Explanation of Responses:

- The deferred stock units were granted, together with an equal number of related dividend equivalents, under The Scotts Miracle-Gro Company Amended and Restated 2006 Long-Term Incentive Plan (the "2006 Plan"), and subject to the terms and conditions of an individual award agreement. Each whole deferred stock unit represents a contingent right to receive one common share of The Scotts Miracle-Gro Company. Each dividend equivalent represents the right to receive additional deferred stock units in respect of dividends that are declared and paid during the period beginning on the grant date and ending on the settlement date with respect to the common share of The Scotts Miracle-Gro Company represented by the related deferred stock unit.
- The deferred stock units will become 100% vested on January 20, 2015, subject to earlier vesting or forfeiture in accordance with the terms of the award agreement. Subject to the terms of the 2006 Plan, vested deferred stock units will be settled in a lump sum as soon as administratively practicable, but no later than 90 days, following the earliest to occur of: (i) the reporting person's cessation of service as a director of The Scotts Miracle-Gro Company; (ii) the reporting person's death; (iii) the date the reporting person becomes totally disabled; or (iv) the third anniversary of the grant date (January 20, 2015).
- The deferred stock units were granted, together with an equal number of related dividend equivalents, in lieu of a portion of the reporting person's annual cash retainer, under the 2006 Plan, and subject to the terms and conditions of an individual award agreement. The deferred stock units equal the quarterly deferral amount divided by the closing price of a common share on the grant date (any fractional deferred stock units are rounded up to the nearest whole deferred stock unit). Each whole deferred stock unit represents a contingent right to receive one common share of The Scotts Miracle-Gro Company. Each dividend equivalent represents the right to receive additional deferred stock units in respect of dividends that are declared and paid during the period beginning on the grant date and ending on the settlement date with respect to the common shares of The Scotts Miracle-Gro Company represented by the related deferred stock unit.
- The deferred stock units are 100% vested upon grant and shall be distributed in shares as soon as practicable following the earliest to occur of: (i) reporting person's cessation of service as a director of The Scotts Miracle-Gro Company; (ii) reporting person's death; (iii) reporting person becomes disabled; or (iv) January 31, 2017.
