These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The accompanying supplemental schedule of assets (held for investment purposes at end of year) as of December 31, 2005, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company Retirement Savings Plan)

**1 Description of Plan**

The following description of The Scotts Company LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions, such as eligibility, vesting, allocation and funding.

On March 18, 2005 (the “Effective Time”), The Scotts Company (“Scotts”) consummated the restructuring of Scotts’ corporate structure into a holding company structure by merging Scotts into a newly-created, wholly-owned, second-tier Ohio limited liability company subsidiary, The Scotts Company LLC (“Scotts LLC”), pursuant to an Agreement and Plan of Merger, dated as of December 13, 2004, by and among Scotts, Scotts LLC and The Scotts Miracle-Gro Company (“Scotts Miracle-Gro”). This merger is referred to as the “Restructuring Merger.”

Upon consummation of the Restructuring Merger, each of Scotts’ common shares, without par value (the “Scotts Common Shares”), issued and outstanding immediately prior to the Effective Time was automatically converted into one fully paid and nonassessable common share, without par value, of Scotts Miracle-Gro (the “Scotts Miracle-Gro Common Shares”). Also, the entire class of Scotts Miracle-Gro Common Shares become registered under Section 12(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), in accordance with Rule 12g-3 under the Exchange Act. As a result of the Restructuring Merger, Scotts Miracle-Gro is the new parent holding company and the public company successor to Scotts. Scotts LLC is the successor to Scotts and is a direct, wholly-owned subsidiary of Scotts Miracle-Gro.

As of the Effective Time, Scotts maintained The Scotts Company Retirement Savings Plan (the “Retirement Savings Plan”). As of the Effective Time, Scotts LLC assumed the obligations of Scotts under the Retirement Savings Plan. The Scotts Common Shares attributable to the accounts of participants under the Retirement Savings Plan relating to common share units immediately prior to the Effective Time were, by virtue of the Restructuring Merger, converted into the same number of Scotts Miracle-Gro Common Shares and those Scotts Miracle-Gro Common shares are attributable to the accounts of those participants upon the same terms and subject to the same conditions as were in effect at the Effective Time.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company Retirement Savings Plan)

**1 Description of Plan, Continued**

All provisions of the Retirement Savings Plan remain the same following the Restructuring Merger, except that the Retirement Savings Plan has been amended to change the name of the Retirement Savings Plan from “The Scotts Company Retirement Savings Plan” to “The Scotts Company LLC Retirement Savings Plan” and to revise certain definitions and other provisions of the Retirement Savings Plan to reflect the assumption of the Retirement Savings Plan by Scotts LLC and the ability to invest in Scotts Miracle-Gro Common Shares instead of Scotts Common Shares under the Retirement Savings Plan. From and after the Effective Time, all amounts contributed to the Retirement Savings Plan’s “Scotts Miracle-Gro Stock Fund” will be invested in securities of Scotts Miracle-Gro.

**General:**

The Plan is a defined contribution plan covering all eligible employees of Scotts LLC and its affiliates (collectively, the “Company”) who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility:**

Regular domestic employees of the Company are eligible to participate in the Plan on the first day of the month immediately following their date of employment. Regular employees of E.G. Systems, Inc. doing business as Scotts LawnService®, a subsidiary of the Company, are eligible to receive base retirement contributions on the first day of the month after completing one year of eligibility service and are eligible to make contributions and receive matching contributions on the first day of the month after completing 60 days of service. Effective January 1, 2003, temporary employees are not eligible to participate in the Plan.

**Employee Contributions:**

The Plan provides for a participant to make pre-tax contributions up to 75% of eligible wages, not to exceed the annual Internal Revenue Service (“IRS”) maximum deferral amount.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company Retirement Savings Plan)

**1 Description of Plan, Continued**

***Employer Contributions:***

The Plan provides a base retirement contribution for all eligible employees. Generally, eligible employees receive an allocation equal to 2% of monthly compensation. This percentage increases to 4% when employees' year-to-date compensation exceeds 50% of the social security taxable wage base. The Company also matches participant pre-tax contributions dollar for dollar for the first 3% of pay and matches \$0.50 on the dollar for the next 2% of participant pre-tax contributions.

Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), as defined in the Plan agreement.

***Participants' Accounts:***

401(k) Accounts — Each participant's account is credited with the participant's elective contributions, employer matching contributions, earnings and losses thereon.

Rollover contributions from other plans are also accepted, providing certain specified conditions are met.

***Vesting:***

All participants are immediately vested in their contributions plus actual earnings thereon. Matching contributions made by the Company vest immediately. However, base contributions made by the Company vest after three years of service or immediately upon death or disability.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company Retirement Savings Plan)

**1 Description of Plan, Continued**

***Forfeitures:***

The nonvested portions of participant account balances are forfeitable and used to reduce employer contributions to the Plan. Plan forfeitures used totaled \$10,717 and \$179,711 for the years ended December 31, 2005 and 2004, respectively.

***Participants' Loans:***

Loans are available to participants from their individual accounts subject to the terms of the Plan.

***Other Plan Provisions:***

Normal retirement age is 65; however, a participant may elect early retirement on or after age 55 and completing five years of vested service. The Plan also provides for in-service withdrawals for active employees under certain circumstances.

***Payment of Benefits:***

Participant is eligible to receive benefit payments upon termination, retirement, death or disability equal to the vested balance of the participant's account as of the business day the trustee processes the distribution.

***Hardship Withdrawals:***

Hardship withdrawals are permitted in accordance with IRS guidelines.

***Investment Options:***

Upon enrollment in the Plan and thereafter, a participant may direct his or her contributions in any or all of the investment options under the Plan.

**2 Summary of Significant Accounting Policies**

***Basis of Accounting:***

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

NOTES TO FINANCIAL STATEMENTS

The Scotts Company LLC  
Retirement Savings Plan  
(formerly known as The Scotts Company Retirement Savings Plan)

**2 Summary of Significant Accounting Policies, Continued**

***Investments:***

Excluding participant loans, investments are stated at quoted market prices. Participants' loans are valued at cost, which approximates fair value.

Cash equivalents include short-term investments with original term to maturity of 90 days or less. Cost approximates fair value.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Gains and losses on sales of investments are based on the average cost method.

***Use of Estimates:***

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements, changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Payments of Benefits:***

Benefits are recorded when paid.

***Administrative Fees:***

The Company pays for all administrative fees except those that are participant specific, such as loan establishment and maintenance fees.

***Risks and Uncertainties:***

The Plan provides for various investment options, which are subject to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.
