REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Participants and Administrator of  
The Scotts Company LLC Retirement Savings Plan  
Marysville, Ohio

We have audited the accompanying Statement of Net Assets Available for Benefits of the THE SCOTTS COMPANY LLC RETIREMENT SAVINGS PLAN (formerly known as The Scotts Company Retirement Savings Plan) and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2004. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of THE SCOTTS COMPANY RETIREMENT SAVINGS PLAN as of December 31, 2003 and for the year then ended, were audited by other auditors whose report dated June 18, 2004 expressed an unqualified opinion on these financial statements.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of The Scotts Company LLC Retirement Savings Plan (formerly known as The Scotts Company Retirement Savings Plan) as of December 31, 2004, and the changes in its net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2004, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company  
Retirement Savings Plan)

1 DESCRIPTION OF PLAN

The following description of The Scotts Company LLC Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions, such as eligibility, vesting, allocation and funding. Also, refer to Note 9 regarding a subsequent event and its effect on the Plan.

GENERAL:

The Plan is a defined contribution plan covering all eligible employees of The Scotts Company LLC who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY:

Regular domestic employees of the Company are eligible to participate in the Plan on the first day of the month immediately following their date of employment. Regular employees of E.G. Systems, Inc. doing business as Scotts Lawn Service, a subsidiary of the Company, are eligible to receive base retirement contributions on the first day of the month after completing one year of eligibility service and are eligible to make contributions and receive matching contributions on the first day of the month after completing 60 days of service. Effective January 1, 2003, temporary employees are not eligible to participate in the Plan.

EMPLOYEE CONTRIBUTIONS:

The Plan provides for a participant to make pre-tax or after-tax contributions up to 75% of eligible wages, not to exceed the annual Internal Revenue Service ("IRS") maximum deferral amount.

EMPLOYER CONTRIBUTIONS:

The Plan provides a base retirement contribution for all eligible employees. Generally, eligible employees receive an allocation equal to 2% of monthly compensation. This percentage increases to 4% when employees' year-to-date compensation exceeds 50% of the social security taxable wage base. The Company also matches participant pre-tax contributions dollar for dollar for the first 3% of pay, and matches \$0.50 on the dollar for the next 2% of participant pre-tax contributions. Additionally, the Company remitted transitional contributions for 1998 to 2002 to certain participants who were also participants of certain retirement plans previously sponsored by The Scotts Company or its subsidiaries.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code as defined in the Plan agreement.

1 DESCRIPTION OF PLAN, CONTINUED

PARTICIPANTS' ACCOUNTS:

401(k) Accounts - Each participant's account is credited with the participant's elective contributions, employer matching contributions, earnings and losses thereon.

Rollover contributions from other Plans are also accepted, providing certain specified conditions are met.

VESTING:

All participants are immediately vested in their contributions plus actual earnings thereon. Matching and transition contributions made by the Company vest immediately. However, base contributions made by the Company vest after three years of service or immediately upon death or disability.

FORFEITURES:

The nonvested portions of participant account balances are forfeitable and used to reduce employer contributions to the Plan. Plan forfeitures used totaled \$158,230 and \$147,011 for the years ended December 31, 2004 and 2003, respectively.

PARTICIPANTS' LOANS:

Loans are available to participants from their individual accounts subject to the terms of the Plan.

OTHER PLAN PROVISIONS:

PAYMENT OF BENEFITS:

Participants are eligible to receive benefit payments upon termination, retirement, death or disability equal to the vested balance of the participant's account as of the business day the trustee processes the distribution.

1 DESCRIPTION OF PLAN, CONTINUED

HARDSHIP WITHDRAWALS:

Hardship withdrawals are permitted in accordance with Internal Revenue Service guidelines.

INVESTMENT OPTIONS:

Upon enrollment in the Plan, a participant may direct his or her contributions in any or all of the investment options under the Plan.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

INVESTMENTS:

Excluding participant loans, investments are stated at quoted market prices. Participants' loans are valued at cost, which approximates fair value.

Cash equivalents include short-term investments with original term to maturity of 90 days or less. Cost approximates fair value.

The Plan presents in the 2004 statements of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Gains and losses on sales of investments are based on the average cost method.

The Plan presents in the 2003 statement of changes in net assets available for benefits its proportionate share of the net gain or loss of master trust investments (Note 3). The net gain includes the net appreciation in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Gains and losses on sales of investments within the master trust are based on the average cost method.

USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

PAYMENTS OF BENEFITS:

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
 Retirement Savings Plan  
 (formerly known as The Scotts Company  
 Retirement Savings Plan)

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

ADMINISTRATIVE FEES:

The Company pays for all administrative fees except those that are participant specific, such as loan establishment and maintenance fees.

RISKS AND UNCERTAINTIES:

The Plan provides for various investment options, which are subject to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

3 MASTER TRUST

Effective January 1, 2000, a master trust was established to commingle certain assets of the Plan and certain assets of the Company's other defined contribution plan, The Scotts Company Union Retirement Savings Plan ("Union Plan"). Each plan's accounting is maintained separately. The Plan's proportionate share of master trust investments and gains and losses is displayed on the accompanying financial statements. Plan activities, such as contributions and benefit payments, are recorded in the individual plan's accounting records.

The Union Plan has been terminated. The distribution of the Union Plan's assets was completed during 2003, and there is no longer a master trust in 2004.

Net earnings of the master trust are allocated between the plans based on a weighted average of assets related to each plan. Total net earnings for the master trust for the year ended December 31, 2003, are as follows:

	2003			
	Interest and Dividends	Net Appreciation in Fair Value of Securities	Administration Expenses	Total

8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Trust Company, the Trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Usual and customary fees were paid by the mutual fund for the investment management services.

9 SUBSEQUENT EVENT

On March 18, 2005 (the "Effective Time"), The Scotts Company ("Scotts") consummated the restructuring of Scotts' corporate structure into a holding company structure by merging Scotts into a newly-created, wholly-owned, second-tier Ohio limited liability company subsidiary, The Scotts Company LLC ("Scotts LLC"), pursuant to an Agreement and Plan of Merger, dated as of December 13, 2004, by and among Scotts, Scotts LLC and The Scotts Miracle-Gro Company ("Scotts Miracle-Gro"). This merger is referred to as the "Restructuring Merger."

Upon consummation of the Restructuring Merger, each of Scotts' common shares, without par value (the "Scotts Common Shares"), issued and outstanding immediately prior to the Effective Time was automatically converted into one fully paid and nonassessable common share, without par value, of Scotts Miracle-Gro (the "Scotts Miracle-Gro Common Shares"). Also, the entire class of Scotts Miracle-Gro Common Shares became registered under Section 12(b) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in accordance with Rule 12g-3 under the Exchange Act. As a result of the Restructuring Merger, Scotts Miracle-Gro is the new parent holding company and the public company successor to Scotts. Scotts LLC is the successor to Scotts and is a direct, wholly-owned subsidiary of Scotts Miracle-Gro.

As of the Effective Time, Scotts maintained The Scotts Company Retirement Savings Plan (the "Retirement Savings Plan"). As of the Effective Time, Scotts LLC assumed the obligations of Scotts under the Retirement Savings Plan. The Scotts Common Shares attributable to the accounts of participants under the Retirement Savings Plan relating to common share units immediately prior to the Effective Time were, by virtue of the Restructuring Merger, converted into the same number of Scotts Miracle-Gro Common Shares and those Scotts Miracle-Gro Common Shares are attributable to the accounts of those participants upon the same terms and subject to the same conditions as were in effect at the Effective Time.

All provisions of the Retirement Savings Plan remain the same following the Restructuring Merger, except that the Retirement Savings Plan has been amended to change the name of the Retirement Savings Plan from "The Scotts Company Retirement Savings Plan" to "The Scotts Company LLC Retirement Savings Plan" and to revise certain definitions and other provisions of the Retirement Savings Plan to reflect the assumption of the Retirement Savings Plan by Scotts LLC and the ability to invest in Scotts Miracle-Gro Common Shares instead of Scotts Common Shares under the Retirement Savings Plan. From and after the Effective Time, all amounts contributed to the Retirement Savings Plan's "Scotts Miracle-Gro Stock Fund" will be invested in securities of Scotts Miracle-Gro.
