UK and certain institutional investors, each of which is an affiliate of either Charterhouse plc or Advent International plc, for the purpose of pursuing the lawn and garden care business in the U.K. and elsewhere. Miracle-Gro UK received a 32.5% equity interest in Miracle Holdings in return for its transfer to Miracle Holdings of Miracle-Gro's European business and the grant to Miracle Garden Care, pursuant to the license agreement described below, of rights to certain trademarks. In addition, Miracle-Gro UK has certain rights to buy out substantially all of the equity stakes of the other investors in Miracle Holdings at certain future times. The option to buy out the other investors in Miracle Holdings will extend to the Company after the Merger Transactions.

The territory covered by the licensing agreement between Miracle-Gro UK and Miracle Garden Care covers all of Europe, including the U.K. and Ireland. Exclusive rights to certain Miracle-Gro trademarks for this territory were licensed to Miracle Garden Care under this agreement for a period of time ranging from five to twenty years. The actual length of the license period will be determined based upon the joint venture's achievement of certain operating profit goals and upon whether Miracle Garden Care elects to make a public offering of its stock. Following completion of the Merger Transactions, the territory in which Miracle Garden

Care has the right to sell Miracle-Gro branded products will be limited to the U.K. and Ireland, and Miracle Garden Care will have the right to manufacture all such products sold in the rest of Europe.

Only five years after introduction, Miracle-Gro UK's water soluble plant foods are the leading such products in the U.K. In addition, Miracle Garden Care sells a line of lawn care products and other products which had been part of the Zeneca product line.

Although the Miracle-Gro Companies recognize that international operations are subject to the risk of foreign currency fluctuations not present in domestic operations, management has not engaged in hedging or other measures for reducing the effect of fluctuating exchange rates because currency losses to date have not been material to the Miracle-Gro Companies' operations as a whole.

Marketing and Promotion

Miracle-Gro products are sold through a direct sales force to certain large retailers and also via lawn and garden wholesale distributors. The percentage of sales to mass merchandisers, warehouse-type clubs and large buying groups has increased in recent years. The top ten accounts (which includes three wholesale distributors who resell to a variety of accounts) represented 67% of the Miracle-Gro Companies' business in 1994.

The Miracle-Gro(R) line of water-soluble plant foods can be found in most retail outlets which sell garden fertilizer products. Major retailers which carry Miracle-Gro(R) branded items include Wal-Mart, Home Depot, K-Mart, Target and Lowe's Stores. Warehouse-type clubs such as Sam's Club and Price Costco also feature the products, as do nursery chains such as Frank's Nursery and Crafts. Hardware cooperatives, such as Cotter and Co., Ace Hardware Corp. and Servistar Hardware Stores, carry portions of the Miracle-Gro line. The houseplant items are also carried in stores with traditionally small garden sections, such as supermarkets and drugstores.

The Miracle-Gro Companies have adopted a "pull-through" marketing strategy, generating demand for the products at the consumer level to create sales from the retail shelves. This is accomplished by an intensive national advertising program in the spring and early summer months, with the focus on television commercials, mostly during prime-time. This advertising campaign is supported by drive-time radio advertising on a national and local basis, as well as print advertising in dozens of regional and national magazines.

Competition

The Miracle-Gro Companies sell their products, which are generally non-proprietary, in a very competitive marketplace. They compete primarily against regional brands, and private label products on both a regional and national basis. The competitors are generally larger and have greater financial and product development resources than the Miracle-Gro Companies and often sell their products at lower prices than the Miracle-Gro Companies. The Miracle-Gro Companies maintain their strong market position by virtue of an extensive advertising campaign, and by the quality of their products. However, there can be no assurance that expanded marketing efforts by existing competitors, or new entrants, will not erode the business or profit margins of the Miracle-Gro Companies.

Significant Customers

Wal-Mart and Home Depot represented approximately 17% and 10%, respectively, of Miracle-Gro's sales in fiscal 1994. The loss of either of these customers, or a substantial decrease in the amount of their purchases, could have a material adverse effect on Miracle-Gro's business.

Legal Proceedings

During 1993 and 1994, Miracle-Gro discussed with Pursell Industries, Inc. ("Pursell") the feasibility of forming a joint venture to produce and market a line of slow-release lawn food, and in October, 1993, signed a non-binding heads of agreement. After the Merger was announced, Pursell, demanded that Miracle-Gro reimburse it for monies allegedly spent by Pursell in connection with the proposed project. Because Miracle-Gro does not believe that any such monies are due or that any such joint venture ever was formed, on February 10, 1995, it instituted an action in the Supreme Court of the State of New York, Stern's Miracle-Gro Products, Inc. v. Pursell Industries, Inc., Index No. 95-004131 (Nassau Co.) (the "New York Action"), seeking declarations that, among other things, Miracle-Gro owed no monies to Pursell relating to the proposed project and that no joint venture was formed. Pursell has moved to dismiss the New York Action in favor of the Alabama Action described immediately below.

On March 2, 1995, Pursell instituted an action in the United States District Court for the Northern District of Alabama. Pursell Industries, Inc. v. Stern's Miracle-Gro Products, Inc., CV-95-C-0524-S (the "Alabama Action"),

alleging, among other things, that a joint venture was formed, that Miracle-Gro breached an alleged joint venture contract, committed fraud, and breached an alleged fiduciary duty owed Pursell by not informing Pursell of negotiations concerning the Merger. The Alabama Action seeks compensatory and punitive damages in excess of \$10 million. Miracle-Gro does not believe that the Alabama Action has any merit and intends to vigorously defend that action.

(1) The Miracle-Gro Companies, other than Nurseries, have elected to be taxed as Subchapter S corporations. Accordingly, the summary historical combined financial data does not reflect provisions for income taxes that would have been incurred if the Miracle-Gro Companies had been taxed as C corporations.

The following discussion of the results of operation, liquidity and capital resources of the Miracle-Gro Companies for the three months ended December 31, 1994 and 1993, and the years ended September 30, 1994, 1993 and 1992 should be read in conjunction with the Miracle-Gro Companies' Combined Financial Statements and the Notes thereto appearing elsewhere in this Proxy Statement/Prospectus and the information under "INFORMATION ABOUT THE MIRACLE-GRO COMPANIES -- Selected Financial Data."

The Miracle-Gro Companies' combined financial statements are presented to reflect the combined financial position and results of operations of the Miracle-Gro Companies, which are being acquired by the Company in the Merger Transactions. Each Miracle-Gro Company is controlled (directly or indirectly) by the same group of shareholders. Accordingly, the assets, liabilities and equity of the individual Miracle-Gro Companies have been combined. All material intercompany transactions and balances have been eliminated in such combination.

Each of the Miracle-Gro Companies (except Nurseries, which is immaterial to the combined group) has elected to be treated as a Subchapter S Corporation under the Code. Therefore, federal and most state income taxes are paid by their Miracle-Gro Shareholders. As a result, the Miracle-Gro combined financial statements include only those state and local income taxes payable directly by the Miracle-Gro Companies. Because those companies are not taxable under the Code, no deferred taxes have been provided in the combined financial statements. See Note 2 in the Notes to the Stern's Miracle-Gro Products, Inc. and Affiliate Companies Combined Financial Statements appearing elsewhere in this Proxy Statement/Prospectus.

Results of Operations

THREE MONTHS ENDED DECEMBER 31, 1994 COMPARED WITH THREE MONTHS ENDED DECEMBER 31, 1993

Net sales for the quarter ended December 31, 1994 were \$15.3 million compared to \$14.1 million for the quarter ended December 31, 1993. The increase of \$1.2 million, or 8.4%, is attributable to sales volume increases in the U.K. Net sales in the U.S. and Canada were \$11.9 million compared to \$12.6 million for the three months ended December 31, 1994 and 1993, respectively, a decrease of \$0.7 million, or 5.9%. This decrease was due to a lower volume of early season orders. Net sales in the U.K. were \$3.4 million compared to \$1.4 million for the three months ended December 31, 1994 and 1993, respectively, an increase of \$2.0 million, or 132.9%. This increase was due to a higher volume of early season orders.

Cost of sales of \$7.7 million (50.5% of net sales) for the quarter ended December 31, 1994 compared to \$7.0 million (49.9% of net sales) for the corresponding quarter in the prior year. This increase was primarily due to the new lawn food which had a higher cost of sales than most of the other Miracle-Gro(R) products.

Operating expenses of \$4.8 million for the quarter ended December 31, 1994 increased \$1.4 million, or 30.7%, in the quarter ended December 31, 1993. The two major components of this increase were a \$0.8 million increase in bonuses paid to Zeneca and a \$0.3 million increase in legal expenses. The legal expenses were related to the Agreement with the Company in the U.S. and to a licensing agreement with Miracle Garden Care in the U.K. This licensing agreement gave Miracle Garden Care a license to produce and market Miracle-Gro products in exchange for approximately 32.5% of the stock in Miracle Holdings, the parent of Miracle Garden Care.

Net income of \$2.6 million for the three months ended December 31, 1994 was a decrease of \$1.0 million from \$3.6 million for the comparable period of the prior year. This is mainly attributable to legal expenses and the increased performance bonuses in the U.K. referred to above.

FISCAL 1994 COMPARED WITH FISCAL 1993

Net sales for the fiscal year ended September 30, 1994 were \$107.4 million compared to \$92.8 million for the fiscal year ended September 30, 1993. The increase of \$14.6 million, or 15.8%, is attributable to increased sales volume across Miracle-Gro's product lines. Net sales in the U.S. and Canada were \$99.2 million compared to \$87.1 million for the years ended September 30, 1994 and 1993, respectively, an increase of \$12.1 million, or 13.9%. Net sales in the U.K. were \$8.2 million in fiscal 1994 compared to \$5.7 million in fiscal 1993, an increase of \$2.5 million, or 44%.

Cost of sales was \$52.3 million (48.6% of net sales) for fiscal 1994 compared to \$46.8 million (50.5% of net sales) for fiscal 1993. The increase in cost of sales in fiscal 1994 was due to the higher sales volume. The improved gross margin in fiscal 1994 was due primarily to an increased proportion of direct sales to major retailers which carry a higher margin.

Operating expenses of \$25.6 million in fiscal 1994 increased over the prior year by \$3.2 million, or 14.3%. The major components of this increase were a \$1.9 million increase in spending on merchandising programs designed to obtain increased shelf presence, a \$0.7 million increase in personnel expense and a \$0.5 million increase in profit payments due to U.K. distributors.

Net interest expense of \$0.1 million in fiscal 1994 decreased by \$0.2 million from the prior year due to increased cash levels in 1994 which generated higher interest income.

Net income of \$28.9 million in fiscal 1994 increased by \$6.2 million from \$22.7 million in fiscal 1993. This increase is primarily attributable to increased sales volume and gross margin, partially offset by increased operating expenses.

FISCAL 1993 COMPARED WITH FISCAL 1992

Net sales for the fiscal year ended September 30, 1993 were \$92.8 million compared to \$93.1 million for the fiscal year ended September 30, 1992. The decrease of \$0.3 million, or 0.4%, was primarily attributable to an unusually cold and wet springtime weather pattern throughout the U.S. Net sales in the U.S. and Canada were \$87.1 million compared to \$88.6 million for the years ended September 30, 1993 and 1992, respectively, a decrease of \$1.5 million, or 1.7%. Net sales in the U.K. were \$5.7 million for fiscal 1993 compared to \$4.5 million for fiscal 1992, an increase of \$1.2 million, or 26.0%.

Cost of sales of \$46.8 million (50.5% of net sales) for fiscal 1993 compares to \$46.6 million (50.1% of net sales) for fiscal 1992. The increase as a percentage of net sales is attributable primarily to a shift in sales toward lower margin products.

Operating expenses of \$22.4 million in fiscal 1993 represents an increase from the prior year of \$0.8 million, or 3.8%. The major components of this increase were a \$0.4 million rise in G&A expenses due to increased personnel expense and a \$0.3 million increase in losses due to uncollectable receivables.

Net interest expense of \$0.3 million in fiscal 1993 was an increase of \$0.2 million from the prior year due to higher inventory levels in 1993 which required increased borrowing, generating more interest expense.

Net income of \$22.7 million in fiscal 1993 represents a decrease of \$1.4 million from the previous year's \$24.1 million due primarily to the factors discussed above.

Liquidity and Capital Resources

Capital expenditures totaled \$0.1 million and \$0.2 million for the three months ended December 31, 1994 and 1993, respectively, and \$0.9 million and \$0.4 million for the fiscal years ended September 30, 1994 and 1993, respectively. In 1994 Miracle-Gro's main expenditures were for new computers and a new telephone system. Miracle-Gro UK's expenditures for both years were for production machinery in the U.K. The Miracle-Gro Companies do not anticipate any major capital expenditures in fiscal 1995.

Current assets of \$44.1 million of December 31, 1994 increased by \$9.9 million compared to current assets of \$34.2 million on December 31, 1993. This increase was due to higher levels of inventory in the U.K. and inventory of the new lawn food products. Both of these inventories are needed for the expected increased demand. Current assets of \$44.1 million on December 31, 1994 increased by \$7.2 million compared with the current assets on September 30, 1994. This increase had three primary components consisting of cash, receivables and inventory. Cash decreased by \$16.4 million due to Subchapter S distributions and inventory increases. Accounts receivable increased by \$12.0 million because of the much higher sales volume in the quarter ended December 31, 1994 compared to the quarter ended September 30, 1994. Inventory increased by \$11.6 million due to higher levels of inventory needed for the expected sales increases. Current assets of \$36.9 million on September 30, 1994 increased by \$8.6 million compared with the current assets on September 30, 1993. This increase was due to a \$4.7 million increase in cash due to higher profits and a \$2.0 million increase in inventory.

Total assets of \$46.1 million on December 31, 1994 increased by \$10.2 million compared to total assets of \$35.9 million on December 31, 1993. This increase was primarily due to the increased inventory levels. Total assets of \$46.1 million on December 31, 1994 increased by \$7.3 million compared with total assets on September 30, 1994. This increase was primarily due to the increase in current assets. Total assets of \$38.8 million on September 30, 1994 increased by \$9.1 million compared with total assets on September 30, 1993. This increase was primarily due to the increase in current assets.

Total liabilities of \$28.9 million on December 31, 1994 increased by \$9.8 million compared to the total liabilities of \$19.1 million on December 31, 1993. This increase was due to the increased accounts payable in the U.K. and a line of credit incurred by Miracle-Gro Delaware. The increased accounts payable in the U.K. was due to the increased inventory production and legal costs regarding the licensing agreement discussed above. The Miracle-Gro Delaware line of credit was used to build inventory. Total liabilities of \$28.9 million on December 31, 1994 increased by \$19.2 million compared with the total liabilities on September 30, 1994. The increase was mainly due to \$16.9 million of revolving credit line. This line of credit was used to finance the increases in inventory and Subchapter S distributions. Total liabilities of \$9.7 million on September 30, 1994 increased by \$2.2 million compared with the total liabilities on September 30, 1993. This increase was mainly due to the timing of payments.

Shareholders equity of \$17.2 million on December 31, 1994 increased by \$0.4 million compared with shareholders equity of \$16.8 million on December 31, 1993. This increase was primarily due to capital stock purchases of Miracle-Gro Delaware and timing of Subchapter S corporation distributions. Shareholders equity of \$29.1 million on September 30, 1994 reflected an increase of \$6.9 million compared with shareholders equity on September 30, 1993. This increase was primarily due to undistributed Subchapter-S earnings.

Shareholders equity of \$17.2 million on December 31, 1994 decreased by \$11.9 million compared with shareholders equity on September 30, 1994. This decrease was primarily due to Subchapter S distributions.

Shareholders equity of \$29.1 million on September 30, 1994 increased by \$6.9 million compared with shareholders equity on September 30, 1993. This increase was due to the increased profits for the fiscal year.

The primary sources of liquidity for the Miracle-Gro Companies are funds generated by operations, borrowings under a \$25 million line of credit with Chase Manhattan Bank ("Chase") that is secured by both accounts receivable and inventory, and borrowings under a \$10 million line of credit with the Hagedorn Family Fund, a private partnership, the partners of which are six of the Miracle-Gro Shareholders. The Chase line of credit is renewed annually and is currently scheduled to expire on March 31, 1995, but is expected to be extended in February 1995 for an additional year. Both lines of credit bear interest at an interest rate of 1/4% under the Chase prime lending rate. Interest on the Chase line of credit is payable on a monthly basis. Borrowings under the Chase line of credit traditionally start in December and are fully paid by the following May. All outstanding balances on this line have always been completely paid by the end of the fiscal year in which they were incurred. On December 31, 1994 borrowings under the Chase and Hagedorn Family Fund lines of credit were \$13.3 million and \$7.2 million, respectively. These borrowings are used to fund working capital requirements during the period when the Miracle-Gro Companies offer customers spring dating terms for payment. The Hagedorn Family Fund line of credit is payable on demand and had monthly

interest payments made through December 31, 1994. In connection with the Merger Transactions, this line of credit will not earn interest after December 31, 1994 and the maximum amount to be borrowed is \$8.5 million. After the closing of the Merger Transactions, this line of credit will be paid in full or forgiven.

In the opinion of Miracle-Gro's management, cash flows from operations and capital resources will be sufficient to meet future working capital needs.

THE SCOTTS COMPANY AND SUBSIDIARIES
PRELIMINARY PRO FORMA CONSOLIDATED FINANCIAL INFORMATION

INTRODUCTION

On January 26, 1995, The Scotts Company ("Scotts" or the "Company"), the Miracle-Gro Companies ("Miracle-Gro") and the Miracle-Gro Shareholders entered into a merger agreement (the "Agreement"). Pursuant to the Agreement, Miracle-Gro will become wholly-owned by the Company, and the Company will issue \$195 million face amount of Class A Convertible Preferred Stock and warrants to purchase three million common shares. The transaction will be accounted for using the purchase method of accounting. The Class A Convertible Preferred Shares will be convertible into common shares at \$19.00 per share, will pay dividends at a rate 5.0% of per annum, will be non-callable for five years and will be subject to certain restrictions on transfer. The warrants will be exercisable for eight and one-half years in three series for one million common shares each at \$21.00, \$25.00 and \$29.00 per share, respectively.

The purchase price for the Miracle-Gro Companies in these unaudited preliminary pro forma financial statements is based on the fair value of the Class A Convertible Preferred Shares and warrants as of closing and is estimated to be approximately \$200 million. The transaction is subject to, among other things, approval of the Company's shareholders.

This unaudited pro forma consolidated financial information is preliminary and will likely be affected by changes in the market value of Scotts common shares, timing of closing the transaction and other factors beyond the control of the Company or Miracle-Gro.

The following unaudited Preliminary Pro Forma Consolidated Statement of Income gives effect to the merger of Scotts and Miracle-Gro as if the transaction, which is expected to be completed by early April 1995, had taken place on October 1, 1993. The following unaudited Preliminary Pro Forma Consolidated Balance Sheet gives effect to the acquisition as if the transaction had occurred on December 31, 1994.

The unaudited pro forma adjustments are described in the accompanying notes to the unaudited preliminary pro forma consolidated financial statements. The unaudited preliminary pro forma consolidated financial statements should be read in conjunction with the notes thereto and the consolidated financial statements of Scotts included in the Company's Annual Report on Form 10-K for the year ended September 30, 1994 and the combined financial statements of Miracle-Gro presented elsewhere in this Form S-4.

The unaudited preliminary pro forma consolidated financial statements do not purport to be indicative of the Company's financial position at December 31, 1994 or the results of operations which actually would have occurred had the acquisition taken place on October 1, 1993, nor do they purport to indicate the future results of future operations of the merged companies.

NOTES TO PRELIMINARY PRO FORMA CONSOLIDATED STATEMENT OF INCOME

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 1994
(UNAUDITED)

(IN THOUSANDS, EXCEPT SHARE AMOUNTS)

I. PRO FORMA ADJUSTMENTS

(A) On December 17, 1993, Scotts purchased Grace-Sierra Horticultural Products Company ("Sierra"). The pro forma consolidated statement of income for the year ended September 30, 1994 reflects this acquisition as if it had occurred on October 1, 1992, as previously reported, giving effect to pro forma adjustments for depreciation and amortization of tangible and intangible assets, interest and expenses on acquisition indebtedness, and income taxes. The Company's consolidated balance sheet as of December 31, 1994 and consolidated statement of income for the three months ended December 31, 1994 include Sierra for the entire period.

Miracle-Gro Limited Transaction

(1) The historical combined financial statements of Miracle-Gro include the revenues and expenses of Miracle-Gro Products Limited ("Limited"). On December 31, 1994, Limited entered into an agreement to exchange its equipment and a license for distribution of Miracle-Gro products in certain areas of Europe for a 32.5% equity interest in a U.K. based garden products company. In future periods, this investment will be accounted for on the equity method. Accordingly, the Preliminary Pro Forma Consolidated Statement of Income has been adjusted to reflect the net income of Limited for the year ended September 30, 1994 as if it had been accounted for as an equity investment.

To reclassify Limited income statement accounts:

Net sales.....	\$8,355
Cost of sales.....	4,456
Marketing expense.....	1,868
General and administrative expense.....	304
Other expense.....	807

Net income as reclassified to pro forma other expense, net.....	\$ 920
	=====

This reclassification reflects the historical Limited results and not the results that would have been reported had the 32.5% interest in the U.K. based garden products company been held for the year. The historical income of Limited reflected on the equity method of accounting is not necessarily indicative of Limited's share of future earnings attributable to its equity investment.

- (6) To record amortization of acquired trademarks and goodwill (\$4,593) over 40 years.
- (7) To record additional income tax expense assuming Miracle-Gro had been taxed as C corporations (\$11,278) and to record the tax benefit of pro forma adjustments (\$28); historically Miracle-Gro had elected Subchapter S status under the Internal Revenue Code.

II. EARNINGS PER COMMON SHARE

For purposes of computing earnings per share, the convertible preferred stock is considered a common stock equivalent. Pro forma primary and fully-diluted earnings per share for the year ended September 30, 1994 are calculated using the weighted average common shares outstanding for Scotts of 18,784,729 and the common shares that would have been issued assuming conversion of preferred stock at the beginning of the year of 10,263,158 common shares. The computation of pro forma primary earnings per share assuming reduction of earnings for preferred dividends and no conversion of preferred stock was anti-dilutive.

NOTES TO PRELIMINARY PRO FORMA CONSOLIDATED STATEMENT OF INCOME

FOR THE THREE MONTHS ENDED DECEMBER 31, 1994

(UNAUDITED)

(IN THOUSANDS, EXCEPT SHARE AMOUNTS)

I. PRO FORMA ADJUSTMENTS

Miracle-Gro Limited Transaction

- (1) The historical combined financial statements of Miracle-Gro include the revenues and expenses of Miracle-Gro Products Limited ("Limited"). On December 31, 1994, Limited entered into an agreement to exchange its equipment and a license for distribution of Miracle-Gro products in certain areas of Europe for a 32.5% equity interest in a U.K. based garden products company. In future periods, this investment will be accounted for on the equity method. Accordingly, the Preliminary Pro Forma Consolidated Statement of Income has been adjusted to reflect the net income of Limited for the three months ended December 31, 1994 as if it had been accounted for as an equity investment.

To reclassify Limited income statement accounts:

Net sales.....	\$3,368
Cost of sales.....	1,575
Marketing expense.....	78
General and administrative expense.....	301
Other expense.....	839

Net income as reclassified to pro forma other expense, net.....	\$ 575
	=====

This reclassification reflects the historical Limited results and not the results that would have been reported had the 32.5% interest in the U.K. based garden products company been held for the period. The historical income of Limited reflected on the equity method of accounting is not necessarily indicative of Limited's share of future earnings attributable to its equity investment.

Miracle-Gro Acquisition

The following pro forma adjustments are made to reflect the application of purchase accounting and certain adjustments to conform the Miracle-Gro financial statement classifications to the Scotts presentation.

- (2) To record additional depreciation (\$13); to reclassify distribution expense (\$546) recorded as cost of sales to distribution; and to reclassify depreciation (\$15) to cost of sales from general and administrative.
- (3) To reclassify sales and marketing related salaries and fringe benefits (\$435) from general and administrative to marketing.
- (4) To reclassify distribution expense (\$546) from cost of sales.

- (5) To record additional depreciation on buildings and amortization of a favorable land lease (\$5); to reclassify sales and marketing salaries (\$435) to marketing; and to reclassify depreciation (\$15) to cost of sales.
- (6) To record amortization of acquired trademarks and goodwill (\$1,148) over 40 years.
- (7) To record additional income tax expense assuming Miracle-Gro had been taxed as C corporations (\$955) and to record the tax benefit of pro forma adjustments (\$7); historically Miracle-Gro had elected Subchapter S status under the Internal Revenue Code.

II. EARNINGS PER COMMON SHARE

For purposes of computing earnings per share, the convertible preferred stock is considered a common stock equivalent. Pro forma primary and fully-diluted earnings per share for the three months ended December 31, 1994 are calculated using the weighted average common shares outstanding for Scotts of 18,667,064. The pro forma net loss of \$2,659 has been increased by the preferred stock dividend of \$2,438 to determine the loss applicable to common shares. The computation of pro forma primary earnings per share assuming conversion of the preferred stock at the beginning of the three month period was anti-dilutive.

FISCAL YEAR ENDED SEPTEMBER 30, 1994

AND

REPORT OF INDEPENDENT ACCOUNTANTS

To the Shareholders and Board of

Directors of The Scotts Company

We have audited the accompanying consolidated balance sheets of The Scotts Company and Subsidiaries as of September 30, 1993 and 1994, and the related consolidated statements of income, cash flows and changes in shareholders' equity (deficit) for each of the three years in the period ended September 30, 1994. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of The Scotts Company and Subsidiaries as of September 30, 1993 and 1994, and the consolidated results of their operations and their cash flows for each of the three years in the period ended September 30, 1994, in conformity with generally accepted accounting principles.

As discussed in Notes 3 and 6 to the consolidated financial statements, effective the beginning of fiscal 1993 the Company changed its method of accounting for postretirement benefits other than pensions and income taxes.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

FISCAL YEAR ENDED SEPTEMBER 30, 1994

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Basis of Presentation

On September 20, 1994, the shareholders voted to reincorporate The Scotts Company from Delaware to Ohio. As a result of the reincorporation, The Scotts Company, a Delaware corporation merged into The Scotts Company, an Ohio corporation ("Scotts Ohio"). Immediately following the consummation of the merger, the O. M. Scott & Sons Company was merged into Scotts Ohio. Scotts Ohio and its wholly-owned subsidiaries, Hyponex Corporation ("Hyponex"), Republic Tool and Manufacturing Corp. ("Republic") and Scott-Sierra Horticultural Products Company ("Sierra"), (collectively, the "Company"), is engaged in the manufacture and sale of lawn care and garden products. All material intercompany transactions have been eliminated.

Shareholders' equity, shares outstanding and per share amounts for all periods have been adjusted for the January 1992 reverse stock split, in which every 2.2 shares of old Class A Common Stock were exchanged for one share of new Class A Common Stock.

Inventories

Inventories are principally stated at the lower of cost or market, determined by the FIFO method; certain inventories of Hyponex and Sierra (primarily organic products) are accounted for by the LIFO method. At September 30, 1993 and 1994, approximately 24% and 31% of inventories, respectively, are valued at the lower of LIFO cost or market. Inventories include the cost of raw materials, labor and manufacturing overhead.

The Company makes provisions for obsolete or slow-moving inventories as necessary to properly reflect inventory value. Inventories as of September 30, 1993 and 1994, net of such provisions, consisted of:

	1993	1994
	-----	-----

Advertising and Consumer Guarantee

The Company has a cooperative advertising program with customer dealers whereby the Company reimburses dealers for the qualifying portion of dealer advertising costs. Such advertising allowances are based on the timing of dealer orders and deliveries. The Company provides for the cost of this program in the period the sales to dealers are recorded. All other advertising costs are expensed as incurred.

The Company accrues amounts for product non-performance claims by consumers under the Company's product guarantee program. The provision is determined by applying an experience rate to sales in the period the related products are shipped to dealers.

Property, Plant and Equipment

Property, plant and equipment, including significant improvements, are stated at cost. Expenditures for maintenance and repairs are charged to operating expenses as incurred. When properties are retired, or otherwise disposed of, the cost of the asset and the related accumulated depreciation are removed from the accounts.

Depletion of applicable land is computed on the units-of-production method. Depreciation of other property, plant and equipment is provided on the straight-line method and is based on the estimated useful economic lives of the assets as follows:

Land improvements.....	10-25 years
Buildings.....	10-40 years
Machinery and equipment.....	3-15 years
Furniture and fixtures.....	6-10 years

Property, plant and equipment at cost at September 30, 1993 and 1994 consisted of the following:

The Company capitalized interest costs of \$380,000 in fiscal 1992 and \$321,000 in fiscal 1994 as part of the cost of major asset construction projects.

Research and Development

Significant costs are incurred each year in connection with research and development programs that are expected to contribute operating profits in future years. All costs associated with research and development are charged to expense as incurred.

Intangible Assets

Goodwill arising from business acquisitions is amortized over 40 years on the straight-line basis. Other intangible assets consist primarily of patents and are being amortized on a straight-line basis over periods varying from 7 to 24 years. Accumulated amortization at September 30, 1993 and 1994 was \$33,876,000 and \$42,438,000, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS -- (CONTINUED)

FISCAL YEAR ENDED SEPTEMBER 30, 1994

Company Management periodically assesses the recoverability of goodwill, patents and other intangible assets by determining whether the amortization of such assets over the remaining lives can be recovered through projected undiscounted net cash flows generated by such assets.

Included in other intangible assets are debt issuance costs which are being amortized over the terms of the various agreements and organization costs which are being amortized over five years. During the year ended September 30, 1994, the Company incurred \$5.1 million of debt issuance costs related to the issuance of Term Debt and Senior Subordinated Notes and recognized an extraordinary charge of \$1.7 million before taxes in unamortized debt issuance costs in connection with certain debt prepayments.

Foreign Currency

All assets and liabilities in the balance sheets of foreign subsidiaries whose functional currency is other than the U.S. dollar are translated into United States dollar equivalents at year-end exchange rates. Translation gains and losses are accumulated as a separate component of shareholders' equity. Income and expense items are translated at average monthly exchange rates. Cumulative foreign currency translation gain (loss) were (\$12,000) and \$2,065,000 as of September 30, 1993 and 1994, respectively. Foreign currency transaction gains and losses are included in determining net income. In fiscal 1992, 1993 and 1994, the Company recorded foreign currency transaction losses in other expenses of \$324,000, \$196,000 and \$491,000, respectively.

Income Taxes

Effective October 1, 1992, the Company adopted Statement of Financial Accounting Standard ("SFAS") No. 109, "Accounting for Income Taxes," which requires recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in the financial statements or tax returns. Under this method, deferred tax assets and liabilities are determined based on the difference between the financial statement and tax bases of the assets and liabilities using enacted tax rates.

U.S. federal and state income taxes and foreign taxes are provided currently on the undistributed earnings of foreign subsidiaries, giving recognition to current tax rates and applicable foreign tax credits.

Prior to fiscal 1993, the Company's deferred income tax provision was based differences between financial reporting and taxable income.

Reclassifications

Certain reclassifications have been made to the prior years' financial statements to conform to fiscal 1994 classifications.

2. ACQUISITIONS

Republic

Effective November 19, 1992, the Company acquired Republic headquartered in Carlsbad, California. Republic designs, develops, manufactures and markets lawn and garden equipment with the substantial majority of its revenue derived from the sale of its products to mass merchandisers, home centers and garden outlets in the United States. The purchase price of approximately \$16,366,000 was financed under the Company's revolving credit agreement.

The acquisition was accounted for using the purchase method. Accordingly, the purchase price was allocated among the assets acquired and liabilities assumed based on their estimated fair values at the date of acquisition. The excess of purchase price over the estimated fair values of the net assets acquired ("goodwill") of approximately \$6,400,000 is being amortized on a straight-line basis over 40 years.

Republic's results of operations have been included in the Company's Consolidated Statement of Income since November 19, 1992. As such, the Company's fiscal 1993 pro forma results of operations are not materially different from actual results and are therefore not presented.

Sierra

Effective December 16, 1993, the Company completed the acquisition of Grace-Sierra Horticultural Products Company (all further references to Grace-Sierra, now known as Scott-Sierra Horticultural Products Company, will be made as "Sierra") for an aggregate purchase price of approximately \$121,221,000, including transaction costs of \$1,221,000. Additionally the Company incurred \$2,261,000 of deferred financing fees related to its financing of the acquisition. Sierra is a leading international manufacturer and marketer of specialty fertilizers and related products for the nursery, greenhouse, golf course and consumer markets. Sierra manufactures controlled-release fertilizers in the United States and the Netherlands, as well as water-soluble fertilizers and specialty organics in the United States. Approximately one-quarter of Sierra's net sales are derived from European and other international markets; approximately one-quarter of Sierra's assets are internationally based. The purchase price was financed under an amendment to the Company's Credit Agreement, whereby term debt commitments available thereunder were increased to \$195,000,000.

The acquisition was accounted for using the purchase method. Accordingly, the purchase price has been allocated to the assets acquired and liabilities assumed based on their estimated fair values at the date of acquisition. The excess of purchase price over the estimated fair value of the net assets acquired ("goodwill") of approximately \$65,755,000 is being amortized on a straight-line basis over 40 years. Sierra results of operations have been included in the Consolidated Statements of Income from the acquisition date.

3. ASSOCIATE BENEFITS

Both Scotts Ohio and Sierra have defined benefit pension plans covering substantially all full-time associates who have completed one year of eligible service and reached the age of 21. The benefits under these plans are based on years of service and the associates' average final compensation for the Scotts Ohio plan and for Sierra salaried employees and stated amounts for Sierra hourly employees. The Company's funding policy, consistent with statutory requirements and tax considerations, is based on actuarial computations using the Projected Unit Credit method.

The weighted average settlement rate used in determining the actuarial present value of the projected benefit obligation was 9%, 8% and 8% as of September 30, 1992, 1993 and 1994, respectively. Future compensation is assumed to increase 5% annually for fiscal 1992, and 4% annually for fiscal 1993 and 1994. The expected long-term rate of return on plan assets was 10% in fiscal 1992, and 9% in fiscal 1993 and 1994.

The Company provides comprehensive major medical benefits to some of its retired associates and their dependents. Substantially all of the Company's associates become eligible for these benefits if they retire at age 55 or older with more than ten years of service. The plan requires certain minimum contributions from retired associates and includes provisions to limit the overall cost increases the Company is required to cover. The Company funds its portion of retiree medical benefits on a pay-as-you-go basis.

THE SCOTTS COMPANY AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS -- (CONTINUED)

FISCAL YEAR ENDED SEPTEMBER 30, 1994

Effective October 1, 1992, the Company changed its method of accounting for postretirement benefit costs other than pensions by adopting SFAS No. 106, "Employers' Accounting for Postretirement Benefits Other Than Pensions." The Company elected to immediately recognize the cumulative effect of the change in accounting which resulted in a charge of \$14,932,000, net of income taxes of \$9,348,000, or \$.76 per share. In addition to the cumulative effect, the Company's retiree medical costs applying the new accounting method increased \$1,437,000, net of income taxes of \$929,000, or \$.07 per share, during fiscal 1993 as a result of the change in accounting. Prior to October 1, 1993, the Company effected several changes in plan provisions, primarily related to current and ultimate levels of retiree and dependent contributions. Current retirees will be entitled to benefits existing prior to these plan changes. These plan changes resulted in a reduction in unrecognized prior service cost, which is being amortized over future years.

Net periodic postretirement benefit costs for fiscal 1993 and 1994 included the following components:

	1993	1994
	-----	-----
	(IN THOUSANDS)	
Service cost -- benefits attributed to associate service during the year.....	\$ 930	\$ 419
Interest cost on accumulated postretirement benefit obligation.....	2,038	1,276
Amortization of prior service costs and gains from changes in assumptions.....	--	(921)
	-----	-----
Net periodic postretirement benefit cost.....	\$2,968	\$ 774
	=====	=====

The following table sets forth the retiree medical plan status reconciled to the amount included in the consolidated balance sheet as of September 30, 1993 and 1994.

	1993	1994
	-----	-----
	(IN THOUSANDS)	
Accumulated postretirement benefit obligation:

	-----	-----
Total accumulated postretirement benefit obligation.....	15,357	16,362
Unrecognized prior service cost.....	9,494	8,590
Unrecognized gains from changes in assumptions.....	1,795	2,062
	-----	-----
Accrued postretirement benefit cost.....	\$26,646	\$27,014
	=====	=====

The discount rate used in determining the accumulated postretirement benefit obligation was 8.5%. For measurement purposes, a 14% annual rate of increase in per capita cost of covered retiree medical benefits was assumed for fiscal 1994; the rate was assumed to decrease gradually to 5.5% through the year 2051 and remain at that level thereafter. A 1% increase in the health care cost trend rate assumptions would increase the accumulated postretirement benefit obligation as of September 30, 1993 and 1994 by \$875,000 and \$957,000, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS -- (CONTINUED)

FISCAL YEAR ENDED SEPTEMBER 30, 1994

Both Scotts Ohio and Hyponex have defined contribution profit sharing plans. Both plans provide for associates to become participants following one year of service. The Hyponex plan also requires associates to have reached the age of 21 for participation. The plans provide for annual contributions which are entirely at the discretion of the Board of Directors.

Contributions are allocated among the participants employed as of the last day of the calendar year, based upon participants' earnings. Each participant's share of the annual contributions vest according to the provisions of the plans. The Company has provided a profit sharing provision for the plans of \$1,750,000, \$1,993,000 and \$2,097,000 for fiscal 1992, 1993 and 1994, respectively. The Company's policy is to deposit the contributions with the trustee in the following year.

Sierra has a savings and investment plan ("401K Plan") for certain salaried U.S. employees. Participants may make voluntary contributions to the plan between 2% and 16% of their compensation. Sierra contributes the lesser of 50% of each participant's contribution or 3% of each participant's compensation. Sierra's contribution for 1994 was \$99,000.

The Company is self-insured for certain health benefits up to \$125,000 per occurrence per individual. The cost of such benefits is recognized as expense in the period the claim occurred. This cost was \$6,439,000, \$6,662,000 and \$6,177,000 in 1992, 1993 and 1994, respectively. The Company is self-insured for State of Ohio workers compensation up to \$500,000 per claim. The cost for workers compensation was \$127,000, \$268,000 and \$297,000 in 1992, 1993 and 1994, respectively. Claims in excess of stated limits of liability and claims for workers compensation outside of the State of Ohio are insured with commercial carriers. The Company had an accrued vacation liability of \$3,612,000 and \$4,903,000 at September 30, 1993 and 1994, respectively.

In November 1992, the Financial Accounting Standards Board issued SFAS No. 112, "Employers' Accounting for Postemployment Benefits", which changes the prevalent method of accounting for benefits provided after employment but before retirement. The Company is required to adopt SFAS No. 112 no later than the first quarter of fiscal 1995. Management has evaluated the provisions of SFAS No. 112. Since most of these benefits are already accounted for by the Company on an accrual method, the impact of this new standard is not expected to be significant.

On December 16, 1993, the Company entered into an amendment to the Third Amended and Restated Credit Agreement ("Agreement") with Chemical Bank and various participating banks to finance the Sierra acquisition. The amendment increased the term debt commitments available under the Credit Agreement to \$195,000,000. The Credit Agreement continues to provide a revolving credit commitment of \$150,000,000 through the scheduled maturity date of March 31, 1996. The facility contains a requirement limiting the maximum amount borrowed under the revolving credit commitment to \$30,000,000 for a minimum of 30 consecutive days each fiscal year.

For both term and revolving credit borrowings under the Agreement, the Company can elect to borrow domestic funds at the reference rate ("prime") of Chemical or Eurodollars at 1% in excess of the London Interbank Offered Rate ("LIBOR"). Interest on Chemical rate loans is payable quarterly and interest on Eurodollar loans is payable at three month intervals from the date of each Eurodollar contract. Applicable rates for Chemical and Eurodollar loans were 7.75% and 5.88% to 6.00%, respectively, at September 30, 1994. A commitment fee of 3/8 of 1% is charged on the average daily unused portion of the available commitment. An additional 1/4 of 1% is charged on the average daily aggregate principal amount of commercial paper obligations outstanding. Loans under the Agreement are collateralized by substantially all of the Company's tangible and intangible assets.

The Agreement contains certain financial and operating covenants, the most restrictive of which requires the Company to maintain earnings before interest, taxes, profit sharing, certain depreciation charges and the effect of certain accounting changes, as defined, to meet specified requirements. The Company was in compliance with all required covenants at September 30, 1994.

At September 30, 1994, the Company had available an unsecured \$2,000,000 line of credit with a bank, which is renewable annually, of which \$705,000 and \$1,916,000 was outstanding at September 30, 1993 and 1994, respectively.

On July 19, 1994, the Company issued \$100,000,000 9 7/8% Senior Subordinated Notes. Net proceeds were \$96,354,000, after original issue discount of \$788,000 and expenses of \$2,858,000. The Notes are subject to redemption, at the option of the Company, in whole or in part at any time on or after August 1, 1999 at a declining premium to par until 2001 and at par thereafter and are not subject to sinking fund requirements. The fair market value of the Senior Subordinated Notes, estimated based on the quoted market prices for same or similar issues is approximately \$101,000,000 at September 30, 1994.

The Company recorded extraordinary charges of \$4,186,000, net of income taxes of \$2,157,000, related to the early extinguishment of 13% Senior Subordinated Notes and 13.5% Subordinated Debentures in 1992 and \$992,000, net of income taxes of \$662,000, related to the early extinguishment of term loans in 1994.

The maximum number of shares of Common Shares that may be issued under the Plan is 1,700,000, plus the number of shares surrendered to exercise options (other than director options) granted under the Plan, up to a maximum of 1,000,000 surrendered shares.

FISCAL YEAR ENDED SEPTEMBER 30, 1994

In addition, pursuant to various employment agreements, the Company granted 136,364 and 300,000 stock options in fiscal 1992 and 1993, respectively.

Aggregate stock option activity consists of the following:

	YEAR ENDED SEPTEMBER 30,

During fiscal 1993 and 1994, 128,880 and 117,220, respectively, of performance share awards were granted. These awards entitle the grantee to receive shares or, at the grantee's election, the equivalent value in cash or stock options, subject to stock ownership requirements. These awards are conditioned on the attainment of certain performance and other objectives established by the Compensation Committee of the Company's Board of Directors.

Compensation for certain stock options results from the difference between the grant price and market price at the date of grant, and is recognized over the vesting period of the options. Compensation for performance share awards is initially measured at the grant date based upon the current market value of the common stock, with adjustments made quarterly for market price fluctuations. The Company recognized compensation expense for stock options and performance share awards of \$177,000, \$635,000 and \$0 in fiscal 1992, 1993 and 1994, respectively.

In October 1991, an officer of Scotts purchased 22,727 Shares and three other Scotts associates purchased an aggregate of 44,318 Shares at a purchase price of \$3.98 per share. Pursuant to an employment agreement, an officer of Scotts purchased 45,454 Shares at a purchase price of \$9.90 per share in January 1992. The Company has recognized \$118,000 of unearned compensation equivalent to the difference between the fair market value and the purchase price of the Shares as a charge to capital in excess of par value. This unearned compensation is being amortized on a straight line basis over the period of the employment agreement.

A significant portion of the price paid by certain officers and management associates is financed by a major bank. The Company has guaranteed the full and prompt payment of debt outstanding by management investors to purchase stock of approximately \$1,729,000, \$230,000 and \$140,000 at September 30, 1992, 1993 and 1994, respectively.

In connection with the 1988 acquisition of the lawn and garden business of Hyponex, the Company entered into a warrant purchase agreement with the prior majority shareholder of Hyponex. In January 1992, the warrants were exchanged for 330,000 Shares. The repurchase and retirement of the warrants was valued at the estimated value of the Shares at the date of the exchange less the original consideration received.

6. INCOME TAXES

The Company adopted SFAS No. 109 effective October 1, 1992, resulting in a benefit of \$1,775,000 being reported as a cumulative effect of accounting change in the fiscal 1993 Consolidated Statement of Income. Assets recorded in prior business combinations net-of-tax were adjusted to pre-tax amounts, resulting in recognition of \$1,501,000 of deferred tax liabilities at the date of adoption. Prior to fiscal 1993 the Company accounted for income taxes under Accounting Principles Board Opinion No. 11.

The provision for income taxes consists of the following:

Deferred income taxes for fiscal 1993 and 1994 reflect the impact of "temporary differences" between the amounts of assets and liabilities for financial reporting purposes and such amounts as determined by tax regulations. These temporary differences are determined in accordance with SFAS No. 109 and are more inclusive in nature than "timing differences" as determined under previously applicable accounting principles.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS -- (CONTINUED)

FISCAL YEAR ENDED SEPTEMBER 30, 1994

The Company acquired certain tax credit carryforwards in connection with its acquisition of Sierra. Foreign tax credit carryforwards total \$704,000 and expire through 1997. Net operating loss carryforwards in the U.S. total \$5,500,000 and expire through 2007, net operating loss carryforwards in foreign jurisdictions total \$1,100,000 and expire through 1999. The use of these acquired carryforwards are subject to limitations imposed by the Internal Revenue Code.

In fiscal 1992, for financial reporting purposes the Company utilized \$13,800,000 of net operating loss carryforwards and reflected the related tax benefits of \$4,699,000 as an extraordinary item. At September 30, 1992, the Company fully utilized its financial reporting net operating loss carryforwards. For tax purposes, the Company utilized its remaining net operating loss carryforwards of approximately \$5,000,000 on the fiscal 1993 Federal income tax return. The variance between the operating loss carryforwards on a tax basis and a financial reporting basis is principally due to excess tax depreciation, uniform capitalization rules, nondeductible reserves, capitalization and amortization of package and design costs, and various accrued liabilities that are not deductible for tax purposes until paid. During 1992, the Company recognized \$1,588,000 of deferred taxes previously offset by net operating loss carryforwards.

During fiscal 1992, the Company was subject to the alternative minimum tax ("AMT") for financial reporting purposes resulting in AMT expense of \$1,200,000. During fiscal 1992, the Company fully utilized its AMT net operating loss carryforwards. AMT paid results in a tax credit carryforward which can be used in subsequent years to offset regular income tax to the extent it exceeds AMT tax in those years. At September 30, 1992, the Company had \$1,480,000 of AMT credit carryforwards which were utilized on the fiscal 1993 Federal income tax return.

7. LEASES

The Company leases buildings, land and equipment under various noncancellable lease agreements for periods of two to six years. The lease agreements generally provide that the Company pay taxes, insurance and maintenance expenses related to the leased assets. Certain lease agreements contain purchase options. At September 30, 1994, future minimum lease payments were as follows:

The Company also leases transportation and production equipment under various one-year operating leases, which provide for the extension of the initial term on a monthly or annual basis. Total rental expense for operating leases was \$7,281,000, \$9,125,000 and \$12,914,000 for fiscal 1992, 1993 and 1994, respectively.

8. COMMITMENTS AND CONTINGENCIES

Seed production agreements obligate the Company to make future purchases based on estimated yields. Seed purchases under production agreements for fiscal 1992, 1993 and 1994 were approximately \$9,281,000, \$4,692,000 and \$6,508,000, respectively. At September 30, 1994, estimated annual seed purchase commitments were as follows:

YEAR ENDING SEPTEMBER 30,	(IN THOUSANDS)

1995.....	\$ 12,049
1996.....	6,800
1997.....	2,189
1998.....	1,184

The Company has a contractual commitment to purchase neem-based bioinsecticide. The commitment is a multi-year, take or pay arrangement. There is a penalty for falling short of the purchase commitment. Minimum commitments are \$438,000 in 1995 and \$875,000 in 1996. The Company has accrued \$1,137,500 in the financial statements for estimated purchase shortfalls.

Sierra has a supply agreement through 2000, subject to renewal thereafter, under which Sierra is required to purchase, at prices determined by formulas, 100% of its requirements for vermiculite.

The Company is involved in various lawsuits and claims which arise in the normal course of business. In the opinion of management, these claims individually and in the aggregate are not expected to result in a material adverse effect on the Company's financial position or results of operations, however, there can be no assurance that future quarterly or annual operating results will not be materially affected by final resolution of these matters. The following details the more significant of these matters.

The Company has been involved in studying a landfill to which it is believed some of the Company's solid waste had been hauled in the 1970's. In September 1991, the Company was named by the Ohio Environmental Protection Agency ("Ohio EPA") as a Potentially Responsible Party ("PRP") with respect to this landfill. Pursuant to a consent order with the Ohio EPA, the Company, together with four other PRP's identified to date, is investigating the extent of contamination at the landfill and developing a remediation program.

In July 1990, the Company was directed by the Army Corps of Engineers (the "Corps") to cease peat harvesting operations at its New Jersey facility. The Corps' has alleged that the peat harvesting operations were in violation of the Clean Water Act ("CWA"). The United States Department of Justice has commenced a legal action to seek a permanent injunction against peat harvesting at this facility and to recover civil penalties under the CWA. This action had been suspended while the parties engaged in discussion to resolve the dispute. Those discussions have not resulted in a settlement and accordingly the action has been reinstated. The Company intends to defend the action vigorously but if the Corps' position is upheld the Company could be prohibited from further harvesting of peat at this location and penalties could be assessed against the Company. In the opinion of management, the outcome of this action will not have a material adverse effect on the Company's financial position or results of operations. Furthermore, management believes the Company has sufficient raw material supplies available such that service to customers will not be adversely affected by continued closure of this peat harvesting operation.

Sierra has been named as a Potentially Responsible Party ("PRP") in an environmental contamination action in connection with a landfill near Allentown, Pennsylvania. By agreement with W. R. Grace-Conn., Sierra's liability is limited to a maximum of \$200,000 with respect to this site. Based on estimates of the clean-up costs and that the Company denies any liability in connection with this matter, management believes that the ultimate outcome will not have a material impact on the financial position or results of operations of the Company.

Sierra is subject to potential fines in connection with certain EPA labeling violations under the Federal Insecticide, Fungicide and Rodenticide Act ("FIFRA"). The fines for such violations are based upon formulas as stated in FIFRA. As determined by these formulas, Sierra's maximum exposure for the violations is approximately \$810,000. The formulas allow for certain reductions of the fines based upon achievable levels of compliance. Based upon management's anticipated levels of compliance, they estimate Sierra's liability to be \$200,000, which has been accrued in the financial statements.

9. CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Company to concentration of credit risk consist principally of trade accounts receivable. The Company sells its consumer products to a wide variety of retailers, including mass merchandisers, home centers, independent hardware stores, nurseries, garden outlets, warehouse clubs and local and regional chains. Professional products are sold to golf courses, sports fields, nurseries, lawn care service companies and growers of specialty agriculture crops. In 1992, 1993 and 1994, two customers accounted for 15.3% and 7.5%, 18.0% and 9.3% and 15.1% and 9.5% of consolidated net sales, respectively. No other customer accounted for more than 5% of consolidated net sales. As of September 30, 1994, two accounts comprised 15.2% and 5.4% of outstanding trade accounts receivable. The Company performs a credit review before extending credit to a customer. The Company establishes its allowances for doubtful accounts based on factors surrounding the credit risk of specific customers, historical trends and other information.

10. RELATED PARTIES

Clayton, Dubilier & Rice, Inc., a private investment firm in which a director of the Company is an owner, was paid \$300,000 in fiscal 1992, and \$125,000 in 1993 by the Company for financial advisory and management consulting services. These services ceased effective with the Class A Common Stock purchase described in Note 5.

1. ORGANIZATION AND BASIS OF PRESENTATION

The Scotts Company ("Scotts") and its wholly owned subsidiaries, Hyponex Corporation ("Hyponex"), Republic Tool and Manufacturing Corp. ("Republic") and Scotts-Sierra Horticultural Products Company ("Sierra"), (collectively, the "Company"), are engaged in the manufacture and sale of lawn care and garden products. The Company's business is highly seasonal with approximately 70% of sales occurring in the second and third fiscal quarters.

The consolidated balance sheets as of January 1, 1994 and December 31, 1994, the related consolidated statements of income for the three month periods ended January 1, 1994 and December 31, 1994 and the related consolidated statements of cash flows for the three month periods ended January 1, 1994 and December 31, 1994 are unaudited; however, in the opinion of management, such financial statements contain all adjustments necessary for the fair presentation of the Company's financial position and results of operations. Interim results reflect all normal recurring adjustments and are not necessarily indicative of results for a full year. The interim financial statements and notes are presented as specified by Regulation S-X of the Securities Exchange Act of 1934, and should be read in conjunction with the financial statements and accompanying notes in the Company's fiscal 1994 Annual Report on Form 10-K.

4. ACQUISITIONS

Effective December 16, 1993, the Company completed the acquisition of Grace-Sierra Horticultural Products Company now known as Scotts-Sierra Horticultural Products Company (all further references will be made as "Sierra"). Sierra is a leading international manufacturer and marketer of specialty fertilizers and related products for the nursery, greenhouse, golf course and consumer markets. Sierra manufactures controlled-release fertilizers in the United States and the Netherlands, as well as water-soluble fertilizers and specialty organics in the United States. Approximately one-quarter of Sierra's net sales are derived from European and other international markets; approximately one-quarter of Sierra's assets are internationally based.

5. ACCOUNTING ISSUES

In November 1992, the Financial Accounting Standard Board issued SFAS No. 112, "Employers' Accounting for Postemployment Benefits," which changed the prevalent method of accounting for benefits provided after employment but before retirement. The Company adopted SFAS No. 112 in the first quarter of fiscal 1995. Since most of these benefits were already accounted for by the Company on the accrual method, the impact of adoption was not significant.

6. SUBSEQUENT EVENT

On January 26, 1995, the Company and the shareholders of Stern's Miracle-Gro Products, Inc. and affiliated companies (Miracle-Gro) entered into the Merger Agreement. The Company will issue \$195 million face value convertible preferred stock convertible at \$19 per share plus warrants exercisable over 8 1/2 years, to purchase three million shares at prices ranging from \$21 to \$29 per share. The preferred stock will pay quarterly dividends at an annual rate of 5.0%, will be non-callable for five years and will be subject to certain restrictions on transfer. The total purchase price is based on the fair value of the convertible preferred stock and warrants as of closing and is estimated to be approximately \$200 million. The transaction requires approval of the Scotts shareholders.

NOTE 10 UNITED KINGDOM DISTRIBUTION AGREEMENT

The Company, through MG Limited, had a joint-venture agreement with a major English corporation for manufacture and distribution of its products in the United Kingdom. Joint-venture profit payments were made by the Company to this English corporation in the amounts of \$257,000 and \$770,000 for the fiscal years ended September 30, 1993 and 1994, respectively. This agreement was scheduled to terminate on October 1, 1995. The Company had given notice that it would not renew this agreement beyond October 1, 1995. Subsequently, on December 31, 1994 the Company, through MG Limited, entered into the transaction described in the first paragraph of Note 11. This transaction terminates the earlier agreement, effective December 31, 1994.

NOTE 11 SUBSEQUENT EVENTS

On December 31, 1994, MG Limited entered into an agreement to exchange its equipment and a license for distribution of Miracle-Gro(R) products in certain areas of Europe for a 32.5% equity interest in a garden products company. MG Limited was granted an option to acquire substantially all of the remaining 67.5% interest in this company within a three year period. The initial period of the license is five years and may be extended up to twenty years from January 1, 1995, depending on the circumstances defined in the license agreement. MG Limited is entitled to annual royalties for the first five years of the license.

On January 26, 1995, the Company entered into a merger agreement with The Scotts Company ("Scotts") whereby Scotts will purchase all the outstanding stock of the Company in exchange for \$195,000,000 face amount of convertible preferred stock and warrants to purchase 3,000,000 common shares of Scotts. Such securities are being registered on this Form S-4 in connection with this transaction. The preferred stock will have a dividend yield of 5.0% and will be convertible to common shares of Scotts at \$19.00 per share. The warrants are exercisable for 1,000,000 common shares at \$21.00 per share, 1,000,000 common shares at \$25.00 per share and 1,000,000 common shares at \$29.00 per share. Accordingly, the estimated purchase price will be approximately \$200,000,000. The transaction requires, among other things, the approval of the Scotts shareholders.

NOTE 6 LITIGATION CONTINGENCY

An action has been commenced against the Company on March 2, 1995 in a U.S. District Court in Alabama by an Alabama corporation. This action alleges, among other things, that the Company breached an alleged joint venture contract with the Plaintiff, committed fraud, and breached an alleged fiduciary duty owed to the Plaintiff by not informing it of the negotiations concerning the merger with the Scotts Company described in Note 5. The Plaintiff seeks compensatory and punitive damages in excess of \$10 million. The Company does not believe that this action has any merit and intends to defend it vigorously. The financial statements do not include any adjustments that might result from the outcome of this litigation.

NOTES TO COMBINED FINANCIAL STATEMENTS

THREE MONTHS ENDED DECEMBER 31, 1994

NOTE 1 ORGANIZATION AND BASIS OF PRESENTATION

The accompanying combined quarterly financial statements include the accounts of Stern's Miracle-Gro Products, Inc. ("MG, Inc."), Miracle-Gro Products Limited ("MG Ltd"), Miracle-Gro Lawn Products, Inc. ("Lawn Products") and Stern's Nurseries, Inc. ("Stern's"), collectively the "Company" or "Miracle-Gro." The Company is engaged in the marketing and distribution of plant foods and lawn and garden products primarily in the United States, Canada and through MG Ltd. in the United Kingdom. The Company's business is highly seasonal with approximately 80% of sales occurring in its second and third fiscal quarters.

The combined financial statements are presented to reflect the combined financial position and results of operations of the companies to be acquired pursuant to the transaction described in Note 5. Each of the above companies is controlled by the same group of shareholders (directly or indirectly). Accordingly, the assets, liabilities and stockholders' equity of the individual entities have been combined. All material intercompany transactions and balances have been eliminated in combination. Another company similarly controlled, Necessary Organics, Inc., has not been included in the presentation as it is not part of the group of companies to be acquired.

The consolidated balance sheets as of December 31, 1993 and 1994, the related combined statements of income and retained earnings, and cash flows for the three months then ended are unaudited; however, in the opinion of Miracle-Gro's management, such financial statements contain all adjustments necessary for the fair presentation of the Company's financial position and results of operations. Interim results reflect all normal recurring adjustments and are not necessarily indicative of results for a full year. The interim financial statements and notes are presented as specified by Regulation S-X of the Securities Exchange Act of 1934, and should be read in conjunction with the financial statements and the accompanying notes in the Company's fiscal 1994 annual financial statements included elsewhere herein.

NOTE 2 INVENTORIES

Inventories consist of the following:

	DECEMBER 31, 1993	DECEMBER 31, 1994	SEPTEMBER 30, 1994
Raw materials.....	\$ 5,867,487	\$ 7,913,418	\$ 6,216,998

	=====	=====	=====

NOTE 3 INCOME TAXES

Each of the affiliated companies in the combined financial statements (except for Stern's) has elected to be treated as a Subchapter S corporation under the Internal Revenue Code. Therefore, federal and most state income taxes are paid by their shareholders. As a result, the combined financial statements include only those state and local income taxes payable directly by the affiliated companies.

Had such affiliated companies been C Corporations, additional provisions for income taxes of \$1,263,104 and \$882,067 would have been required in the three months ended December 31, 1993 and 1994, respectively.

As the entities are not taxable under the Internal Revenue Code, no deferred taxes have been provided in the combined financial statements.

NOTES TO COMBINED FINANCIAL STATEMENTS -- (CONTINUED)

THREE MONTHS ENDED DECEMBER 31, 1994

NOTE 4 SIGNIFICANT TRANSACTIONS

On December 31, 1994, MG Ltd entered into an agreement to exchange its equipment and a license for distribution of Miracle-Gro(R) products in certain areas of Europe for a 32.5% equity interest in a U.K. based garden products company. The initial period of the license is five years and may be extended up to twenty years from January 1, 1995, depending on the circumstances defined in the license agreement. MG Ltd is entitled to annual royalties for the first five years of the license.

The exchange is being accounted for at historical cost, with MG Ltd's investment being equal to the book value of its assets contributed to the new company. The investment will be accounted for on the equity method, with MG Ltd recognizing its proportionate share of the new company's net income and/or losses, as well as royalty income.

NOTE 5 SUBSEQUENT EVENTS

On January 26, 1995, the Company entered into a merger agreement with The Scotts Company ("Scotts") whereby Scotts will acquire all the outstanding stock of Miracle-Gro in exchange for \$195,000,000 face amount convertible preferred stock and warrants to purchase 3,000,000 common shares of Scotts. Such securities are being registered on this Form S-4 in connection with this transaction. The preferred stock will have a dividend yield of 5.0% per annum and will be convertible into Scotts common stock at \$19.00 per share. The warrants are exercisable for eight one-half years in the aggregate for 1,000,000 common shares at \$21.00 per share, 1,000,000 common shares at \$25.00 per share and 1,000,000 common shares at \$29.00 per share. The total purchase price is based on the fair value of the convertible preferred stock and warrants as of closing and is estimated to be approximately \$200,000,000. The transaction requires approval of the Scotts shareholders.

NOTE 6 LITIGATION CONTINGENCY

An action has been commenced against the Company on March 2, 1995 in a U.S. District Court in Alabama by an Alabama corporation. This action alleges, among other things, that the Company breached an alleged joint venture contract with the Plaintiff, committed fraud, and breached an alleged fiduciary duty owed to the Plaintiff by not informing it of the negotiations concerning the merger with the Scotts Company described in Note 5. The Plaintiff seeks compensatory and punitive damages in excess of \$10 million. The Company does not believe that this action has any merit and intends to defend it vigorously. The financial statements do not include any adjustments that might result from the outcome of this litigation.

WHEREAS, for federal income tax purposes, it is intended that each of the Merger Transactions qualify as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code")

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement, the parties hereto agree as follows:

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE MIRACLE-GRO CONSTITUENT COMPANIES AND THE SHAREHOLDERS

Each of the Miracle-Gro Constituent Companies and the Shareholders, jointly and severally, represent and warrant to Scotts and Merger Subsidiary that:

SECTION 3.01. CORPORATE EXISTENCE AND POWER. Each of the Miracle-Gro Constituent Companies is a corporation duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, and has all corporate powers and all governmental licenses, authorizations, consents and approvals required to own, lease and operate its properties and to carry on its business as now conducted or as heretofore conducted by the Miracle-Gro Constituent Companies, except to the extent the failure to have such powers, licenses, authorizations, consents or approvals would not, individually or in the aggregate, have a material adverse effect on the business, assets, results of operations or condition (financial or otherwise) of the Miracle-Gro Constituent Companies, taken as a whole (a "Company Material Adverse Effect"). Each of the Miracle-Gro Constituent Companies is duly qualified or licensed to do business as a foreign corporation, and is in good standing, in each jurisdiction where the character of the property owned or leased by it or the nature of its activities makes such qualification or licensing necessary, except for those jurisdictions where the failure to be so qualified or licensed and in good standing would not, individually or in the aggregate, have a Company Material Adverse Effect.

SECTION 3.02. ORGANIZATIONAL DOCUMENTS. Each of the Miracle-Gro Constituent Companies has heretofore delivered to Scotts true and complete copies of the certificate of incorporation and by-laws, or equivalent organizational documents, of such Miracle-Gro Constituent Company, in each case as currently in effect. None of the Miracle-Gro Constituent Companies is in violation of any provision of its certificate of incorporation, by-laws or equivalent organizational documents, except for such violations that would not, individually or in the aggregate, have a Company Material Adverse Effect.

SECTION 3.03. CORPORATE AUTHORIZATION. The execution, delivery and performance by the Miracle-Gro Constituent Companies of this Agreement and the consummation by the Miracle-Gro Constituent Companies of the transactions contemplated hereby are within the corporate powers of each of the Miracle-Gro Constituent Companies and have been duly authorized by all necessary corporate action. This Agreement constitutes a valid and binding agreement of each of the Miracle-Gro Constituent Companies. The Merger, the Subsequent Mergers and the Asset Transfer, respectively, have been approved by the unanimous vote of all of the outstanding capital shares of each of the respective Miracle-Gro Constituent Companies.

SECTION 3.04. GOVERNMENTAL AUTHORIZATION. The execution, delivery and performance by the Miracle-Gro Constituent Companies and the Shareholders of this Agreement and the consummation of the transactions contemplated by the Agreement by the Miracle-Gro Constituent Companies require no consent, approval, authorization or permit of, or filing with or notification to any governmental or regulatory authority, except (A) for (i) the filing of certificates of merger and/or other appropriate merger documents in accordance with New Jersey Law and Ohio Law; (ii) compliance with any applicable requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations thereunder (the "HSR Act"); (iii) compliance with any applicable provisions of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (the "Securities Act"), state securities or "blue sky" laws and state takeover laws; (iv) compliance with any applicable requirements of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (the "Exchange Act"); and (v) any applicable requirements of non-United States competition, antitrust and investment laws and (B) where failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or delay the consummation of the Merger or otherwise prevent any Miracle-Gro Constituent Company from performing its obligations under this Agreement, and would not, individually or in the aggregate, have a Company Material Adverse Effect.

SECTION 3.05. NON-CONTRAVENTION. The execution, delivery and performance by the Miracle-Gro Constituent Companies and the Shareholders of this Agreement and the consummation by the Miracle-Gro Constituent Companies and the Shareholders of the transactions contemplated hereby do not and will not (i) contravene or conflict with the certificate of incorporation, by-laws or equivalent organizational documents of any Miracle-Gro Constituent Company; (ii) assuming compliance with the matters referred to in Section 3.04, contravene or conflict with or constitute a violation of any provision of any law, rule, regulation, judgment, injunction, order or decree binding upon or applicable to any Miracle-Gro Constituent Company or any Shareholder; (iii) constitute a default under or give rise to a right of termination, cancellation or acceleration of any right or obligation of any Miracle-Gro Constituent Company or to a loss of any benefit to which any Miracle-Gro Constituent Company is entitled under any provision of any agreement, contract or other instrument binding upon any Miracle-Gro Constituent Company or any license, franchise, permit or other similar authorization held by any Miracle-Gro Constituent Company; or (iv) result in the creation or imposition of any Lien on any asset of any Miracle-Gro Constituent Company, except, in the case of clauses (ii), (iii) and (iv), for any such conflicts, violations, defaults, breaches or other occurrences which would not prevent or delay consummation of the Merger, or otherwise prevent any Miracle-Gro Constituent Company from performing its obligations under this Agreement, and would not, individually or in the aggregate, have a Company Material Adverse Effect. For purposes of this Agreement, "Lien" means, with respect to any asset, any mortgage, lien, pledge, charge, security interest or encumbrance of any kind in respect of such asset.

SECTION 3.06. CAPITALIZATION. (a) The authorized capital stock of the Company consists of 20,000 shares of Voting Common Stock, without par value, and 20,000 shares of Non-Voting Common Stock, without par value. As of the date hereof there are, and as of the Effective Time there will be, outstanding 13,405 shares of Voting Common Stock and 13,405.284 shares of Non-Voting Common Stock. All outstanding shares of capital stock of Miracle-Gro Delaware have been, and at the Effective Time will be, duly authorized and validly issued and are, and at the Effective Time will be, fully paid and nonassessable.

(c) The authorized capital stock of Miracle-Gro UK consists of 20,000 shares of Voting Common Stock, without par value, and 20,000 shares of Non-Voting Common Stock, without par value. As of the date hereof there are, and as of the Effective Time there will be, outstanding 4,997.274 shares of Voting Common Stock and 4,997.106 shares of Non-Voting Common Stock. All outstanding shares of capital stock of Miracle-Gro UK have been, and at the Effective Time will be, duly authorized and validly issued and are, and at the Effective Time will be, fully paid and nonassessable.

(d) Except as set forth in this Section, there are, and at the Effective Time will be, outstanding (i) no shares of capital stock or other voting securities of any of the Miracle-Gro Constituent Companies, (ii) no securities of any of the Miracle-Gro Constituent Companies convertible into or exchangeable for shares of capital stock or voting securities of any of the Miracle-Gro Constituent Companies, and (iii) no options or other rights to acquire from any of the Miracle-Gro Constituent Companies, and no obligation of any of the Miracle-Gro Constituent Companies to issue, any capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of any of the Miracle-Gro Constituent Companies (the items in clauses (i), (ii) and (iii) being referred to collectively as the "Company Securities"). There are, and at the Effective Time will be, no outstanding obligations of any of the Miracle-Gro Constituent Companies, to repurchase, redeem or otherwise acquire any Company Securities or make any material investment in any other Person. None of the Miracle-Gro Constituent Companies has, or at the Effective Time will have, any Subsidiaries. "Subsidiary" means with respect to any of the Miracle-Gro Constituent Companies, any corporation or other entity of which securities or other ownership interests having ordinary voting power to elect a majority of the board of directors or other persons performing similar functions are directly or indirectly owned by any of the Miracle-Gro Constituent Companies.

SECTION 3.07. FINANCIAL STATEMENTS. The audited combined financial statements of the Miracle-Gro Constituent Companies as of September 30, 1993 and 1994 and for the three fiscal years ended September 30, 1994, which have previously been provided to Scotts fairly present, in conformity with generally accepted accounting principles applied on a consistent basis (except as may be indicated in the notes thereto), the combined financial position of the Miracle-Gro Constituent Companies as of the dates thereof and their combined results of operations and changes in financial position for the periods then ended (subject to normal and recurring year-end adjustments in the case of any unaudited interim financial statements which were not, and are not expected, individually or in the aggregate, to be, material in amount). For purposes of this Agreement, "Balance Sheet" means the combined balance sheet of the Miracle-Gro Constituent Companies as of September 30, 1994 and "Balance Sheet Date" means September 30, 1994.

SECTION 3.08. DISCLOSURE DOCUMENTS. The information with respect to the Miracle-Gro Constituent Companies that the Company furnishes to Scotts in writing specifically for use in Scotts' proxy or information statement (together with any amendments thereof, or supplements thereto, the "Scotts Proxy Statement") to be filed with the Securities and Exchange Commission (the "SEC") in connection with the Merger Transactions will not, at the time of the filing of such Scotts Proxy Statement or at the time it is first mailed to the shareholders of Scotts, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

SECTION 3.09. ABSENCE OF CERTAIN CHANGES. Since the Balance Sheet Date and except as disclosed to Scotts in Section 3.09 of the disclosure schedule previously delivered to Scotts by the Company (the "Company Disclosure Schedule"), the Miracle-Gro Constituent Companies have conducted their business only in the ordinary course consistent with past practice and there has not been:

(a) any event, occurrence or development of a state of circumstances or facts which has had or reasonably could be expected to have a Company Material Adverse Effect;

(b) any declaration, setting aside or payment of any dividend or other distribution with respect to any shares of capital stock of any of the Miracle-Gro Constituent Companies, or any repurchase, redemption or other acquisition by any Miracle-Gro Constituent Company of any outstanding shares of capital stock or other securities of, or other ownership interests in, any Miracle-Gro Constituent Company;

(c) any amendment of any material term of any outstanding security of any Miracle-Gro Constituent Company;

(d) any incurrence, assumption or guarantee by any Miracle-Gro Constituent Company of any indebtedness for borrowed money;

(e) any creation or assumption by any Miracle-Gro Constituent Company of any lien on any material asset other than in the ordinary course of business consistent with past practices;

(f) any making of any loan, advance or capital contribution to or investment in any individual, corporation, partnership, limited liability company, association, trust or other entity or organization, including a government or political subdivision or any agency or instrumentality thereof (each, a "Person"), other than loans, advances or capital contributions to or investments in any Miracle-Gro Constituent Company made in the ordinary course of business consistent with past practices;

(g) any transaction or commitment made, or any contract or agreement entered into, by any Miracle-Gro Constituent Company relating to its assets or business (including the acquisition or disposition of any assets) or any relinquishment by any Miracle-Gro Constituent Company of any contract or other right, in either case, material to the Miracle-Gro Constituent Companies, taken as a whole, other than transactions and commitments in the ordinary course of business consistent with past practice and those contemplated by this Agreement;

(h) any change in any method of accounting or accounting practice by any Miracle-Gro Constituent Company, except for any such change required by reason of a concurrent change in generally accepted accounting principles;

(i) any (i) grant of any severance or termination pay to any director, officer, employee or agent of any Miracle-Gro Constituent Company, (ii) entering into of any employment, deferred compensation or other similar agreement (or any amendment to any such existing agreement) with any director, officer, employee or agent of any Miracle-Gro Constituent Company, (iii) increase in benefits payable under any existing severance or termination pay policies or employment agreements or (iv) increase in compensation, bonus or other benefits payable to directors, officers, employees or agents of any Miracle-Gro Constituent Company, other than in the ordinary course of business consistent with past practice or, in the case of employment agreements, as contemplated by Section 9.02(v); or

(j) any labor dispute, other than routine individual grievances, or any activity or proceeding by a labor union or representative thereof to organize any employees of any Miracle-Gro Constituent Company, which employees were not subject to a collective bargaining agreement at the Balance Sheet Date, or any lockouts, strikes, slowdowns, work stoppages or threats thereof by or with respect to such employees.

SECTION 3.10. NO UNDISCLOSED MATERIAL LIABILITIES. Except as and to the extent set forth in the Balance Sheet or as otherwise set forth in Section 3.10 of the Company Disclosure Schedule, none of the Miracle-Gro Constituent Companies had any liability or obligation of any nature (whether accrued, contingent, absolute, determined, determinable or otherwise) that (i) would be required to be reflected on a combined balance sheet of the Miracle-Gro Constituent Companies (including the notes thereto) or (ii) would have, or could reasonably be likely to have, individually or in the aggregate, a Company Material Adverse Effect.

SECTION 3.11. LITIGATION. Except as set forth in Section 3.11 of the Company Disclosure Schedule, there is no claim, action, suit, investigation or proceeding pending against or, to the knowledge of the Company or the Shareholders, threatened against any of the Miracle-Gro Constituent Companies or any of their respective properties before any court or arbitrator or any governmental body, agency or official which, individually or in the aggregate, would reasonably be likely to have a Company Material Adverse Effect or would reasonably be likely to impair the ability of any Miracle-Gro Constituent Company to consummate the Merger Transactions or the other transactions contemplated by this Agreement.

SECTION 3.12. TAXES. Each of the Miracle-Gro Constituent Companies has timely filed all federal, state, local and foreign income, gross income, gross receipts, gains, premium, sales, use, ad valorem, transfer, franchise, profits, withholding, payroll, employment, excise, severance, stamp, occupation, license, lease, environmental, customs, duties, property, windfall profits and all other tax returns, statements, reports and forms (the "Tax Returns") required to be filed with the appropriate tax authority through the date hereof, the failure of which to file would result in a Company Material Adverse Effect, and shall timely file all such Tax Returns required to be filed on or before the Effective Time. To the best knowledge of the Company and the Shareholders, such Tax Returns are and will be true, correct and complete in all material respects. Each of the Miracle-Gro Constituent Companies has paid and discharged all federal, state, local and foreign Taxes due from them, other than such Taxes that are adequately reserved as shown on the Balance Sheet. Neither the Internal Revenue Service nor any other taxing agency or authority, domestic or foreign, is now asserting or, to the best knowledge of the Company and the Shareholders, threatening to assert against any of the Miracle-Gro Constituent Companies any material deficiency or claim for additional Taxes. There are no unexpired waivers by any of the Miracle-Gro Constituent Companies of any statutes of limitations with respect to Taxes which, individually or in the aggregate would have a Company Material Adverse Effect. The accruals and reserves for Taxes reflected in the Balance Sheet are adequate for the periods covered. Each of the Miracle-Gro Constituent Companies has withheld or collected and paid over to the appropriate governmental authorities or is properly holding for such payment all Taxes required by law to be withheld or collected, except to the extent that the failure to so withhold or collect and pay would not, individually or in the aggregate, have a Company Material Adverse Effect. There are no Liens for Taxes upon the assets of any of the Miracle-Gro Constituent Companies, which, individually or in the aggregate would have a Company Material Adverse Effect or other than Liens for current Taxes not yet due and payable. None of the Miracle-Gro Constituent Companies has agreed to make, or is required to make, any adjustment under Section 481(a) of the Code. None of the Miracle-Gro Constituent Companies is a party to any agreement, contract, arrangement or plan that has resulted, or could result, individually or in the aggregate, in the payment of "excess parachute payments" within the meaning of Section 280G of the Code. Each of the Miracle-Gro Constituent Companies, other than Nurseries, is, and at all times since January 1, 1985, has been, an S corporation within the meaning of Section 1361(a)(1) of the Code (or the corresponding provisions of preceding law) and is not subject to the tax imposed on certain built-in gains under Section 1374 of the Code or the tax imposed under Section 1375 of the Code. For purposes of this Agreement, "Taxes" shall mean all taxes, charges and other assessments, including any interest, penalties or additions to tax with respect thereto. For purposes of this Section 3.12 only, a Company Material Adverse Effect shall mean a Loss (as hereafter defined) in excess of \$500,000.

SECTION 3.13. ERISA. (a) Section 3.13(a) of the Company Disclosure Schedule includes a list identifying each "employee benefit plan," as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974 ("ERISA"), which (i) is subject to any provision of ERISA and (ii) is maintained, administered or contributed to by any Miracle-Gro Constituent Company or any affiliate (as defined below) and covers any employee or former employee of any Miracle-Gro Constituent Company or any affiliate or under which any Miracle-Gro Constituent Company or any affiliate has any liability. Copies of such plans (and, if applicable, related trust agreements) and all amendments thereto and written interpretations thereof have been furnished to Scotts together with (x) the three most recent annual reports (Form 5500 including, if applicable, Schedule B thereto) prepared in connection with any such plan and (y) the most recent actuarial valuation report prepared in connection with any such plan. Such plans are referred to collectively herein as the "Employee Plans." For purposes of this Section, "affiliate" of any Person means any other Person which, together with such Person, would be treated as a single employer under Section 414 of the Code. The only Employee Plans which individually or collectively would constitute an "employee pension benefit plan" as defined in Section 3(2) of ERISA (the "Pension Plans") are identified as such in the list referred to above. The Company has provided Scotts with complete age, salary, service and related data as of December 31, 1994 for employees and former employees of each of the Miracle-Gro Constituent Companies and any affiliate covered under the Pension Plans.

(b) Except as otherwise identified in Section 3.13(b) of the Company Disclosure Schedule, no Employee Plan constitutes a "multiemployer plan", as defined in Section 3(37) of ERISA (a "Multiemployer Plan"), and no Employee Plan is maintained in connection with any trust described in Section 501(c)(9) of the Code. The only Employee Plans that are subject to Title IV of ERISA (the "Retirement Plans") are identified in the list of such Employee Plans heretofore provided to Scotts by the Company. As of the Balance Sheet Date, the fair market value of the assets of each Retirement Plan (excluding for these purposes any accrued but unpaid contributions) exceeded the present value of all benefits accrued under such Retirement Plan determined on a termination basis using the assumptions established by the Pension Benefit Guaranty Corporation (the "PBGC") as in effect on such date. No "accumulated funding deficiency," as defined in Section 412 of the Code, has been incurred with respect to any Pension Plan, whether or not waived. The Company and the Shareholders know of no "reportable event," within the meaning of Section 4043 of ERISA for which the 30-day notice requirement to the PBGC has not been waived, and no event described in Section 4041, 4042, 4062 or 4063 of ERISA has occurred in connection with any Employee Plan, other than a "reportable event" that, individually or in the aggregate, will not have a Company Material Adverse Effect. No condition exists and no event has occurred that would constitute grounds for termination of any Retirement Plan or, with respect to any Employee Plan which is a Multiemployer Plan, presents a material risk of a complete or partial withdrawal under Title IV of ERISA and neither any Miracle-Gro Constituent Company nor any of their respective affiliates has incurred any material liability under Title IV of ERISA arising in connection with the termination of, or complete or partial withdrawal from, any plan covered or previously covered by Title IV of ERISA. If a "complete withdrawal" by any Miracle-Gro Constituent Company and all of its respective affiliates were to occur as of the Effective Time with respect to all Employee Plans which are Multiemployer Plans, neither any Miracle-Gro Constituent Company nor any such affiliate would incur any material withdrawal liability under Title IV of ERISA. To the Company's and the Shareholders' knowledge, nothing done or omitted to be done and no transaction or holding of any asset under or in connection with any Employee Plan has or will make any Miracle-Gro Constituent Company or any officer or director of any Miracle-Gro Constituent Company subject to any liability under Title I of ERISA or liable for any tax pursuant to Section 4975 of the Code that could, individually or in the aggregate, have a Company Material Adverse Effect.

(c) Each Employee Plan which is intended to be qualified under Section 401(a) of the Code is so qualified and has been so qualified during the period from its adoption to date, and each trust forming a part thereof is exempt from tax pursuant to Section 501(a) of the Code. The Company has furnished to Scotts copies of the most recent Internal Revenue Service determination letters with respect to each such Plan. Each Employee Plan has been

maintained in material compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations, including but not limited to ERISA and the Code, which are applicable to such Plan.

(d) There is no contract, agreement, plan or arrangement covering any employee or former employee of any Miracle-Gro Constituent Company or any affiliate that, individually or collectively, could give rise to the payment of any amount that would not be deductible pursuant to the terms of Sections 162(a)(1) or 280G of the Code.

(e) Section 3.13(e) of the Company Disclosure Schedule sets forth a list of each employment, severance or other similar contract, arrangement or policy and each plan or arrangement (written or oral) providing for insurance coverage (including any self-insured arrangements), workers' compensation, disability benefits, supplemental unemployment benefits, vacation benefits, retirement benefits or for deferred compensation, profit-sharing, bonuses, stock options, stock appreciation or other forms of incentive compensation or post-retirement insurance, compensation or benefits which (i) is not an Employee Plan, (ii) is entered into, maintained or contributed to, as the case may be, by any of the Miracle-Gro Constituent Companies or any of their respective affiliates and (iii) covers any employee or former employee of any of the Miracle-Gro Constituent Companies or any of their respective affiliates. Such contracts, plans and arrangements as are described above, copies or descriptions of all of which have been furnished previously to Scotts are referred to collectively herein as the "Benefit Arrangements." Each Benefit Arrangement has been maintained in substantial compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations that are applicable to such Benefit Arrangement.

(f) The excess of the present value of the projected liability in respect of post-retirement health and medical benefits for retired employees of any Miracle-Gro Constituent Companies and their respective affiliates, determined using assumptions that are reasonable in the aggregate, over the fair market value of any fund, reserve or other assets segregated for the purpose of satisfying such liability (including for such purposes any fund established pursuant to Section 401(h) of the Code) does not in the aggregate exceed \$1,000,000. No condition exists that would prevent any Miracle-Gro Constituent Company from amending or terminating any Employee Plan or Benefit Arrangement providing health or medical benefits in respect of any active employee of any of the Miracle-Gro Constituent Companies other than limitations imposed under the terms of a collective bargaining agreement.

(g) Except as set forth in Section 3.13(g) of the Company Disclosure Schedule, no Miracle-Gro Constituent Company is a party to or subject to any union contract or any employment contract or arrangement providing for annual future compensation of \$50,000 or more with any officer, consultant, director or employee.

(h) The consummation of the transactions contemplated hereby will not result in any material acceleration of benefits, or the modification of the terms of any benefits, payable to or for the benefit of any officer, director or employee of any Miracle-Gro Constituent Company, including any acceleration of vesting of stock options or any changes in any amounts or timing of any amounts payable under any incentive arrangement.

SECTION 3.14. TRADEMARKS, PATENTS AND COPYRIGHTS. (a) Section 3.14(a) of the Company Disclosure Schedule sets forth a true and complete list of (i) all patents, patent rights, trademarks, trademark rights, trade names, copyrights, service marks, trade secrets, applications for trademarks and for service marks, know-how and other proprietary rights and information used or held for use in connection with the business of the Miracle-Gro Constituent Companies (collectively, "Intellectual Property Rights") and (ii) all licenses, commitments and other agreements to which any Miracle-Gro Constituent Company is a party providing for the license of any Intellectual Property Rights to or from any other Person.

(b) Except as set forth in Section 3.14(b) of the Company Disclosure Schedule, the Miracle-Gro Constituent Companies own or possess adequate licenses or other rights to use all of the Intellectual Property Rights; there are no

Intellectual Property Rights necessary for use in connection with the business of the Miracle-Gro Constituent Companies which are not owned or possessed by the Miracle-Gro Constituent Companies or which, upon completion of the Merger Transactions, will not be owned or possessed by the Company; and neither the Company nor the Shareholders is aware of any assertion or claim challenging the validity of any of the Intellectual Property Rights; and the conduct of the business of the Miracle-Gro Constituent Companies, to the best knowledge of the Company and the Shareholders, does not conflict in any way with any patent, patent right, license, trademark, trademark right, trade name, trade name right, service mark or copyright of any third party. To the best knowledge of the Company and the Shareholders, there are no infringements of any proprietary rights owned by or licensed by or to any Miracle-Gro Constituent Company that individually or in the aggregate would have a Company Material Adverse Effect.

SECTION 3.15. MATERIAL CONTRACTS. (a) Except for agreements, contracts, plans, leases, arrangements or commitments (in each case, oral or written) set forth in Section 3.15(a) of the Company Disclosure Schedule, no Miracle-Gro Constituent Company is a party to or subject to:

(i) any lease providing for annual rental payments of \$50,000 or more;

(ii) any contract for the purchase of materials, supplies, goods, services, equipment or other assets providing for annual payments by any Miracle-Gro Constituent Company of \$50,000 or more;

(iii) any sales, distribution or other similar agreement providing for the sale by any Miracle-Gro Constituent Company of materials, supplies, goods, services, equipment or other assets that provides for annual payments to any Miracle-Gro Constituent Company of \$100,000 or more;

(iv) any partnership, joint venture or other similar contract arrangement or agreement;

(v) any contract relating to indebtedness for borrowed money or the deferred purchase price of property (whether incurred, assumed, guaranteed or secured by any asset), except contracts relating to indebtedness incurred in the ordinary course of business in an amount not exceeding \$25,000;

(vi) any license agreement, franchise agreement or agreement in respect of similar rights granted to or held by any Miracle-Gro Constituent Company;

(vii) any agency, dealer, sales representative or other similar agreement;

(viii) any contract or other document that substantially limits the ability of any Miracle-Gro Constituent Company to compete in any line of business or with any Person or in any area or which would so restrict any of the Miracle-Gro Constituent Companies after the Effective Time; or

(ix) any other contract or commitment not made in the ordinary course of business that is material to the Company or any other Miracle-Gro Constituent Company.

(b) Each agreement, contract, lease, arrangement and commitment disclosed in Section 3.15(a) of the Company Disclosure Schedule or required to be disclosed pursuant to this Section is a valid and binding agreement of such Miracle-Gro Constituent Company and is in full force and effect, and neither any Miracle-Gro Constituent

Company nor, to the knowledge of the Company and the Shareholders, any other party thereto is in default in any material respect under the terms of any such agreement, contract, plan, lease arrangement or commitment.

SECTION 3.16. COMPLIANCE WITH LAWS. No Miracle-Gro Constituent Company is in violation of, or has violated, any applicable provisions of any laws, rules, statutes, ordinances or regulations, except for violations that would not, individually or in the aggregate, have a Company Material Adverse Effect.

SECTION 3.17. FINDERS' FEES. No investment banker, broker, finder or other intermediary (other than CS First Boston Corporation ("CS First Boston")) has been retained by, or authorized to act on behalf of, any Miracle-Gro Constituent Company and entitled to any fee or commission in connection with the Merger Transactions or the transactions contemplated by this Agreement. The Company has previously furnished to Scotts a complete and correct copy of all agreements between CS First Boston and any Miracle-Gro Constituent Company (or any Shareholder) pursuant to which such firm would be entitled to any payment relating to the Merger Transactions or the transactions contemplated by this Agreement.

SECTION 3.18. OTHER INFORMATION. The statements contained in the documents and certificates furnished or to be furnished by any of the Miracle-Gro Constituent Companies or the Shareholders pursuant to this Agreement and in connection with the transactions contemplated by this Agreement, when considered in their entirety and taking into account all subsequent corrections, modifications and amplifications of previously delivered information, do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading. Notwithstanding anything herein to the contrary, none of the Miracle-Gro Constituent Companies nor any Shareholder makes any representation or warranty regarding any financial projection relating to the Company and/or the other Miracle-Gro Constituent Companies or any other indications of future financial performance or results of any Miracle-Gro Constituent Company.

SECTION 3.19. ENVIRONMENTAL COMPLIANCE. Except as set forth in Section 3.19 of the Company Disclosure Schedule:

(a) No written notice, notification, demand, request for information, citation, summons, complaint or order has been issued or filed, no penalty has been assessed and no investigation or review is pending, or to the knowledge of the Company or the Shareholders, after due inquiry, threatened by any governmental or other entity, and there are no existing orders, decrees or agreements in effect or, to the knowledge of the Company or the Shareholders, after due inquiry, threatened, (i) with respect to any alleged material violation of any Environmental Law (as hereafter defined) in connection with the conduct of the business of any of the Miracle-Gro Constituent Companies (for purposes of this Section 3.19, the Miracle-Gro Constituent Companies shall include any predecessor of any of the Miracle-Gro Constituent Companies) or (ii) with respect to any alleged failure to have any permit, certificate, license, approval, registration or authorization required by any Environmental Law in connection with the conduct of the business of the Miracle-Gro Constituent Companies or (iii) with respect to any generation, treatment, storage, recycling, transportation, disposal or release (including a release as defined in 42 USC section 9601) ("Release") of any polluting material, including petroleum, its derivatives, by-products and other hydrocarbons ("Polluting Substance").

(b)(i) No Miracle-Gro Constituent Company has, other than as a generator, handled any Polluting Substance, on any property now or previously owned or leased by any Miracle-Gro Constituent Company; (ii) no asbestos is present at any property now or previously owned or leased by any Miracle-Gro Constituent Company; (iii) there are no underground storage tanks currently in use or, to the knowledge of the Company or the Shareholders, abandoned at any property now or previously owned or leased by any Miracle-Gro Constituent Company which have been used to store or have contained a substance which is regulated by Environmental Laws or which, if Released into the environment, would result in pollution, (iv) there has been no Release of a Polluting Substance with respect

to which any of the Miracle-Gro Constituent Companies may reasonably be required to perform investigation or remediation, other than routine spills and leaks which are addressed in the ordinary course of business, at, on or under any property now or previously owned or leased by any Miracle-Gro Constituent Company and (v) no Hazardous Substance (as defined in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended ("CERCLA")) is present in a reportable or threshold planning quantity, where such a quantity has been established by statute, ordinance, rule, regulation or order, at, on or under any property now or previously owned by any Miracle-Gro Constituent Company.

(c) To the knowledge of the Company and the Shareholders, no Miracle-Gro Constituent Company has transported or arranged for the transportation (directly or indirectly) of any Hazardous Substance (as defined in CERCLA) to any location which is listed or proposed for listing on the nationwide priorities list established under CERCLA or on any similar state list.

(d) To the knowledge of the Company and the Shareholders, no oral or written notification of a Release of a Hazardous Substance (as defined in CERCLA) has been filed by or on behalf of any Miracle-Gro Constituent Company, and no property now or previously owned or leased by any Miracle-Gro Constituent Company is listed, or to the knowledge of the Company or the Shareholders, proposed for listing, on the National Priorities List promulgated pursuant to CERCLA.

(e) There are no environmental Liens on any asset of any Miracle-Gro Constituent Company and no government actions have been taken or are in process which could subject any of such assets to such Liens.

(f) Except as set forth in Section 3.19(f) of the Company Disclosure Schedule, there have been no material environmental investigations, studies, audits, tests, reviews or other analyses conducted by or which are in the possession of any of the Miracle-Gro Constituent Companies in relation to any property or facility now or previously owned or leased by any Miracle-Gro Constituent Company.

(g) For purposes of this Agreement, "Environmental Law" means all applicable Federal, state and local laws, rules and regulations, including common law, orders decrees, permits and other binding requirements relating to pollution, the preservation of the environment and Releases of pollutants into the environment or the workplace.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF SCOTTS AND MERGER SUBSIDIARY

Scotts and Merger Subsidiary, jointly and severally, represent and warrant to the Miracle-Gro Constituent Companies and the Shareholders that:

SECTION 4.01. CORPORATE EXISTENCE AND POWER. Each of Scotts and Merger Subsidiary is a corporation duly incorporated, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, and has all corporate powers and all governmental licenses, authorizations, consents and approvals required to own, lease and operate its properties and to carry on its business as now conducted except to the extent the failure to have such powers, licenses, authorizations, consents or approvals would not, individually or in the aggregate, have a material adverse effect on the business, assets, results of operations or condition (financial or otherwise) of Scotts and its consolidated Subsidiaries, taken as a whole (a "Scotts Material Adverse Effect"). Each of Scotts and Merger Subsidiary is duly qualified or licensed to do business as a foreign corporation, and is in good

standing, in each jurisdiction where the character of the property owned or leased by it or the nature of its activities makes such qualification or licensing necessary, except for those jurisdictions where the failure to be so qualified or licensed and in good standing would not, individually or in the aggregate, have a Scotts Material Adverse Effect. Since the date of its incorporation, Merger Subsidiary has not engaged in any activities other than in connection with or as contemplated by this Agreement or in connection with arranging any financing required to consummate the transactions contemplated hereby.

SECTION 4.02. ORGANIZATIONAL DOCUMENTS. Scotts has heretofore delivered to the Company true and complete copies of the Articles of Incorporation and Code of Regulations of Scotts, Merger Subsidiary and New Miracle-Gro, in each case as currently in effect. Neither Scotts nor Merger Subsidiary is in violation of any provision of its Articles of Incorporation or Code of Regulations, except for such violations that would not, individually or in the aggregate, have a Scotts Material Adverse Effect.

SECTION 4.03. CORPORATE AUTHORIZATION. The execution, delivery and performance by Scotts and Merger Subsidiary of this Agreement and the consummation by Scotts and Merger Subsidiary of the transactions contemplated hereby are within the corporate powers of each of Scotts and Merger Subsidiary and have been duly authorized by all necessary corporate action (other than the required approval by Scotts' shareholders of the matters set forth in Sections 9.01(iii) and (iv) (the "Scotts Shareholder Consent"). This Agreement constitutes a valid and binding agreement of Scotts and Merger Subsidiary.

SECTION 4.04. GOVERNMENTAL AUTHORIZATION. The execution, delivery and performance by Scotts and Merger Subsidiary of this Agreement and the consummation by Scotts and Merger Subsidiary of the transactions contemplated by the Agreement require no consent, approval, authorization or permit of, or filing with or notification to any governmental or regulatory authority, except (A) for (i) the filing of a certificate of merger and/or other appropriate merger documents in accordance with New Jersey Law and Ohio Law, (ii) compliance with any applicable requirements of the HSR Act; (iii) compliance with any applicable requirements of the Securities Act, state securities or "blue sky" laws and state takeover laws; (iv) compliance with any applicable requirements of Exchange Act; and (v) any applicable requirements of non-United States competition, antitrust and investment laws and (B) where failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or delay the consummation of the Merger or otherwise prevent Scotts or Merger Subsidiary from performing its obligations under this Agreement, and would not, individually or in the aggregate, have a Scotts Material Adverse Effect.

SECTION 4.05. NON-CONTRAVENTION. The execution, delivery and performance by Scotts and Merger Subsidiary of this Agreement and the consummation by Scotts and Merger Subsidiary of the transactions contemplated hereby, assuming receipt of the Scotts Shareholder Consent, do not and will not (i) contravene or conflict with the Articles of Incorporation or Code of Regulations of Scotts or Merger Subsidiary; (ii) assuming compliance with the matters referred to in Section 4.04, contravene or conflict with or constitute a violation of any provision of law, rule regulation, judgment, injunction, order or decree binding upon Scotts or Merger Subsidiary; (iii) assuming satisfaction or waiver of the conditions set forth in Section 9.01(i) and Section 9.01(ii), constitute a default under or give rise to any right of termination, cancellation or acceleration of any right or obligation of Scotts or Merger Subsidiary or to a loss of any material benefit to which Scotts or Merger Subsidiary is entitled under any material agreement, contract or other instrument binding upon Scotts or Merger Subsidiary; or (iv) result in the creation or imposition of any Lien on any asset of Scotts or Merger Subsidiary, except, in the case of clauses (ii), (iii) and (iv), for any such conflicts, violations, defaults, breaches or other occurrences which would not prevent or delay consummation of the Merger, or otherwise prevent Scotts or Merger Subsidiary from performing its obligations under this Agreement, and would not, individually or in the aggregate, have a Scotts Material Adverse Effect.

SECTION 4.06. CAPITALIZATION. (a) As of the date hereof, the authorized capital stock of Scotts consists of 35,000,000 shares of Scotts Common Stock. As of January 15, 1995, there were outstanding 18,667,064 shares of Scotts Common Stock and employee stock options to purchase an aggregate of 1,428,705 shares of Scotts Common Stock (of which options to purchase an aggregate of 575,816 shares were exercisable). All of the outstanding common shares of Scotts have been duly authorized and validly issued and are fully paid and nonassessable. Except as set forth in this Section and except for changes since January 15, 1995, resulting from the exercise of employee stock options outstanding on such date, there are outstanding (i) no shares of capital stock or other voting securities of Scotts, (ii) no securities of Scotts convertible into or exchangeable for shares of capital stock or voting securities of Scotts, and (iii) no options or other rights to acquire from Scotts, and no obligation of Scotts to issue, any capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of Scotts (the items in clauses (i), (ii) and (iii) being referred to collectively as the "Scotts Securities"). There are no outstanding obligations of Scotts or any of its Subsidiaries to repurchase, redeem or otherwise acquire any Scotts Securities. "Subsidiary," with respect to Scotts, means any corporation or other entity of which securities or other ownership interests having ordinary voting power to elect a majority of the board of directors or other persons performing similar functions are directly or indirectly owned by Scotts.

(b) The authorized capital stock of Merger Subsidiary consists of 1,000 common shares, without par value. As of the date hereof, there are outstanding 1,000 common shares. All of the outstanding common shares of Merger Subsidiary have been duly authorized and validly issued and are fully paid and nonassessable. Except as set forth in this Section, there are outstanding (i) no shares of capital stock or other voting securities of Merger Subsidiary, (ii) no securities of Merger Subsidiary convertible into or exchangeable for shares of capital stock or voting securities of Merger Subsidiary, and (iii) no options or other rights to acquire from Merger Subsidiary, and no obligation of Merger Subsidiary to issue, any capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of Merger Subsidiary.

(c) The Merger Consideration, when issued in accordance with this Agreement, will be duly authorized, validly issued, in the case of the Convertible Preferred Stock, fully paid and non-assessable, and, in the case of the Warrants, valid and binding obligations of Scotts.

SECTION 4.07. SEC FILINGS; FINANCIAL STATEMENTS. (a) Scotts has filed all forms, reports and documents required to be filed by it with the SEC since September 30, 1992, and has heretofore made available to the Company and the Shareholders, in the form filed with the SEC (excluding any exhibits thereto, unless otherwise specifically requested by the Company or the Shareholders), (i) its Annual Reports on Form 10-K for the fiscal years ended September 30, 1992, 1993 and 1994, respectively; (ii) all proxy statements relating to meetings of Scotts' shareholders (whether annual or special) held since October 1, 1992; and (iii) all other reports and registration statements (other than Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed prior to September 30, 1994) filed with the SEC since October 1, 1992 (the forms, reports and other documents referred to in clauses (i) through (iii) being referred to herein, collectively, as the "Scotts Disclosure Documents"). The Scotts Disclosure Documents and any other forms, reports or other documents filed by Scotts with the SEC after the date of this Agreement but prior to the Effective Time (x) were prepared, or will be prepared, in accordance with the Securities Act or the Exchange Act, as the case may be, and (y) did not at the time they were filed, or will not at the time they are filed, with the SEC contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished to Scotts by any Miracle-Gro Constituent Company or any Shareholder. Notwithstanding anything herein to the contrary, neither Scotts nor Merger Subsidiary makes any representation or warranty regarding any financial projection relating to

Scotts or any of its Subsidiaries or any other indications of future financial performance or results of Scotts or any of its Subsidiaries.

(b) Each of the consolidated financial statements (including any notes thereto) contained in the Annual Report on Form 10-K for the fiscal year ended September 30, 1994 (the "1994 Form 10-K"), was prepared in accordance with generally accepted accounting principles and fairly presents the consolidated financial position, results of operations and cash flows of Scotts and its consolidated subsidiaries as at the respective dates thereof and for the respective periods indicated therein.

(c) Except as and to the extent set forth in the consolidated balance sheet included in the 1994 Form 10-K, or as otherwise set forth in Section 4.07 of the disclosure schedule previously delivered to the Company by Scotts (the "Scotts Disclosure Schedule"), Scotts had no liability or obligation of any nature (whether accrued, contingent, absolute, determined, determinable or otherwise) that (i) would be required to be reflected in such consolidated balance (including the notes thereto) or (ii) would have, or could reasonably be likely to have, individually or in the aggregate, a Scotts Material Adverse Effect.

SECTION 4.08. ABSENCE OF CERTAIN CHANGES. Since September 30, 1994, and except as disclosed to the Company in Section 4.08 of the Scotts Disclosure Statement or as otherwise contemplated by this Agreement, Scotts has conducted its business only in the ordinary course consistent with past practice and there has not been:

- (a) any event, occurrence or development of a state of circumstances or facts which has had or reasonably could be expected to have a Scotts Material Adverse Effect;
- (b) any declaration, setting aside or payment of any dividend or other distribution with respect to any shares of capital stock of Scotts, or any repurchase, redemption or other acquisition by Scotts or any of its Subsidiaries of any outstanding shares of capital stock or other securities of, or other ownership interests in, Scotts;
- (c) any amendment of any material term of any outstanding security of Scotts;
- (d) any incurrence, assumption or guarantee by Scotts of indebtedness for borrowed money, which incurrence, assumption or guarantee is material to Scotts and its Subsidiaries, taken as a whole;
- (e) any creation or assumption by Scotts of a Lien on any material asset, which creation or assumption is material to Scotts and its Subsidiaries, taken as a whole, other than those in the ordinary course of business consistent with past practices;
- (f) any making of any loan, advance or capital contribution to or investment in any Person, which is material to Scotts and its Subsidiaries, taken as whole, other than loans, advances or capital contributions to or investments in any Subsidiary of Scotts made in the ordinary course of business consistent with past practices;
- (g) any transaction or commitment made, or any contract or agreement entered into, by Scotts or its Subsidiaries relating to their respective assets or business (including the acquisition or disposition of any assets) or any relinquishment by Scotts or its Subsidiaries of any contract or other right, in either case, material to Scotts and its Subsidiaries, taken as a whole, other than

transactions and commitments in the ordinary course of business consistent with past practice and those contemplated by this Agreement;

(h) any change in any method of accounting or accounting practice by Scotts, except for any such change required by reason of a concurrent change in generally accepted accounting principles; or

(i) any labor dispute, other than routine individual grievances, or any activity or proceeding by a labor union or representative thereof to organize any employees of Scotts, which employees were not subject to a collective bargaining agreement at September 30, 1994, or any lockouts, strikes, slowdowns, work stoppages or threats thereof by or with respect to such employees.

SECTION 4.09. NO UNDISCLOSED MATERIAL LIABILITIES. Except as and to the extent set forth in the 1994 Form 10-K, or as otherwise set forth in Section 4.09 of the Scotts Disclosure Schedule, neither Scotts nor any of its Subsidiaries had any liability or obligation of any nature (whether accrued, contingent, absolute, determined, determinable or otherwise) that (i) would be required to be reflected on a consolidated balance sheet of Scotts and its Subsidiaries (including the notes thereto) or (ii) would have, or could reasonably be likely to have, individually or in the aggregate, a Scotts Material Adverse Effect.

SECTION 4.10. LITIGATION. Except as set forth in the 1994 Form 10-K or in Section 4.10 of the Scotts Disclosure Schedule, there is no claim, action, suit, investigation or proceeding pending against or, to the knowledge of Scotts, threatened against Scotts or any of its Subsidiaries or any of their respective properties before any court or arbitrator or any governmental body, agency or official which, individually or in the aggregate, would reasonably be likely to have a Scotts Material Adverse Effect or would reasonably be likely to have impair the ability of Scotts or Merger Subsidiary to consummate the Merger or the other transactions contemplated by this Agreement.

SECTION 4.11. TAXES. Scotts and each of its Subsidiaries has timely filed all Tax Returns required to be filed with the appropriate tax authority through the date hereof, the failure of which to file would result in a Scotts Material Adverse Effect, and shall timely file all such Tax Returns required to be filed on or before the Effective Time. To the best knowledge of Scotts, such Tax Returns are and will be true, correct and complete in all material respects. Scotts and each of its Subsidiaries has paid and discharged all federal, state, local and foreign Taxes due from them, other than such Taxes that are adequately reserved as shown on the balance sheet of Scotts included in the 1994 Form 10-K (the "Scotts Balance Sheet"). Neither the Internal Revenue Service nor any other taxing agency or authority, domestic or foreign, is now asserting or, to the best knowledge of Scotts, threatening to assert against Scotts or any of its Subsidiaries any material deficiency or claim for additional Taxes. There are no unexpired waivers by Scotts or any of its Subsidiaries of any statutes of limitations with respect to Taxes which, individually or in the aggregate would have a Scotts Material Adverse Effect. The accruals and reserves for Taxes reflected in the Scotts Balance Sheet are adequate for the periods covered. Scotts and each of its Subsidiaries has withheld or collected and paid over to the appropriate governmental authorities or is properly holding for such payment all Taxes required by law to be withheld or collected, except to the extent that the failure to so withhold or collect and pay would not, individually or in the aggregate, have a Scotts Material Adverse Effect. There are no Liens for Taxes upon the assets of Scotts or any of its Subsidiaries, which, individually or in the aggregate would have a Scotts Material Adverse Effect or other than Liens for current Taxes not yet due and payable. Scotts has not agreed to make, and is not required to make, any adjustment under Section 481(a) of the Code. Neither Scotts nor any of its Subsidiaries is a party to any agreement, contract, arrangement or plan that has resulted, or could result, individually or in the aggregate, in the payment of "excess parachute payments" within the meaning of Section 280G of the Code. For

purposes of this Section 4.11 only, a Scotts Material Adverse Effect shall mean a Loss (as hereafter defined) in excess of \$500,000.

SECTION 4.12. ERISA. (a) Section 4.12(a) of the Scotts Disclosure Schedule includes a list identifying each material "employee benefit plan," as defined in Section 3(3) of ERISA, which (i) is subject to any provision of ERISA and (ii) is maintained, administered or contributed to by Scotts, any of its Subsidiaries or any affiliate (as defined below) and covers any employee or former employee of Scotts, any of its Subsidiaries or any affiliate or under which Scotts, any of its Subsidiaries or any affiliate has any liability. Copies of such plans (and, if applicable and available, related trust agreements) and all amendments thereto have been furnished to the Company. Such plans are referred to collectively herein as the "Scotts Employee Plans." For purposes of this Section, "affiliate" of any Person means any other Person which, together with such Person, would be treated as a single employer under Section 414 of the Code. The only Employee Plans which individually or collectively would constitute an "employee pension benefit plan" as defined in Section 3(2) of ERISA (the "Scotts Pension Plans") are identified as such in the list referred to above. Scotts has provided the Company with (x) complete age, salary, service and related data as of December 31, 1994 for employees and former employees of Scotts, any of its Subsidiaries and any affiliate covered under the Scotts Pension Plans who had a salary in excess of \$100,000 for the fiscal year ended September 30, 1994 and (y) the two most recent annual reports (Form 5500 including, if applicable, Schedule B thereto) prepared in connection with any such plan.

(b) Except as otherwise identified in Section 4.12(b) of the Scotts Disclosure Schedule, no Scotts Employee Plan constitutes a "multiemployer plan", as defined in Section 3(37) of ERISA (a "Scotts Multiemployer Plan"), and no Scotts Employee Plan is maintained in connection with any trust described in Section 501(c)(9) of the Code. The only Scotts Employee Plans that are subject to Title IV of ERISA (the "Scotts Retirement Plans") are identified in the list of such Plans heretofore provided to the Company by Scotts. As of the Scotts Balance Sheet Date, the fair market value of the assets of each Scotts Retirement Plan (excluding for these purposes any accrued but unpaid contributions) exceeded the present value of all benefits accrued under such Scotts Retirement Plan determined on a termination basis using the assumptions established by the PBGC as in effect on such date. No "accumulated funding deficiency," as defined in Section 412 of the Code, has been incurred with respect to any Scotts Pension Plan, whether or not waived. Scotts knows of no "reportable event," within the meaning of Section 4043 of ERISA for which the 30-day notice requirement to the PBGC has not been waived, and no event described in Section 4041, 4042, 4062 or 4063 of ERISA has occurred in connection with any Scotts Employee Plan, other than a "reportable event" that, individually or in the aggregate, will not have a Scotts Material Adverse Effect. No condition exists and no event has occurred that would constitute grounds for termination of any Scotts Retirement Plan or, with respect to any Scotts Employee Plan which is a Scotts Multiemployer Plan, presents a material risk of a complete or partial withdrawal under Title IV of ERISA and neither Scotts, any of its Subsidiaries nor any of their respective affiliates has incurred any material liability under Title IV of ERISA arising in connection with the termination of, or complete or partial withdrawal from, any plan covered or previously covered by Title IV of ERISA. If a "complete withdrawal" by Scotts, its Subsidiaries and all of their respective affiliates were to occur as of the Effective Time with respect to all Scotts Employee Plans which are Scotts Multiemployer Plans, neither Scotts, its Subsidiaries nor any such affiliate would incur any material withdrawal liability under Title IV of ERISA. To Scotts' knowledge, nothing done or omitted to be done and no transaction or holding of any asset under or in connection with any Scotts Employee Plan has or will make Scotts or any of its Subsidiaries or any officer or director of Scotts or any of its Subsidiaries subject to any liability under Title I of ERISA or liable for any tax pursuant to Section 4975 of the Code that could, individually or in the aggregate, have a Scotts Material Adverse Effect.

(c) Each Scotts Employee Plan which is intended to be qualified under Section 401(a) of the Code is so qualified and has been so qualified during the period from its adoption to date, and each trust forming a part thereof is exempt from tax pursuant to Section 501(a) of the Code. Scotts has furnished to the Company copies of the most

recent Internal Revenue Service determination letters with respect to each such Plan. Each Scotts Employee Plan has been maintained in material compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations, including but not limited to ERISA and the Code, which are applicable to such Plan.

(d) There is no contract, agreement, plan or arrangement covering any employee or former employee of Scotts, any of its Subsidiaries or any affiliate that, individually or collectively, could give rise to the payment of any amount that would not be deductible pursuant to the terms of Sections 162(a)(1) or 280G of the Code.

(e) Section 4.12(e) of the Scotts Disclosure Schedule sets forth a list of each material employment, severance or other similar contract, arrangement or policy and each plan or arrangement (written or oral) providing for insurance coverage (including any self-insured arrangements), disability benefits, supplemental unemployment benefits, retirement benefits or for deferred compensation, stock options, stock appreciation or post-retirement insurance, compensation or benefits which (i) is not a Scotts Employee Plan, (ii) is entered into, maintained or contributed to, as the case may be, by Scotts, its Subsidiaries or any of their respective affiliates and (iii) covers any domestic employee or former employee of Scotts, any of its Subsidiaries or any of their respective affiliates. Such contracts, plans and arrangements as are described above are referred to collectively herein as the "Scotts Benefit Arrangements." Scotts has furnished or made available to the Company copies or descriptions of such Scotts Benefit Arrangements. Each Scotts Benefit Arrangement has been maintained in substantial compliance with its terms and with the requirements prescribed by any and all statutes, orders, rules and regulations that are applicable to such Scotts Benefit Arrangement.

(f) The excess of the present value of the projected liability in respect of post-retirement health and medical benefits for retired employees of Scotts, its Subsidiaries and their respective affiliates, determined using assumptions that are reasonable in the aggregate, over the fair market value of any fund, reserve or other assets segregated for the purpose of satisfying such liability (including for such purposes any fund established pursuant to Section 401(h) of the Code) does not in the aggregate exceed \$20,000,000. No condition exists that would prevent Scotts or any of its Subsidiaries from amending or terminating any Scotts Employee Plan or Scotts Benefit Arrangement providing health or medical benefits in respect of any active employee of Scotts or any of its Subsidiaries other than limitations imposed under the terms of a collective bargaining agreement.

(g) Except as set forth in Section 4.12(g) of the Scotts Disclosure Schedule, neither Scotts nor any of its Subsidiaries is a party to or subject to any union contract or any employment contract or arrangement providing for annual future compensation of \$100,000 or more with any domestic officer, consultant, director or employee.

(h) The consummation of the transactions contemplated by this Agreement will not result in any material acceleration of benefits, or the modification of the terms of any benefits, payable to or for the benefit of any officer, director or employee of Scotts or any of its Subsidiaries, including any acceleration of vesting of stock options or any changes in the amounts or timing of any amounts payable under any incentive arrangement.

SECTION 4.13. TRADEMARKS, PATENTS AND COPYRIGHT. (a) Section 4.13(a) of the Scotts Disclosure Schedule sets forth a true and complete list of (i) all patents, patent rights, trademarks, trademark rights, trade names, copyrights, service marks, trade secrets, applications for trademarks and for service marks, know-how and other proprietary rights and information used or held for use in connection with the business of Scotts as currently conducted (collectively, "Scotts Intellectual Property Rights") and (ii) all licenses, commitments and other agreements to which Scotts or any of its Subsidiaries is a party providing for the license of any Intellectual Property Rights to or from any other Person.

(b) Except as set forth in Section 4.13(b) of the Scotts Disclosure Schedule, Scotts and its Subsidiaries own or possess adequate licenses or other rights to use all of the Scotts Intellectual Property Rights; there are no Scotts Intellectual Property Rights necessary for use in connection with the business of Scotts as currently conducted which are not owned or possessed by Scotts or its Subsidiaries; and Scotts is not aware of any assertion or claim challenging the validity of any of the Scotts Intellectual Property Rights; and the conduct of the business of Scotts as currently conducted, to the best knowledge of Scotts, does not conflict in any way with any patent, patent right, license, trademark, trademark right, trade name, trade name right, service mark or copyright of any third party. To the best knowledge of Scotts, there are no infringements of any proprietary rights owned by or licensed by or to Scotts or any of its Subsidiaries that individually or in the aggregate would have a Scotts Material Adverse Effect.

SECTION 4.14. MATERIAL CONTRACTS. (a) Except for agreements, contracts, plans, leases, arrangements or commitments (in each case, oral or written) set forth in Section 4.14(a) of the Scotts Disclosure Schedule or set forth in the exhibit list to the 1994 Form 10-K, neither Scotts nor any of its Subsidiaries is a party to or subject to:

(i) any lease which is material to Scotts and its Subsidiaries, taken as a whole;

(ii) any contract for the purchase of materials, supplies, goods, services, equipment or other assets which is material to Scotts and its Subsidiaries, taken as a whole;

(iii) any sales, distribution or other similar agreement which is material to Scotts and its Subsidiaries, taken as a whole;

(iv) any partnership, joint venture or other similar contract arrangement or agreement which is material to Scotts and its Subsidiaries, taken as a whole;

(v) any contract relating to indebtedness for borrowed money or the deferred purchase price of property (whether incurred, assumed, guaranteed or secured by any asset), which is material to Scotts and its Subsidiaries, taken as a whole;

(vi) any license agreement, franchise agreement or agreement in respect of similar rights, which is material to Scotts and its Subsidiaries, taken as a whole

(vii) any agency, dealer, sales representative or other similar agreement which is material to Scotts and its Subsidiaries, taken as a whole;

(viii) any contract or other document that substantially limits the ability of Scotts or any of its Subsidiaries to compete in any material line of business or in a material way with any Person or in any area or which would so restrict Scotts or any of its Subsidiaries after the Effective Time; or

(ix) any other contract or commitment of Scotts or any of its Subsidiaries not made in the ordinary course of business that is material to Scotts and its Subsidiaries, taken as a whole.

(b) Each agreement, contract, lease, arrangement and commitment disclosed in Section 4.14(a) of the Scotts Disclosure Schedule or required to be disclosed pursuant to this Section is a valid and binding agreement of Scotts or such Subsidiary and is in full force and effect, and neither Scotts, such Subsidiary nor, to the knowledge of Scotts, any other party thereto is in default in any material respect under the terms of any such agreement, contract, plan, lease arrangement or commitment.

SECTION 4.15. COMPLIANCE WITH LAWS. Neither Scotts nor any of its Subsidiaries is in violation of, or has violated, any applicable provisions of any laws, rules, statutes, ordinances or regulations, except for violations that would not, individually or in the aggregate, have a Scotts Material Adverse Effect.

SECTION 4.16. FINDERS' FEES. No investment banker, broker, finder or other intermediary (other than Smith Barney, Inc. ("Smith Barney")) has been retained by, or authorized to act on behalf of, Scotts and entitled to any fee or commission in connection with the Merger or the transactions contemplated by this Agreement. Scotts has previously furnished to the Company a complete and correct copy of all agreements between Smith Barney and Scotts pursuant to which such firm would be entitled to any payment relating to the Merger or the transactions contemplated by this Agreement.

SECTION 4.17. ENVIRONMENTAL COMPLIANCE. Except as set forth in Section 4.17 of the Scotts Disclosure Schedule:

(a) No written notice, notification, demand, request for information, citation, summons, complaint or order has been issued or filed, no penalty has been assessed and no investigation or review is pending, or to the knowledge of Scotts, after due inquiry, threatened by any governmental or other entity, and there are no existing orders, decrees or agreements in effect or, to the knowledge of Scotts, after due inquiry, threatened, (i) with respect to any alleged material violation of any Environmental Law in connection with the conduct of the business of Scotts (for purposes of this Section 4.17, Scotts shall include any predecessor of Scotts) or (ii) with respect to any alleged failure to have any permit, certificate, license, approval, registration or authorization required by Environmental Law in connection with the conduct of the business of Scotts or (iii) with respect to any Release of a Polluting Substance with respect to which Scotts is or may be liable, except in each case such alleged material violation, alleged failure or Release which could not reasonably be expected, individually or in the aggregate, to result in a Loss (as hereafter defined) by Scotts in excess of \$100,000.

(b) Except as set forth in Section 4.17(b) of the Scotts Disclosure Schedule, (i) Scotts has not, other than as a generator, handled any Polluting Substance on any property now or previously owned or leased by Scotts or its Subsidiaries; (ii) no asbestos is present at any property now or previously owned or leased by Scotts or its Subsidiaries; (iii) there are no underground storage tanks currently in use or, to the knowledge of Scotts, abandoned at any property now or previously owned or leased by Scotts or any of its Subsidiaries which have been used to store or have contained a substance which is regulated by Environmental Laws or which, if released into the environment, would result in pollution, (iv) there has been no Release of any Polluting Substance with respect to which Scotts or any of its Subsidiaries may reasonably be required to perform investigation or remediation, other than routine spills and leaks which are addressed in the ordinary course of business, at, on or under any property now or previously owned or leased by Scotts or any of its Subsidiaries and (v) no Hazardous Substance (as defined in CERCLA) is present in a reportable or threshold planning quantity, where such a quantity has been established by statute, ordinance, rule, regulation or order, at, on or under any property now or previously owned by Scotts or any of its Subsidiaries.

(c) To the knowledge of Scotts, neither Scotts nor any or its Subsidiaries has transported or arranged for the transportation (directly or indirectly) of any Hazardous Substance (as defined in CERCLA) to any location which is listed or proposed for listing on the Nationwide Priorities List established under CERCLA or on any similar state list.

(d) To the knowledge of Scotts, no oral or written notification of a Release of a Hazardous Substance (as defined in CERCLA) has been filed by or on behalf of Scotts or any of its Subsidiaries, and no property now or

previously owned or leased by Scotts or any of its Subsidiaries is listed, or to the knowledge of Scotts, proposed for listing, on the National Priorities List promulgated pursuant to CERCLA.

(e) There are no environmental Liens on any asset of Scotts or any of its Subsidiaries and no government actions have been taken or are in process which could subject any of such assets to such Liens.

(f) Except as set forth in Section 4.17(f) of the Scotts Disclosure Schedule, there have been no material environmental investigations, studies, audits, tests, reviews or other analyses conducted by or which are in the possession of Scotts in relation to any property or facility now or previously owned or leased by Scotts or any of its Subsidiaries.

SECTION 4.18. OPINION OF FINANCIAL ADVISOR. Scotts received the opinion of Smith Barney orally on January 24, 1995 to the effect that, as of such date, the Merger Transactions are fair to the shareholders of Scotts from a financial point of view and a copy of the written confirmatory opinion to such effect will be delivered to the Company promptly upon receipt.

COVENANTS OF THE MIRACLE-GRO CONSTITUENT COMPANIES AND THE SHAREHOLDERS

Each of the Miracle-Gro Constituent Companies and the Shareholders, jointly and severally, agree that:

SECTION 5.01. CONDUCT OF THE BUSINESS OF THE MIRACLE-GRO CONSTITUENT COMPANIES. From the date hereof until the Effective Time unless Scotts shall otherwise have consented in writing, the Miracle-Gro Constituent Companies shall conduct their respective businesses in the ordinary course consistent with past practice and shall use their best efforts to preserve intact their business organizations and relationships with third parties and to keep available the services of their present officers and employees. Without limiting the generality of the foregoing, from the date hereof until the Effective Time, except as contemplated or required by this Agreement or set forth in Section 5.01 of the Company Disclosure Schedule, none of the Miracle-Gro Constituent Companies shall, directly or indirectly, do, or propose or agree to do, any of the following without the prior written consent of Scotts:

(b) merge or consolidate with any other Person or acquire a material amount of assets of any other Person;

(c) lease, license or otherwise dispose of any material assets or property except (i) pursuant to existing contracts or commitments or (ii) in the ordinary course consistent with past practice;

(d) declare, set aside, make or pay any dividend or other distribution, payable in cash, stock, property or otherwise, with respect to any of their respective capital stock;

(e) reclassify, combine, split, subdivide or redeem, purchase or otherwise acquire, directly or indirectly, any of their respective capital stock;

(g) agree or commit to do any of the foregoing; or

(h) take or agree or commit to take any action that would make any representation and warranty of the Miracle-Gro Constituent Companies or the Shareholders hereunder inaccurate in any respect at, or as of any time prior to, the Effective Time.

SECTION 5.02. ACCESS TO INFORMATION; CONFIDENTIALITY. (a) From the date hereof until the Effective Time, the Company shall afford Scotts, its officers, directors, employees, counsel, financial advisors, auditors and other authorized representatives (the "Scotts Representatives") reasonable access to the offices, properties, books and records of each of the Miracle-Gro Constituent Companies, will furnish to Scotts and the Scotts Representatives such financial and operating data and other information as such Persons may reasonably request and will instruct the Miracle-Gro Constituent Companies' employees, counsel and financial advisors to cooperate with Scotts in its investigation of the business of the Miracle-Gro Constituent Companies; provided that no investigation pursuant to this Section shall affect any representation or warranty given by the Miracle-Gro Constituent Companies and the Shareholders to Scotts and Merger Subsidiary hereunder.

(b) All information obtained by Scotts pursuant to this Section shall be kept confidential in accordance with the confidentiality agreements dated as of October 3, 1994, between Scotts and the Company.

SECTION 5.03. OTHER OFFERS. From the date hereof until the later of the termination of this Agreement and the Effective Time, none of the Miracle-Gro Constituent Companies, the Shareholders or any officer, director, employee or other agent of any of the Miracle-Gro Constituent Companies will, directly or indirectly, (i) take any action to solicit, initiate or encourage any inquiries or the making or implementation of any proposal or offer with respect to a merger, acquisition, consolidation or similar transaction involving, or any purchase of all or any significant portion of the assets or any equity securities of, any Miracle-Gro Constituent Company (a "Company Acquisition Proposal"), other than the transactions contemplated by this Agreement, or (ii) engage in negotiations with, or disclose any nonpublic information relating to any of the Miracle-Gro Constituent Companies or afford access to the properties, books or records of any of the Miracle-Gro Constituent Companies to, any Person that the Company believes may be considering making, or has made, a Company Acquisition Proposal. The Company will promptly notify Scotts upon receipt of any Company Acquisition Proposal or any indication that any Person is considering making a Company Acquisition Proposal or any request for nonpublic information relating to any of the Miracle-Gro Constituent Companies or for access to the properties, books or records of any of the Miracle-Gro Constituent Companies by any Person that may be considering making, or has made, a Company Acquisition Proposal and will keep Scotts fully informed of the status and details of any such Company Acquisition Proposal, indication or request.

SECTION 5.04. NOTICES OF CERTAIN EVENTS. The Company shall promptly notify Scotts of:

(i) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;

(ii) any notice or other communication from any governmental or regulatory agency or authority in connection with the transactions contemplated by this Agreement;

(iii) the occurrence, or non-occurrence, of any event the occurrence, or non-occurrence, of which would be likely to cause (x) any representation or warranty contained in this Agreement to be untrue or inaccurate or (y) any covenant, condition or agreement contained in this Agreement not to be complied with or satisfied; and

(iv) any failure of any Miracle-Gro Constituent Company or any Shareholder to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder;

provided, however, that the delivery of any notice pursuant to this Section shall not limit or otherwise affect the remedies available hereunder to Scotts.

SECTION 5.05. CERTAIN LOANS. (a) The parties acknowledge that Miracle-Gro Delaware owes \$5.0 million to the Hagedorn Family Fund. The parties agree that such amount shall be paid, without interest, as follows: All available cash at such company (or the successor division of New Miracle-Gro treated for this purpose as a separate business unit), including all amounts received from the sale of inventory or the collection of accounts receivable, shall be paid to the Hagedorn Family Fund until the amount set forth in the first sentence of this paragraph has been repaid in full. If such amount has not been paid in full by the close of business on September 30, 1995, Scotts will cause Miracle-Gro Delaware or New Miracle-Gro, as its successor, to pay the remaining balance immediately following such date.

(b) The parties acknowledge that Miracle-Gro UK owes \$3.5 million to the Hagedorn Family Fund. The parties agree that payment shall be made as follows, without interest: All available cash at such company (or the successor division of New Miracle-Gro treated for this purpose as a separate business unit), including all amounts received from the sale of inventory or the collection of accounts receivable, shall be paid to the Hagedorn Family Fund, such payments to continue until the close of business on September 30, 1995, or until there is no remaining cash or inventory, at which point such payments shall cease. If the amount set forth in the first sentence of this paragraph (b) has not been repaid in full on such date the outstanding balance shall be forgiven.

(c) Following the Effective Time, Scotts shall operate the businesses of Miracle-Gro Delaware and Miracle-Gro UK in the ordinary course of business and will not take any action restricting the sale of inventory, the collection of accounts receivable, or any other action which would interfere with the payments contemplated by this Section 5.05.

Scotts acknowledges and accepts that the initial three Miracle-Gro Directors are the persons named in Section 9.02(iv), it being understood that any future successor designees will be reasonably acceptable to the Scotts Board of Directors.

(b) Until the earlier of the fifth anniversary of the Effective Time and such time as the Shareholders no longer beneficially own at least 19% of the Voting Stock, Scotts covenants and agrees as follows:

(i) except as contemplated by this Agreement or as required in the terms of the Convertible Preferred Stock, Scotts will not take or recommend to its shareholders any action which would cause the Board of Directors of Scotts to consist of any number of directors other than twelve directors divided into three classes of four directors each;

(ii) to the extent that, and for so long as, Scotts maintains a Nominating Committee and/or an Executive Committee of the Board of Directors, such committee(s) shall consist of four directors, one of whom shall be a Miracle-Gro Director;

(iv) subject to the fiduciary duties of the members of the Nominating Committee to Scotts' shareholders, Scotts will use its best efforts to cause the Nominating Committee to recommend for election to the class of directors whose terms expire in any year, one Miracle-Gro Director; provided, that if the Shareholders vote all of their outstanding shares of Voting Stock in favor of the election of such Miracle-Gro Director and such Miracle-Gro Director nevertheless is not elected by the shareholders of Scotts, or if such Miracle-Gro Director is not nominated for election or is not recommended for election by the Scotts Board, the provisions of this Article VI shall no longer be in effect.

SECTION 6.03. RULE 145. With a view to making available to the Shareholders the benefits of Rule 145 promulgated under the Securities Act, and any other similar rules or regulations of the SEC which may at any time permit the Shareholders to sell or distribute without registration the Scotts Common Stock issued upon conversion of the Convertible Preferred Stock or upon exercise of the Warrants, Scotts agrees to use its best efforts to file with the SEC in a timely manner all reports and other documents required to be filed by it under the Exchange Act.

SECTION 6.04. REGISTRATION RIGHTS. Scotts will comply with the provisions regarding registration rights contained in Annex E hereto.

SECTION 6.05. RESERVATION OF SHARES. Scotts will reserve and keep available out of its authorized but unissued shares of Scotts Common Stock the full number of shares at any time deliverable on conversion of the Convertible Preferred Stock or exercise of the Warrants.

SECTION 6.06. STANDSTILL RESTRICTIONS. Until the fifth anniversary of the Effective Time, the Shareholders covenant and agree as follows:

(a) Without the prior written consent of Scotts, the Shareholders shall not, and shall not permit any of their respective Affiliates or Associates to, directly or indirectly, authorize or make a tender or exchange offer for, or purchase or otherwise acquire, or agree to acquire or obtain, directly or indirectly, beneficial ownership of any Voting Stock, if the effect of such acquisition would be to increase the outstanding number of shares of Voting Stock then beneficially owned by the Shareholders, their Affiliates and their Associates, in the aggregate, to an amount representing more than the Standstill Percentage. It is expressly understood and agreed that, for purposes of this Section 6.06 only, the Warrants, until exercised and subject to the terms of such exercise, do not constitute beneficial ownership of outstanding shares of Voting Stock.

(b) Notwithstanding the foregoing, the Shareholders shall not be obligated to dispose of any shares of Voting Stock if their aggregate percentage of Total Voting Power is increased as a result of a recapitalization of Scotts or a repurchase of securities by Scotts or any other action taken by Scotts or its Subsidiaries; provided, that, to the extent that any such recapitalization or repurchase would increase the Standstill Percentage by more than 1%, such Shareholders shall be obligated to dispose of shares of Voting Stock sufficient to reduce their aggregate percentage of Total Voting Power to less than the Standstill Percentage plus 1%. If Scotts repurchases any of its Voting Stock and such repurchases result in the Shareholders owning more than the Standstill Percentage, but less than the Standstill Percentage plus 1%, at the effective time of such repurchases, the Shareholders shall not be obligated to divest themselves of the Voting Stock to fall within the foregoing percentage limitation, but shall not acquire any additional Voting Stock unless such acquisition would otherwise be permitted under this Section 6.06.

(c) Subject to the limitations of subparagraph (a) of this Section 6.06, the Shareholders, their Affiliates and Associates, as a group, shall have the right to purchase Voting Stock in the open market in an amount up to the Standstill Percentage.

(d) Except as otherwise provided herein, no Shareholder shall join any group or otherwise act in concert with any third person other than Permitted Transferees for the purpose of acquiring, holding or disposing of Voting Stock.

SECTION 6.07. ADDITIONAL STANDSTILL RESTRICTIONS. After the fifth anniversary of the Effective Time, the Shareholders covenant and agree as follows:

(a) The Shareholders shall not, and shall not permit any of their respective Affiliates or Associates to, directly or indirectly, authorize or make a tender or exchange offer for, or purchase or otherwise acquire, or agree to acquire or obtain, directly or indirectly, beneficial ownership of any Voting Stock, if the effect of such acquisition would be to increase the number of shares of Voting Stock then beneficially owned by the Shareholders, their Affiliates and their Associates, in the aggregate, to an amount representing more than 49% of Total Voting Power, unless such acquisition is made pursuant to a tender offer for 100% of Total Voting Power which tender offer is (i) made at a price per share which is not less than the Market Price per share on the last trading day before the announcement of such tender offer and (ii) conditioned upon the acquisition by the Shareholders, their Affiliates and their Associates of beneficial ownership of shares of Voting Stock representing at least 50% of the then outstanding Total Voting Power not beneficially owned by the Shareholders or their Affiliates or Associates. It is expressly understood and agreed that, for purposes of this Section 6.07, the Warrants, until exercised and subject to the terms of such exercise, do not constitute beneficial ownership of outstanding shares of Voting Stock.

(b) Subject to the limitations of subparagraph (a) of this Section 6.07, the Shareholders, their Affiliates and Associates, in the aggregate, shall have the right to purchase Voting Stock in the open market in an amount up to their aggregate percentage ownership permitted under such subparagraph (a).

(c) Except as otherwise provided herein, no Shareholder shall join any group or otherwise act in concert with any third person other than Permitted Transferees for the purpose of acquiring, holding or disposing of Voting Stock.

SECTION 6.08. VOTING. Until the earlier of the fifth anniversary of the Effective Time as the Shareholders no longer beneficially own at least 19% of the Voting Stock:

(a) The Shareholders will take all such action as may be required so that all shares of Voting Stock owned by the Shareholders, their Affiliates and Associates, as a group, are voted (in person or by proxy) (i) for Scotts' nominees to the Board of Directors of Scotts, in accordance with the recommendation of the Nominating Committee of the Board of Directors, and (ii) on all matters to be voted on by holders of Voting Stock, in accordance with the recommendation of the Board of Directors, except with respect to a proposal as to which shareholder approval is required under Ohio Law relating to (v) an acquisition of Voting Stock of Scotts, (w) a merger or consolidation, (x) a sale of all or substantially all of the assets of Scotts, (y) a recapitalization of Scotts or (z) an amendment to the Articles of Incorporation or Code of Regulations of Scotts which would materially adversely affect the rights of the Shareholders. Each Shareholder shall be present, in person or by proxy, at all duly held meetings of shareholders of Scotts so that all shares of Voting Stock held by the Shareholders may be counted for the purposes of determining the presence of a quorum at such meetings.

(b) Except as consented to by Scotts in writing, no Shareholder shall deposit any shares of Voting Stock owned by him or her in a voting trust that is not a Permitted Transferee or, subject any such shares to any similar arrangement or agreement with or for the benefit of any Person that is not a Permitted Transferee with respect to the voting of such shares.

(c) Without Scotts' prior written consent, no Shareholder shall solicit proxies with respect to any Voting Stock or become a participant in any election contest (as such terms are used in Rule 14a-11 of Regulation 14A under the Exchange Act) relating to the election of directors of Scotts.

(d) Without the prior consent of the Shareholder Representative, Scotts shall not (i) issue Voting Stock or Voting Stock Equivalents constituting in the aggregate more than 12.5% of Total Voting Power, other than pursuant to stock option or other employee benefit plans in the ordinary course of business, consistent with past practice; or (ii)

in any single transaction or series of related transactions outside of the ordinary course of business, make an acquisition or disposition of assets which would require disclosure pursuant to Item 2 of Form 8-K under the Exchange Act; provided, however, that if five-sixths of the Board of Directors of Scotts determines that it is in the best interests of Scotts and its shareholders to make an acquisition pursuant to clause (ii) above without the consent of the Shareholder Representative, such acquisition may be made without the consent of the Shareholder Representative.

SECTION 6.09. RESTRICTIONS ON TRANSFERS OF VOTING STOCK AND WARRANTS.

(a) Prior to the fifth anniversary of the Effective Time, no Shareholder shall, directly or indirectly, sell or transfer any Scotts Common Stock except:

(i) to Scotts or any Person or group approved by Scotts;

(ii) to any Permitted Transferee;

(iv) provided that the rights of the Shareholders under this Agreement shall not transfer to the transferee of such securities, pursuant to a bona fide public offering registered under the Securities Act (which shall be structured to distribute such shares or other securities, if any, through an underwriter or otherwise in such a manner as, to the extent practicable, will not result in any Person or group beneficially owning 3% or more of Total Voting Power being transferred to a single person or group);

(v) subject to Section 6.10, provided that the rights of the Shareholders under this Agreement shall not transfer to the transferee of such securities, pursuant to Rule 144, Rule 145 or Rule 144A under the Securities Act or otherwise, (x) if any such sale will not, to the knowledge of the Shareholder, result in any Person or group beneficially owning 3% or more of Total Voting Power to a single person or group and (y) if all such sales by the Shareholders within the preceding three months do not exceed, in the aggregate, the greatest of the limits set forth in Rule 144(e)(1) under the Securities Act;

(vi) in response to an offer to purchase or exchange for cash or other consideration any Voting Stock (x) which is made by or on behalf of Scotts, or (y) which is made by another person or group and is approved by the Board of Directors of Scotts within the time such Board is required, pursuant to regulations under the Exchange Act, to advise the shareholders of Scotts of such Board's position on such offer; or

(vii) subject to Section 6.10, in any transfer not otherwise described herein so long as such transfer does not, directly or indirectly, result, to the best knowledge of the Shareholder, after reasonable inquiry, in any Person or group beneficially owning 3% or more of Total Voting Power.

(b) No Shareholder shall, directly or indirectly, sell or transfer (x) any Convertible Preferred Stock or other Voting Stock or Voting Stock Equivalents (other than Scotts Common Stock) or (y) prior to the fifth anniversary of the Effective Time, any Warrants, except:

(i) to Scotts or any Person or group approved by Scotts;

(1) subject to Section 6.10, provided that the rights of the Shareholders under this Agreement shall not transfer to the transferee of such securities and provided that the Shareholders do not sell or transfer Warrants pursuant to this clause (1) more than once per fiscal quarter in the aggregate, pursuant to Rule 145 or Rule 144A under the Securities Act or otherwise, (x) if any such sale will not to the knowledge of the Shareholder, result in any Person or group beneficially owning 3% or more of Total Voting Power and (y) if all such sales by the Shareholders within the preceding three months do not exceed, in the aggregate, the greatest of the limits set forth in Rule 144(e)(1) under the Securities Act; or

(2) subject to Section 6.10, in any transfer not otherwise described herein so long as such transfer does not, directly or indirectly, result, to the best knowledge of the Shareholder, after reasonable inquiry, in any Person or group beneficially owning 3% or more of Total Voting Power.

Prior to making any sale or transfer of shares of Scotts Common Stock pursuant to Section 6.09(a) (v) or (vii) or of the Convertible Preferred Stock or Warrants pursuant to Section 6.09(b)(iv), the selling Shareholder (the "Selling Shareholder") will give Scotts the opportunity to purchase such shares in the following manner:

(a) The Selling Shareholder shall give notice (the "Transfer Notice") to Scotts in writing of such intention specifying the number of shares of Scotts Common Stock or Convertible Preferred Stock proposed to be sold or transferred, the proposed price therefor (the "Transfer Consideration") and the other material terms upon which such disposition is proposed to be made; provided, that in the case of a sale or transfer of Convertible Preferred Stock made pursuant to Section 6.09(b)(iv), the Transfer Consideration shall be equal to (x) the aggregate Market Price of the shares of Scotts Common Stock into which such shares of Convertible Preferred Stock could be converted at the time of such Transfer Notice multiplied by (B) 105%.

(b) Scotts shall have the right, exercisable by written notice given by Scotts to the Selling Shareholder within two business days after receipt of the Transfer Notice (except in the case of a sale or transfer of Convertible Preferred Stock made pursuant to Section 6.09(b)(iv), in which case, ten business days after receipt of the Transfer Notice), to purchase all or any part of the shares of Scotts Common Stock or Convertible Preferred Stock or the number of Warrants specified in such Transfer Notice for cash in an amount equivalent to the Transfer Consideration.

(c) If Scotts exercises its right of first offer hereunder, the closing of the purchase of the shares of Scotts Common Stock or Convertible Preferred Stock with respect to which such right has been exercised shall take place within ten business days after Scotts gives notice of such exercise, which period of time shall be extended, as necessary, in order to comply with applicable securities and other applicable laws and regulations. Upon exercise of its right of first offer, Scotts and the Selling Shareholder shall be legally obligated to consummate the purchase contemplated thereby and shall use their best efforts to secure any approvals required in connection therewith.

(d) If Scotts does not exercise its right of first offer hereunder within the time specified for such exercise, the Selling Shareholder shall be free, during the period of 90 calendar days following the expiration of such time for exercise, to sell the shares of Scotts Common Stock or Convertible Preferred Stock or the number of Warrants

- (f) agree or commit to do any of the foregoing; or

SECTION 7.02. ACCESS TO INFORMATION; CONFIDENTIALITY. (a) From the date hereof until the Effective Time, Scotts shall afford the Company, its officers, directors, employees, counsel, financial advisors, auditors and other authorized representatives (the "Company Representatives") reasonable access to the offices, properties, books and records of Scotts and Merger Subsidiary, will furnish to the Company and the Company Representatives such financial and operating data and other information as such Persons may reasonably request and will instruct Scotts' employees, counsel and financial advisors to cooperate with the Company in its investigation of the business of Scotts

and its Subsidiaries; provided that no investigation pursuant to this Section shall affect any representation or warranty given by Scotts and Merger Subsidiary to the Company and the Shareholders hereunder.

(b) All information obtained by the Company pursuant to this Section shall be kept confidential in accordance with the confidentiality agreements dated as of October 3, 1994, between Scotts and the Company.

SECTION 7.03. OBLIGATIONS OF MERGER SUBSIDIARY. Scotts will take all action necessary to cause Merger Subsidiary to perform its obligations under this Agreement and to consummate the Merger on the terms and conditions set forth in this Agreement.

SECTION 7.04. OTHER OFFERS. From the date hereof until the later of the termination of this Agreement and the Effective Time, neither Scotts nor any officer, director, employee or other agent of Scotts will, directly or indirectly, (i) take any action to solicit, initiate or encourage any inquiries or the making or implementation of any proposal or offer with respect to a merger, acquisition, consolidation or similar transaction involving, or any purchase of all or any significant portion of the assets or any equity securities of, Scotts (a "Scotts Acquisition Proposal"), other than the transactions contemplated by this Agreement, or (ii) engage in negotiations with, or disclose any nonpublic information relating to Scotts or afford access to the properties, books or records of Scotts to, any Person that Scotts believes may be considering making, or has made, a Scotts Acquisition Proposal. Scotts will promptly notify the Company upon receipt of any Scotts Acquisition Proposal or any indication that any Person is considering making a Scotts Acquisition Proposal or any request for nonpublic information relating to Scotts or for access to the properties, books or records of Scotts by any Person that may be considering making, or has made, a Scotts Acquisition Proposal and will keep the Company fully informed of the status and details of any such Scotts Acquisition Proposal, indication or request.

SECTION 7.05. NOTICES OF CERTAIN EVENTS. Scotts shall promptly notify the Company of:

- (i) any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated by this Agreement;
- (ii) any notice or other communication from any governmental or regulatory agency or authority in connection with the transactions contemplated by this Agreement;
- (iii) the occurrence, or non-occurrence, of any event the occurrence, or non-occurrence, of which would be likely to cause (x) any representation or warranty contained in this Agreement to be untrue or inaccurate or (y) any covenant, condition or agreement contained in this Agreement not to be complied with or satisfied; and
- (iv) any failure of Scotts or Merger Subsidiary to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder;

provided, however, that the delivery of any notice pursuant to this Section shall not limit or otherwise affect the remedies available hereunder to the Company.

SECTION 7.06. PROXY STATEMENT AND SHAREHOLDER VOTE. (a) As promptly as practicable after the execution of this Agreement, Scotts shall prepare and file with the SEC (i) the Scotts Proxy Statement relating to Scotts' 1995 Annual Meeting of Shareholders or a Special Meeting of Shareholders at which the Scotts Shareholder Consent will be solicited (the "Scotts Shareholder Meeting"), (ii) a registration statement on Form S-4 in which the Proxy Statement shall be included as a prospectus, in connection with the registration under the Securities Act of the

Merger Consideration (the "Registration Statement"). Scotts shall use its best efforts to cause the Registration Statement to become effective as promptly as practicable, and shall take all actions required under any applicable federal or state securities laws in connection with the issuance of the Merger Consideration. Scotts shall take such action as is necessary to ensure that the Proxy Statement and the Registration Statement comply with the Exchange Act and the Securities Act, respectively. As promptly as practicable after review by the SEC, Scotts shall mail the Scotts Proxy Statement to its shareholders. The Scotts Proxy Statement shall include the recommendation of the Board of Directors of Scotts in favor of (i) the amendment of Scotts' Articles of Incorporation to authorize the Convertible Preferred Stock; (ii) the acquisition by the Shareholders of more than 33-1/3% (but less than 50%) of Scotts' voting power, as contemplated by Section 1701.831 of the Ohio Law; and (iii) the amendment of Scotts' Code of Regulations to implement a classified Board of Directors consisting of three classes of up to four directors each, to require a two-thirds vote of Shareholders on certain matters and to implement certain limitations on the ability of shareholders to call special meetings. Attached hereto as Annex G is each of the amendments to Scotts' Articles of Incorporation and Code of Regulations which is proposed to be adopted by the shareholders of Scotts at the Scotts Shareholder Meeting.

(b) Scotts will ensure that the Scotts Proxy Statement and the Registration Statement will not, at the time (i) each such document is filed with the SEC, (ii) each such document is first published, sent or given to shareholders of Scotts, (iii) the Registration Statement is declared effective by the SEC, (iv) the Scotts Shareholder Meeting is convened and (v) the Effective Time occurs, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they are made, not misleading (except to the extent that any untrue statement or omission or alleged untrue statement or omission was made or omitted in reliance upon information furnished to Scotts by the Company or the Shareholders).

SECTION 7.07. DIRECTOR AND OFFICER INDEMNIFICATION. From and after the Effective Time, Scotts will cause the Surviving Corporation to indemnify and hold harmless the present and former officers and directors of the Miracle-Gro Constituent Companies in respect of acts or omissions occurring prior to the Effective Time to the extent provided under such Miracle-Gro Constituent Company's certificate of incorporation and by-laws, or equivalent organizational documents, in effect on the date hereof; provided, that such indemnification shall be subject to any limitation imposed from time to time under applicable law, and, provided, further, that such indemnification shall not apply to claims made by or on behalf of any stockholder or former stockholder of any Miracle-Gro Constituent Company.

SECTION 7.08. EMPLOYEE BENEFITS. From and after the Effective Time through the later of December 31, 1995 and such date as the employees of the Miracle-Gro Constituent Companies commence participation in Scotts' employee benefits plans, as described in the following sentence (the "Plan Transfer Date"), Scotts will cause the Surviving Corporation and/or New Miracle-Gro to provide benefits to the Miracle-Gro Constituent Companies' employees that are comparable to those provided by the Miracle-Gro Constituent Companies immediately prior to the Effective Time. From and after the Plan Transfer Date, all employees of the Surviving Corporation shall become participants in the employee benefit plans and programs maintained by Scotts for similarly situated employees of Scotts. Such employee benefit plans that are health benefit plans shall (i) recognize expenses and claims that were incurred by such employees in the year in which the Effective Time occurs and recognized for similar purposes under the Miracle-Gro Constituent Companies' plans as of the Effective Time, and (ii) provide coverage (without any required waiting period) for pre-existing health conditions to the extent covered under the applicable plans or programs of the Miracle-Gro Constituent Companies' plans as of the Effective Time. In addition, such employee benefit plans and programs shall credit such employees with years of service with the Miracle-Gro Constituent Companies for all plan purposes; provided, however, that no such crediting shall be required to the extent that it

would result in a duplication of benefits. Scotts will cause New Miracle-Gro, as successor corporation, to perform the obligations of the Company under the agreements set forth in Section 7.08 of the Miracle-Gro Disclosure Schedule.

SECTION 7.09. EMPLOYEE STOCK OPTIONS. Subject to the fiduciary duties of Scotts' Board of Directors and appropriate authorization therefrom, Scotts agrees to use reasonable efforts to fund the issuance of Scotts Common Stock pursuant to the exercise of employee stock options granted after the date hereof through shares of Scotts Common Stock held as treasury stock, which are acquired after the date hereof, or through open market or privately negotiated repurchases of Scotts Common Stock.

COVENANTS OF SCOTTS, THE MIRACLE-GRO CONSTITUENT COMPANIES AND THE SHAREHOLDERS

The parties hereto agree that:

SECTION 8.01. BEST EFFORTS. SECTION 8.02. CERTAIN FILINGS. The Miracle-Gro Constituent Companies and Scotts shall cooperate with one another (a) in connection with the preparation of the Scotts Proxy Statement and the Registration Statement (including, but not limited to, the preparation of any financial statements or pro forma financial statements required to be included therein), and (b) in determining whether any action by or in respect of, or filing with, any governmental body, agency or official, or authority is required, or any actions, consents, approvals or waivers are required to be obtained from parties to any material contracts, in connection with the consummation of the transactions contemplated by this Agreement and (c) in seeking any such actions, consents, approvals or waivers or making any such filings, furnishing information required in connection therewith or with the Scotts Proxy Statement or the Registration Statement and seeking timely to obtain any such actions, consents, approvals or waivers.

SECTION 8.03. PUBLIC ANNOUNCEMENTS. Scotts and the Company will consult with each other before issuing any press release or otherwise making any public statement with respect to this Agreement or any transaction contemplated herein and, except as may be required by applicable law or any listing agreement with any national securities exchange, Scotts will not issue any such press release or make any such public statement prior to such consultation and no Miracle-Gro Constituent Company will issue any such press release or make any such public statement without the prior written consent of Scotts, which shall not be unreasonably withheld.

SECTION 8.04. FURTHER ASSURANCES. At and after the Effective Time, the officers and directors of the Surviving Corporation will be authorized to execute and deliver, in the name and on behalf of the Company or Merger Subsidiary, any deeds, bills of sale, assignments or assurances and to take and do, in the name and on behalf of the Company or Merger Subsidiary, any other actions and things to vest, perfect or confirm of record or otherwise in the Surviving Corporation any and all right, title and interest in, to and under any of the rights, properties or assets of the Company acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger.

SECTION 8.05. TAX MATTERS. (a) The Shareholders shall be solely responsible for preparing and filing on a timely basis all Tax Returns with respect to the income, business, assets, operations, activities, status or other matters of the Miracle-Gro Constituent Companies for all taxable periods ending at or before the Effective Time. The Shareholders shall be solely responsible for and shall pay on a timely basis all taxes due thereon.

(b) Scotts shall be solely responsible for preparing and filing on a timely basis all Tax Returns with respect to the income, business, assets, operations, activities, status or other matters of the Company for all taxable periods beginning after the Effective Time. Scotts shall be solely responsible for and shall pay on a timely basis all taxes due thereon.

(c) The Shareholders and Scotts shall jointly prepare all Tax Returns with respect to the income, business, assets, operations, activities, status or other matters of the Miracle-Gro Constituent Companies for all taxable periods beginning before and ending after the Effective Time ("Straddle Periods"). The Shareholders and Scotts shall allocate any liability for taxes relating to Straddle Periods on the basis of an interim closing of the books as of the Effective Time.

(d) The Shareholders and Scotts agree to furnish to each other, upon written request, as promptly as practicable, such information and reasonable assistance relating to the Miracle-Gro Constituent Companies as is necessary for the filing of any Tax Return required to be filed after the Effective Time. The Shareholders and Scotts also agree to cooperate with each other in the conduct of any audit or other proceeding involving one or more of the Miracle-Gro Constituent Companies or any successor corporation. In any such case, each party shall use its best efforts to cause its financial advisors, auditors and other authorized representatives to cooperate therewith.

SECTION 8.06. TAX TREATMENT. (a) The Company and the Shareholders agree to accept the opinion of Skadden, Arps, Slate, Meagher & Flom, substantially in the form of Annex H hereto, in satisfaction of the condition set forth in Section 9.03(iv). The Company agrees that the representations and warranties set forth in the officer's certificate with respect to each of the Miracle-Gro Companies, which certificates are attached to such Annex H, are true and correct in all material respects as of the date hereof, and, assuming such representations and warranties continue to be true and correct in all material respects immediately prior to the Effective Time and that an authorized officer of Scotts and Merger Subsidiary executes the officer's certificate of Scotts and Merger Subsidiary attached to such Annex H, agree to cause an authorized officer of each of the Miracle-Gro Constituent Companies to execute such officer's certificates.

(b) None of the Shareholders, the Miracle-Gro Constituent Companies, Scotts or Merger Subsidiary has taken, or will take, any action or omitted to take any action which would (i) cause the representations and warranties in the officer's certificates (attached to Annex H) not to be true and correct in all material respects and (ii) cause any of the Merger Transactions to fail to qualify as a reorganization under Section 368(a) of the Code or otherwise jeopardize the status of any of the Merger Transactions as a tax-free reorganization within the meaning of Section 368(a) of the Code. The Shareholders and the Miracle-Gro Constituent Companies agree to use their best efforts to cause each of the Merger Transactions to qualify as tax-free reorganizations within the meaning of Section 368(a) of the Code.

(c) Scotts agrees to cause the Surviving Corporation and New Miracle-Gro not to take any action or omit to take any action at or after the Effective Time if Scotts reasonably believes after consultation with counsel that such action or inaction, respectively, would jeopardize the status of any of the Merger and the Subsequent Mergers as a tax-free reorganization within the meaning of Section 368(a) of the Code.

SECTION 8.07. TAX GROSS-UP. (a) Notwithstanding anything herein to the contrary, the parties hereby agree that prior to the Effective Time the Miracle-Gro Constituent Companies shall distribute to the Shareholders an amount equal to \$22 million. The Company may borrow funds to finance the payment of such distribution. Unless specifically requested by the Shareholder Representative, (i) no funds or assets will be supplied by Scotts directly or indirectly to repay such loan, and (ii) in the event that the Surviving Corporation determines that it does not have sufficient funds to repay such loan, it shall use its best efforts to borrow funds for such repayment without a guarantee or other credit support from Scotts.

(b) In the event that pursuant to Section 1366 of the Code, the aggregate taxable income of the Shareholders with respect to the aggregate income of the Miracle-Gro Constituent Companies for the fiscal year commencing October 1, 1994, and ending at the Effective Time exceeds \$22 million by up to \$1 million (such excess being the "Excess Amount"), Scotts shall cause New Miracle-Gro to distribute to the Shareholders an additional amount of cash equal to 46% of such Excess Amount. The foregoing distribution shall be made so as to qualify under Section 1371(e)(1) of the Code and, in any event, shall be made not later than 30 days following the date on which the said aggregate income of the Miracle-Gro Constituent Companies, or any portion thereof, is determined to exceed \$22 million.

(c) In the event that the distribution contemplated by Section 8.07(b) does not qualify as a distribution under Section 1371(e)(1) of the Code, Scotts shall pay the Shareholders an amount which, after the payment of all Taxes due from the Shareholders with respect to such amount, shall equal 46% of the Excess Amount. The amount to be paid to the Shareholders pursuant to this subsection shall not exceed \$852,000.

ARTICLE IX

SURVIVAL; INDEMNIFICATION

SECTION 11.01. SURVIVAL. The representations and warranties of the parties hereto contained in this Agreement or in any certificate or other writing delivered pursuant hereto or in connection herewith shall survive until the Effective Time and shall thereupon terminate and be of no further force and effect; provided, that the representations and warranties contained in Sections 3.12 and 4.11 shall survive until expiration of the applicable statutory period of limitations (giving effect to any waiver, mitigation or extension thereof), if later. Notwithstanding the preceding sentence, any representation or warranty in respect of which indemnity may be sought under Section 11.02 or 11.03 shall survive the time at which it would otherwise terminate pursuant to the preceding sentence, if notice of the specific inaccuracy or breach thereof giving rise to such right to indemnity shall have been given to the party against whom such indemnity may be sought prior to such time.

SECTION 11.02. INDEMNIFICATION. (a) The Company and each Shareholder hereby jointly and severally indemnify Scotts against and agree to hold it harmless from any and all damage, loss, liability and expense (including, without limitation, reasonable expenses of investigation and reasonable attorneys' fees and expenses in connection with any action, suit or proceeding) (collectively, "Loss") incurred or suffered by Scotts arising out of any misrepresentation or breach of warranty, covenant or agreement made or to be performed by the Company or the Shareholders pursuant to this Agreement.

(b) Scotts hereby indemnifies the Company and the Shareholders against and agrees to hold them harmless from any and all Loss incurred or suffered by the Company and/or the Shareholders arising out of any misrepresentation or breach of warranty, covenant or agreement made or to be performed by Scotts pursuant to this Agreement.

SECTION 11.03. PROCEDURES. (a) The party seeking indemnification under Section 11.02 (the "Indemnified Party") agrees to give prompt notice to the party against whom indemnity is sought (the "Indemnifying Party") of the assertion of any claim, or the commencement of any suit, action or proceeding in respect of which indemnity may be sought under such Section. The Indemnifying Party may, and at the request of the Indemnified Party shall, participate in and control the defense of any such suit, action or proceeding at its own expense. The Indemnifying Party shall not be liable under Section 11.02 for any settlement effected without its consent of any claim, litigation or proceeding in respect of which indemnity may be sought hereunder; provided that such consent is not unreasonably withheld.

(b) The Indemnified Party shall cooperate fully in all aspects of any matter for which indemnity is sought pursuant to this Article XI with respect to an action brought by a third party, including, in such case, by providing reasonable access to employees and officers (as witnesses or otherwise) and other information.

SECTION 12.02. AMENDMENTS; NO WAIVERS. Any provision of this Agreement may be amended or waived prior to the Effective Time if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by the parties hereto or in the case of a waiver, by the party against whom the waiver is to be effective; provided that after the adoption of this Agreement by the shareholders of Scotts, no such amendment or waiver shall, without the further approval of such shareholders, alter or change (i) the amount or kind of consideration to be received in exchange for any shares of capital stock of the Company, (ii) any term of the Articles of Incorporation of the Surviving Corporation or (iii) any of the terms or conditions of this Agreement if such alteration or change would adversely affect the holders of any shares of capital stock of Scotts.

SECTION 12.05. SEVERABILITY. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest

extent permitted by applicable law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

SECTION 12.06. ENTIRE AGREEMENT. This Agreement (together with the exhibits and annexes, the Company Disclosure Schedule, the Scotts Disclosure Schedule and the other documents delivered pursuant hereto) and the confidentiality agreements between the Company and Scotts constitute the entire agreement of the parties and supersede all prior agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof.

SECTION 12.07. SUCCESSORS AND ASSIGNS. TERMS OF
CLASS A CONVERTIBLE PREFERRED STOCK

1. DESIGNATION. This series of Preferred Stock shall be designated Class A Convertible Preferred Stock, without par value (the "Class A Preferred").

2. AUTHORIZED NUMBER. The number of shares constituting the Class A Preferred shall be One Hundred Ninety-Five Thousand (195,000) shares.

3. DIVIDENDS. (a) The holders of the Class A Preferred shall be entitled to receive, ratably with the holders of any other series of Preferred Stock with Parity Rights (as defined below) as to dividends based on their respective dividend rates, annual cumulative dividends in cash on each outstanding share of Class A Preferred at the rate of \$50.00 per share per annum. Such cumulative dividends shall be paid in equal amounts (other than with respect to the initial dividend period) quarterly on June 30, September 30, December 31 and March 31 of each year (unless such day is not a business day, in which event on the next business day) as declared by the Board of Directors to the extent legally permitted, to holders of record as they appear on the register for the Class A Preferred on the June 15, September 15, December 15 and March 15 immediately preceding the relevant Dividend Payment Date (as hereinafter defined), out of any funds at the time legally available therefor, shall accrue until so paid from the date of issuance of the applicable shares of Class A Preferred, and shall be deemed to accrue from day to day, whether or not declared. A quarterly dividend period shall begin on the day following each June 30, September 30, December 31 and March 31 (each a "Dividend Payment Date," whether or not a dividend is paid on such date) and end on the next succeeding Dividend Payment Date. Notwithstanding the foregoing, the first quarterly dividend period shall commence on the date of issue, and such dividend shall be paid on June 30, 1995 for the actual number of days in such period. If dividends shall not have been paid, or declared and set apart for payment, upon all outstanding shares of Class A Preferred at the aforesaid times and rates, such deficiency shall be cumulative in full. Any accumulation of dividends shall not bear interest.

(b) No dividends or other distribution (other than dividends payable in Common Stock), and no redemption, purchase or other acquisition for value (other than redemptions, purchases or acquisitions payable in Common Stock or repurchases of Common Stock from employees of the Company pursuant to obligations existing as of the date hereof or upon foreclosure pursuant to loans existing as of the date hereof to employees of the Company secured by Common Stock), shall be made with respect to the Common Stock or any other class or series of the Company's capital stock ranking junior to the Class A Preferred with respect to dividends or liquidation preferences until cumulative dividends on the Class A Preferred in the full amounts as set forth above for all dividend periods ending, and all amounts payable upon redemption of Class A Preferred, on or prior to the date on which the proposed dividend or distribution is paid, or the proposed redemption, purchase or other acquisition is effected, have been declared and paid or set apart for payment.

(c) (i) If on any Dividend Payment Date all or any portion of the dividend payable on such date is not so paid and at such time all or any portion of the dividend payable on the next preceding Dividend Payment Date remains in arrears, then from such second Dividend Payment Date (herein the commencement of a default period) until all accrued and unpaid dividends for all previous quarterly dividend periods and for the current quarterly dividend period on all shares of Class A Preferred then outstanding shall have been

declared and paid, all holders of Class A Preferred, voting separately as a class, shall have the right to elect three directors to the Company's Board of Directors ("Directors").

(ii) Such Directors shall be designated by the Shareholder Representative (as defined in the Merger Agreement) and shall be appointed to the Board, to fill vacancies newly created for such purpose, immediately upon such designation. After the holders of the Class A Preferred shall have exercised their right to elect Directors in any default period and during the continuance of such period, the number of Directors shall not be increased or decreased except by vote of the holders of Class A Preferred as herein provided.

(iii) Immediately upon the expiration of a default period, (x) the right of the holders of Class A Preferred as a class to elect Directors pursuant to this Section 3(c) shall cease, (y) the term of any Directors elected by the holders of Class A Preferred as a class pursuant to this Section 3(c) shall terminate, and (z) the number of Directors shall be such number as was in effect immediately prior to the increase contemplated by this Section 3(c).

4. LIQUIDATION PREFERENCE. In the event of any liquidation, dissolution, or winding up of the Company, either voluntary or involuntary, distributions to the shareholders of the Company shall be made in the following manner:

(a) The holders of the Class A Preferred shall be entitled to receive, ratably with the holders of any other series of Preferred Stock with Parity Rights (as defined below) as to liquidation preferences based on their respective preference amounts (which, in the case of the Class A Preferred, shall include any amounts owing in respect of accrued and unpaid dividends), prior and in preference to any distribution of any of the assets or funds of the Company to the holders of the Common Stock (or any other securities of the Company ranking junior to the Class A Preferred as to liquidation preferences), the preference amount (in cash) of \$1,000 per share for each share of Class A Preferred then held by them plus an amount equal to all accrued but unpaid dividends (whether or not declared) on the Class A Preferred to the date of liquidation, dissolution or winding up. If the assets and funds thus distributed among the holders of the Class A Preferred and of any other series of Preferred Stock with Parity Rights as to liquidation preferences are insufficient to permit the payment to such holders of the full preferential amount described above, then the entire assets and funds of the Company legally available for distribution shall be distributed among the holders of the Class A Preferred and of any other series of Preferred Stock with Parity Rights as to liquidation preferences in the proportion that the aggregate preferential amount of shares of Class A Preferred and of any other series of Preferred Stock with Parity Rights as to liquidation preferences held by each such holder bears to the aggregate preferential amount of all shares of Class A Preferred and of any other series of Preferred Stock with Parity Rights as to liquidation preferences. After payment has been made to the holders of the Class A Preferred and of any other series of Preferred Stock with Parity Rights as to liquidation preferences of the full amounts to which they are entitled, no further amounts shall be paid with respect to the Class A Preferred, and the remaining assets of the Company shall be distributed among the holders of the Common Stock (and other junior securities with regard to liquidation preferences) in accordance with the Restated Articles of Incorporation and applicable law.

(b) For purposes of this Section 4, a merger or consolidation of the Company with or into any other corporation or corporations in which the Company is not the surviving corporation, or a voluntary sale of all or substantially all of the assets of the Company, shall not be treated as a liquidation, dissolution or winding up of the Company (unless in connection therewith, the liquidation, dissolution or winding up of the Company is specifically approved), but shall be treated as provided in Section 7(e) hereof.

5. PROVISIONS GENERALLY APPLICABLE TO DIVIDENDS AND LIQUIDATION.

(a) The term "Parity Rights," as used in this Article FOURTH of the Restated Articles of Incorporation, shall mean dividend rights and liquidation preferences of any series of Preferred Stock of the Company which have preferences upon any liquidation, dissolution, or winding up of the Company or rights with respect to the declaration, payment and setting aside of dividends on a parity with those of the Class A Preferred.

(b) Except as otherwise permitted by the Agreement and Plan of Merger dated as of January 26, 1995 among Stern's Miracle-Gro Products, Inc., Stern's Nurseries, Inc., Miracle-Gro Lawn Products Inc., Miracle-Gro Products Limited, the Shareholders listed therein, the Company and ZYX Corporation (the "Merger Agreement"), the Company will not, by amendment of its Restated Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of Sections 3 and 4 and in the taking of all such action as may be necessary or appropriate in order to protect the dividend and liquidation rights of the holders of the Class A Preferred against impairment; provided, however, that nothing herein will prevent the Company from creating any new series of Preferred Stock with higher dividend rates or liquidation payments so long as the priority of such rights is not senior to the rights of the Class A Preferred.

6. VOTING RIGHTS. Except as otherwise required by law, the holder of each share of Class A Preferred shall be entitled to the number of votes equal to the number of shares of Common Stock into which such share of Class A Preferred could be converted at the record date for determination of the shareholders entitled to vote on such matters, such votes to be counted together with all other shares of stock of the Company having general voting power and not separately as a class or series. Holders of Class A Preferred shall be entitled to receive the same notice of any shareholders' meeting as is provided to holders of Common Stock. Fractional votes by the holders of Class A Preferred shall not, however, be permitted, and any fractional voting rights shall (after aggregating all shares into which shares of Class A Preferred held by each holder could be converted) be rounded to the nearest whole number. The Company will, or will cause the registrar to, transmit to the registered holders of the Class A Preferred all reports and communications from the Company that are generally mailed to holders of its Common Stock.

7. CONVERSION. The holders of the Class A Preferred have conversion rights as follows (the "Conversion Rights"):

(a) RIGHT TO CONVERT. Each share of Class A Preferred shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share and prior to the close of business of the Company on the business day next preceding any date set for the redemption thereof (provided that funds sufficient to redeem all shares to be redeemed on such date have been paid or made available for payment as described in Section 8(b)(iii)), at the office of the Company or any transfer agent for the Class A Preferred, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing \$1,000 by the Conversion Price, determined as hereinafter provided, in effect at the time of conversion. The price at which shares of Common Stock shall be deliverable upon conversion (the "Conversion Price") shall initially be \$19 per share of Common Stock. Such initial Conversion Price shall be subject to adjustment as hereinafter provided.

(b) ACCRUED DIVIDENDS AND FRACTIONAL SHARES. Dividends shall cease to accrue on shares of Class A Preferred surrendered for conversion into Common Stock; provided, however, that any dividends (whether or not declared) upon such shares which were accrued as of but not paid on or before the Dividend Payment Date immediately preceding the conversion date shall be paid in cash upon such conversion or as soon thereafter as permitted by law.

No fractional shares of Common Stock shall be issued upon conversion of Class A Preferred. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall, after aggregation of all fractional share interests held by each holder, pay cash equal to such remaining fractional interest multiplied by the Market Price at the time of conversion.

(c) MECHANICS OF CONVERSION. Before any holder of Class A Preferred shall be entitled to convert the same into full shares of Common Stock and to receive certificates therefor, such holder shall surrender the certificate or certificates for the Class A Preferred to be converted, duly endorsed, at the office of the Company or of any transfer agent for the Class A Preferred, and shall give written notice to the Company at such office that such holder elects to convert the same. The Company shall, as soon as practicable after such delivery, issue and deliver at such office to such holder of Class A Preferred (or to any other person specified in the notice delivered by such holder), a certificate or certificates for the number of shares of Common Stock to which such holder shall be entitled as aforesaid and a check payable to the holder for any cash amounts payable as the result of a conversion into fractional shares of Common Stock. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Class A Preferred to be converted, and the person or persons entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on such date. In case any certificate for shares of Class A Preferred shall be surrendered for conversion of only a part of the shares represented thereby, the Company shall deliver at such office to or upon the written order of the holder thereof, a certificate or certificates for the number of shares of Class A Preferred represented by such surrendered certificate which are not being converted. Notwithstanding the foregoing, the Company shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such conversion unless the certificates evidencing Class A Preferred are either delivered to the Company or its transfer agent, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. The issuance of certificates for shares of Common Stock issuable upon conversion of shares of Class A Preferred shall be made without charge to the converting holder for any tax imposed in respect of the issuance thereof; provided that the Company shall not be required to pay any tax which may be payable with respect to any transfer involved in the issue and delivery of any certificate in a name other than that of the holder of the shares of Class A Preferred being converted.

(d) EFFECTS OF CERTAIN EVENTS.

(i) COMMON STOCK DIVIDENDS, SUBDIVISIONS OR COMBINATIONS. In case the Company shall (A) pay or make a dividend or other distribution to all holders of its Common Stock in shares of its Common Stock, (B) subdivide, split or reclassify the outstanding shares of its Common Stock into a larger number of shares or (C) combine or reclassify the outstanding shares of its Common Stock into a smaller number of shares, the Conversion Price in effect immediately prior thereto shall be adjusted so that the holder of each outstanding share of Class A Preferred shall thereafter be entitled to receive upon the conversion of such share the number of shares of Common Stock which such holder would have owned and been entitled to receive had such shares of Class A Preferred been converted immediately prior to the happening of any of the events described above

or, in the case of a stock dividend or other distribution, prior to the record date for determination of shareholders entitled thereto. An adjustment made pursuant to this clause (i) shall become effective immediately after such record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, split, combination or reclassification.

(ii) DISTRIBUTIONS OF ASSETS OR SECURITIES OTHER THAN COMMON STOCK.

In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock shares of any of its capital stock (other than Common Stock), rights or warrants to purchase any of its securities (other than those referred to in (iii) below), cash (other than any regular quarterly or semi-annual dividend which the Board of Directors of the Company determines), other assets or evidences of its indebtedness, then in each such case the Conversion Price shall be adjusted by multiplying the Conversion Price in effect immediately prior to the date of such dividend or distribution by a fraction, of which the numerator shall be the Average Market Price per share of Common Stock at the record date for determining shareholders entitled to such dividend or distribution less the fair market value (as determined in good faith by the Board of Directors) of the portion of the securities, cash, assets or evidences of indebtedness so distributed applicable to one share of Common Stock, and of which the denominator shall be such Average Market Price per share. An adjustment made pursuant to this clause (ii) shall become effective immediately after such record date.

(iii) BELOW MARKET DISTRIBUTIONS OR ISSUANCES.

In case the Company shall issue Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock) to all holders of Common Stock at a price per share (or having an effective exercise, exchange or conversion price per share) less than the Average Market Price per share of Common Stock at the record date for the determination of shareholders entitled to receive such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock), then in each such case the Conversion Price shall be adjusted by multiplying the Conversion Price in effect immediately prior to the date of issuance of such Common Stock (or rights, warrants or other securities) by a fraction, the numerator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of shares which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable) would purchase at such Average Market Price, and the denominator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of additional shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable). An adjustment made pursuant to this clause (iii) shall become effective immediately after the record date for determination of shareholders entitled to receive or purchase such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock). For purposes of this clause (iii), the issuance of any options, rights or warrants or any shares of Common Stock (whether treasury shares or newly issued shares) pursuant to any employee (including consultants and directors) benefit or stock option or purchase plan or program of the Company shall not be deemed to constitute an issuance of Common Stock or options, rights or warrants to which this clause (iii) applies. Notwithstanding anything herein to the contrary, no further adjustment to the Conversion Price shall be made (i) upon the issuance or sale of Common Stock upon the exercise of any rights or warrants or (ii) upon the issuance or sale of Common Stock upon conversion or exchange of any convertible securities, if any adjustment in the Conversion Price was made or required to be made upon the issuance or sale of such rights, warrants or securities.

(iv) REPURCHASES.

In case at any time or from time to time the Company or any subsidiary thereof shall repurchase, by self tender offer or otherwise, any shares of Common Stock of the Company at a weighted

average purchase price in excess of the Average Market Price on the business day immediately prior to the earliest of the date of such repurchase, the commencement of an offer to repurchase or the public announcement of either (such date being referred to as the "Determination Date"), the Conversion Price in effect as of such Determination Date shall be adjusted by multiplying such Conversion Price by a fraction, the numerator of which shall be (A) the product of (x) the number of shares of Common Stock outstanding on such Determination Date and (y) the Average Market Price of the Common Stock on such Determination Date minus (B) the aggregate purchase price of such repurchase and the denominator of which shall be the product of (x) the number of shares of Common Stock outstanding on such Determination Date minus the number of shares of Common Stock repurchased by the Company or any subsidiary thereof in such repurchase and (y) the Average Market Price of the Common Stock on such Determination Date. For purposes of this clause (iv), the repurchase or repurchases by the Company or any subsidiary thereof within any 12 month period of not more than 15% of the shares of Common Stock outstanding as of the first date of such period, at a price not in excess of 120% of the Average Market Price as of the Determination Date of any such repurchase, shall not be deemed to constitute a repurchase to which this clause (iv) applies. An adjustment made pursuant to this clause (iv) shall become effective immediately after the effective date of such repurchase.

(e) CERTAIN REORGANIZATIONS. In the event of any change, reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company (other than any reclassification referred to in Section 7(d)(i)), whether pursuant to a merger, consolidation, reorganization or otherwise, or the sale or other disposition of all or substantially all of the assets and properties of the Company, the shares of Class A Preferred shall, after such merger, consolidation, reorganization or other transaction, sale or other disposition, be convertible into the kind and number of shares of stock or other securities or property, of the Company or otherwise, to which such holder would have been entitled if immediately prior to such event such holder had converted its shares of Class A Preferred into Common Stock at the Conversion Price in effect as of the consummation of such event. The provisions of this Section 7(e) shall similarly apply to successive changes, reclassifications, conversions, exchange or cancellations.

(f) NO IMPAIRMENT. Except as permitted by the Merger Agreement, the Company will not, by amendment of its Restated Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Section 7 and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights of the holders of the Class A Preferred against impairment.

(g) CALCULATION OF ADJUSTMENTS. No adjustment in the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustments which by reason of this subsection (g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 7 shall be made by the Company and shall be made to the nearest cent or to the nearest one hundredth of a share, as the case may be. Anything in this Section 7 to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Conversion Price, in addition to those required by this Section 7, as it in its sole discretion shall determine to be advisable in order that any stock dividends, subdivision of shares, distribution of rights to purchase stock or securities, or a distribution of securities convertible into or exchangeable for stock hereafter made by the Company to its shareholders shall not be taxable.

(h) CERTIFICATE AS TO ADJUSTMENTS. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 8, the Company at its expense shall promptly compute such

adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Class A Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of any holder of Class A Preferred, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the conversion of Class A Preferred.

(i) NOTICES.

(A) In the event that the Company shall propose at any time:

(1) to declare any dividend or distribution upon its Common Stock;

(2) to offer for subscription pro rata to the holders of any class or series of its stock any additional shares of stock of any class or series or other rights; or

(3) to effect any transaction of the type described in Section 7(e) hereof involving a change in the Common Stock;

then, in connection with each such event, the Company shall send to the holders of the Class A Preferred:

(i) at least 20 days' prior written notice of the date on which a record shall be taken for such dividend or distribution (and specifying the date on which the holders of Common Stock shall be entitled thereto) or for determining rights to vote in respect of the matters referred to in (1) and (2) above; and

(ii) in the case of the matters referred to in (3) above, at least 20 days' prior written notice of the date when the same shall take place (and specifying the time on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon the occurrence of such event).

(B) In the event of any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall send to the holders of the Class A Preferred at least 20 days' prior written notice.

(C) The Company shall send written notice immediately upon any public announcement with respect to an open market repurchase program, any self tender offer for shares of Common Stock and any other repurchase other than a repurchase of stock of an employee or consultant pursuant to any benefit plan or agreement.

8. REDEMPTION.

(a) REDEMPTION. The Class A Preferred shall not be subject to redemption prior to the last day of the month in which the fifth anniversary of the date of issuance occurs. On or after such date, the Company may, at its option, redeem all or from time to time any part of the shares of Class A Preferred, out of funds legally available therefor, upon giving the Redemption Notice as set forth in Section 8(b) hereof. The redemption

payment for each share of Class A Preferred shall be an amount (the "Redemption Payment") in cash equal to the sum of (i) the amount of all accrued and unpaid dividends (whether or not declared) thereon to and including the date fixed for redemption plus (ii) \$1000. In the event of a redemption of only a part of the then outstanding Class A Preferred, the Company shall effect such redemption ratably according to the number of shares held by each holder of Class A Preferred.

(b) MECHANICS OF REDEMPTION.

(i) At least 30 days, but no more than 60 days, prior to the date fixed for any redemption pursuant to Section 8(a) (the "Redemption Date"), the Company shall send a written notice (the "Redemption Notice") to the holders of shares to be redeemed on such date (the "Redemption Shares") stating: (A) the total number of shares being redeemed; (B) the number of Redemption Shares held by such holder; (C) the Redemption Date and the Redemption Payment; (D) the date on which such holder's conversion rights as to such shares shall terminate; and (E) the manner in which and the place at which such holder is to surrender to the Company the certificate or certificates representing the Redemption Shares.

(ii) Upon the surrender to the Company, in the manner and at the place designated, of a certificate or certificates representing Redemption Shares, the Redemption Payment for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof. All such surrendered certificates shall be cancelled. Upon redemption of only a portion of the shares of Class A Preferred represented by a certificate surrendered for redemption, the Company shall issue and deliver to or upon the written order of the holder of the certificate so surrendered, at the expense of the Company (except for expenses relating to the issuance of such shares to a person other than the record holder of the Redemption Shares), a new certificate representing the unredeemed shares of Class A Preferred represented by the certificate so surrendered.

(iii) On or prior to the Redemption Date, the Company shall have the option to deposit the aggregate of all Redemption Payments for all Redemption Shares (other than Redemption Shares surrendered for conversion prior to such date) in a bank or trust company (designated in the notice of such redemption) doing business in the State of Ohio or the City of New York, having aggregate capital and surplus in excess of \$500,000,000, as a trust fund for the benefit of the respective holders of Redemption Shares, with irrevocable instructions and authority to the bank or trust company to pay the appropriate Redemption Payment to the holders of Redemption Shares upon receipt of notification from the Company that such holder has surrendered the certificate representing such shares to the Company. Such instructions shall also provide that any such moneys remaining unclaimed at the expiration of one year following the Redemption Date shall thereafter be returned to the Company upon its request as expressed in a resolution of its Board of Directors. The holder of any Redemption Shares in respect of which such deposit has been returned to the Company pursuant to the preceding sentence shall have a claim as an unsecured creditor against the Company for the Redemption Payment in respect thereof, without interest.

(iv) Provided that the Company has given the Redemption Notice described in Section 8(b)(i) and has on or prior to the Redemption Date either paid or made available (as described in Section 8(b)(iii)) Redemption Payments to the holders of Redemption Shares, all Redemption Shares shall be deemed to have been redeemed as of the close of business of the Company on the applicable Redemption Date. Thereafter, the holder of such shares shall no longer be treated for any purposes as the record holder of such shares of Class A Preferred, regardless of whether the certificates representing such shares are surrendered to the Company or its transfer agent, excepting only the right of the holder to receive the appropriate Redemption Payment, without

interest, upon such surrender. Such shares so redeemed shall not be transferred on the books of the Company or be deemed to be outstanding for any purpose whatsoever.

(v) The Company shall not be obligated to pay the Redemption Payment to any holder of Redemption Shares unless the certificates evidencing such shares are either delivered to the Company or its transfer agent, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates.

(c) LIMITATION ON REDEMPTION. The Company shall not be obligated to redeem any shares of Class A Preferred which have previously been converted into Common Stock. The Company shall not be obligated to redeem shares pursuant to this Section 8 if such redemption would violate any provisions of applicable law. If, after giving the Redemption Notice, the Company is unable, pursuant to applicable law, to redeem some or all unconverted Redemption Shares on any particular Redemption Date, the Company shall promptly notify the holders thereof of the facts that prevent the Company from so redeeming such shares. Thereafter, the Company shall redeem such unredeemed Redemption Shares at such time as it is lawfully able to do so.

9. STATUS OF CONVERTED SHARES. If shares of Class A Preferred are converted pursuant to Section 7 hereof or redeemed pursuant to Section 8 hereof, the shares so converted or redeemed shall resume the status of authorized but unissued shares of Preferred Stock of the Company unless otherwise prohibited by applicable law.

10. NOTICES. All notices, requests, demands, and other communications hereunder shall be in writing and shall be deemed to have been duly given if delivered by hand or when sent by telegram or telecopier (with receipt confirmed), provided a copy is also sent by express (overnight, if possible) courier, addressed (i) in the case of a holder of Class A Preferred, to such holder's address of record, and (ii) in the case of the Company, to the Company's principal executive offices to the attention of the Company's secretary.

11. AMENDMENTS AND WAIVERS. Any right, preference, privilege or power of, or restriction provided for the benefit of, the Class A Preferred set forth herein may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively) with the written consent of the Company and the affirmative vote or written consent of the holders of not less than a majority of the shares of Class A Preferred then outstanding, and any amendment or waiver so effected shall be binding upon the Company and all holders of Class A Preferred.

12. ADDITIONAL DEFINITIONS. As used herein the term "Trading Day" means each Monday, Tuesday, Wednesday, Thursday and Friday which is a day on which the New York Stock Exchange, Inc. is open for trading.

As used herein, the term "Market Price" of a share of Common Stock or of any other security of the Company on any date shall mean: (i) the last reported sales price of the Common Stock or such other security on the principal national securities exchange on which such Common Stock or other security is listed or admitted to trading or, if no such reported sale takes place on such date, the average of the closing bid and asked prices thereon, as reported in THE WALL STREET JOURNAL, or (ii) if such Common Stock or other security shall not be listed or admitted to trading on a national securities exchange, the last reported sales price on the NASDAQ National Market or, if no such reported sales takes place on any such date, the average of the closing bid and asked prices thereon, as reported in THE WALL STREET JOURNAL, or (iii) if such Common Stock or other security shall not be quoted on such National Market nor listed or admitted to trading on a national

securities exchange, then the average of the closing bid and asked prices, as reported by THE WALL STREET JOURNAL for the over-the-counter market, or (iv) if there is no public market for such Common Stock or other security, the fair market value of a share of such Common Stock or a unit of such other security as determined in good faith by the Board of Directors of the Company.

The term "Average Market Price" shall mean the average of the Market Prices for the 30 consecutive trading days immediately preceding the date in question.

2. EXERCISE OF WARRANT.

2.1 METHOD. The purchase rights represented by this Warrant are exercisable by the Holder in whole or in part, at any time, or from time to time, during the term hereof as described in Section 1 above and subject to Section 2.5, by the surrender of this Warrant and the Notice of Exercise annexed hereto duly completed and executed by the Holder at the principal executive office of the Company at 14111 Scottslawn Road, Marysville, Ohio 43041 (or such other office or agency of the Company as it may designate by notice in writing to the Holder), upon payment in cash or by wire transfer to a bank account designated by the Company or by a certified or cashier's check of the aggregate Exercise Price of the shares to be purchased; provided, however, that, in lieu of cash, such Holder may pay such Exercise Price by exchanging shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price or by reducing the number of shares of Common Stock such Holder would otherwise be entitled to upon such exercise by a number of shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price.

2.2 EFFECT. This Warrant shall be deemed to have been exercised at the time of its surrender for exercise together with full payment as provided above, and the person entitled to receive the shares of Common Stock issuable upon such exercise shall be treated for all purposes as the holder of record of such shares at and after such time. As promptly as practicable on or after such date the Company at its expense shall issue to the person entitled to receive the same a certificate for the number of shares of Common Stock issuable upon such exercise. If this Warrant is exercised in part, the Company at its expense will execute and deliver a new Warrant exercisable for the number of shares for which this Warrant may then be exercised.

2.3 HOLDER NOT A SHAREHOLDER. The Holder shall neither be entitled to vote nor receive dividends nor be deemed the holder of Common Stock or any other securities of the Company that may at any time be issuable on the exercise hereof for any purpose until the Warrant has been exercised for shares of Common Stock as provided in this Section 2.

2.4 NO FRACTIONAL SHARES OR SCRIP. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the exercise of this Warrant. In lieu of any fractional share to which the Holder would otherwise be entitled, the Company shall make a cash payment equal to the Exercise Price multiplied by such fraction.

2.5 EXERCISE FOR CASH IN CERTAIN CIRCUMSTANCES. Notwithstanding the foregoing, (a) until the fifth anniversary of the Warrant Issue Date, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed the Standstill Percentage, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time and (b) thereafter, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed 49%, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time.

3. REGISTERED WARRANTS.

3.1 SERIES. This Warrant is one of a series of Warrants, designated as Series A, which are identical except as to the number of shares of Common Stock purchasable and as to any restriction on the transfer thereof in order to comply with the Securities Act of 1933 (the "Act") and the regulations of the Securities and Exchange Commission promulgated thereunder or state securities or blue sky laws. Such Warrants are referred to herein collectively as the "Warrants."

3.2 RECORD OWNERSHIP. The Company shall maintain a register of the Holders of the Warrants (the "Register") showing their names and addresses and the serial numbers and number of Common Shares purchasable, issued to or transferred of record by them from time to time. The Register may be maintained in electronic, magnetic or other computerized form. The Company may treat the person named as the Holder of this Warrant in the Register as the sole owner of this Warrant. The Holder of this Warrant is the person exclusively entitled to receive notifications with respect to this Warrant, exercise it to purchase shares of Common Stock and otherwise exercise all of the rights and powers as the absolute owner hereof.

3.3 REGISTRATION OF TRANSFER. To the extent permitted under the Merger Agreement, transfers of this Warrant may be registered on the Register. Transfers shall be registered when this Warrant is presented to the Company duly endorsed with a request to register the transfer hereof in accordance with the terms of the Merger Agreement. When this Warrant is presented for transfer and duly transferred hereunder, it shall be cancelled and a new Warrant showing the name of the transferee as the Holder thereof shall be issued in lieu hereof. No transfer of this Warrant may take place except in accordance with the terms of the Merger Agreement.

3.4 WORN AND LOST WARRANTS. If this Warrant becomes worn, defaced or mutilated but is still substantially intact and recognizable, the Company or its agent may issue a new Warrant in lieu hereof upon its surrender. If this Warrant is lost, destroyed or wrongfully taken, the Company shall issue a new Warrant in place of the original Warrant if the Holder so requests by written notice to the Company and the Holder has delivered to the Company an indemnity agreement reasonably satisfactory to the Company with an affidavit of the Holder that this Warrant has been lost, destroyed or wrongfully taken.

3.5 RESTRICTIONS ON TRANSFER. (a) This Warrant and the Common Stock issuable upon the exercise hereof have been registered under the Act on Form S-4, and therefore this Warrant and the Common Stock issuable upon the exercise of this Warrant may not be offered for sale, sold or otherwise transferred unless such offer, sale or other transfer complies with Rule 145 under the Act and is otherwise registered under the appropriate state securities or Blue Sky laws or such transfer is exempt from such registration.

(b) No transfer of this Warrant or the Common Stock issuable upon the exercise hereof may be made except in accordance with the terms of the Merger Agreement.

3.6 WARRANT AGENT. The Company may, by written notice to the Holder, appoint an agent for the purpose of maintaining the Register, issuing Common Stock or other securities then issuable upon the exercise of this Warrant, exchanging or transferring this Warrant, or any or all of the foregoing.

Thereafter, any such registration, issuance, exchange, or transfer, as the case may be, shall be made at the office of such agent.

4. RESERVATION OF STOCK. The Company covenants that, during the term this Warrant is exercisable, the Company will reserve from its authorized and unissued Common Stock or Common Stock held in Treasury a sufficient number of shares to provide for the issuance of Common Stock upon the exercise of this Warrant. The Company further covenants that all shares that may be issued upon the exercise of rights represented by this Warrant, upon exercise of the rights represented by this Warrant and payment of the Exercise Price, all as set forth herein, will be duly authorized, validly issued, fully paid and non-assessable. The Company agrees that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the exercise of this Warrant.

5. EFFECTS OF CERTAIN EVENTS.

5.1 COMMON STOCK DIVIDENDS, SUBDIVISIONS OR COMBINATIONS. In case the Company shall (A) pay or make a dividend or other distribution to all holders of its Common Stock in shares of its Common Stock, (B) subdivide, split or reclassify the outstanding shares of its Common Stock into a larger number of shares or (C) combine or reclassify the outstanding shares of its Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior thereto shall be adjusted so that the Holder of this Warrant shall thereafter be entitled to receive upon the exercise of this Warrant, subject to Section 2.5, the number of shares of Common Stock which such Holder would have owned and been entitled to receive had such Warrant been exercised immediately prior to the happening of any of the events described above or, in the case of a stock dividend or other distribution, prior to the record date for determination of shareholders entitled thereto. An adjustment made pursuant to this Section 5.1 shall become effective immediately after such record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, split, combination or reclassification.

5.2 DISTRIBUTIONS OF ASSETS OR SECURITIES OTHER THAN COMMON STOCK. In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock shares of any of its capital stock (other than Common Stock), rights or warrants to purchase any of its securities (other than those referred to in Section 5.3 below), cash (other than any regular quarterly or semi-annual dividend which the Board of Directors of the Company determines), other assets or evidences of its indebtedness, then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the date of such dividend or distribution by a fraction, of which the numerator shall be the Average Market Price per share of Common Stock at the record date for determining shareholders entitled to such dividend or distribution less the fair market value (as determined in good faith by the Board of Directors) of the portion of the securities, cash, assets or evidences of indebtedness so distributed applicable to one share of Common Stock, and of which the denominator shall be such Average Market Price per share. An adjustment made pursuant to this Section 5.2 shall become effective immediately after such record date.

5.3 BELOW MARKET DISTRIBUTIONS OR ISSUANCES. In case the Company shall issue Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock) to all holders of Common Stock at a price per share (or having an effective exercise, exchange or conversion price per share) less than the Average Market Price per share of Common Stock at the record date for the determination of shareholders entitled to receive such Common Stock (or rights, warrants

or other securities convertible into or exchangeable or exercisable for shares of Common Stock), then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the date of issuance of such Common Stock (or rights, warrants or other securities) by a fraction, the numerator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of shares which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable) would purchase at such Average Market Price, and the denominator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of additional shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable). An adjustment made pursuant to this Section 5.3 shall become effective immediately after the record date for determination of shareholders entitled to receive or purchase such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock). For purposes of this Section 5.3, the issuance of any options, rights or warrants or any shares of Common Stock (whether treasury shares or newly issued shares) pursuant to any employee (including consultants and directors) benefit or stock option or purchase plan or program of the Company shall not be deemed to constitute an issuance of Common Stock or options, rights or warrants to which this Section 5.3 applies. Notwithstanding anything herein to the contrary, no further adjustment to the Exercise Price shall be made (i) upon the issuance or sale of Common Stock upon the exercise of any rights or warrants or (ii) upon the issuance or sale of Common Stock upon conversion or exchange of any convertible securities, if any adjustment in the Exercise Price was made or required to be made upon the issuance or sale of such rights, warrants or securities.

5.4 REPURCHASES. In case at any time or from time to time the Company or any subsidiary thereof shall repurchase, by self tender offer or otherwise, any shares of Common Stock of the Company at a weighted average purchase price in excess of the Average Market Price on the business day immediately prior to the earliest of the date of such repurchase, the commencement of an offer to repurchase or the public announcement of either (such date being referred to as the "Determination Date"), the Exercise Price in effect as of such Determination Date shall be adjusted by multiplying such Exercise Price by a fraction, the numerator of which shall be (A) the product of (x) the number of shares of Common Stock outstanding on such Determination Date and (y) the Average Market Price of the Common Stock on such Determination Date minus (B) the aggregate purchase price of such repurchase and the denominator of which shall be the product of (x) the number of shares of Common Stock outstanding on such Determination Date minus the number of shares of Common Stock repurchased by the Company or any subsidiary thereof in such repurchase and (y) the Average Market Price of the Common Stock on such Determination Date. For purposes of this clause (iv), the repurchase or repurchases by the Company or any subsidiary thereof within any 12 month period of not more than 15% of the shares of Common Stock outstanding as of the first date of such period, at a price not in excess of 120% of the Average Market Price as of the Determination Date of any such repurchase, shall not be deemed to constitute a repurchase to which this Section 5.4 applies. An adjustment made pursuant to this Section 5.4 shall become effective immediately after the effective date of such repurchase.

6. CERTAIN REORGANIZATIONS. In the event of any change, reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company (other than any reclassification referred to in Section 5.1), whether pursuant to a merger, consolidation, reorganization or otherwise, or the sale or other disposition of all or substantially all of the assets and properties of the Company, this Warrant

shall, after such merger, consolidation, reorganization or other transaction, sale or other disposition, be exercisable for the kind and number of shares of stock or other securities or property, of the Company or otherwise, to which the Holder would have been entitled if immediately prior to such event such Holder had exercised this Warrant for Common Stock at the Exercise Price in effect as of the consummation of such event. The provisions of this Section 6 shall similarly apply to successive changes, reclassifications, conversions, exchange or cancellations.

7. NO IMPAIRMENT. Except as permitted by the Merger Agreement, the Company will not, by amendment of its Restated Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may be necessary or appropriate in order to protect the exercise rights of the Holder hereof against impairment.

8. CALCULATION OF ADJUSTMENTS. No adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustments which by reason of this Section 8 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Warrant shall be made by the Company and shall be made to the nearest cent or to the nearest one hundredth of a share, as the case may be. Anything in this Warrant to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those required by this Warrant, as it in its sole discretion shall determine to be advisable in order that any stock dividends, subdivision of shares, distribution of rights to purchase stock or securities, or a distribution of securities convertible into or exchangeable for stock hereafter made by the Company to its shareholders shall not be taxable.

9. CERTIFICATE AS TO ADJUSTMENTS. Upon the occurrence of each adjustment or readjustment of the Exercise Price pursuant to this Warrant, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Holder of this Warrant a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of the Holder of this Warrant, furnish or cause to be furnished to such Holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Exercise Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the exercise of this Warrant; provided, however, that the Company shall not be required to calculate the effect of Section 2.5 upon such exercise.

10. NOTICES.

10.1 DILUTIVE EVENTS. In the event that the Company shall propose at any time:

(1) to declare any dividend or distribution upon its Common Stock;

(2) to offer for subscription pro rata to the holders of any class or series of its stock any additional shares of stock of any class or series or other rights; or

(3) to effect any transaction of the type described in Section 6 hereof involving a change in the Common Stock;

then, in connection with each such event, the Company shall send to the Holders of this Warrant:

(A) at least 20 days' prior written notice of the date on which a record shall be taken for such dividend or distribution (and specifying the date on which the holders of Common Stock shall be entitled thereto) or for determining rights to vote in respect of the matters referred to in (1) and (2) above; and

(B) in the case of the matters referred to in (3) above, at least 20 days' prior written notice of the date when the same shall take place (and specifying the time on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon the occurrence of such event).

10.2 DISSOLUTION; LIQUIDATION. In the event of any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall send to the Holder of this Warrant at least 20 days' prior written notice.

10.3 REPURCHASE PROGRAMS. The Company shall send written notice immediately upon any public announcement with respect to an open market repurchase program, any self tender offer for shares of Common Stock and any other repurchase other than a repurchase of stock of an employee or consultant pursuant to any benefit plan or agreement.

11. AMENDMENTS. This Warrant may not be amended without the prior written consent of the Holder.

12. ADDITIONAL DEFINITION. As used herein, the term "Average Market Price" shall mean the average of the Market Prices for the 30 consecutive trading immediately preceding the date in question.

13. NOTICES. Any notice, certificate or other communication which is required or convenient under the terms of this Warrant shall be duly given if it is in writing and delivered in person or mailed by first class mail, postage prepaid, and directed to the Holder of the Warrant at its address as it appears on the Register or if to the Company to its principal executive offices. The time when such notice is sent shall be the time of the giving of the notice.

14. TIME. Where this Warrant provides for a payment or performance on a Saturday or Sunday or a public holiday in the State of Ohio, such payment or performance may be made on the next succeeding business day, without liability of the Company for interest on any such payment.

15. RULES OF CONSTRUCTION. In this Warrant, unless the context otherwise requires, words in the singular number include the plural, and in the plural include the singular, and words of the masculine gender include the feminine and the neuter, and when the sense so indicates, words of the neuter gender may refer to any gender. The numbers and titles of sections contained in this Warrant are inserted for convenience of reference only, and they neither form a part of this Warrant nor are they to be used in the construction or interpretation hereof.

16. GOVERNING LAW. This Warrant shall be construed in accordance with and governed by the law of the State of Ohio.

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed by its officer thereto duly authorized.

This Warrant is registered and its transfer may be registered upon the books maintained for that purpose by the Company by delivery of this Warrant duly endorsed.

Terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Merger Agreement.

1. TERM OF WARRANT. Subject to the terms and conditions set forth herein, this Warrant shall be exercisable, in whole or in part, during the term commencing on [March 31], 1995 and ending at 5:00 p.m., Eastern time, on the date eight years and six months after the Warrant Issue Date, and shall be void thereafter.

C-1

2. EXERCISE OF WARRANT.

2.1 METHOD. The purchase rights represented by this Warrant are exercisable by the Holder in whole or in part, at any time, or from time to time, during the term hereof as described in Section 1 above and subject to Section 2.5, by the surrender of this Warrant and the Notice of Exercise annexed hereto duly completed and executed by the Holder at the principal executive office of the Company at 14111 Scottslawn Road, Marysville, Ohio 43041 (or such other office or agency of the Company as it may designate by notice in writing to the Holder), upon payment in cash or by wire transfer to a bank account designated by the Company or by a certified or cashier's check of the aggregate Exercise Price of the shares to be purchased; provided, however, that, in lieu of cash, such Holder may pay such Exercise Price by exchanging shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price or by reducing the number of shares of Common Stock such Holder would otherwise be entitled to upon such exercise by a number of shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price.

2.2 EFFECT. This Warrant shall be deemed to have been exercised at the time of its surrender for exercise together with full payment as provided above, and the person entitled to receive the shares of Common Stock issuable upon such exercise shall be treated for all purposes as the holder of record of such shares at and after such time. As promptly as practicable on or after such date the Company at its expense shall issue to the person entitled to receive the same a certificate for the number of shares of Common Stock issuable upon such exercise. If this Warrant is exercised in part, the Company at its expense will execute and deliver a new Warrant exercisable for the number of shares for which this Warrant may then be exercised.

2.3 HOLDER NOT A SHAREHOLDER. The Holder shall neither be entitled to vote nor receive dividends nor be deemed the holder of Common Stock or any other securities of the Company that may at any time be issuable on the exercise hereof for any purpose until the Warrant has been exercised for shares of Common Stock as provided in this Section 2.

2.4 NO FRACTIONAL SHARES OR SCRIP. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the exercise of this Warrant. In lieu of any fractional share to which the Holder would otherwise be entitled, the Company shall make a cash payment equal to the Exercise Price multiplied by such fraction.

2.5 EXERCISE FOR CASH IN CERTAIN CIRCUMSTANCES. Notwithstanding the foregoing, (a) until the fifth anniversary of the Warrant Issue Date, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed the Standstill Percentage, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time and (b) thereafter, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed 49%, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time.

3. REGISTERED WARRANTS.

3.1 SERIES. This Warrant is one of a series of Warrants, designated as Series B, which are identical except as to the number of shares of Common Stock purchasable and as to any restriction on the transfer thereof in order to comply with the Securities Act of 1933 (the "Act") and the regulations of the Securities and Exchange Commission promulgated thereunder or state securities or blue sky laws. Such Warrants are referred to herein collectively as the "Warrants."

3.2 RECORD OWNERSHIP. The Company shall maintain a register of the Holders of the Warrants (the "Register") showing their names and addresses and the serial numbers and number of Common Shares purchasable, issued to or transferred of record by them from time to time. The Register may be maintained in electronic, magnetic or other computerized form. The Company may treat the person named as the Holder of this Warrant in the Register as the sole owner of this Warrant. The Holder of this Warrant is the person exclusively entitled to receive notifications with respect to this Warrant, exercise it to purchase shares of Common Stock and otherwise exercise all of the rights and powers as the absolute owner hereof.

3.3 REGISTRATION OF TRANSFER. To the extent permitted under the Merger Agreement, transfers of this Warrant may be registered on the Register. Transfers shall be registered when this Warrant is presented to the Company duly endorsed with a request to register the transfer hereof in accordance with the terms of the Merger Agreement. When this Warrant is presented for transfer and duly transferred hereunder, it shall be cancelled and a new Warrant showing the name of the transferee as the Holder thereof shall be issued in lieu hereof. No transfer of this Warrant may take place except in accordance with the terms of the Merger Agreement.

3.4 WORN AND LOST WARRANTS. If this Warrant becomes worn, defaced or mutilated but is still substantially intact and recognizable, the Company or its agent may issue a new Warrant in lieu hereof upon its surrender. If this Warrant is lost, destroyed or wrongfully taken, the Company shall issue a new Warrant in place of the original Warrant if the Holder so requests by written notice to the Company and the Holder has delivered to the Company an indemnity agreement reasonably satisfactory to the Company with an affidavit of the Holder that this Warrant has been lost, destroyed or wrongfully taken.

3.5 RESTRICTIONS ON TRANSFER. (a) This Warrant and the Common Stock issuable upon the exercise hereof have been registered under the Act on Form S-4, and therefore this Warrant and the Common Stock issuable upon the exercise of this Warrant may not be offered for sale, sold or otherwise transferred unless such offer, sale or other transfer complies with Rule 145 under the Act and is otherwise registered under the appropriate state securities or Blue Sky laws or such transfer is exempt from such registration.

(b) No transfer of this Warrant or the Common Stock issuable upon the exercise hereof may be made except in accordance with the terms of the Merger Agreement.

3.6 WARRANT AGENT. The Company may, by written notice to the Holder, appoint an agent for the purpose of maintaining the Register, issuing Common Stock or other securities then issuable upon the exercise of this Warrant, exchanging or transferring this Warrant, or all of the foregoing.

Thereafter, any such registration, issuance, exchange, or transfer, as the case may be, shall be made at the office of such agent.

4. RESERVATION OF STOCK. The Company covenants that, during the term this Warrant is exercisable, the Company will reserve from its authorized and unissued Common Stock or Common Stock held in Treasury a sufficient number of shares to provide for the issuance of Common Stock upon the exercise of this Warrant. The Company further covenants that all shares that may be issued upon the exercise of rights represented by this Warrant, upon exercise of the rights represented by this Warrant and payment of the Exercise Price, all as set forth herein, will be duly authorized, validly issued, fully paid and non-assessable. The Company agrees that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the exercise of this Warrant.

5. EFFECTS OF CERTAIN EVENTS.

5.1 COMMON STOCK DIVIDENDS, SUBDIVISIONS OR COMBINATIONS. In case the Company shall (A) pay or make a dividend or other distribution to all holders of its Common Stock in shares of its Common Stock, (B) subdivide, split or reclassify the outstanding shares of its Common Stock into a larger number of shares or (C) combine or reclassify the outstanding shares of its Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior thereto shall be adjusted so that the Holder of this Warrant shall thereafter be entitled to receive upon the exercise of this Warrant, subject to Section 2.5, the number of shares of Common Stock which such Holder would have owned and been entitled to receive had such Warrant been exercised immediately prior to the happening of any of the events described above or, in the case of a stock dividend or other distribution, prior to the record date for determination of shareholders entitled thereto. An adjustment made pursuant to this Section 5.1 shall become effective immediately after such record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, split, combination or reclassification.

5.2 DISTRIBUTIONS OF ASSETS OR SECURITIES OTHER THAN COMMON STOCK. In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock shares of any of its capital stock (other than Common Stock), rights or warrants to purchase any of its securities (other than those referred to in Section 5.3 below), cash (other than any regular quarterly or semi-annual dividend which the Board of Directors of the Company determines), other assets or evidences of its indebtedness, then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the date of such dividend or distribution by a fraction, of which the numerator shall be the Average Market Price per share of Common Stock at the record date for determining shareholders entitled to such dividend or distribution less the fair market value (as determined in good faith by the Board of Directors) of the portion of the securities, cash, assets or evidences of indebtedness so distributed applicable to one share of Common Stock, and of which the denominator shall be such Average Market Price per share. An adjustment made pursuant to this Section 5.2 shall become effective immediately after such record date.

5.3 BELOW MARKET DISTRIBUTIONS OR ISSUANCES. In case the Company shall issue Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock) to all holders of Common Stock at a price per share (or having an effective exercise, exchange or conversion price per share) less than the Average Market Price per share of Common Stock at the record date for the determination of shareholders entitled to receive such Common Stock (or rights, warrants

or other securities convertible Exercise Price in effect immediately prior to the date of issuance of such Common Stock (or rights, warrants or other securities) by a fraction, the numerator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of shares which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable) would purchase at such Average Market Price, and the denominator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of additional shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable). An adjustment made pursuant to this Section 5.3 shall become effective immediately after the record date for determination of shareholders entitled to receive or purchase such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock). For purposes of this Section 5.3, the issuance of any options, rights or warrants or any shares of Common Stock (whether treasury shares or newly issued shares) pursuant to any employee (including consultants and directors) benefit or stock option or purchase plan or program of the Company shall not be deemed to constitute an issuance of Common Stock or options, rights or warrants to which this Section 5.3 applies. Notwithstanding anything herein to the contrary, no further adjustment to the Exercise Price shall be made (i) upon the issuance or sale of Common Stock upon the exercise of any rights or warrants or (ii) upon the issuance or sale of Common Stock upon conversion or exchange of any convertible securities, if any adjustment in the Exercise Price was made or required to be made upon the issuance or sale of such rights, warrants or securities.

5.4 REPURCHASES. In case at any time or from time to time the Company or any subsidiary thereof shall repurchase, by self tender offer or otherwise, any shares of Common Stock of the Company at a weighted average purchase price in excess of the Average Market Price on the business day immediately prior to the earliest of the date of such repurchase, the commencement of an offer to repurchase or the public announcement of either (such date being referred to as the "Determination Date"), the Exercise Price in effect as of such Determination Date shall be adjusted by multiplying such Exercise Price by a fraction, the numerator of which shall be (A) the product of (x) the number of shares of Common Stock outstanding on such Determination Date and (y) the Average Market Price of the Common Stock on such Determination Date minus (B) the aggregate purchase price of such repurchase and the denominator of which shall be the product of (x) the number of shares of Common Stock outstanding on such Determination Date minus the number of shares of Common Stock repurchased by the Company or any subsidiary thereof in such repurchase and (y) the Average Market Price of the Common Stock on such Determination Date. For purposes of this clause (iv), the repurchase or repurchases by the Company or any subsidiary thereof within any 12 month period of not more than 15% of the shares of Common Stock outstanding as of the first date of such period, at a price not in excess of 120% of the Average Market Price as of the Determination Date of any such repurchase, shall not be deemed to constitute a repurchase to which this Section 5.4 applies. An adjustment made pursuant to this Section 5.4 shall become effective immediately after the effective date of such repurchase.

6. CERTAIN REORGANIZATIONS. In the event of any change, reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company (other than any reclassification referred to in Section 5.1), whether pursuant to a merger, consolidation, reorganization or otherwise, or the sale or other disposition of all or substantially all of the assets and properties of the Company, this Warrant

shall, after such merger, consolidation, reorganization or other transaction, sale or other disposition, be exercisable for the kind and number of shares of stock or other securities or property, of the Company or otherwise, to which the Holder would have been consummation of such event. The provisions of this Section 6 shall similarly apply to successive changes, reclassifications, conversions, exchange or cancellations.

7. NO IMPAIRMENT. Except as permitted by the Merger Agreement, the Company will not, by amendment of its Restated Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may be necessary or appropriate in order to protect the exercise rights of the Holder hereof against impairment.

8. CALCULATION OF ADJUSTMENTS. No adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustments which by reason of this Section 8 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Warrant shall be made by the Company and shall be made to the nearest cent or to the nearest one hundredth of a share, as the case may be. Anything in this Warrant to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those required by this Warrant, as it in its sole discretion shall determine to be advisable in order that any stock dividends, subdivision of shares, distribution of rights to purchase stock or securities, or a distribution of securities convertible into or exchangeable for stock hereafter made by the Company to its shareholders shall not be taxable.

9. CERTIFICATE AS TO ADJUSTMENTS. Upon the occurrence of each adjustment or readjustment of the Exercise Price pursuant to this Warrant, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Holder of this Warrant a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of the Holder of this Warrant, furnish or cause to be furnished to such Holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Exercise Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the exercise of this Warrant; provided, however, that the Company shall not be required to calculate the effect of Section 2.5 upon such exercise.

10. NOTICES.

10.1 DILUTIVE EVENTS. In the event that the Company shall propose any time:

(1) to declare any dividend or distribution upon its Common Stock;

(2) to offer for subscription pro rata to the holders of any class or series of its stock any additional shares of stock of any class or series or other rights; or

(3) to effect any transaction of the type described in Section 6 hereof involving a change in the Common Stock;

then, in connection with each such event, the Company shall send to the Holders of this Warrant:

(A) at least 20 days' prior written notice of the date on which a record shall be taken for such dividend or distribution (and specifying the date on which the holders of Common Stock shall be entitled thereto) or for determining rights to vote in respect of the matters referred to in (1) and (2) above; and

(B) in the case of the matters referred to in (3) above, at least 20 days' prior written notice of the date when the same shall take place (and specifying the time on which the holders of Common Stock shall be entitled to exchange their Common Stock for securities or other property deliverable upon the occurrence of such event).

10.2 DISSOLUTION; LIQUIDATION. In the event of any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall send to the Holder of this Warrant at least 20 days' prior written notice.

10.3 REPURCHASE PROGRAMS. The Company shall send written notice immediately upon any public announcement with respect to an open market repurchase program, any self tender offer for shares of Common Stock and any other repurchase other than a repurchase of stock of an employee or consultant pursuant to any benefit plan or agreement.

11. AMENDMENTS. This Warrant may not be amended without the prior written consent of the Holder.

12. ADDITIONAL DEFINITION. As used herein, the term "Average Market Price" shall mean the average of the Market Prices for the 30 consecutive trading immediately preceding the date in question.

13. NOTICES. Any notice, certificate or other communication which is required or convenient under the terms of this Warrant shall be duly given if it is in writing and delivered in person or mailed by first class mail, postage prepaid, and directed to the Holder of the Warrant at its address as it appears on the Register or if to the Company to its principal executive offices. The time when such notice is sent shall be the time of the giving of the notice.

14. TIME. Where this Warrant provides for a payment or performance on a Saturday or Sunday or a public holiday in the State of Ohio, such payment or performance may be made on the next succeeding business day, without liability of the Company for interest on any such payment.

15. RULES OF CONSTRUCTION. In this Warrant, unless the context otherwise requires, words in the singular number include the plural, and in the plural include the singular, and words of the masculine gender include the feminine and the neuter, and when the sense so indicates, words of the neuter gender may refer to any gender. The numbers and titles of sections contained in this Warrant are inserted for convenience of reference only, and they neither form a part of this Warrant nor are they to be used in the construction or interpretation hereof.

16. Governing Law. This Warrant shall be construed in accordance with and governed by the law of the State of Ohio.

IN WITNESS WHEREOF, the Company has caused this Warrant to be executed by its officer thereto duly authorized.

2. EXERCISE OF WARRANT.

2.1 METHOD. The purchase rights represented by this Warrant are exercisable by the Holder in whole or in part, at any time, or from time to time, during the term hereof as described in Section 1 above and subject to Section 2.5, by the surrender of this Warrant and the Notice of Exercise annexed hereto duly completed and executed by the Holder at the principal executive office of the Company at 14111 Scottslawn Road, Marysville, Ohio 43041 (or such other office or agency of the Company as it may designate by notice in writing to the Holder), upon payment in cash or by wire transfer to a bank account designated by the Company or by a certified or cashier's check of the aggregate Exercise Price of the shares to be purchased; provided, however, that, in lieu of cash, such Holder may pay such Exercise Price by exchanging shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price or by reducing the number of shares of Common Stock such Holder would otherwise be entitled to upon such exercise by a number of shares of Common Stock having an aggregate Market Price equal to the aggregate Exercise Price.

2.2 EFFECT. This Warrant shall be deemed to have been exercised at the time of its surrender for exercise together with full payment as provided above, and the person entitled to receive the shares of Common Stock issuable upon such exercise shall be treated for all purposes as the holder of record of such shares at and after such time. As promptly as practicable on or after such date the Company at its expense shall issue to the person entitled to receive the same a certificate for the number of shares of Common Stock issuable upon such exercise. If this Warrant is exercised in part, the Company at its expense will execute and deliver a new Warrant exercisable for the number of shares for which this Warrant may then be exercised.

2.3 HOLDER NOT A SHAREHOLDER. The Holder shall neither be entitled to vote nor receive dividends nor be deemed the holder of Common Stock or any other securities of the Company that may at any time be issuable on the exercise hereof for any purpose until the Warrant has been exercised for shares of Common Stock as provided in this Section 2.

2.4 NO FRACTIONAL SHARES OR SCRIP. No fractional shares or scrip representing fractional shares of Common Stock shall be issued upon the exercise of this Warrant. In lieu of any fractional share to which the Holder would otherwise be entitled, the Company shall make a cash payment equal to the Exercise Price multiplied by such fraction.

2.5 EXERCISE FOR CASH IN CERTAIN CIRCUMSTANCES. Notwithstanding the foregoing, (a) until the fifth anniversary of the Warrant Issue Date, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed the Standstill Percentage, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time and (b) thereafter, in the event, and to the extent that, the exercise of this Warrant would cause the Total Voting Power of the Shareholders to exceed 49%, this Warrant shall not be exercisable for shares of Common Stock but rather shall be exercisable solely for the difference at the time of exercise between the Market Price and the Exercise Price at such time.

3. Registered Warrants.

3.1 SERIES. This Warrant is one of a series of Warrants, designated as Series C, which are identical except as to the number of shares of Common Stock purchasable and as to any restriction on the transfer thereof in order to comply with the Securities Act of 1933 (the "Act") and the regulations of the Securities and Exchange Commission promulgated thereunder or state securities or blue sky laws. Such Warrants are referred to herein collectively as the "Warrants."

3.2 RECORD OWNERSHIP. The Company shall maintain a register of the Holders of the Warrants (the "Register") showing their names and addresses and the serial numbers and number of Common Shares purchasable, issued to or transferred of record by them from time to time. The Register may be maintained in electronic, magnetic or other computerized form. The Company may treat the person named as the Holder of this Warrant in the Register as the sole owner of this Warrant. The Holder of this Warrant is the person exclusively entitled to receive notifications with respect to this Warrant, exercise it to purchase shares of Common Stock and otherwise exercise all of the rights and powers as the absolute owner hereof.

3.3 REGISTRATION OF TRANSFER. To the extent permitted under the Merger Agreement, transfers of this Warrant may be registered on the Register. Transfers shall be registered when this Warrant is presented to the Company duly endorsed with a request to register the transfer hereof in accordance with the terms of the Merger Agreement. When this Warrant is presented for transfer and duly transferred hereunder, it shall be cancelled and a new Warrant showing the name of the transferee as the Holder thereof shall be issued in lieu hereof. No transfer of this Warrant may take place except in accordance with the terms of the Merger Agreement.

3.4 WORN AND LOST WARRANTS. If this Warrant becomes worn, defaced or mutilated but is still substantially intact and recognizable, the Company or its agent may issue a new Warrant in lieu hereof upon its surrender. If this Warrant is lost, destroyed or wrongfully taken, the Company shall issue a new Warrant in place of the original Warrant if the Holder so requests by written notice to the Company and the Holder has delivered to the Company an indemnity agreement reasonably satisfactory to the Company with an affidavit of the Holder that this Warrant has been lost, destroyed or wrongfully taken.

3.5 RESTRICTIONS ON TRANSFER. (a) This Warrant and the Common Stock issuable upon the exercise hereof have been registered under the Act on Form S-4, and therefore this Warrant and the Common Stock issuable upon the exercise of this Warrant may not be offered for sale, sold or otherwise transferred unless such offer, sale or other transfer complies with Rule 145 under the Act and is otherwise registered under the appropriate state securities or Blue Sky laws or such transfer is exempt from such registration.

(b) No transfer of this Warrant or the Common Stock issuable upon the exercise hereof may be made except in accordance with the terms of the Merger Agreement.

3.6 WARRANT AGENT. The Company may, by written notice to the Holder, appoint an agent for the purpose of maintaining the Register, issuing Common Stock or other securities then issuable upon the exercise of this Warrant, exchanging or transferring this Warrant, or any or all of the foregoing.

Thereafter, any such registration, issuance, exchange, or transfer, as the case may be, shall be made at the office of such agent.

4. RESERVATION OF STOCK. The Company covenants that, during the term this Warrant is exercisable, the Company will reserve from its authorized and unissued Common Stock or Common Stock held in Treasury a sufficient number of shares to provide for the issuance of Common Stock upon the exercise of this Warrant. The Company further covenants that all shares that may be issued upon the exercise of rights represented by this Warrant, upon exercise of the rights represented by this Warrant and payment of the Exercise Price, all as set forth herein, will be duly authorized, validly issued, fully paid and non-assessable. The Company agrees that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for shares of Common Stock upon the exercise of this Warrant.

5. EFFECTS OF CERTAIN EVENTS.

5.1 COMMON STOCK DIVIDENDS, SUBDIVISIONS OR COMBINATIONS. In case the Company shall (A) pay or make a dividend or other distribution to all holders of its Common Stock in shares of its Common Stock, (B) subdivide, split or reclassify the outstanding shares of its Common Stock into a larger number of shares or (C) combine or reclassify the outstanding shares of its Common Stock into a smaller number of shares, the Exercise Price in effect immediately prior thereto shall be adjusted so that the Holder of this Warrant shall thereafter be entitled to receive upon the exercise of this Warrant, subject to Section 2.5, the number of shares of Common Stock which such Holder would have owned and been entitled to receive had such Warrant been exercised immediately prior to the happening of any of the events described above or, in the case of a stock dividend or other distribution, prior to the record date for determination of shareholders entitled thereto. An adjustment made pursuant to this Section 5.1 shall become effective immediately after such record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, split, combination or reclassification.

5.2 DISTRIBUTIONS OF ASSETS OR SECURITIES OTHER THAN COMMON STOCK. In case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock shares of any of its capital stock (other than Common Stock), rights or warrants to purchase any of its securities (other than those referred to in Section 5.3 below), cash (other than any regular quarterly or semi-annual dividend which the Board of Directors of the Company determines), other assets or evidences of its indebtedness, then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the date of such dividend or distribution by a fraction, of which the numerator shall be the Average Market Price per share of Common Stock at the record date for determining shareholders entitled to such dividend or distribution less the fair market value (as determined in good faith by the Board of Directors) of the portion of the securities, cash, assets or evidences of indebtedness so distributed applicable to one share of Common Stock, and of which the denominator shall be such Average Market Price per share. An adjustment made pursuant to this Section 5.2 shall become effective immediately after such record date.

5.3 BELOW MARKET DISTRIBUTIONS OR ISSUANCES. In case the Company shall issue Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock) to all holders of Common Stock at a price per share (or having an effective exercise, exchange or conversion price per share) less than the Average Market Price per share of

Common Stock at the record date for the determination of shareholders entitled to receive such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock), then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the date of issuance of such Common Stock (or rights, warrants or other securities) by a fraction, the numerator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of shares which the aggregate consideration receivable by the Company for the total number of shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable) would purchase at such Average Market Price, and the denominator of which shall be the sum of (A) the number of shares of Common Stock outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of additional shares of Common Stock so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable). An adjustment made pursuant to this Section 5.3 shall become effective immediately after the record date for determination of shareholders entitled to receive or purchase such Common Stock (or rights, warrants or other securities convertible into or exchangeable or exercisable for shares of Common Stock). For purposes of this Section 5.3, the issuance of any options, rights or warrants or any shares of Common Stock (whether treasury shares or newly issued shares) pursuant to any employee (including consultants and directors) benefit or stock option or purchase plan or program of the Company shall not be deemed to constitute an issuance of Common Stock or options, rights or warrants to which this Section 5.3 applies. Notwithstanding anything herein to the contrary, no further adjustment to the Exercise Price shall be made (i) upon the issuance or sale of Common Stock upon the exercise of any rights or warrants or (ii) upon the issuance or sale of Common Stock upon conversion or exchange of any convertible securities, if any adjustment in the Exercise Price was made or required to be made upon the issuance or sale of such rights, warrants or securities.

5.4 REPURCHASES. In case at any time or from time to time the Company or any subsidiary thereof shall repurchase, by self tender offer or otherwise, any shares of Common Stock of the Company at a weighted average purchase price in excess of the Average Market Price on the business day immediately prior to the earliest of the date of such repurchase, the commencement of an offer to repurchase or the public announcement of either (such date being referred to as the "Determination Date"), the Exercise Price in effect as of such Determination Date shall be adjusted by multiplying such Exercise Price by a fraction, the numerator of which shall be (A) the product of (x) the number of shares of Common Stock outstanding on such Determination Date and (y) the Average Market Price of the Common Stock on such Determination Date minus (B) the aggregate purchase price of such repurchase and the denominator of which shall be the product of (x) the number of shares of Common Stock outstanding on such Determination Date minus the number of shares of Common Stock repurchased by the Company or any subsidiary thereof in such repurchase and (y) the Average Market Price of the Common Stock on such Determination Date. For purposes of this clause (iv), the repurchase or repurchases by the Company or any subsidiary thereof within any 12 month period of not more than 15% of the shares of Common Stock outstanding as of the first date of such period, at a price not in excess of 120% of the Average Market Price as of the Determination Date of any such repurchase, shall not be deemed to constitute a repurchase to which this Section 5.4 applies. An adjustment made pursuant to this Section 5.4 shall become effective immediately after the effective date of such repurchase.

6. CERTAIN REORGANIZATIONS. In the event of any change, reclassification, conversion, exchange or cancellation of outstanding shares of Common Stock of the Company (other than any

reclassification referred to in Section 5.1), whether pursuant to a merger, consolidation, reorganization or otherwise, or the sale or other disposition of all or substantially all of the assets and properties of the Company, this Warrant shall, after such merger, consolidation, reorganization or other transaction, sale or other disposition, be exercisable for the kind and number of shares of stock or other securities or property, of the Company or otherwise, to which the Holder would have been entitled if immediately prior to such event such Holder had exercised this Warrant for Common Stock at the Exercise Price in effect as of the consummation of such event. The provisions of this Section 6 shall similarly apply to successive changes, reclassifications, conversions, exchange or cancellations.

7. NO IMPAIRMENT. Except as permitted by the Merger Agreement, the Company will not, by amendment of its Restated Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this Warrant and in the taking of all such action as may be necessary or appropriate in order to protect the exercise rights of the Holder hereof against impairment.

8. CALCULATION OF ADJUSTMENTS. No adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustments which by reason of this Section 8 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Warrant shall be made by the Company and shall be made to the nearest cent or to the nearest one hundredth of a share, as the case may be. Anything in this Warrant to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those required by this Warrant, as it in its sole discretion shall determine to be advisable in order that any stock dividends, subdivision of shares, distribution of rights to purchase stock or securities, or a distribution of securities convertible into or exchangeable for stock hereafter made by the Company to its shareholders shall not be taxable.

9. CERTIFICATE AS TO ADJUSTMENTS. Upon the occurrence of each adjustment or readjustment of the Exercise Price pursuant to this Warrant, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Holder of this Warrant a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of the Holder of this Warrant, furnish or cause to be furnished to such Holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Exercise Price at the time in effect, and (iii) the number of shares of Common Stock and the amount, if any, of other property which at the time would be received upon the exercise of this Warrant; provided, however, that the Company shall not be required to calculate the effect of Section 2.5 upon such exercise.

10. NOTICES.

10.1 Dilutive Events. In the event that the Company shall propose at any time:

- (1) to declare any dividend or distribution upon its Common Stock;

(2) to offer for subscription pro rata to the holders of any class or series of its stock any additional shares of stock of any class or series or other rights; or

REGISTRATION RIGHTS

SECTION 1. REPRESENTATIVE. The Shareholder Representative shall act on behalf of the Shareholders in connection with the matters set forth in this Annex E. Scotts shall be entitled to rely on any notices from the Shareholder Representative as if it came from the Shareholders.

SECTION 2. DEMAND REGISTRATION. (a) The Shareholder Representative may at any time request Scotts, in writing, to register under the Securities Act any or all of the shares of Scotts Common Stock owned by the Shareholders (or any securities issued in respect of the Scotts Common Stock, by dividend, reclassification, merger or otherwise) (the "Registrable Securities"). Scotts shall use its best efforts to cause the number of Registrable Securities specified in such request to be registered as soon as reasonably practicable so as to permit the sale thereof as specified in such request, and in connection therewith prepare and file as promptly as practicable with the SEC a registration statement under the Securities Act to effect such registration on such appropriate form as Scotts shall reasonably determine, provided that each such request shall (i) specify the number of Registrable Securities intended to be offered and sold; (ii) express the present intention of the applicable Shareholders to offer or cause the offering of such number of Registrable Securities for distribution; (iii) describe the nature or method of the proposed offer and sale thereof, including the plan of distribution therefor (including, but not limited to, unless Scotts shall otherwise agree, no more than one offering on a delayed or continuous basis pursuant to Rule 415 (or any successor rule to similar effect) promulgated under the Securities Act (a "Rule 415 Offering")); (iv) cover an aggregate number of Registrable Securities equal to at least 30% of the Registrable Securities held in the aggregate by the Shareholders at such time; (v) not be made less than one year after the effective date of any other registration statement filed under this Section 2; and (vi) contain the undertaking of the Shareholders to provide all such information and materials and take all such action as may be required in order to permit Scotts to comply with all applicable requirements of the SEC and to obtain any desired acceleration of the effective date of such registration statement. The obligation of Scotts to register any Registrable Securities on demand in accordance with this Section 2 shall expire after Scotts has filed registration statements by reason of such demands on three separate occasions; provided, that a registration statement shall not be deemed to have been filed if it shall be subject to a stop order, injunction or other governmental action restricting distribution thereunder.

(b) The obligation of Scotts to use its best efforts to cause the Registrable Securities to be registered under the Securities Act is subject to the limitation that Scotts shall be entitled to postpone for a reasonable period of time, but not more than ninety calendar days from the receipt of the Shareholder Representative's notice, the filing of any registration statement otherwise required to be prepared and filed by it pursuant hereto if, at the time it receives a request for such registration, Scotts, based on advice of counsel, determines, in its reasonable judgment, that such registration and sale (i) would interfere with any financing, acquisition, corporate reorganization or other material transaction involving Scotts or (ii) would require the disclosure of material information and such disclosure would adversely affect Scotts, and, in either case, promptly gives written notice of such determination. If Scotts shall so postpone the filing of a registration statement, the Shareholders shall have the right to withdraw the request for registration by giving written notice to Scotts within thirty calendar days after receipt of the notice of postponement (and, in the event of such withdrawal, such request shall not be counted as a request for

registration pursuant hereto). Scotts shall not be entitled to postpone a registration statement pursuant to this Section 2(b) more than once per any 365 day period.

SECTION 3. PIGGYBACK REGISTRATION. (a) If Scotts shall, at any time and from time to time, propose the registration under the Securities Act of an underwritten offering for cash of any of its equity securities, whether for the account of Scotts or another shareholder, Scotts shall give written notice as promptly as possible of such proposed registration to the Shareholders and will use its best efforts to include in such registration the sale of such number of Registrable Securities as the Shareholder Representative shall request, within 14 days after the giving of such notice, upon the same terms (including the method of distribution) as such offering; provided that: (i) Scotts shall not be required to give notice or include any such Registrable Securities in any such registration if the proposed registration is primarily (A) a registration of a stock option or compensation plan or of securities issued or issuable pursuant to any such plan or (B) a registration of securities proposed to be issued in exchange for securities or assets of, or in connection with a merger or consolidation with, another corporation; (ii) the offering of any such Registrable Securities shall be in conformity with this Annex E; and (iii) Scotts may at any time prior to the effectiveness of any such registration statement, at its sole discretion and without the consent of the Shareholders, withdraw such registration statement and abandon the proposed offering in which the Shareholders had requested to participate.

(b) In connection with any offering pursuant to Section 3, if the managing underwriters for such offering advise that the inclusion of all securities sought to be registered may interfere with an orderly sale and distribution or may materially adversely affect the price of such offering, the securities to be registered shall be included in such registration in accordance with the following priorities: first, all securities to be sold for the account of Scotts, second, all securities to be sold for the account of the Shareholders, up to the limit specified by the managing underwriters and third all securities to be sold for the account of other shareholders, up to the limit specified by the managing underwriters.

SECTION 4. INCIDENTAL OBLIGATIONS. In connection with any offering of Registrable Securities registered pursuant to this Annex E, Scotts shall (i) furnish to the Shareholders such number of copies of any prospectus (including any preliminary prospectus) as they may reasonably request in order to effect the offering and sale of the Registrable Securities to be offered and sold, but only while Scotts shall be required under the provisions hereof to cause the registration statement to remain current, and (ii) take such action as shall be necessary to qualify the Registrable Securities covered by such registration under state securities laws for offer and sale as the Shareholders shall request; provided that Scotts shall not be obligated to qualify as a foreign corporation to do business under the laws of any jurisdiction in which it shall not be then qualified or to file any general consent to service of process. In connection with any offering of Registrable Securities registered pursuant to this Annex E, Scotts shall (A) furnish, at Scotts' expense, unlegended certificates representing ownership of the Registrable Securities being sold in such denominations as shall be requested and (B) instruct the transfer agent and registrar of the Scotts Common Stock to release any stop transfer orders with respect to the Registrable Securities being sold. Upon any registration becoming effective pursuant to this Annex E, Scotts shall use its best efforts to keep such registration statement current for a period of ninety calendar days following its effective date except that with respect to a Rule 415 Offering, Scotts shall use its best efforts to keep such registration statement current and effective for a period of one hundred eighty calendar days following its effective date. Scotts will otherwise use its best efforts to ensure that any offering pursuant to this Annex E complies with all applicable law and regulation, including any applicable listing agreement for Scotts' securities and shall

furnish such other information and documents as the Shareholder Representative may reasonably request in connection therewith, and the Shareholders will cooperate with Scotts and furnish such information as Scotts may reasonably request in connection therewith.

SECTION 5. REGISTRATION EXPENSES. In connection with any registration pursuant to this Annex E, Scotts will pay all SEC and Blue Sky registration and filing fees, underwriting discounts in respect of securities to be sold by Scotts, commissions and expenses, printing expenses, fees and disbursements of legal counsel for Scotts and Blue Sky counsel, transfer agents' and registrar's fees, fees and disbursements of any public accountants used by Scotts in connection with such registration (excluding the underwriting discounts in respect of securities to be sold by Scotts, the "Registration Expenses"); provided, however, that the Shareholders, and not Scotts, shall be obligated to pay all such Registration Expenses in connection with a demand registration made pursuant to Section 2 of this Annex E in which the Shareholders seek to register less than 5% of the outstanding number of shares of Scotts Common Stock on a fully diluted basis. In addition to, and not in limitation of, the foregoing, the Shareholders shall pay all of their own expenses, including underwriting discounts in respect of securities to be sold by them and fees and disbursements of the Shareholders' counsel.

SECTION 6. INDEMNIFICATION, CONTRIBUTION, UNDERWRITING AGREEMENT. In connection with any offering pursuant to this Annex E, Scotts and/or the Shareholders, as the case may be, will enter into an underwriting agreement (and any related agreements) with the underwriters for the offering on customary terms. In connection with any offering pursuant to this Annex E, Scotts and the Shareholders will enter into indemnification and contribution agreements on customary terms, providing, among other things, that each applicable Shareholder will indemnify and hold harmless Scotts in respect of any information furnished by such Shareholder to Scotts in connection with the applicable registration statement and Scotts shall indemnify and hold harmless each applicable Shareholder in respect of any other information contained in the registration statement or any failure of the registration statement to comply with applicable law. In no case shall a Shareholder's liability exceed the proceeds received by such Shareholder pursuant to the applicable offering. In each case, any dispute as to what provisions are customary will be determined by counsel for the managing underwriter for the offering, which managing underwriter shall be mutually acceptable to Scotts and such Shareholders.

SECTION 7. TRANSFERABILITY. The Shareholders may transfer their rights under this Annex E, in whole or in part, to any Permitted Transferee of any Registrable Securities, provided that such transfer is not in violation of the terms of the Agreement. For purposes of this Annex, the term Shareholder shall include any Permitted Transferee of a Shareholder.

The Board of Directors
The Scotts Company
1411 Scottslawn Road
Marysville, OH 43041

Ladies and Gentlemen:

You have requested our opinion as to the fairness, from a financial point of view, to The Scotts Company ("Scotts") of the value of the Merger Consideration (as defined herein) to be paid by Scotts pursuant to the terms and subject to the conditions set forth in the Agreement and Plan of Merger, dated as of January 26, 1995 (the "Merger Agreement"), by and between Scotts and Stern's Miracle-Gro Products, Inc. ("Miracle-Gro Products"), Stern's Nurseries, Inc. ("Nurseries"), Miracle-Gro Lawn Products, Inc. ("Miracle-Gro Delaware") and Miracle-Gro Products Limited ("Miracle-Gro UK", and collectively with Miracle-Gro Products, Nurseries and Miracle-Gro Delaware, "Miracle-Gro") and the shareholders of Miracle-Gro. As more fully described in the Merger Agreement, and subject to the terms and conditions set forth therein, (i)(a) a direct, wholly-owned subsidiary of Scotts will be merged with and into Miracle-Gro Products, (b) immediately thereafter Nurseries will transfer all of its assets (but not its liabilities), to Miracle-Gro Products, and Miracle-Gro Delaware and Miracle-Gro UK will each merge with and into Miracle-Gro Products, and (c) immediately thereafter, Miracle-Gro Products shall be merged with and into a direct, wholly-owned subsidiary of Scotts (collectively, the "Merger") and (ii) collectively, as a group, the shareholders of Miracle-Gro will receive in the aggregate (a) \$195 million face amount (195,000 shares) of Class A Convertible Preferred Stock (as more fully described in the Merger Agreement) and (b) three million warrants divided equally into three tranches of one million each (as more fully described in the Merger Agreement) (collectively, the "Warrants", and, collectively with the Class A Convertible Preferred Stock, the "Merger Consideration").

In arriving at our opinion, we reviewed the Merger Agreement and held discussions with certain senior officers, directors and other representatives and advisors of Scotts and certain senior officers and other representatives and advisors of Miracle-Gro concerning the business, operations and prospects of Scotts and Miracle-Gro. We examined certain publicly available business and financial information relating to Scotts and Miracle-Gro as well as certain financial forecasts and other data for Scotts and Miracle-Gro which were provided to us by the respective managements of Scotts and Miracle-Gro. We reviewed the financial terms of the Merger as set forth in the Merger Agreement in relation to, among other things: current and historical market prices and trading volumes of the Scotts Common Stock; the respective companies' historical market prices and trading volumes of the Scotts Common Stock; the respective companies' historical and projected earnings; and the capitalization and financial condition of Scotts and Miracle-Gro. We considered, to the extent publicly available, the financial terms of certain other similar transactions recently effected which we considered comparable to the Merger and analyzed certain financial, stock market and other publicly available information relating to the businesses of other companies whose operations we considered comparable to those of Scotts and Miracle-Gro. We also evaluated the potential pro forma financial impact of the Merger on Scotts. In addition to the foregoing, we conducted such other analyses and examinations and considered such other financial, economic and market criteria as we deemed necessary to arrive at our opinion.

In rendering our opinion, we have assumed and relied, without independent verification, upon the accuracy and completeness of all financial and other information publicly available or furnished to or otherwise discussed with us. With respect to financial forecasts and other information provided to or otherwise discussed with us, we have

been advised by the respective managements of Scotts and Miracle-Gro that such forecasts and other information were reasonably prepared on bases reflecting the best is currently available estimates and judgments as to the expected future financial performance of Scotts and Miracle-Gro. We also assumed that the Merger will be treated as a tax-free reorganization for federal income tax purposes. Our opinion, as set forth herein, relates to the relative values of Scotts and Miracle-Gro. We are not expressing any opinion as to what the value of the Merger Consideration actually will be when issued pursuant to the Merger or the price at which the Scotts Common Stock will trade subsequent to the Merger. We have not made or been provided with an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of Scotts or Miracle-Gro nor have we made any physical inspection of the properties or assets of Scotts or Miracle-Gro. We have not been asked to consider, and our opinion does not address, the relative merits of the Merger as compared to any alternative business strategies that might exist for Scotts or the effect of any other transaction in which Scotts might engage. Our opinion is necessarily based upon financial, stock market and other conditions and circumstances existing and disclosed to us as of the date hereof.

Smith Barney Inc. ("Smith Barney") has been engaged to render financial advisory services to Scotts in connection with the Merger and will receive a fee for our services, a significant portion of which is contingent upon the consummation of the Merger. We also will receive a fee upon the delivery of this opinion. In the ordinary course of our business, we may actively trade the equity and debt securities of Scotts for our own account or for the account of our customers and, accordingly, may at any time hold a long or short position in such securities.

Our advisory services and the opinion expressed herein are provided solely for the use of the Board of Directors of Scotts in its evaluation of the proposed Merger, and our opinion is not intended to be and does not constitute a recommendation to any shareholder as to how such shareholder should vote on the proposed Merger. Our opinion may not be published or otherwise used or referred to, nor shall any public reference to Smith Barney be made, without our prior written consent.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above and other factors we deemed relevant, we are of the opinion that as of the date hereof, the value of the Merger Consideration is fair, from a financial point of view, to Scotts.

Very truly yours,

SMITH BARNEY INC.

PROPOSED AMENDED ARTICLE FOURTH OF
THE AMENDED ARTICLES OF INCORPORATION

FOURTH: The authorized number of shares of the corporation shall be Fifty Million, One Hundred and Ninety-Five Thousand (50,195,000), consisting of Fifty Million (50,000,000) common shares, each without par value, and One Hundred and Ninety-Five Thousand (195,000) shares of Class A Convertible Preferred Stock, without par value (the "Class A Preferred").

The following is a statement of the express terms, powers, preferences, rights, qualifications, limitations and restrictions of the Class A Preferred:

1. AUTHORIZED NUMBER. The number of shares constituting the Class A Preferred shall be One Hundred Ninety-Five Thousand (195,000) shares.

2. DIVIDENDS. (a) The holders of the Class A Preferred shall be entitled to receive, ratably with the holders of any other class of the corporation's capital stock with Parity Rights (as defined below) as to dividends based on their respective dividend rates, annual cumulative dividends in cash on each outstanding share of Class A Preferred at the rate of \$50.00 per share per annum. Such cumulative dividends shall be paid in equal amounts (other than with respect to the initial dividend period) quarterly on June 30, September 30, December 31 and March 31 of each year (unless such day is not a business day, in which event on the next business day) as declared by the directors to the extent legally permitted, to holders of record as they appear on the register for the Class A Preferred on the June 15, September 15, December 15 and March 15 immediately preceding the relevant Dividend Payment Date (as hereinafter defined), out of any funds at the time legally available therefor; shall accrue until so paid from the date of issuance of the applicable shares of Class A Preferred; and shall be deemed to accrue from day to day, whether or not declared. A quarterly dividend period shall begin on the day following each June 30, September 30, December 31 and March 31 (each a "Dividend Payment Date", whether or not a dividend is paid on such date) and end on the next succeeding Dividend Payment Date. Notwithstanding the foregoing, the first quarterly dividend period shall commence on the date of issue, and such dividend shall be paid on June 30, 1995 for the actual number of days in such period. If dividends shall not have been paid, or declared and set apart for payment, upon all outstanding shares of Class A Preferred at the aforesaid times and rates, such deficiency shall be cumulative in full. Any accumulation of dividends shall not bear interest.

(b) No dividends or other distribution (other than dividends payable in common shares), and no redemption, purchase or other acquisition for value (other than redemptions, purchases or acquisitions payable in common shares or repurchases of common shares from employees of the corporation pursuant to obligations existing as of the date hereof or upon foreclosure pursuant to loans existing as of the date hereof to employees of the corporation secured by common shares), shall be made with respect to the common shares or any other class or series of the corporation's capital stock ranking junior to the Class A Preferred with respect to dividends or liquidation preferences until cumulative dividends on the Class A Preferred in the full amounts as set forth above for all dividend periods ending, and all amounts payable upon redemption of Class A Preferred, on or prior to the date on which the proposed dividend or distribution is paid, or the proposed redemption, purchase or other acquisition is effected, have been declared and paid or set apart for payment.

(c)(i) If on any Dividend Payment Date all or any portion of any dividend payable on such date is not so paid and at such time all or any portion of the dividend payable on the next preceding Dividend Payment Date remains in arrears, then from such second Dividend Payment Date, until all accrued and unpaid dividends for all previous quarterly dividend periods and for the current quarterly dividend period on all shares of Class A Preferred then outstanding shall have been declared and paid (herein a "Default Period"), the holders of Class A Preferred, voting separately as a class, shall have the right to increase the number of directors by three and to elect three directors designated by the Shareholder Representative (as defined in the Merger Agreement) to fill the vacancies so created.

(ii) After the holders of Class A Preferred shall have exercised their right to elect directors pursuant to subparagraph (i) hereof, and during the continuance of such Default Period, the number of directors may not be increased or decreased except by vote of the holders of Class A Preferred, voting separately as a separate class.

(iii) Immediately upon the expiration of a Default Period, (x) the right of the holders of Class A Preferred Stock as a class to elect directors pursuant to this Section 2(c) shall cease, (y) the term of any directors elected by the holders of Class A Preferred as a class pursuant to this Section 2(c) shall terminate, and (z) the number of directors shall be such number as was in effect immediately prior to the increase pursuant to this Section 2(c).

3. LIQUIDATION PREFERENCE. In the event of any liquidation, dissolution, or winding up of the corporation, either voluntary or involuntary, distributions to the shareholders of the corporation shall be made in the following manner:

(a) The holders of the Class A Preferred shall be entitled to receive, ratably with the holders of any other class or series of the corporation's capital stock with Parity Rights (as defined below) as to liquidation preferences based on their respective preference amounts (which, in the case of the Class A Preferred, shall include any amounts owing in respect of accrued and unpaid dividends), prior and in preference to any distribution of any of the assets or funds of the corporation to the holders of the common shares (or any other securities of the corporation ranking junior to the Class A Preferred as to liquidation preferences), the preference amount (in cash) of \$1,000 per share for each share of Class A Preferred then held by them plus an amount equal to all accrued but unpaid dividends (whether or not declared) on the Class A Preferred to the date of liquidation, dissolution or winding up. If the assets and funds thus distributed among the holders of the Class A Preferred and of any other class or series of the corporation's capital stock with Parity Rights as to liquidation preferences are insufficient to permit the payment to such holders of the full preferential amount described above, then the entire assets and funds of the corporation legally available for distribution shall be distributed among the holders of the Class A Preferred and of any other class or series of the corporation's capital stock with Parity Rights as to liquidation preferences in the proportion that the aggregate preferential amount of shares of Class A Preferred and of any other class or series of the corporation's capital stock with Parity Rights as to liquidation preferences held by each such holder bears to the aggregate preferential amount of all shares of Class A Preferred and of any other class or series of the corporation's capital stock with Parity Rights as to liquidation preferences. After payment has been made to the holders of the Class A Preferred and of any other class or series of the corporation's capital stock with Parity Rights as to liquidation preferences of the full amounts to which they are entitled, no further amounts shall be paid with respect to the Class A Preferred, and the remaining assets of the corporation shall be distributed among the holders of the common shares (and other junior securities with regard to liquidation preferences) in accordance with the Amended Articles of Incorporation and applicable law.

(b) For purposes of this Section 3, a merger or consolidation of the corporation with or into any other corporation or corporations in which the corporation is not the surviving corporation, or a voluntary sale of all or substantially all of the assets of the corporation, shall not be treated as a liquidation, dissolution or winding up of the corporation (unless in connection therewith, the liquidation, dissolution or winding up of the corporation is specifically approved), but shall be treated as provided in Section 6(e) of this Article FOURTH.

4. PROVISIONS GENERALLY APPLICABLE TO DIVIDENDS AND LIQUIDATION.

(a) The term "Parity Rights", as used in this Article FOURTH of the Amended Articles of Incorporation, shall mean dividend rights and liquidation preferences of any class or series of the corporation's capital stock which has preferences upon any liquidation, dissolution, or winding up of the corporation or rights with respect to the declaration, payment and setting aside of dividends on a parity with those of the Class A Preferred.

(b) Except as otherwise permitted by the Agreement and Plan of Merger dated as of January 26, 1995 among Stern's Miracle-Gro Products, Inc., Stern's Nurseries, Inc., Miracle-Gro Lawn Products Inc., Miracle-Gro Products Limited, the Shareholders listed therein, the corporation and ZYX Corporation (the "Merger Agreement"), the corporation will not, by amendment of its Amended Articles of Incorporation or through any

reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the corporation, but will at all times in good faith assist in the carrying out of all the provisions of Sections 2 and 3 of this Article FOURTH and in the taking of all such action as may be necessary or appropriate in order to protect the dividend and liquidation rights of the holders of the Class A Preferred against impairment; provided, however, that nothing herein will prevent the corporation from creating any new class or series of capital stock with higher dividend rates or liquidation payments so long as the priority of such rights is not senior to the rights of the Class A Preferred.

5. VOTING RIGHTS. Except as otherwise required by law, the holder of each share of Class A Preferred shall be entitled to the number of votes equal to the number of common shares into which such share of Class A Preferred could be converted at the record date for determination of the shareholders entitled to vote on such matters, such votes to be counted together with all other shares of capital stock of the corporation having general voting power and not separately as a class or series. Holders of Class A Preferred shall be entitled to receive the same notice of any shareholders' meeting as is provided to holders of common shares. Fractional votes by the holders of Class A Preferred shall not, however, be permitted, and any fractional voting rights shall (after aggregating all shares into which shares of Class A Preferred held by each holder could be converted) be rounded to the nearest whole number. The corporation will, or will cause its transfer agent or registrar to, transmit to the registered holders of the Class A Preferred all reports and communications from the corporation that are generally mailed to holders of its common shares.

6. CONVERSION. The holders of the Class A Preferred have conversion rights as follows (the "Conversion Rights"):

(a) RIGHT TO CONVERT. Each share of Class A Preferred shall be convertible, at the option of the holder thereof, at any time after the date of issuance of such share and prior to the close of business of the corporation on the business day next preceding any date set for the redemption thereof (provided that funds sufficient to redeem all shares to be redeemed on such date have been paid or made available for payment as described in Section 7(b)(iii) of this Article FOURTH), at the office of the corporation or any transfer agent for the Class A Preferred, into such number of fully paid and nonassessable common shares as is determined by dividing \$1,000 by the Conversion Price, determined as hereinafter provided, in effect at the time of conversion. The price at which common shares shall be deliverable upon conversion (the "Conversion Price") shall initially be \$19 per common share. Such initial Conversion Price shall be subject to adjustment as hereinafter provided.

(b) ACCRUED DIVIDENDS AND FRACTIONAL SHARES. Dividends shall cease to accrue on shares of Class A Preferred surrendered for conversion into common shares; provided, however, that any dividends (whether or not declared) upon such shares which were accrued as of but not paid on or before the Dividend Payment Date immediately preceding the conversion date shall be paid in cash upon such conversion or as soon thereafter as permitted by law.

No fractional common shares shall be issued upon conversion of Class A Preferred. In lieu of any fractional shares to which the holder would otherwise be entitled, the corporation shall, after aggregation of all fractional share interests held by each holder, pay cash equal to such remaining fractional interest multiplied by the Market Price (as defined in Section 11 of this Article FOURTH) at the time of conversion.

(c) MECHANICS OF CONVERSION. Before any holder of Class A Preferred shall be entitled to convert the same into full common shares of the corporation and to receive certificates therefor, such holder shall surrender the certificate or certificates for the Class A Preferred to be converted, duly endorsed, at the office of the corporation or of any transfer agent for the Class A Preferred, and shall give written notice to the corporation at such office that such holder elects to convert the same. The corporation shall, as soon as practicable after such delivery, issue and deliver at such office to such holder of Class A Preferred (or to any other person specified in the notice delivered by such holder), a certificate or certificates for the number of common shares to which such holder shall be entitled as aforesaid and a check payable to the holder for any cash amounts payable as the result of a conversion into

fractional common shares. Such conversion shall be deemed to have been made immediately prior to the close of business on the date of such surrender of the shares of Class A Preferred to be converted, and the person or persons entitled to receive the common shares issuable upon such conversion shall be treated for all purposes as the record holder or holders of such common shares on such date. In case any certificate for shares of Class A Preferred shall be surrendered for conversion of only a part of the shares represented thereby, the corporation shall deliver at such office to or upon the written order of the holder thereof, a certificate or certificates for the number of shares of Class A Preferred represented by such surrendered certificate which are not being converted. Notwithstanding the foregoing, the corporation shall not be obligated to issue certificates evidencing the common shares issuable upon such conversion unless the certificates evidencing Class A Preferred are either delivered to the corporation or its transfer agent, or the holder notifies the corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the corporation to indemnify the corporation from any loss incurred by it in connection with such certificates. The issuance of certificates for common shares issuable upon conversion of shares of Class A Preferred shall be made without charge to the converting holder for any tax imposed in respect of the issuance thereof; provided that the corporation shall not be required to pay any tax which may be payable with respect to any transfer involved in the issue and delivery of any certificate in a name other than that of the holder of the shares of Class A Preferred being converted.

(d) EFFECTS OF CERTAIN EVENTS.

(i) COMMON SHARE DIVIDENDS, SUBDIVISIONS OR COMBINATIONS. In case the corporation shall (A) pay or make a dividend or other distribution to all holders of its common shares in common shares, (B) subdivide, split or reclassify the outstanding number of common shares into a larger number of common shares or (C) combine or reclassify the outstanding number of its common shares into a smaller number of common shares, the Conversion Price in effect immediately prior thereto shall be adjusted so that the holder of each outstanding share of Class A Preferred shall thereafter be entitled to receive upon the conversion of such share the number of common shares which such holder would have owned and been entitled to receive had such shares of Class A Preferred been converted immediately prior to the happening of any of the events described above or, in the case of a stock dividend or other distribution, prior to the record date for determination of shareholders entitled thereto. An adjustment made pursuant to this clause (i) shall become effective immediately after such record date in the case of a dividend or distribution and immediately after the effective date in the case of a subdivision, split, combination or reclassification.

(ii) DISTRIBUTIONS OF ASSETS OR SECURITIES OTHER THAN COMMON SHARES. In case the corporation shall, by dividend or otherwise, distribute to all holders of its common shares, shares of any of its capital stock (other than common shares), rights or warrants to purchase any of its securities (other than those referred to in (iii) below), cash (other than any regular quarterly or semi-annual dividend which the directors of the corporation declares), other assets or evidences of its indebtedness, then in each such case the Conversion Price shall be adjusted by multiplying the Conversion Price in effect immediately prior to the date of such dividend or distribution by a fraction, of which the numerator shall be the Average Market Price (as defined in Section 11 of this Article FOURTH) per common share at the record date for determining shareholders entitled to such dividend or distribution less the fair market value (as determined in good faith by the directors) of the portion of the securities, cash, assets or evidences of indebtedness so distributed applicable to one common share, and of which the denominator shall be such Average Market Price per common share. An adjustment made pursuant to this clause (ii) shall become effective immediately after such record date.

(iii) BELOW MARKET DISTRIBUTIONS OR ISSUANCES. In case the corporation shall issue common shares (or rights, warrants or other securities convertible into or exchangeable or exercisable for common shares) to all holders of common shares at a price per share (or having an effective exercise, exchange or conversion price per share) less than the Average Market Price per common share at the record date for the determination of shareholders entitled to receive such common shares (or rights, warrants or other securities convertible into or exchangeable or exercisable for common shares), then in each such case the Conversion Price shall be adjusted by multiplying the Conversion Price in effect immediately prior to the date of issuance of such common shares (or rights, warrants or other securities) by a fraction, the numerator of which shall be the sum of (A) the number of

common shares outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of common shares which the aggregate consideration receivable by the corporation for the total number of common shares so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable) would purchase at such Average Market Price, and the denominator of which shall be the sum of (A) the number of common shares outstanding on the date of such issuance (without giving effect to any such issuance) and (B) the number of additional common shares so issued (or into or for which such rights, warrants or other securities are convertible, exchangeable or exercisable). An adjustment made pursuant to this clause (iii) shall become effective immediately after the record date for determination of shareholders entitled to receive or purchase such common shares (or rights, warrants or other securities convertible into or exchangeable or exercisable for common shares). For purposes of this clause (iii), the issuance of any options, rights or warrants or any common shares (whether treasury shares or newly issued shares) pursuant to any employee (including consultants and directors) benefit or stock option or purchase plan or program of the corporation shall not be deemed to constitute an issuance of common shares or options, rights or warrants to which this clause (iii) applies. Notwithstanding anything herein to the contrary, no further adjustment to the Conversion Price shall be made (i) upon the issuance or sale of common shares upon the exercise of any rights or warrants or (ii) upon the issuance or sale of common shares upon conversion or exchange of any convertible securities, if any adjustment in the Conversion Price was made or required to be made upon the issuance or sale of such rights, warrants or securities.

(iv) REPURCHASES. In case at any time or from time to time the corporation or any subsidiary thereof shall repurchase, by self tender offer or otherwise, any common shares of the corporation at a weighted average purchase price in excess of the Average Market Price on the business day immediately prior to the earliest of the date of such repurchase, the commencement of an offer to repurchase or the public announcement of either (such date being referred to as the "Determination Date"), the Conversion Price in effect as of such Determination Date shall be adjusted by multiplying such Conversion Price by a fraction, the numerator of which shall be (A) the product of (x) the number of common shares outstanding on such Determination Date and (y) the Average Market Price of the common shares on such Determination Date minus (B) the aggregate purchase price of such repurchase and the denominator of which shall be the product of (x) the number of common shares outstanding on such Determination Date minus the number of common shares repurchased by the corporation or any subsidiary thereof in such repurchase and (y) the Average Market Price of the common shares on such Determination Date. For purposes of this clause (iv), the repurchase or repurchases by the corporation or any subsidiary thereof within any 12 month period of not more than 15% of the common shares outstanding as of the first date of such period, at a price not in excess of 120% of the Average Market Price as of the Determination Date of any such repurchase, shall not be deemed to constitute a repurchase to which this clause (iv) applies. An adjustment made pursuant to this clause (iv) shall become effective immediately after the effective date of such repurchase.

(e) CERTAIN REORGANIZATIONS. In the event of any change, reclassification, conversion, exchange or cancellation of outstanding common shares of the corporation (other than any reclassification referred to in Section 6(d)(i) in this Article FOURTH), whether pursuant to a merger, consolidation, reorganization or otherwise, or the sale or other disposition of all or substantially all of the assets and properties of the corporation, the shares of Class A Preferred shall, after such merger, consolidation, reorganization or other transaction, sale or other disposition, be convertible into the kind and number of shares of stock or other securities or property, of the corporation or otherwise, to which such holder would have been entitled if immediately prior to such event such holder had converted its shares of Class A Preferred into common shares at the Conversion Price in effect as of the consummation of such event. The provisions of this Section 8(e) shall similarly apply to successive changes, reclassifications, conversions, exchange or cancellations.

(f) NO IMPAIRMENT. Except as permitted by the Merger Agreement, the corporation will not, by amendment of its Amended Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the corporation, but will at all times in good faith assist in the carrying out of all the provisions of this Section 6 and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights of the holders of the Class A Preferred against impairment.

(g) CALCULATION OF ADJUSTMENTS. No adjustment in the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in such price; provided, however, that any adjustments which by reason of this subsection (g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 6 shall be made by the corporation and shall be made to the nearest cent or to the nearest one hundredth of a share, as the case may be. Anything in this Section 6 to the contrary notwithstanding, the corporation shall be entitled to make such reductions in the Conversion Price, in addition to those required by this Section 6, as it in its sole discretion shall determine to be advisable in order that any stock dividends, subdivision of shares, distribution of rights to purchase stock or securities, or a distribution of securities convertible into or exchangeable for stock hereafter made by the corporation to its shareholders shall not be taxable.

(h) CERTIFICATE AS TO ADJUSTMENTS. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Section 6, the corporation at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of Class A Preferred a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The corporation shall, upon the written request at any time of any holder of Class A Preferred, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments; (ii) the Conversion Price at the time in effect; and (iii) the number of common shares and the amount, if any, of other property which at the time would be received upon the conversion of Class A Preferred.

(i) NOTICES.

(A) In the event that the corporation shall propose at any time:

(1) to declare any dividend or distribution upon its common shares;

(2) to offer for subscription pro rata to the holders of any class or series of its capital stock any additional shares of stock of any class or series or other rights; or

(3) to effect any transaction of the type described in Section 6(e) hereof involving a change in the common shares;

then, in connection with each such event, the corporation shall send to the holders of the Class A Preferred:

(i) at least 20 days' prior written notice of the date on which a record shall be taken for such dividend or distribution (and specifying the date on which the holders of common shares shall be entitled thereto) or for determining rights to vote in respect of the matters referred to in (1) and (2) above; and

(ii) in the case of the matters referred to in (3) above, at least 20 days' prior written notice of the date when the same shall take place (and specifying the date on which the holders of common shares shall be entitled to exchange their common shares for securities or other property deliverable upon the occurrence of such event).

(B) In the event of any voluntary or involuntary dissolution, liquidation or winding up of the corporation, the corporation shall send to the holders of the Class A Preferred at least 20 days' prior written notice.

(C) The corporation shall send written notice immediately upon any public announcement with respect to an open market repurchase program, any self tender offer for common shares and any other repurchase other than a repurchase of stock of an employee or consultant pursuant to any benefit plan or agreement.

7. REDEMPTION.

(a) REDEMPTION. The Class A Preferred shall not be subject to redemption prior to the last day of the month in which the fifth anniversary of the original date of issuance occurs. On or after such date, the corporation may, at its option, redeem all or from time to time any part of the shares of Class A Preferred, out of funds legally available therefor, upon giving the Redemption Notice as set forth in Section 7(b) of this Article FOURTH. The redemption payment for each share of Class A Preferred shall be an amount (the "Redemption Payment") in cash equal to the sum of (i) the amount of all accrued and unpaid dividends (whether or not declared) thereon to and including the date fixed for redemption, plus (ii) \$1,000. In the event of a redemption of only a part of the then outstanding Class A Preferred, the corporation shall effect such redemption ratably according to the number of shares held by each holder of Class A Preferred.

(b) MECHANICS OF REDEMPTION.

(i) At least 30 days, but no more than 60 days, prior to the date fixed for any redemption pursuant to Section 7(a) of this Article FOURTH (the "Redemption Date"), the corporation shall send a written notice (the "Redemption Notice") to the holders of shares to be redeemed on such date (the "Redemption Shares") stating: (A) the total number of shares being redeemed; (B) the number of Redemption Shares held by such holder; (C) the Redemption Date and the Redemption Payment; (D) the date on which such holder's conversion rights as to such shares shall terminate; and (E) the manner in which and the place at which such holder is to surrender to the corporation the certificate or certificates representing the Redemption Shares.

(ii) Upon the surrender to the corporation, in the manner and at the place designated, of a certificate or certificates representing Redemption Shares, the Redemption Payment for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof. All such surrendered certificates shall be canceled. Upon redemption of only a portion of the shares of Class A Preferred represented by a certificate surrendered for redemption, the corporation shall issue and deliver to or upon the written order of the holder of the certificate so surrendered, at the expense of the corporation (except for expenses relating to the issuance of such shares to a person other than the record holder of the Redemption Shares), a new certificate representing the unredeemed shares of Class A Preferred represented by the certificate so surrendered.

(iii) On or prior to the Redemption Date, the corporation shall have the option to deposit the aggregate of all Redemption Payments for all Redemption Shares (other than Redemption Shares surrendered for conversion prior to such date) in a bank or trust company (designated in the notice of such redemption) doing business in the State of Ohio or the City of New York, having aggregate capital and surplus in excess of \$500,000,000, as a trust fund for the benefit of the respective holders of Redemption Shares, with irrevocable instructions and authority to the bank or trust company to pay the appropriate Redemption Payment to the holders of Redemption Shares upon receipt of notification from the Company that such holder has surrendered the certificate representing such shares to the corporation. Such instructions shall also provide that any such moneys remaining unclaimed at the expiration of one year following the Redemption Date shall thereafter be returned to the corporation upon its request as expressed in a resolution of its directors. The holder of any Redemption Shares in respect of which such deposit has been returned to the corporation pursuant to the preceding sentence shall have a claim as an unsecured creditor against the corporation for the Redemption Payment in respect thereof, without interest.

(iv) Provided that the corporation has given the Redemption Notice described in Section 7(b)(i) of this Article FOURTH and has on or prior to the Redemption Date either paid or made available (as described in Section 7(b)(iii) of this Article FOURTH) Redemption Payments to the holders of Redemption Shares, all Redemption Shares shall be deemed to have been redeemed as of the close of business of the corporation on the applicable Redemption Date. Thereafter, the holder of such shares shall no longer be treated for any purposes as the record holder of such shares of Class A Preferred, regardless of whether the certificates representing such shares are surrendered to the corporation or its transfer agent, excepting only the right of the holder to receive the appropriate

Redemption Payment, without interest, upon such surrender. Such shares so redeemed shall not be transferred on the books of the corporation or be deemed to be outstanding for any purpose whatsoever.

(v) The corporation shall not be obligated to pay the Redemption Payment to any holder of Redemption Shares unless the certificates evidencing such shares are either delivered to the corporation or its transfer agent, or the holder notifies the corporation or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the corporation to indemnify the corporation from any loss incurred by it in connection with such certificates.

(c) LIMITATION ON REDEMPTION. The corporation shall not be obligated to redeem any shares of Class A Preferred which have previously been converted into common shares. The corporation shall not be obligated to redeem shares pursuant to this Section 7 if such redemption would violate any provisions of applicable law. If, after giving the Redemption Notice, the corporation is unable, pursuant to applicable law, to redeem some or all unconverted Redemption Shares on any particular Redemption Date, the corporation shall promptly notify the holders thereof of the facts that prevent the corporation from so redeeming such shares. Thereafter, the corporation shall redeem such unredeemed Redemption Shares at such time as it is lawfully able to do so.

8. STATUS OF CONVERTED SHARES. If shares of Class A Preferred are converted pursuant to Section 6 of this Article FOURTH or redeemed pursuant to Section 7 of this Article FOURTH, the shares so converted or redeemed shall resume the status of authorized but unissued shares of Class A Preferred unless otherwise prohibited by applicable law.

9. NOTICES. All notices, requests, demands, and other communications hereunder shall be in writing and shall be deemed to have been duly given if delivered by hand or when sent by telegram or telecopier (with receipt confirmed), provided a copy is also sent by express (overnight, if possible) courier, addressed (i) in the case of a holder of Class A Preferred, to such holder's address of record, and (ii) in the case of the corporation, to the corporation's principal executive offices to the attention of the corporation's secretary.

10. AMENDMENTS AND WAIVERS. Any right, preference, privilege or power of, or restriction provided for the benefit of, the Class A Preferred set forth herein may be amended and the observance thereof may be waived (either generally or in a particular instance and either retroactively or prospectively) with the written consent of the corporation and the affirmative vote or written consent of the holders of not less than a majority of the shares of Class A Preferred then outstanding, and any amendment or waiver so effected shall be binding upon the corporation and all holders of Class A Preferred.

11. ADDITIONAL DEFINITIONS. As used herein the term "Trading Day" means each Monday, Tuesday, Wednesday, Thursday and Friday which is a day on which the New York Stock Exchange, Inc. is open for trading.

As used herein, the term "Market Price" of a common share or of any other security of the corporation on any date shall mean: (i) the last reported sales price of the common shares or such other security on the principal national securities exchange on which such common shares or other security is listed or admitted to trading or, if no such reported sale takes place on such date, the average of the closing bid and asked prices thereon, as reported in THE WALL STREET JOURNAL, or (ii) if such common shares or other security shall not be listed or admitted to trading on a national securities exchange, the last reported sales price on the NASDAQ National Market or, if no such reported sales takes place on any such date, the average of the closing bid and asked prices thereon, as reported in THE WALL STREET JOURNAL, or (iii) if such common shares or other security shall not be quoted on such National Market nor listed or admitted to trading on a national securities exchange, then the average of the closing bid and asked prices, as reported by THE WALL STREET JOURNAL for the over-the-counter market, or (iv) if there is no public market for such common shares or other security, the fair market value of a share of such common shares or a unit of such other security as determined in good faith by the Directors of the corporation.

The term "Average Market Price" shall mean the average of the 30 consecutive trading days immediately preceding the date in question.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Division (E) of Section 1701.13 of the Ohio Revised Code governs indemnification by a corporation and provides as follows:

(E)(1) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee, member, manager, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust or other enterprise, against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, he had reasonable cause to believe that his conduct was unlawful.

(2) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, member, manager, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any of the following:

(a) Any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;

(b) Any action or suit in which the only liability asserted against a director is pursuant to section 1701.95 of the Revised Code.

(3) To the extent that a director, trustee, officer, employee, member, manager, or agent has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by him in connection with the action suit or proceeding.

(4) Any indemnification under division (E)(1) or (2) of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case, upon a determination that

indemnification of the director, trustee, officer, employee, member, manager, or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in division (E)(1) or (2) of this section. Such determination shall be made as follows:

(a) By a majority vote of a quorum consisting of directors of the indemnifying corporation who were not and are not parties to or threatened by the action, suit, or proceeding referred to in division (E)(1) or (2) of this section;

(b) If the quorum described in division (E)(4)(a) of this section is not obtainable or if a majority vote of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the corporation or any person to be indemnified within the past five years;

(c) By the shareholders; or

(d) By the court of common pleas or the court in which such action, suit or proceeding referred to in division (E)(1) or (2) of this section was brought.

Any determination made by the disinterested directors under division (E)(4)(a) or by independent legal counsel under division (E)(4)(b) of this section shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the corporation under division (E)(2) of this section, and, within ten days after receipt of such notification, such person shall have the right to petition the court of common pleas or the court in which such action or suit was brought to review the reasonableness of such determination.

(5)(a) Unless at the time of a director's act or omission that is the subject of an action, suit, or proceeding referred to in division (E)(1) or (2) of this section, the articles or the regulations of a corporation state, by specific reference to this division, that the provisions of this division do not apply to the corporation and unless the only liability asserted against a director in an action, suit, or proceeding referred to in division (E)(1) or (2) of this section is pursuant to section 1701.95 of the Revised Code, expenses, including attorney's fees, incurred by a director in defending the action, suit, or proceeding shall be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, upon receipt of an undertaking by or on behalf of the director in which he agrees to both of the following:

(i) Repay such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation;

(ii) Reasonably cooperate with the corporation concerning the action, suit, or proceeding.

(b) Expenses, including attorney's fees, incurred by a director, trustee, officer, employee, member, manager, or agent in defending any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, may be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, as authorized by the directors in the specific case, upon receipt of an undertaking by or on behalf of the director, trustee, officer, employee, member, manager, or agent to repay such amount, if it ultimately is determined that he is not entitled to be indemnified by the corporation.

(6) The indemnification authorized by this section shall not be exclusive of, and shall be in addition to, any other rights granted to those seeking indemnification under the articles, the regulations, any agreement, a vote of shareholders or disinterested directors, or otherwise, both as to action in their official capacities and as to action in another capacity while holding their offices or positions, and shall

continue as to a person who has ceased to be a director, trustee, officer, employee, member, manager, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

(7) A corporation may purchase and maintain insurance or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, on behalf of or for any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under this section. Insurance may be purchased from or maintained with a person in which the corporation has a financial interest.

(8) The authority of a corporation to indemnify persons pursuant to division (E)(1) or (2) of this section does not limit the payment of expenses as they are incurred, indemnification, insurance, or other protection that may be provided pursuant to divisions (E)(5), (6), and (7) of this section. Divisions (E)(1) and (2) of this section do not create any obligation to repay or return payments made by the corporation pursuant to division (E)(5), (6), or (7).

(9) As used in division (E) of this section, "corporation" includes all constituent entities in a consolidation or merger and the new or surviving corporation, so that any person who is or was a director, officer, employee, trustee, member, manager, or agent of such a constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, shall stand in the same position under this section with respect to the new or surviving corporation as he would if he had served the new or surviving corporation in the same capacity.

Section 5.01 of the Registrant's Regulations govern indemnification by Registrant and provides as follows:

SECTION 5.01. Mandatory Indemnification. The corporation shall indemnify any officer or director of the corporation who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, any action threatened or instituted by or in the right of the corporation), by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager or agent of another corporation (domestic or foreign, nonprofit or for profit), limited liability company, partnership, joint venture, trust or other enterprise, against expenses (including, without limitation, attorney's fees, filing fees, court reporters' fees and transcript costs), judgments, fines and amounts paid in settlement if actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, he had no reasonable cause to believe his conduct was unlawful. A person claiming indemnification under this Section 5.01 shall be presumed, in respect of any act or omission giving rise to such claim for indemnification, to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal matter, to have had no reasonable cause to believe his conduct was unlawful, and the termination of any action, suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, rebut such presumption.

In addition, Registrant has purchased insurance coverage under policies issued by American International Group which insure directors and officers against certain liabilities which might be incurred by them in such capacity.

ITEM 22. UNDERTAKINGS.

(a) (1) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(2) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to offerings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(3) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (2) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(4) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or

paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted against the registrant by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(b) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(c) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
