**Item 7.01. Regulation FD Disclosure**

On June 26, 2008, The Scotts Miracle-Gro Company (the “Company”) received a Stop Sale, Use or Removal Order (the “stop sale order”) from the U.S. Environmental Protection Agency (“USEPA”) with respect to the Company’s Ortho® Home Defense® Indoor & Outdoor Insect Killer, which includes Ortho® Home Defense Max® Perimeter & Indoor Insect Killer (“Ortho Home Defense Max”). These products collectively represent approximately \$20 million in sales for the remainder of the Company’s fiscal year.

The Company had previously notified the USEPA of a labeling discrepancy related to these products as the Company continues to voluntarily cooperate with the previously disclosed USEPA and U.S. Department of Justice investigation related to some of the Company’s product registrations. The Company believes a former associate deliberately circumvented the Company’s policies and USEPA regulations.

The products that are subject to the stop sale order are registered with the USEPA. The Company believes the issues that prompted the stop sale order are related to administrative concerns with the product labels. The USEPA stop sale order currently prohibits the Company from shipping the affected products but does not prevent retailers from selling existing inventory and does not affect consumers’ continued use of products that have been previously purchased. The Company is engaged in ongoing discussions with the USEPA to promptly resolve all issues with respect to the Ortho Home Defense Max labels so that the Company can promptly recommence shipping of the affected products.

For more information with respect to additional risks and uncertainties the Company may face in connection with the USEPA investigation and the related criminal investigation by the U.S. Department of Justice, please see the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ended March 29, 2008.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
